CHAPTER 1

AN ACT concerning certain qualifications for appointment to the office, position or employment of sheriff's officer, county correction officer or county park police officer, and supplementing subtitle 3 of Title 11 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 11:21-4.2 Definitions.
   1. "Sheriff's officer," "county correction officer" and "county park police officer" as used herein shall mean, respectively, the county office, position or employment classified as of the effective date of this act, under the title "sheriff's officer," "county correction officer" or "county park police officer" by the civil service commission.

C. 11:21-4.3 Waiver of age limits.
   2. Notwithstanding the age eligibility qualifications established by the civil service commission for appointment to the office, position or employment of sheriff's officer, county correction officer or county park police officer, such age limits may be waived upon a written determination by the commission that they are a deterrent to recruitment within any county subject to the provisions of Title 11 of the Revised Statutes. Such a determination must be based on a showing within the individual county that adequate qualified personnel can only be secured by so waiving the age qualification.

3. This act shall take effect immediately.

CHAPTER 2

AN ACT concerning coroners, county physicians and medical examiners, revising parts of the statutory law and repealing sundry acts and parts of acts.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 2A:10-2 is amended to read as follows:

County court; punishment of sheriff for contempt.

2A:10-2. The County Court of any county shall have the same power to punish for contempt a sheriff of the county, as the Superior Court.

2. N. J. S. 2A:15-25 is amended to read as follows:

Death or disability of certain persons to whom writ or process was originally directed.

2A:15-25. When a sheriff, receiver, master or other person to whom any writ, process, order or judgment has been or may be directed by any court of this State dies, becomes unable to discharge the duties of his office or appointment, or removes from and continues to reside without the jurisdiction of this State without discharging the duties of his office or appointment in relation to the command of the writ, process, order or judgment, it shall be lawful for the court upon notice to the other party, where notice can be given, to order the sheriff for the time being of the county or to some other proper person, as the case may be, to proceed to execute any such writ, process, order or judgment.

Upon such an order being made, the sheriff for the time being or other person shall proceed to execute or complete the execution of such writ, process, order or judgment, and do all other acts in the premises, as fully and completely as such sheriff or other person to whom the same was originally directed might himself have done had such death, disability or removal not occurred, subject to the same regulations and restrictions, and to the same penalties, actions and amercements for neglect of duty in relation thereto.

3. N. J. S. 2A:43-1 is amended to read as follows:

Privileged communications.

2A:43-1. The privileged character attaching to the publication of judicial or other proceedings shall extend to the publication in
any newspaper of official statements issued by police department heads and county prosecutors in investigations in progress or completed by them, and which are accepted in good faith by the publisher of any newspaper, and the privileged character thereof shall be a good defense to any action for libel, unless malice in fact be shown by the plaintiff therein.

4. N. J. S. 2A:72–5 is amended to read as follows:

**Summoning grand and petit jurors; service.**

2A:72–5. Every grand and petit juror shall be summoned by the sheriff, his deputy, or by an elisor or by a peace officer or officer of a court deputized for that purpose. The summons shall be by notice in writing, under the hand or hands of the summoning officer or officers, served at least 30 days before the day on which such juror is required to appear. It shall require the person therein summoned to appear before a specified court at such time and place as shall be expressed therein, to serve upon a jury.

Each person drawn for jury service may be served personally or by leaving the same at the dwelling house of such juror, or by registered or certified mail addressed to such juror at his usual residence or business address. Where service is made by mail, the summoning officer shall attach to his return the addressee’s receipt for the registered or certified summons. Service by mail is complete upon mailing.

5. N. J. S. 2A:72–6 is amended to read as follows:

**Execution of orders for juries by elisors in particular causes.**

2A:72–6. When an order shall be directed to the elisors for a jury for the trial of a particular cause, the same shall be executed and the jury thereby required shall be summoned by the elisors in the same manner as by law was required to be done in such a case prior to March 9, 1836, notwithstanding any of the provisions of this subtitle relating to the drawing, summoning and impaneling of juries.

6. N. J. S. 2A:72–8 is amended to read as follows:

**Accepting reward for summoning or excusing jurors; penalty.**

2A:72–8. No sheriff or other officer, or any deputy thereof, shall, directly or indirectly, take, accept or receive money or other reward or thing to summon or return any person for service on any jury or to excuse any person from being summoned or returned or from serving on any jury, nor shall any such officer summon or return
any person who may have applied to him to be summoned or re­
turned as a juror.

For every violation of this section the person guilty thereof
shall forfeit $150.00, recoverable, with costs, in an action in any
court of record of competent jurisdiction. One moiety of the forfeit­
ure recovered shall go to the State and the other moiety to any
person prosecuting therefor.

7. N. J. S. 2A:113-1 is amended to read as follows:

Murder.

2A:113-1. If any person, in committing or attempting to commit
arson, burglary, kidnapping, rape, robbery, sodomy or any unlaw­
ful act against the peace of this State, of which the probable con­
sequences may be bloodshed, kills another, or if the death of anyone
ensues from the committing or attempting to commit any such crime
or act; or if any person kills a judge, magistrate, sheriff, constable
or other officer of justice, either civil or criminal, of this
State, or a marshal or other officer of justice, either civil or criminal,
of the United States, in the execution of his office or duty, or kills
any of his assistants, whether specially called to his aid or not,
endeavoring to preserve the peace or apprehend a criminal, knowing
the authority of such assistant, or kills a private person endeavor­
ing to suppress an affray, or to apprehend a criminal, knowing the
intention with which such private person interposes, then such
person so killing is guilty of murder.

8. N. J. S. 2A:166-6 is amended to read as follows:

bill of costs.

2A:166-6. In all cases where any sheriff, constable or special

any court of record or magistrate of this State, and, in the
execution thereof, it shall become necessary for such officer to
go beyond the limits of his county, he shall receive, in addition to the
fees allowed by law, his traveling and other expenses necessarily
incurred in such service, a particular statement of which shall be

e. The State Department of Health shall initially permit persons to register who own or operate any establishment engaged in the manufacture, distribution or dispensing of any controlled dangerous substances prior to the effective date of this act and who are registered or licensed by the State.

a drug not considered to be a prescription drug under existing
State law should be so considered because of its abuse potential, it shall so advise the State Board of Pharmacy and furnish to it all available data relevant thereto.

CHAPTER 9

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 33:1-22 is amended to read as follows:

Appeal to director from action of issuing authority respecting license; procedure. 33:1-22. If the other issuing authority shall refuse to issue any license, or if the other issuing authority shall refuse to extend said license for a limited time not exceeding its term, to the executor or administrator of a deceased licensee, or to such person who shall be appointed by the courts having jurisdiction, in the event of the incompetency of any licensee, the applicant shall be notified forthwith of such refusal by a notice served personally upon the applicant, or sent to him by registered mail addressed to him at the address stated in the application. Such applicant may within 30 days after the date of service or of mailing of such notice, upon payment to the director of a nonreturnable filing fee of $50.00, appeal to the director from the action of the issuing authority. If the other issuing authority shall issue a license, or grant an extension of said license for a limited time not exceeding its term, to the executor or administrator of a deceased licensee, or to such person who shall be appointed by the courts having jurisdiction, in the event of the incompetency of any licensee, any taxpayer or other aggrieved person opposing the issuance of such license may, within 30 days after the issuance of such license, upon payment to the director of a nonreturnable filing fee of $50.00, appeal to the director from the action of the issuing authority. The director shall fix a time for the hearing of the appeal and before hearing the same, shall give at least 5 days' notice of the time so fixed to such applicant, such taxpayer, or other aggrieved person and other issuing authority.

Where an appeal is taken from the denial of an application for a renewal of a license, the director may, in his discretion, issue an order upon the respondent issuing authority to show cause why the term of the license should not be extended pending the determination of the appeal, together with ad interim relief extending the term of the license pending the return of the order to show
cause. If it shall appear upon the return of the order to show cause that the action of the respondent issuing authority is prima facie erroneous and that irreparable injury to the appellant would otherwise result, the director may, subject to such conditions as he may impose, order that the term of the license be extended pending a final determination of the appeal.

2. R. S. 33:1–31 is amended to read as follows:

**Suspension or revocation of license; appeal.**

33:1–31. Any license, whether issued by the director or any other issuing authority, may be suspended or revoked by the director, or the other issuing authority may suspend or revoke any license issued by it, for any of the following causes:

a. Violation of any of the provisions of this chapter;

b. Manufacture, transportation, distribution or sale of alcoholic beverages in a manner or to an extent not permitted by the license or by law;

c. Nonpayment of any excise tax or other payment required by law to be paid to the State Tax Commissioner;

d. Failure to comply with any of the provisions of subtitle 8 of the Title Taxation (§ 54:41-1 et seq.);

e. Failure to have at all time a valid, unrevoked permit, license or special tax stamp, or other indicia of payment, of all fees, taxes, penalties and payments required by any law of the United States;

f. Failure to have at all times proper stamps or other proper evidence of payment of any tax required to be paid by any law of this State;

g. Any violation of rules and regulations;

h. Any violation of any ordinance, resolution or regulation of any other issuing authority or governing board or body;

i. Any other act or happening, occurring after the time of making of an application for a license which if it had occurred before said time would have prevented the issuance of the license; or

j. For any other cause designated by this chapter.

No suspension or revocation of any license shall be made until a 5-day notice of the charges preferred against the licensee shall have been given to him personally or by mailing the same by registered mail addressed to him at the licensed premises and a reasonable opportunity to be heard thereon afforded to him.

A suspension or revocation of license shall be effected by a notice in writing of such suspension or revocation, designating the effec-
tive date thereof, and in case of suspension, the term of such sus-
pension, which notice may be served upon the licensee personally or
by mailing the same by registered mail addressed to him at the
licensed premises. Such suspension or revocation shall apply to the
licensee and to the licensed premises.

A revocation shall render the licensee and the officers, directors
and each owner, directly or indirectly, of more than 10% of the stock
of a corporate licensee ineligible to hold or receive any other license,
of any kind or class under this chapter, for a period of 2 years from
the effective date of such revocation and a second revocation shall
render the licensee and the officers, directors and each owner, di-
rectly or indirectly, of more than 10% of the stock of a corporate
licensee ineligible to hold or receive any such license at any time
thereafter. Any revocation may, in the discretion of the director or
other issuing authority as the case may be, render the licensed
premises ineligible to become the subject of any further license, of
any kind or class under this chapter, during a period of 2 years
from the effective date of the revocation.

The director may, in his discretion and subject to rules and regu-
lations, accept from any licensee an offer in compromise in such
amount as may in the discretion of the director be proper under the
circumstances in lieu of any suspension of any license by the direc-
tor or any other issuing authority. Any sums of money so collected
by the director shall be paid forthwith into the State Treasury for
the general purpose of the State.

No refund, except as expressly permitted by section 33:1-26 of
this Title, shall be made of any portion of a license fee after issuance
of a license; but if any licensee, except a seasonal retail consump-
tion licensee, shall voluntarily surrender his license, there shall be
returned to him, after deducting as a surrender fee 50% of the
license fee paid by him, the prorated fee for the unexpired term;
provided, that such licensee shall not have committed any violation
of this chapter or of any rule or regulation or done anything which
in the fair discretion of the director or other issuing authority, as
the case may be, should bar or preclude such licensee from making
such claim for refund and that all taxes and other set-offs or coun-
terclaims which shall have accrued and shall have become due and
payable to this State or any municipality, or both, have been paid.
Such refund, if any, shall be made as of the date of such surrender.
The surrender of a license shall not bar proceedings to revoke such
license. The refusal of the other issuing authority to grant any
refund hereunder shall be subject to appeal to the director within 30 days after notice of such refusal is mailed to or served upon the licensee. Surrenders of retail licenses shall be promptly certified by the issuing authority to the director. Surrender fees shall be accounted for as are investigation fees. If any licensee to whom a refund shall become due under the provisions of this section shall be indebted to the State of New Jersey for any taxes, penalties or interest by virtue of the provisions of subtitle 8 of the Title Taxation (§ 54:41-1 et seq.), it shall be the duty of the issuing authority before making any such refund, upon receipt of a certificate of the State Tax Commissioner evidencing the said indebtedness to the State of New Jersey, to deduct therefrom, and to remit forthwith to the State Tax Commissioner the amount of such taxes, penalties and interest.

In the event of any suspension or revocation of any license by the other issuing authority, the licensee may, within 30 days after the date of service or of mailing of said notice of suspension or of revocation, upon payment to the director of a nonreturnable filing fee of $50.00, appeal to the director from the action of the other issuing authority in suspending or revoking such license which appeal shall act as a stay of such suspension or revocation pending the determination thereof unless the director shall otherwise order. When any person files with any other issuing authority written complaint against a licensee specifying charges and requesting that proceedings be instituted to revoke or suspend such license, he may appeal to the director from its refusal to revoke or suspend such license or other action taken by it in connection therewith within 30 days from the time of service upon or mailing of notice to him of such refusal or action. The director shall thereupon fix a time for the hearing of the appeal and before hearing the same shall give at least 5 days’ notice of the time so fixed to such licensee, other issuing authority and appellant.

3. This act shall take effect immediately.

Approved January 18, 1971.
CHAPTER 10

An Act concerning education, supplementing Title 18A, Education, of the New Jersey Statutes, and providing for payment of additional State school building aid to certain school districts.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act may be cited as the "Additional State School Building Aid Act of 1970."

C. 18A:58-33.7 Additional State school building aid; limitations.

2. Additional State school building aid shall be made available to school districts in accordance with the provisions of this act for the payment of debt service (interest and principal) on bonds and notes (as hereinafter defined) entitled to the benefits of this act, provided that the amount of aid payable in any year to any school district shall not exceed an amount equal to $25.00 per pupil in resident enrollment in such school district on September 30, 1969, and provided further that the total principal amount of bonds entitled to the benefits of this act shall not exceed $90,000,000.00.

3. Whenever the board of education of a school district shall determine by resolution that it is unable to provide suitable educational facilities to comply with the provisions of section 18A:33-1 of the New Jersey Statutes, it may file an application with the Commissioner of Education for additional State school building aid under this act. Upon the receipt of such application, the Commissioner of Education shall cause an investigation to be made of the conditions in the district, taking into consideration the number of un-housed pupils, the rate of pupil population increase, the total tax rate of the municipalities in the district, the school tax rate of the district, the net debt of such municipalities and the school debt, the density of population, the apportionment valuations allocable with respect to each child in the school district, the number of children on welfare rolls, existing and proposed educational facilities and all such other factors as said commissioner or the State Board of Education may deem necessary for the purpose of this act. The Commissioner of Education shall report the results of such investigation to the State Board of Education and may include therein an
evaluation of the ability of such school district to provide suitable educational facilities to comply with the provisions of said section 18A:33-1, and of the need of such school district for additional State school building aid under this act, advice as to the resident enrollment in such school district as of September 30, 1969 as shown by records with respect thereto on file in his office, recommendation as to the amount (if any) of entitlement (as hereinafter defined) proposed with respect to said school district, and such further information with respect to such school district as requested or required by said board.

C. 18A:58-33.9 Determination of State Board of Education; proposal or ordinance.

4. (a) If the State Board of Education shall find that such school district is not able to provide the suitable educational facilities to comply with the provisions of said section 18A:33-1 the State Board of Education shall by resolution determine: (1) that such school district is entitled to receive additional State school building aid pursuant to this act, (2) the number of pupils in resident enrollment in such school district on September 30, 1969 for purposes of computation under this act, (3) the principal amount of bonds (which amount is hereinafter sometimes referred to as the "entitlement") which are to be entitled to the benefits of the provisions of this act, and (4) the maturity schedule for such principal amount of bonds approved by said board.

(b) At any time within 1 year after the adoption by the State Board of Education of the resolution referred to in subparagraph (a) with respect to a particular school district, said school district may submit to the Commissioner of Education a copy of a proposal or ordinance authorizing the issuance of bonds entitled to the benefits of this act in accordance with said resolution. If no such proposal or ordinance is submitted within 1 year the said resolution shall be of no further force and effect and the commissioner shall so notify said school district. The Commissioner of Education shall be and is hereby authorized to endorse upon any copy of such proposal or ordinance a certification thereof as being the proposal or ordinance as to which a determination of the State Board of Education has been made as aforesaid, and such endorsement shall be made in such form or manner as said commissioner shall determine.

5. (a) A copy of the resolution of the State Board of Education referred to in section 4 (a) and a copy of the proposal or ordinance
referred to in section 4 (b), bearing the endorsement of the Commissioner of Education as aforesaid, shall be submitted to the Local Finance Board in the Division of Local Finance for its consideration, and the Local Finance Board in considering such copy of proposal or ordinance submitted to it and before endorsing its consent thereon may require the board of education of any school district or the governing body of any municipality in such school district to adopt resolutions restricting or limiting any future proceedings therein or other matters or things deemed by the Local Finance Board to affect any estimate made or to be made by it in accordance with subsection (b) hereof, and every such resolution so adopted shall constitute a valid and binding obligation of such school district or municipality, as the case may be, running to and enforceable by, and releasable by, the Local Finance Board.

(b) Within 60 days after such submission to it, the Local Finance Board shall cause its consent to be endorsed upon such copy of any proposal or ordinance authorizing such bonds, if it shall be satisfied, and shall record by resolution, its estimates that the amounts to be expended for the education facilities to be financed pursuant to such proposal or ordinance are not unreasonable or exorbitant, and that issuance of the bonds, to be authorized by such proposal or ordinance, will not materially impair the credit of any municipality comprised within the district or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the Local Finance Board is not so satisfied it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

6. (a) If the board of education of a school district shall determine by resolution that the maturity schedule for bonds entitled to the benefits of this act, other than the maturity schedule approved by the State Board of Education by resolution pursuant to section 4(a) of this act, is in the best interest of said school district, it may make application to the State Board of Education setting forth such belief and the grounds therefor and requesting approval of a schedule of maturities for such bonds set forth in the application. If the State Board of Education, by resolution, shall find that the schedule of maturities set forth in the application is in the best interest of the school district and the State, it shall cause its approval to be endorsed thereon and shall forward said application to the Local Finance Board.
(b) Within 60 days after submission to the Local Finance Board of an application in accordance with section 6(a) of this act, it shall cause its approval to be endorsed thereon if it shall be satisfied and shall record by resolution its findings that the belief set forth in such application is well founded and that issuance of the bonds mentioned and described in such application would not materially impair the credit of any municipality comprised within the school district or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the Local Finance Board is not so satisfied, it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

7. Any bonds entitled to the benefits of the provisions of this act, shall be deducted from the school debt in determining the net school debt of any school district for any purpose or computation under section 18A:24-19 of the New Jersey Statutes, and the amount of all such bonds shall be deducted from the gross debt of any municipality constituting the whole or any part of such school district pursuant to section 40A:24-44(g) of the New Jersey Statutes.

8. All of such bonds when issued shall contain a recital to the effect that they are issued pursuant to Title 18A, Education, of the New Jersey Statutes and are entitled to the benefits of the provisions of this act. Except as otherwise provided in this act, any bonds entitled to the benefits of the provisions of this act shall be authorized and issued in the manner provided for in said Title 18A. Compliance with the provisions of this act by or on behalf of any school district or municipality shall make it unnecessary to comply with any of the provisions of sections 18A:24-20 through 18A:24-27 of the New Jersey Statutes, and such sections shall not be applicable with respect to authorization or issuance of any bonds entitled to the benefits of the provisions of this act. Bonds entitled to the benefits of the provisions of this act shall mature not later than 30 years from their date, without regard to any limitations as to maturities or amounts of annual installments for such bonds as provided in said Title 18A.

9. Any school district or municipality which has authorized bonds which are entitled to the benefits of this act, may issue temporary notes or loan bonds (hereinafter called "notes") in anticipation of
the issuance of permanent bonds to the extent permitted or provided by or pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes or any other laws applicable, subject to such additional terms or conditions with respect to such notes as may be fixed or required by the Commissioner of Education to insure that funds are borrowed only as needed to meet required payments for construction or acquisition of the educational facilities to be financed by the issuance of permanent bonds.

10. Within 10 days after issuance of any bonds or notes entitled to the benefits of this act, the chief financial officer of the school district or municipality issuing such bonds shall certify to the Commissioner of Education the exact amount payable on account of debt service (interest and principal) on such bonds or notes in each year. The Commissioner of Education shall thereupon verify said amounts and certify the same to the State Treasurer. The certification by the Commissioner of Education as to amount payable in any year for debt service (principal and interest) on such bonds or notes shall be fully conclusive as to such bonds or notes from and after the time of issuance of such bonds or notes, notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such bonds or notes, provided that such bonds or notes contain a recital to the effect that they are entitled to the benefits of the provisions of this act, and all persons shall be forever estopped from denying that such bonds or notes are entitled to the benefits of the provisions of this act.

C. 18A:58-33.16 Eligibility for entitlement.

11. Any school district shall be eligible for an entitlement hereunder, and any entitlement may be made hereunder with respect to any school district, notwithstanding that such school district may then be eligible for or shall have heretofore received or shall hereafter receive additional State school building aid or any entitlement with respect thereto under any other act, it being the legislative intent that additional State school building aid hereunder provided shall be independent of, or may be in addition to, any such aid received or to be received as aforesaid. Any school district, with respect to which any determination as to additional State school building aid or any entitlement has been theretofore made pursuant to this act, may make application for further additional State school building aid and for further entitlement, or increase or revision in any such entitlement theretofore made, provided
that the aggregate amount of State aid for any school district in any year pursuant to this act shall not exceed the amount specified in section 2 of this act.

12. The Commissioner of Education, the State Board of Education and the Local Finance Board are each hereby authorized and empowered to consider any application of any school district with respect to additional State school building aid under this act in connection with any educational facilities authorized to be undertaken pursuant to Title 18A of the New Jersey Statutes notwithstanding that such facilities were authorized or approved prior to the taking effect of this act. The State board shall, within 1 year from the date on which this act shall become effective and during each succeeding year, review the status of educational facilities of each school district, which is entitled to receive additional state building aid pursuant to this act. Said reviews shall continue annually until such facilities are completed.

13. All amounts of additional State school building aid to be paid under the provisions of this act with respect to any school district for debt service (principal and interest) on bonds or notes entitled to the benefits of this act shall, on or before the date for such payment of interest or principal, be paid to the custodian of school moneys of a Type II school district or to the chief financial officer of the municipality of a Type I school district, and in amount with respect to such date as reflects the amount of principal or interest, respectively, payable as to such date by reason of such additional State school building aid hereunder payable with respect to such school district.

14. As provided in this act, every school district and municipality which shall be entitled thereto, shall receive annually the amount of its additional State school building aid and the State Board of Education shall include such amount thereof in its annual budget for building aid for such school district. Amounts of such building aid paid under this act shall be used for the payment of debt service (interest and principal) on bonds or notes entitled to the benefits of the provisions of this act.

15. This act shall take effect immediately.

Except as to municipalities or counties which by ordinance or resolution are entitled to appoint more than one member of the authority, the members first appointed or to be first appointed shall serve for terms expiring on the first day of the fifth February next ensuing after the date of the first appointment of any member. In municipalities or counties entitled to appoint three members, the appointing authority shall designate one of the initial appointees to serve for a term of 3 years, one for 4 years and one for 5 years. In municipalities or counties entitled to appoint two members, the appointing authority shall designate one of the initial appointees to serve for a term of 5 years and one for 4 years. On or after January 1 in the year in which expire the terms of the said members first appointed and in every fifth year thereafter, the appropriate number of persons shall be appointed as members of the sewerage authority by the governing body of each municipality or county, to serve for terms commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during the unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term by the governing body which made the original appointment for such unexpired term.

Upon the expiration of the terms of office of members, in office on July 1, 1967, of sewerage authorities created by two or more municipalities or counties where more than one member is appointed by any participating municipality or county, their immediate successors, except for appointments to fill vacancies, shall be appointed for designated terms of 3, 4 or 5 years in the same manner as in this subsection (c) provided as to initial appointees.
(d) A copy of each resolution or ordinance for the creation of a sewerage authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. Upon proof of such filing of a certified copy of the resolution or ordinance or of certified copies of the parallel ordinances for the creation of a sewerage authority as aforesaid, the sewerage authority therein referred to shall, in any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract or obligation or act of the sewerage authority, be conclusively deemed to have been lawfully and properly created and established and authorized to transact business and exercise its powers under this act. A copy of any such certified resolution or ordinance, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding.

(e) A copy of each resolution appointing any member of a sewerage authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. A copy of such certified resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding and, except in a suit, action or proceeding directly questioning such appointment, shall be conclusive evidence of the due and proper appointment of the member or members named therein.

(f) The governing body of a county which may create or join in the creation of any sewerage authority pursuant to this section shall not thereafter create or join in the creation of any other sewerage authority. No governing body of any municipality constituting the whole or any part of a district shall create or join in the creation of any sewerage authority except upon the written consent of the sewerage authority and in accordance with the terms and conditions of such consent, and in the event such consent be given and a sewerage authority be created pursuant thereto, the terms and conditions of such consent shall thereafter be in all respects binding upon such municipality and the sewerage authority so created and any system of sewers or sewage disposal plants constructed or maintained in conformity with the terms and conditions of such consent by the sewerage authority so created shall be deemed not to be competitive with the sewerage systems of the sewerage authority giving such consent. In the event that prior to the creation of a sewerage authority of a county the governing body of any municipality located in said county, shall have created
or joined in the creation of a sewerage authority, the area within the territorial limits of such municipality shall not be part of the district of the sewerage authority of said county.

(g) Within 10 days after the filing in the office of the Secretary of State of a certified copy of a resolution for the creation of a sewerage authority adopted by the governing body of any county pursuant to this section, a copy of such resolution, duly certified by the appropriate officer of the county, shall be filed in the office of the clerk of each municipality within the county. In the event that the governing body of any such municipality shall, within 60 days after such filing in the office of the Secretary of State, adopt a resolution determining that such municipality shall not be a part of the district of such sewerage authority and file a copy thereof duly certified by its clerk, in the office of the Secretary of State, the area within the territorial limits of such municipality shall not thereafter be part of such district, but at any time after the adoption of such resolution, the governing body of such municipality may, by ordinance duly adopted, determine that such area shall again be a part of such district and if thereafter a copy of such ordinance duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of such sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and after such filing the area within the territorial limits of such municipality shall forever be part of such district.

(h) The governing body of any local unit which has created a sewerage authority pursuant to subsection (a) or subsection (b) of this section may, in the case of a county by resolution duly adopted or in the case of a municipality by ordinance duly adopted, dissolve such sewerage authority on the conditions set forth in this subsection. The governing bodies of two or more local units which have created a sewerage authority pursuant to subsection (c) of this section may, by parallel ordinances duly adopted by each of such governing bodies within any single calendar year, dissolve such sewerage authority on the conditions set forth in this subsection. Such a sewerage authority may be dissolved on condition that (1) either the members of such authority have not been appointed or the sewerage authority, by resolution duly adopted, consents to such dissolution, and (2) the sewerage authority has no debts or obligations outstanding. Upon the dissolution of any sewerage authority in the manner provided in this subsection, the governing body or bodies dissolving such sewerage
authority shall be deemed never to have created or joined in the creation of a sewerage authority. A copy of each resolution or ordinance for the dissolution of a sewerage authority adopted pursuant to this subsection, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. Upon proof of such filing of a certified copy of the resolution or ordinance or of certified copies of the parallel ordinances for the dissolution of a sewerage authority as aforesaid and upon proof that such sewerage authority had no debts or obligations outstanding at the time of the adoption of such resolution, ordinance or ordinances, the sewerage authority therein referred to shall be conclusively deemed to have been lawfully and properly dissolved and the property of the sewerage authority shall be vested in the local unit or units. A copy of any such certified resolution or ordinance, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding.

(i) Whenever the sewerage authority of any county shall certify to the governing body of any county that it has entered into a contract pursuant to section 23 of this act with one or more municipalities situate within any other county, one additional member of the sewerage authority for each such other county shall be appointed by resolution of the governing body of such other county as in this section provided. The additional members so appointed for any such other county, and his successors shall be a resident of one of said municipalities situate within such other county. The additional member first appointed or to be first appointed for any such other county shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If after such appointment of an additional member for any such other county the sewerage authority shall certify to said governing body of such other county that it is no longer a party to a contract entered into pursuant to section 23 of this act with any municipality situate within such other county, the term of office of such additional member shall
thereupon cease and expire and no additional member for such other county shall thereafter be appointed.

(j) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality may, by ordinance duly adopted, provide that the members of the sewerage authority shall thereafter be appointed by the governing body of such new consolidated municipality, which shall make appointment of members of the sewerage authority by resolution as hereinafter in this subsection provided. On or after the taking effect of such ordinance, one person shall be appointed as a member of the sewerage authority for a term commencing on February 1 in each year, if any, after the date of consolidation, in which has or shall have expired the term of a member of the sewerage authority theretofore appointed by the governing body of the municipality which has been or shall be so consolidated, and expiring on February 1 in the fifth year after such year. Thereafter, on or after January 1 in each year, one person shall be appointed as a member of the sewerage authority to serve for a term commencing on February 1 in such year and expiring February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term. Each member of the sewerage authority appointed by the governing body of a municipality which has been or shall be so consolidated shall continue in office until his successor has been appointed as in this subsection provided and has qualified.

(k) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality, subject to the rights of the holders, if any, of bonds issued by the sewerage authority, and upon receipt of the sewerage authority's written consent thereto, may provide, by ordinance duly adopted, that the area within the territorial boundaries of the new consolidated municipality shall constitute the district of the sewerage authority, and upon the taking effect of such ordinance, such area shall constitute the district of the sewerage authority. Until the taking effect of such ordinance, the district of the sewerage authority shall be the area within the territorial boundaries, as they existed
at the date of the consolidation, of the municipality the governing body of which created the sewerage authority.

(1) Whenever, with the approval of any sewerage authority created by the governing bodies of two or more municipalities, any other municipality not constituting part of the district shall convey to the sewerage authority all or any part of a system of main, lateral or other sewers or other sewerage facilities located within the district and theretofore owned and operated by such other municipality, then, if so provided in the instruments of such conveyance, one additional member of the sewerage authority for such other municipality shall be appointed by resolution of its governing body as in this section provided. The additional member so appointed for such municipality, and his successors, shall be residents of such municipality. The additional member first appointed or to be first appointed for such municipality shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If at any time after such conveyance of sewers or sewerage facilities by a municipality its governing body shall adopt a resolution determining not thereafter to be represented in the membership of the sewerage authority and shall file a copy thereof duly certified by its clerk in the office of the sewerage authority, the term of office of any such additional member theretofore appointed for such municipality shall thereupon cease and expire and no additional member for such municipality shall thereafter be appointed.

(m) The governing body of any municipality which is not part of any district but is contiguous to the district of a sewerage authority created by the governing bodies of two or more other municipalities may at any time, by ordinance duly adopted, propose that the area within the territorial limits of such municipality shall be a part of said contiguous district. Such ordinance shall (1) state the number of members of the sewerage authority, not less than one nor more than three, thereafter to be appointed for full terms of office by the governing body of such municipality, and (2) determine that, after the filing of a certified copy thereof and of a resolution of the sewerage authority in accordance with this
subdivision, such area shall be a part of said contiguous district. If thereafter a copy of such ordinance duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of said sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and after such filing the area within the territorial limits of such municipality shall forever be part of said contiguous district and said sewerage authority shall consist of the members thereof acting or appointed as in this section provided and constitute an agency and instrumentality of such municipality as well as such other municipalities. The governing body of the said municipality so becoming part of said contiguous district shall thereupon appoint members of the sewerage authority in the number stated in such ordinance, for periods and in the manner provided for the first appointment of members of a sewerage authority under subsection (e) of this section.

2. This act shall take effect immediately.

1. Section 43:21-19 of the Revised Statutes is amended to read as follows:

Definitions.

43:21-19. As used in this chapter (R. S. 43:21–19 et seq.), unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.
(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last 3 or 5 preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior 3 or 5 calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of section 43:21-7 of this Title means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund, for the last 3 or 5 preceding calendar years, whichever average is higher; provided further, that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12 months' period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R. S. 43:21-1 et seq.), with respect to his unemployment.

Any claim for benefits made in accordance with subsection (a) of section 43:21-6 of this Title shall be deemed to be a "Valid Claim" for the purpose of this subsection if (1) no remuneration was paid or is payable for the day on which, or as of, which he files a claim for benefits, and no work is available to him with his current employing unit on such day, or, he is unemployed for the week in which, or as of which, he files a claim for benefits;

All individuals performing services within this State for any employing unit which maintains 2 or more separate establishments within this State shall be deemed to be employed by a single employing unit for all the purposes of this chapter (R. S. 43:21-1 et seq.). Whenever any employing unit contracts with or has under it any contractor or subcontractor for any employment which is part of its usual trade, occupation, profession, or business, unless the employing unit as well as each such contractor or subcontractor is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, the employing unit shall for all the purposes of this chapter be deemed to employ each individual in the employ of each such contractor or subcontractor for each day during which such individual is engaged in performing such employment; except that each such contractor or subcontractor who is an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, shall alone be liable for the contributions measured by wages payable to individuals in his employ, and except that any employing unit who shall become liable for and pay contributions with respect to individuals in the employ of any such contractor or subcontractor who is not an employer by reason of subsection (c) of section 43:21-8 of this Title or subsection (h) of this section, may recover the same from such contractor or subcontractor. Each individual employed to perform or to assist in performing the
work of any agent or employee of an employing unit shall be
deemed to be employed by such employing unit for all the purposes
of this chapter (R. S. 43:21-1 et seq.), whether such individual

legally enforceable means or otherwise), and which, if treated as a
single unit with such other employing unit or interest, would be
an employer under paragraph (1) of this subsection;

under paragraphs (1), (2), (3) or (4) has not, under section 43:21-8
of this chapter (R. S. 43:21-1 et seq.) ceased to be an employer
subject to this chapter (R. S. 43:21-1 et seq.); or

c) of section 43:21-8 of this chapter (R. S. 43:21-1 et seq.) any

23. Any sewerage authority and any local unit or any municipality within or without the district by ordinance of its governing body in the case of a municipality, or by resolution of its governing body in the case of a county, may enter into a contract or contracts providing for or relating to the collection, treatment and disposal of sewage originating in the district or in such municipality by means of the sewerage system or any sewerage facilities of such local unit or such municipality or both, and the cost and expense of such collection, treatment and disposal. Such contract or contracts may provide for the payment to the sewerage authority by such local unit or municipality annually or otherwise of such sum or sums of money, computed at fixed amounts or by a formula based on any factors or other matters described in subsection (b) of section 8 of this act or in any other manner, as said contract or contracts may provide, and the sum or sums so payable may include provision for all or any part or a share of the amounts necessary (1) to pay or provide for the expenses of operation and maintenance of the sewerage system, including without limitation insurance, extensions, betterments and replacements and the principal of and interest on any bonds, and (2) to provide for any deficits resulting from failure to receive sums payable to the sewerage authority by such local unit or such municipality, any other municipality, any county or any other sewerage authority, or any person, or from any other cause, and (3) to maintain such reserves or sinking funds for any of the foregoing as may be required by the terms of any contract of the sewerage authority or as may be deemed necessary or desirable by the sewerage authority. Any such contract may provide that the sum or sums so payable to the sewerage authority shall be in lieu of all or any part of the service charges which would otherwise be
charged and collected by the sewerage authority with regard to persons or real property within such local unit or such municipality. Such contract or contracts may also contain provisions as to the financing and payment of expenses to be incurred by the sewerage authority and determined by it to be necessary for its purposes prior to the placing in operation of the sewerage system and may provide for the payment by such local unit or such municipality to the sewerage authority for application to such expenses or indebtedness therefor such sum or sums of money, not in the aggregate exceeding an amount stated or otherwise limited in said contract or contracts plus interest thereon, as said contract or contracts may provide and as the governing body of said local unit or said municipality shall, by virtue of its authorization of and entry into said contract or contracts, determine to be necessary for the purposes of the sewerage authority. Any such contract may be made with or without consideration and for a specified or an unlimited time and on any terms and conditions which may be approved by such local unit or such municipality and which may be agreed to by the sewerage authority in conformity with its contracts with the holders of any bonds, and shall be valid whether or not an appropriation with respect thereto is made by such local unit or such municipality prior to authorization or execution thereof. Such local unit or such municipality is hereby authorized and directed to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of such local unit or such municipality. Subject to any such contracts with the holders of bonds, the sewerage authority is hereby authorized to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and, in accordance with any such contract, to waive, modify, suspend or reduce the service charges which would otherwise be charged and collected by the sewerage authority with regard to persons or real property within such local unit or such municipality, but nothing in this section or any such contract shall prevent the sewerage authority from charging and collecting, as if such contract had not been made, service charges with regard to such persons and real property sufficient to meet any default or deficiency in any payments agreed in such contract to be made by such local unit or such municipality.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P. L. 1966, c. 135 (C. 54:11D-7) is amended to read as follows:

C. 54:11D-7 Apportionment of amounts to be raised in taxing districts; equalization table; assumed assessed value of property.

7. For the purpose of apportioning the amounts to be raised in the respective taxing districts of the county under Revised Statutes 54:4–49, the county board of taxation shall, for each taxing district, include in the equalization table for the county the assumed assessed
value of the property represented by the money received by each taxing district pursuant to the provisions of this act.

Commencing with the tax year 1969 and thereafter the assumed assessed value of such property in each taxing district shall be determined by the county board of taxation in the following manner: (a) the amount of money received by each taxing district during the preceding tax year pursuant to the provisions of this act, shall be divided by the general tax rate of the taxing district for such preceding tax year to obtain an assumed assessed value of such property; (b) this assumed assessed value shall be divided by the fraction produced by dividing the aggregate assessed value by the aggregate true value of the real property, as determined by the county board of taxation for equalization purposes in the previous tax year, exclusive of Class II railroad property, in the taxing district; and (c) the resulting quotient shall be included in the net valuation of each taxing district on which county taxes are apportioned.

For the tax year 1968, there shall be included in the equalization table for the county (a) 65% of the aggregate fair value of machinery, implements, and equipment and all other personal property used in business, other than inventories, farm machinery, farm livestock, crops and produce and (b) 25% of the aggregate fair value of inventories (except inventories of raw materials, supplies and small tools) including 25% of the aggregate fair value of farm machinery, farm livestock, crops and produce, used in business, as determined for county apportionment purposes for the tax year 1967. Provided, however, that in calculating the amounts to be included under (a) of the foregoing sentence, there shall be excluded the 1967 valuations determined for the personal property of persons, partnerships, associations or corporations subject to tax under chapter 4 of the laws of 1940.

CHAPTER 35

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P. L. 1960, chapter 55 (C. 21:1A-132) is amended to read as follows:

C. 21:1A-132 Prohibited acts; exceptions; permit required; records of permittees; disposal of deteriorated or leaking explosives.

5. It is prohibited for any person to manufacture, store, sell, transport, use, dispose of, or possess explosives in any manner except as permitted under this act. Any person who is not engaged primarily in the manufacture, sale, storage, transportation or use of explosives but who in the course of activities engages in any of the above or uses explosives in any manufacturing process shall be required to comply with the provisions of this act.

A. No person shall sell, deliver, give away or otherwise dispose of any explosives to any persons not in possession of a permit as
required by the provisions of this act. No person shall have any explosives in his possession or control without a permit required by this act.

B. Every person holding a permit to manufacture, sell, store or use explosives shall keep such records as may be required by the commissioner, and shall file reports monthly with the commissioner, on a date and in a form to be prescribed by the commissioner, listing amounts of explosives used, sold or otherwise disposed of, during the preceding month and showing inventories on hand, and shall be required to report immediately any loss, by theft or otherwise, of explosives in his possession to the commissioner, who shall immediately forward such information to the Attorney General of the State; provided, however, that where an employer is maintaining such records, his employees holding permits to use explosives, at the discretion of and with the written approval of the commissioner, shall not be required to maintain individual records. Records shall be retained at least until the end of the calendar year next following the year in which the record is made. All such records shall be open to inspection by the commissioner.

C. No person shall handle explosives while under the influence of narcotics or intoxicating liquors.

D. No person shall smoke or have open lights or fire- or flame-producing devices while handling or using explosives or when within 100 feet of any magazine or vehicle containing explosives; provided, however, that this prohibition shall not apply to the use of igniters when preparing to detonate an explosive charge.

E. When deteriorated or leaking explosives are found by the commissioner, he may order them disposed of in the manner he shall direct, at the expense of the possessor.

2. Section 6 of P. L. 1960, chapter 55 (C. 21:1A-133) is amended to read as follows:

C. 21:1A-133 Permits for manufacture, sale, storage, transportation or use of explosives.

6. Any person who shall manufacture, sell, store, transport or use explosives first shall obtain a written or printed permit from the commissioner, which permit shall state specifically the use or uses authorized:

(a) To manufacture—authorizing the manufacture of explosives and storage of materials in process, developmental materials and finished products.
(b) To sell—authorizing the sale of explosives.

(c) To transport—authorizing the transportation of explosives; provided, however, that no permit will be required where such transportation is not on the highways nor where the articles being transported are of laboratory samples; however, such transportation shall otherwise be in conformity with the provisions of this act.

(d) To store—authorizing the purchase and storage of explosives in a specified magazine;

(e) To use—authorizing a person to use explosives for such purposes and under such conditions as are specified on the permit. The commissioner may establish classifications of use of explosives for blasting and other purposes, specifying the privileges and requirements of each classification. Persons holding, or employed by a person holding, a permit to manufacture explosives, and who are engaged in the testing of explosives incident to the manufacture or development thereof shall not be required to obtain a permit to use explosives.

A. No permit shall be required for the storage, transportation or use of smokeless powder which is used by private persons for the hand loading of small arms ammunition and which is not for resale. For this purpose not more than 36 pounds of smokeless powder and not more than 5 pounds of black powder shall be stored or transported without a permit.

B. Permits shall at all times be readily available to inspection by the commissioner, State Police or local police and fire departments and shall be posted as directed by the commissioner.

C. Permits shall not be transferable.

D. Whenever a permanent storage magazine for which a permit has been issued is moved to a new location, or its physical surroundings are so changed that the magazine comes within the prohibited distances to a highway, railroad or inhabited building, the permit for said magazine shall become invalid and a new permit required.

E. No permittee shall manufacture, sell, transport, store or use explosives except in compliance with the limitations expressed on the permit.

3. Section 7 of P. L. 1960, chapter 55 (C. 21:1A-134) is amended to read as follows:

C. 21:1A-134 Investigation of applicant; qualifications; denial or revocation of permit; duration of permit; renewal; fee.

7. Upon receipt of an application for a permit to manufacture, store, sell, transport or use explosives, and before the permit is
issued, the commissioner shall make or cause to be made an investigation for the purpose of ascertaining if all applicable requirements of this act have been met. The commissioner shall not issue a permit to manufacture, sell, store, transport or use explosives unless all the requirements of this act have been met. All permits issued in accordance with the provisions of this act shall be subject to any amendments hereafter made to this act.

A. An applicant for a permit shall, at his own expense, furnish whatever pertinent information the commissioner may require in addition to that specified herein. Application forms shall be furnished by the Department of Labor and Industry.

B. An applicant for a permit to manufacture, sell, transport, store or use explosives must:

(a) Be at least 21 years of age;
(b) Have a reasonable understanding of the English language;
(c) Present satisfactory evidence of experience in the manufacture, sale, transportation, storage or use of explosives;
(d) Demonstrate by written, oral or field examination, as the commissioner may direct, adequate knowledge of the safe manufacture, sale, transportation, storage or use of explosives and of the provisions of this act; and
(e) Be of good moral character and must never have been disloyal to the United States; and

it shall be within the sole discretion of the commissioner to determine whether an applicant who has been convicted of a crime involving moral turpitude has the good moral character necessary for a permit. It shall also be within the reasonable discretion of the commissioner to deny the issuance of a permit where he concludes, after a full examination of the qualifications of an applicant, that to grant a permit would be dangerous to the health, safety and welfare of the people of the State of New Jersey. The failure of a holder of a permit to maintain the qualifications stated herein shall be good cause for the revocation of the permit.

C. When the applicant for a permit to manufacture, sell, transport, store or use explosives is a firm, association or corporation, the applicant must demonstrate that such activities with regard to explosives will be under the direct supervision of a person who meets the qualifications stated above.

D. Permits shall be valid for 1 year unless sooner revoked. Permits which expire on July 1, 1960 may be renewed by the com-
missioner at his discretion for a period of not less than 3 months nor more than 15 months, and permits renewed after such a period shall thereafter be valid for 1 year unless sooner revoked. The fee for all permits shall be fixed by the commissioner on a yearly basis or, for periods of less than a year, in amounts proportionately less than the annual fee.

E. The application for any permit must be accompanied by a fee established by regulation in accordance with the following schedule:

(a) To manufacture—not less than $10.00 nor more than $150.00;
(b) To sell—not less than $10.00 nor more than $50.00;
(c) To transport—not less than $5.00 nor more than $10.00;
(d) To store—not less than $10.00 nor more than $150.00;
(e) To use—not more than $10.00;
(f) For storage, transportation and use of smokeless powder in amounts in excess of 36 pounds, but not in excess of 100 pounds and black powder in amounts in excess of 5 pounds but not in excess of 100 pounds which is used by private persons for the hand loading of small arms ammunition and which is not for resale—not less than $2.00 nor more than $10.00.

4. Section 15 of P. L. 1960, chapter 55 (C. 21:1A-142) is amended to read as follows:

C. 21:1A-142 Possession of explosives or bombs for unlawful purpose; penalty.

15. Any person who shall have in his possession or control any explosives, including any bomb, shell or similar device filled with one or more explosives, intending to use the same or cause the same to be used or who has used the same for an unlawful purpose shall be guilty of a high misdemeanor, and upon conviction shall be punished by imprisonment in a State prison for a term of not more than 25 years. The possession of explosives or any bomb, shell or similar device filled with explosives, without a permit as required by this act, shall be evidence of an intent to use the same or cause the same to be used for an unlawful purpose. Unlawful purpose shall mean a purpose that cannot be authorized under the provisions of this act.

5. This act shall take effect immediately.

Approved February 25, 1971.
CHAPTER 36

An Act authorizing supplemental and additional methods for the issuance of bonds by boards of education for purchase by the public, for guaranty thereof by municipalities in certain cases, and supplementing Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Any board of education of this State, upon complying with the provisions of this act, shall be authorized, for any purpose for which it is permitted by law to issue any bonds, to issue some part or all of the same in the form, type and manner provided for herein.

C. 18A:24-67 Application for authorization; certificate; publication of notice.

2. Any board of education desiring to issue bonds under this act shall file application for authorization to do so with the Division of Local Finance in the Department of Community Affairs. The application shall be on such form, and shall contain such information as said division may specify by rule or regulation, and shall be acted upon within 30 days after filing. The authorization, if granted, may be made contingent upon compliance with terms and conditions therein specified, and shall be accompanied by a certificate of the division, or shall be supplemented by such certificate in instances for which terms and conditions are specified, stating that the provisions of this act have been complied with and that the bonds to be issued will be valid and binding obligations of the issuing board, and of any guaranteeing municipality when such guaranty is provided. The certificate shall be conclusive proof of the validity of the said bonds and of the fact that the same are governmental obligations for a public purpose, and such conclusive proof shall not be open to question or challenge in any place or proceeding. The issuing board shall cause notice of said certificate to be published in such manner and at such times as the certificate directs, and no proceeding to challenge the certificate or the conclusive effect thereof shall be instituted after the expiration of 30 days from the first publication of said notice.

3. It is the purpose of this act to stabilize the values of school bonds issued hereunder, and to provide means for reducing ad-
ministrative costs by a sufficient degree to permit purchase thereof by the public in small denominations, in order to make it feasible for the general public to provide financing for such bond issues.

C. 18A:24-69 Contracts with financial institutions.
4. The issuing board may enter into contracts and agreements with any financial institution or institutions to serve as agent of the board of education through whom the public may subscribe to, purchase and redeem bonds, or for temporary borrowings when appropriate to meet redemptions pending reissue of additional bonds, and for such other purposes and services appropriate to the achievement of the object of this act and the management of the issue. Such contracts and agreements, if entered into prior to the granting of authorization to issue bonds under this act, shall be deemed to contain a provision that the same shall not take effect until authorization has been granted and certificate issued, nor until any changes required by any terms and conditions of the authorization have been made. Nothing herein, however, shall prevent the making of a contract or agreement for the receipt of subscriptions and deposits for the purchase of bonds, contingent upon authorization and certification, so long as the issuing board is not required to make any payment or other compensation for the service or cost thereof in the event that the approval is not granted or certificate is not issued. Any such advance subscriptions shall be on a written form expressly stating that if authorization is not granted or certificate not issued by a date therein specified, the deposit accompanying the subscription shall be refunded on demand without interest.

C. 18A:24-70 Bond resolution.
5. Bonds issued pursuant to this act shall be authorized by a bond resolution adopted by the issuing board, which resolution may be adopted prior to application contingent upon authorization and certification. Such bond resolution may contain provisions dealing with all aspects and terms of the bonds to be issued, and in all cases shall contain provisions that:

a. The aggregate amount to be borrowed on bonds issued pursuant to this act shall be that sum which members of the public may subscribe for and purchase from time to time, but in no case shall the same exceed 1.5 times the amount of the borrowings which the issuing board has been authorized to expend for school purposes under its borrowing authority pursuant to law.
b. A blanket bond only shall be issued, payable to the financial institution designated to serve as fiscal agent, for the benefit of all bondholders, which bond shall state no specific amount in dollars but which shall be a binding obligation to pay the amount of the principal and accrued interest on all bonds issued and outstanding at any time. The ledgers and accounts of the fiscal agent and of the issuing board shall be determinative of the amounts.

c. Each bond purchaser shall be furnished by the fiscal agent with a written record upon which there shall be entered the name or names and form of registration, the effective purchase date of each bond and the principal amount thereof, the effective redemption date and amount paid for principal and accrued interest, and a printed schedule showing, for each principal denomination, the amount of accrued interest payable if redeemed at stated times after date of issue.

d. The bonds may be registered only in specified forms, which forms shall be conclusive of ownership for all purposes and as to all persons, and that no bearer bonds may be issued.

e. Bonds purchased before the fifteenth day of any month shall be deemed to have been issued on the first day of that month, and that all other bonds shall be deemed to have been issued on the first day of the following month.

f. No bond issued under this act may be transferred or assigned except to the extent resulting from the form of registration and except as may result from operation of law in case of death, insolvency or bankruptcy.

g. Every bondholder shall at all times be entitled to redeem any bond or bonds and to be repaid the principal amount thereof and any accrued interest shown on the schedule for the holding period, but provision may be made for a reasonable waiting period, not to exceed 2 weeks, for the refinancing of the amounts to be redeemed. If any waiting period should be required, accrued interest shall be ascertained from the schedule according to the date of actual payment.

Interest shall be payable only on redemption or maturity.

h. A schedule setting forth the denominations in which the bonds may be purchased, and showing the dollar amount of interest thereon for stated holding periods. The accrued interest schedule shall provide for lesser amounts of accrued interest for lesser holding periods than if held to maturity, may provide for no accrual if retained less than one year and shall designate the amount
of the accruals of interest for periods, which may be of varying duration, of not less than one year.

C. 18A:24-71 Investment of reserve.

6. Because the amounts actually borrowed on bonds issued pursuant to this act, together with amounts borrowed on bonds issued under other laws, may from time to time exceed the total amount authorized by law to be borrowed and expended for school purposes, any excess so borrowed from time to time shall be held in a reserve to be applied to meet redemptions and maturities. Where the amount to be invested is less than such limit as may be specified by the bond resolution, or is reasonably expected to be invested for a short period, the same may be temporarily invested in a certificate or certificates of deposit or other similar investment, of the fiscal agent or any other financial institution authorized to do business in this State. In other cases the investments may be made in such manner as other funds of a board of education may be invested, or the issuing board may negotiate and enter into an agreement for the making of investments for its account, either in a separate account or in a common fund with other like investments for other boards of education, by the State Investment Council in the Department of the Treasury, which council is hereby authorized to enter into and perform such agreements and to make investments in any security or securities in which it may be authorized to make investments under any of the laws applicable to it.

C. 18A:24-72 Maturity of bonds.

7. The blanket bond of the issuing board provided for in section 5b. of this act shall be for a due date not in excess of that which would provide the maximum borrowing period under applicable law for the particular purpose of the borrowing. The bonds issued to bondholders may be for shorter periods of maturity, and the same may be issued and reissued from time to time but all of the same shall mature and become due and payable on the due date of the blanket bond, unless prior thereto an additional bond issue or issues shall be authorized and new and additional blanket bond or bonds shall be issued, in which case bonds may be issued and reissued to bondholders to mature, in any event, on the last date of any of said bonds.

C. 18A:24-73 Annual calculation of amount of bonds outstanding.

8. The issuing board shall annually cause to be made calculations of the average amount of the principal of bonds issued and
outstanding under this act and of the average amount of the re­serve provided for in section 6, for the 12-month period prior to such calculation. The calculations shall be made not more than 3 months prior to the date for the publication of the annual school budget. Said budget shall contain provision, as a mandatory item, of an amount equal to that sum which would be sufficient as a level annual installment to retire in full the net amount resulting from the subtraction of the average reserve from the average outstanding principal, at that rate of interest that would be applicable if all bonds were held to maturity, if such installments were paid over the full term of the blanket bond. The amount annually required for said item shall be placed in a separate sinking fund to be invested and reinvested in the same manner as provided in section 6, and shall be applied only to the satisfaction of bonds outstanding at the maturity of the last blanket bond. Any excess, remaining after full satisfaction of such bonds, or the making of provisions therefor, shall be and become general funds available to the issuing board but for authorized school purposes only.

C. 18A:24-74 Temporary funds.

9. Because the amounts of redemptions from time to time may be such as to deplete the reserve fund provided for in section 6, the issuing board is authorized to make temporary borrowings from any available source, to provide funds to meet redemptions. The authorization of the Division of Local Finance may require that binding arrangements be made for the availability of such temporary funds, unless the bonds to be issued hereunder are guaranteed by municipal guaranty.

C. 18A:24-75 Guaranty of bonds.

10. Every municipality within or part of the school district of the issuing board is hereby authorized to adopt an ordinance containing a guaranty of bonds issued under this act.

C. 18A:24-76 Modification or revocation of guaranty prohibited.

11. No bond resolution, no municipal ordinance for guaranty, and no contract, agreement, arrangement or other act of the issuing board, of any municipality or of any governmental office, officer or agency shall be modified, altered, revoked, added to or otherwise changed in any respect that would tend to adversely affect the interest or right of the holder of any bond or bonds issued hereunder. This provision shall be deemed to be a contractual obligation and not subject to modification or repeal so
long as any of said bonds are issued, outstanding and unmatured. Nothing in this section shall be construed to prevent the issue and reissue of additional bonds, all of which shall have equal rights in respect to any reserves or sinking funds without any differences in priority among them.

C. 18A:24-77 Granting of authorization.
12. The authorization provided for in section 2 of this act shall be granted in any case in which it shall appear to the Division of Local Finance that the issuing board is reasonably likely to be able to sell a sufficient number of bonds under this act as to accomplish its purpose. Such authorization shall be granted in any case where the total amount of the borrowing which is authorized to be expended for school purposes is not in excess of $250,000.00, or in the alternative, where such amount represents an average of not more than $25.00 per capita of the population of the district.

C. 18A:24-78 Issuance of bonds under other applicable laws.
13. No authorization to issue bonds pursuant to this act shall in any way preclude the issuing board from issuing other bonds under any other applicable law, at any time and from time to time, during the period for which bonds might have been issued in the absence of such authorization.

C. 18A:24-79 Calculation of net debt.
14. For the purposes of calculating or stating local debt or school debt, or for any debt statement or supplemental debt statement, or for the application of any limitation on the issuance of bonds by a board of education or municipality, or any other similar purpose under any applicable law now or hereafter enacted, the net debt of any board of education on bonds issued hereunder shall be the aggregate amount of the principal and accrued interest of issued and outstanding bonds, less the amount of the reserve funds and sinking funds held pursuant to this act and the earnings thereof, as of the date of the calculation. At the option of the issuing board, the calculation of net debt may be made in the same manner as provided in section 8 of this act, except that accrued interest shall be included in the calculation. No municipal guaranty of any bonds issued hereunder shall be taken into account in determining its bonded indebtedness or in calculating any debt limit or for any other purpose stated in this section in respect to such municipality, unless the municipality shall have been called upon to perform its guaranty, and then only to the extent of such
call and to the extent that the same has not been satisfied. However, the existence of the guaranty shall be disclosed in any case.

15. Any and all bonds issued pursuant to this act shall be conclusively deemed to be governmental obligations for governmental and public purposes, and the same, together with any interest thereon, shall be forever exempt from any and every tax and shall be excluded from the calculation of any and every tax, whenever enacted, of whatever nature and however levied, assessed or calculated, whether during the lifetime or at or after or by reason of the death of any holder.

C. 18A:24-81 Purchase of bonds by payroll deductions.
16. Every employer, public or private, is hereby authorized to accept requests from any employee to make payroll deductions to be applied by the employer from time to time, as sufficient deductions have accrued, to the purchase of bonds authorized to be issued hereunder for the account of such employee.

C. 18A:24-82 Investments by fiduciaries.
17. Every fiduciary or other representative is hereby authorized to make investments in bonds authorized to be issued hereunder, which shall be legal investments unless expressly prohibited by the instrument from which his authority derives.

C. 18A:24-83 Purchase of bonds for minors or other beneficiaries.
18. Bonds authorized to be issued under this act may be made the subject of gifts under the Gifts to Minors Act or other similar law, and may be purchased for the benefit of any minor or other beneficiary under any will or other instrument in any case where obligations of the United States or of this State may be purchased, or where moneys are authorized to be deposited in any bank account.

C. 18A:24-84 Construction and severability of act.
19. This act shall be liberally construed. Its provisions shall be deemed severable in any case where such severability will not tend to defeat its purpose. No defect, error or omission in any matter of form or substance shall in any way affect the validity and binding obligation of any bond issued hereunder, and the Division of Local Finance is authorized, in any such case, to issue an order validating any bonds to be issued after the discovery thereof, in any respect in which there may be such defect, error or omission, if it is satisfied that the same is not substantial or pre-
judicial, or upon a curing or correction of the defect, error or omission.

20. This act shall take effect immediately.
Approved March 4, 1971.

Every permit holder shall distribute to
the persons holding winning tickets, as a minimum, a sum not exceeding $0.10, calculated on the basis of each dollar deposited in any pool after the deduction of the said 16% or 15% as the case may be. Should the amount remaining in the pool be insufficient to pay the winners the minimum, the breakage accruing in that race, or any necessary portion thereof, shall be applied toward making up any such deficiency. The breaks are hereby defined as the odd cents over any multiple of $0.10, calculated on the basis of $1.00 otherwise payable to a patron. Every permit holder engaged in the business of conducting running or harness race meetings under this act shall pay to the commission for the use of the State the breaks as herein defined, except as the same shall have been applied toward making up a deficiency in a pool as herein provided. Payment of such breaks shall be made every seventh day of any and every race meeting and shall be accompanied by a report under oath showing the daily and total amount of such breaks together with such other information as the commission may require. All sums held by any permit holder for payment of outstanding pari-mutuel tickets not claimed by the person or persons entitled thereto within 60 days from the time such tickets are issued shall be paid to the commission upon the expiration of such 60-day holding period.

Where it is shown to the satisfaction of the commission that the reason for the pari-mutuel tickets being outstanding and unclaimed is the loss, misplacement or theft of said tickets within the confines and control of the pari-mutuel department of any permit holder, and it is further shown to the satisfaction of the commission that said pari-mutuel tickets have been cashed by such pari-mutuel department, the commission may adjust and credit the permit holder’s account accordingly and the permit holder shall reimburse any employee who has been held personally accountable and paid for such lost, stolen or misplaced tickets.

CHAPTER 46

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P. L. 1968, c. 177 (C. 18A:38-33.4) is amended to read as follows:

C. 18A:58-33.4 Approval of additional aid by State Treasurer and local finance board; deduction from gross debt; contents of bonds; maintenance of records; issuance of temporary notes or bonds; designation of paying agent or agents; disposition of proceeds of bonds or notes.

3. (a) A copy of said resolution of the State Board of Education determining a school district to be entitled to additional State school building aid, together with a copy of said ordinance or proposal bearing the endorsement of the Commissioner of Education, shall be submitted to the State Treasurer for his consideration. If the State Treasurer is satisfied after investigation either, (a) that the payment of the debt service (interest and principal) on the bonds proposed to be authorized by such ordinance or proposal will not cause the amount of additional State school building aid to be paid pursuant to this act to exceed the sum herein provided (with respect to such school district), or (b) that the payment of the debt service (interest and principal) in each year on the bonds authorized by such ordinance or proposal will not exceed the allocation with respect to such school district, he shall endorse his approval to that effect upon the copy of such ordinance or proposal.

(b) A copy of any such ordinance or proposal authorizing bonds for school purposes and bearing said endorsements of the Commissioner of Education and State Treasurer, shall be submitted to the local finance board for its consideration, and the local finance board in considering such copy of any ordinance or proposal submitted to it and before endorsing its consent thereon may require the governing body of any municipality or board of education of any school district submitting any such ordinance or proposal to adopt resolutions restricting or limiting any future proceedings.
therein or other matters or things deemed by the local finance board to affect any estimate made or to be made by it in accordance with subsection (c) hereof, and every such resolution so adopted shall constitute a valid and binding obligation of such municipality or school district, as the case may be, running to and enforceable by, and releaseable by, the local finance board.

(c) Within 60 days after such submission to it, the local finance board shall cause its consent to be endorsed upon such copy of any ordinance or proposal authorizing such bonds, if it shall be satisfied, and shall record by resolution, its estimates that the amounts to be expended for the school district projects or educational facilities to be financed pursuant to such ordinance or proposal are not unreasonable or exorbitant; and that issuance of the bonds, proposed to be authorized by such ordinance or proposal, will not materially impair the credit of any municipality comprised within the district or substantially reduce its ability, during the ensuing 10 years, to pay punctually the principal and interest of its debts and supply essential public improvements and services, but if the local finance board is not so satisfied it shall cause its disapproval to be endorsed on such copy within said period of 60 days.

(d) Any bonds entitled to the benefits of the provisions of this act, shall be deductible in determining the net school debt of any school district for any purpose or computation under section 18A:24-19 of the New Jersey Statutes, and the amount of all such bonds shall be deducted from the gross debt of any municipality constituting the whole or any part of such school district for any of the purposes of section 40A:2-44 of the New Jersey Statutes and shall be a deduction within the meaning and for the purpose of clause (g) of said section to any extent that such bonds are not deductible under clause (a) or clause (b) of said section, and shall at all times constitute a deduction from gross debt on any annual or supplemental debt statement of such municipality.

(e) All of such bonds when issued shall contain a recital to the effect that they are issued pursuant to Title 18A, Education, of the New Jersey Statutes and are entitled to the benefits of the provisions of this act. Any bonds entitled to the benefits of the provisions of this act shall be authorized and issued in the manner provided for in Title 18A, Education, of the New Jersey Statutes, and notwithstanding the provisions of section 18A:24-19 of the New Jersey Statutes. Compliance with the provisions of this act by or on behalf of any school district or municipality shall make it unnecessary to comply with any of the provisions of sections
18A:24-20 through 18A:24-27 of the New Jersey Statutes, and such sections shall not be applicable with respect to authorization or issuance of any bonds entitled to the benefits of the provisions of this act. Bonds entitled to the benefits of the provisions of this act shall mature not later than 30 years from their date and without regard to any limitations as to maturities or amounts of annual installments for such bonds as provided in Title 18A, Education, of the New Jersey Statutes.

(f) The Commissioner of Education is hereby authorized and directed to establish and maintain records pertaining to each issue of bonds entitled to the benefits of this act and setting forth as to such bonds the amount to be payable in each year on account of debt service (interest and principal) on such bonds, and such records as aforesaid shall be conclusive as to the amount so payable on account of such debt service, and the Commissioner of Education is hereby authorized and empowered to certify for any purpose such amounts as so payable on account of debt service with respect to such bonds. A school district or municipality authorized to issue such bonds may make application to the Commissioner of Education and the local finance board setting forth request for adjustment as to amount payable in any year on account of debt service with respect to such bonds, and the Commissioner of Education and the local finance board are each hereby authorized and empowered to grant such request if it shall be found that such request is reasonable and in the financial interest of such school district or municipality, and that the requested adjustment as to the amount payable in any year for debt service (principal and interest) on such bonds does not exceed the amount of the allocation then applicable as to such year with respect to such school district or municipality. The Commissioner of Education shall cause such records to be adjusted and shall certify by reference to such records the adjusted debt service with respect to such bonds after giving effect to such request, and such bonds shall thereafter be eligible with respect to payments hereunder for debt service (principal and interest) in accordance with such certification. Upon issuance of any bonds benefiting under this act the chief financial officer of the school district or municipality issuing such bonds shall, within 30 days after issuance of such bonds, certify to the Commissioner of Education the exact amount payable on account of debt service (interest and principal) on such bonds in each year and the name and address of the paying agent or paying agents for such bonds or notes, and upon receipt of such certification, the Commissioner of Education shall there-
upon cause such records to be adjusted with respect to such bonds giving effect to any increase or decrease resulting in any year as to payments on account of interest on or principal of such bonds as shown by said certification of said chief financial officer. Any certification by the Commissioner of Education with respect to bonds to the effect that such bonds are entitled to the benefits of the provisions of this act or as to amount payable in any year for debt service (principal and interest) on such bonds shall be fully conclusive as to such bonds from and after the time of issuance of such bonds, notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such bonds, provided that such bonds contain a recital to the effect that they are entitled to the benefits of the provisions of this act, and all persons shall be forever estopped from denying that such bonds are entitled to the benefits of the provisions of this act.

(g) Any school district or municipality which has authorized bonds and which are entitled to the benefits of this act, may issue temporary notes or loan bonds (hereinafter called "obligations") in anticipation of the issuance of permanent bonds to the extent permitted or provided for by or pursuant to the provisions of Title 18A, Education, of the New Jersey Statutes and any other laws applicable, in principal amount not in excess of the principal amount of the permanent bonds and subject to such additional terms or conditions with respect to such obligations as may be fixed or required by the Commissioner of Education or the local finance board under authority of this act. The amount and details of any such obligations issued and the interest payable thereon and the name and address of the paying agent or paying agents for such bonds or notes shall be certified by the chief financial officer of such school district or municipality to the Commissioner of Education. The whole or any part of the allocation then applicable to any school district pursuant to this act is hereby authorized to be paid in any year in which such obligations are outstanding and notwithstanding that permanent bonds have not been issued, pursuant to such terms and conditions as may be determined by the Commissioner of Education, for use and application of the amount so paid to the payment of interest on such obligations and so much of the principal thereof in any such year as shall be determined by said commissioner. The determination of the commissioner hereunder provided for shall be conclusive as to such matters, and receipt of the amount of such allocation so paid shall be used and applied only for the
payment of the interest on and principal of such obligations in accordance with such determination by said commissioner.

(h) No bonds or notes entitled to the benefits of this act shall be issued unless there is designated therefor a paying agent or paying agents, at least one of which is a bank or trust company authorized to do business in this State. All amounts of additional State school building aid to be paid under the provisions of this act with respect to any school district for debt service (principal and interest) on bonds or notes entitled to the benefits of this act shall, on or before the date for such payment of interest and principal, be paid on behalf of the school district or municipality issuing such bonds or notes to the paying agent or paying agents for such bonds or notes in amount with respect to such date as reflects the amount of principal or interest, respectively, payable as to such date by reason of such additional State school building aid hereunder payable with respect to such school district. Amounts so paid to such paying agent or paying agents shall be applied to the payment of debt service (principal and interest) on such bonds or notes and for no other purpose.

(i) Pending application to the purposes for which bonds or notes entitled to the benefits of this act are issued, the proceeds of such bonds or notes shall be invested or deposited subject to regulations prescribed by the State Treasurer. On January 10 in each year the custodian of school moneys of a Type II school district or the chief financial officer of the municipality of a Type I school district, as the case may be, shall certify and pay to the State Treasurer the amount of earnings received during the preceding year from the investment or deposit of the proceeds from the sale of such bonds or notes, which amounts shall be held by him and applied only to the payment of principal and interest on such bonds or notes.

2. Section 10 of P. L. 1971, c. 10 (C. 18A:58-33.15) is amended to read as follows:

10. Within 10 days after issuance of any bonds or notes entitled to the benefits of this act, the chief financial officer of the school district or municipality issuing such bonds or notes shall certify to the Commissioner of Education the exact amount payable on account of debt service (interest and principal) on such bonds or notes in each year and the name and address of the paying agent or paying agents for such bonds or notes. The Commissioner of
Education shall thereupon verify said amounts and certify the same to the State Treasurer together with the name and address of the paying agent or paying agents for such bonds or notes. The certification by the Commissioner of Education as to amount payable in any year for debt service (principal and interest) on such bonds or notes shall be fully conclusive as to such bonds or notes from and after the time of issuance of such bonds or notes, notwithstanding any irregularity, omission or failure as to compliance with any of the provisions of this act with respect to such bonds or notes, provided that such bonds or notes contain a recital to the effect that they are entitled to the benefits of the provisions of this act, and all persons shall be forever estopped from denying that such bonds or notes are entitled to the benefits of the provisions of this act.

3. Section 13 of P. L. 1971, c. 10 (C. 18A:58-33.18) is amended to read as follows:

13. All amounts of additional State school building aid to be paid under the provisions of this act with respect to any school district for debt service (principal and interest) on bonds or notes entitled to the benefits of this act shall, on or before the date for such payment of interest and principal, be paid on behalf of the school district or municipality issuing such bonds or notes to the paying agent or paying agents for such bonds or notes in amount with respect to such date as reflects the amount of principal or interest, respectively, payable as to such date by reason of such additional State school building aid hereunder payable with respect to such school district. Amounts so paid to such paying agent or paying agents shall be applied to the payment of debt service (principal and interest) on such bonds or notes and for no other purpose.

C. 18A:58-33.30 Disposition of proceeds of bonds or notes.

4. Pending application to the purposes for which bonds or notes entitled to the benefits of this act are issued, the proceeds of such bonds or notes shall be invested or deposited subject to regulations prescribed by the State Treasurer. only to the payment of principal and interest on such bonds or notes.

C. 18A:58-33.21 Designation of paying agent or agents.

CHAPTER 66

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 202 of P. L. 1948, c. 65 (C. 54:40A-4) is amended to read as follows:

C. 54:40A-4 Issuance of license; fee.

202. Issuance of license; fee.

All licenses shall be issued by the director, who shall make rules and regulations respecting applications therefor and issuance thereof. The director may refrain from the issuance of any license under this act where he has reasonable cause to believe that the applicant has willfully withheld information requested of him for the purpose of determining the eligibility of the applicant to receive a license, or where he has reasonable cause to believe that information submitted in the application is false and misleading and is not made in good faith. Each such license shall lapse on March 31 of the period for which it is issued, and each such license
shall be continued annually upon the conditions that the licensee shall have paid the required fee and complied with all the provisions of this act and the rules and regulations of the director made pursuant thereto.

For each license issued to a distributor there shall be paid to the director a fee of $350.00. If a distributor sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director. The director shall require each licensed distributor to file with him a bond in an amount not less than $1,000.00 to guarantee the proper performance of his duties and the discharge of his liabilities under this act. The bond shall be executed by such licensed distributor as principal, and by a corporation approved by the director and duly authorized to engage in business as a surety company in the State of New Jersey, as surety. The bond shall run concurrently with the distributor’s license.

For each license issued to a manufacturer, and for each continuance thereof, there shall be paid to the director a fee of $10.00.

For each license issued to a manufacturer’s representative, and for each continuance thereof, there shall be paid to the director a fee of $5.00.

For each license issued to a wholesale dealer there shall be paid to the director a fee of $250.00. If a wholesale dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license shall be required for each place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

For each license issued to a retail dealer and for each continuance thereof, excepting a retail dealer operating a cigarette vending machine, there shall be paid to the director a fee of $5.00. For each license issued to a retail dealer operating a vending machine for the sale of cigarettes and for each continuance thereof, there shall be paid to the director a fee of $5.00. If a retail dealer sells or intends to sell cigarettes at two or more places of business, whether established or temporary, or whether in the same building or not, a separate license shall be required for each place of business. Each vending machine for the sale of cigarettes shall be
separately licensed and be deemed a separate place of business. Each license, or certificate thereof, and such other evidence of license shall be exhibited in the place of business for which it is issued and in such manner as may be prescribed by the director.

Any person licensed only as a distributor or as a manufacturer or as a manufacturer's representative or as a wholesale dealer or as a retail dealer shall not operate in any other capacity except under that for which he is licensed herein, unless the appropriate license or licenses therefor are first secured.

For each license issued to a consumer and for each continuance thereof there shall be paid to the director a fee of $1.00. Each license, or certificate thereof, or such other evidence of license as may be prescribed by the director, shall be so kept by the consumer as to be readily available for inspection.

No license shall be issued to any person except upon the payment of the full fee therefor, any statute or exemption to the contrary notwithstanding. No license shall be assignable or transferable, except as hereinafter provided, but in the case of death, bankruptcy, receivership, or incompetency of the licensee, or if for any other reason whatsoever the business of the licensee shall devolve upon another by operation of law, the director may, in his discretion, extend said license for a limited time to the executor, administrator, trustee, receiver, or person upon whom the same has developed. A purchaser or assignee of a licensed wholesaler or licensed distributor, or any other person upon whom the business of a licensed wholesaler or licensed distributor shall devolve by operation of law, shall upon application to the director, be entitled to an assignment or transfer of the wholesale or distributor license for the balance of the existing license period upon payment of a transfer fee of $5.00 and subject to his qualification to be a licensed wholesaler or licensed distributor under the provisions of this act. The license issued for each vending machine for the sale of cigarettes may be transferred from machine to machine in the same ownership. No refund of the license fee shall be paid to any person upon the surrender or revocation of any license except a license fee paid or collected in error. But, upon payment of $1.00 fee, there may be obtained (1) a duplicate license, or certificate thereof, in the event the original is lost, destroyed or defaced, and (2) an amended license, or certificate thereof, upon a change in the location of the place of business of any distributor or dealer.

2. This act shall take effect immediately.

Approved March 29, 1971.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P. L. 1959, chapter 122 (C. 17:35A–5) is amended to read as follows:

C. 17:35A-5 Form of contract or group certificate and application; filing; acknowledgment by commissioner; grounds for disapproval; required provisions; regulations.

5. (a) No contract on a variable basis shall be delivered or issued for delivery in this State by any insurance company until a copy of the form thereof (and, in the case of a contract on a group basis, the form of any certificate evidencing variable benefits issued pursuant thereto) and any form of application for such contract shall have been filed with the Commissioner of Insurance. No such form shall be issued or used until the commissioner shall give his prior written acknowledgment of the filing of such form. The commissioner shall disapprove or withdraw approval of any such contract form, application or certificate if:

(i) Such contract or application or certificate contains provisions which are unjust, unfair, inequitable, ambiguous, misleading, likely to result in misrepresentation, or contrary to law, or

(ii) Sales of such contracts are being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the contract, or

(iii) Such contracts are being issued in disregard of reasonable regulations which shall be promulgated by the Commissioner of Insurance relating to the conditions which must be met at time of issue of an individual contract on a variable basis for balance whereby (A) provision made for income from contracts on a variable basis shall not exceed (B) provision made for income payable in predetermined dollar amount (in whatever form such provision is made, including, but without lim-
He shall notify the company, specifying particulars, of his disapproval. It shall be unlawful for such company thereafter to issue any contract or certificate thereunder or use any application in the form so disapproved. (b) Illustrations of benefits payable under any contract on a variable basis shall not involve projections of past investment experience into the future and shall conform with reasonable regulations promulgated by the Commissioner of Insurance.

(c) No individual annuity contract on a variable basis shall be delivered or issued for delivery in this State unless it contains in substance the following provisions:

(i) That, in the event of default in the payment of any consideration beyond the period of grace allowed by the contract for the payment thereof, the insurance company will make payment of the value of the contract, in accordance with a plan provided by the contract, commencing not later than the date contractual payments by the company were otherwise to have commenced in accordance with the contract;

(ii) That, upon request of the contract holder received by the insurance company at least 4 months prior to the date contractual payments by the company were otherwise to have commenced, the company will make payment of the value of the contract, in accordance with a plan provided by the contract and selected by the contract holder, commencing as of the first day of the first month which is at least 4 months after the date of receipt of such request, unless another date of commencement is requested by the contract holder and agreed to by the company;

(iii) That the insurance company will mail to the holder of the contract at least once in each contract year after the first, at his last address known to the company, a report in a form approved by the Commissioner of Insurance, which shall include a statement of the number of units credited to such contract and the dollar value of a unit as of a date not more than 2 months previous to the date of mailing and a statement

(d) Any individual contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality, and investment increment factors to be used in computing the dollar amount of variable benefits or other contractual payments or values thereunder, and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interests in the variable contract account in which such contract participates. The mortality and investment increment factors used in computing the dollar amount of variable benefits or other contractual payments or values under an individual contract on a variable basis shall not produce a larger initial payment than would be produced by the use of the mortality table or tables specified in section 2 of chapter 148 of the laws of 1943 (C. 17:34-25.2) (the Standard Valuation Law) as amended and as such provision may be amended from time to time, as acceptable minimum mortality standards for the valuation of the reserve liabilities of individual annuity and pure endowment contracts, and an annual investment increment assumption of 5%.

Any group contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality and investment increment factors to be used in computing the dollar amount payable with respect to a unit of variable benefits purchased thereunder and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interest in the variable contracts account in which such contract participates.

"Expense" as used in this subsection (d), may exclude some or all taxes, as stipulated in the contract. Any company issuing a contract on a variable basis shall submit annually to the Commissioner of Insurance a separate annual statement for the business of its variable contract accounts. This statement shall be on the same form as that prescribed by the commissioner for insurance companies doing business in New Jersey which do not operate variable contract accounts, and shall include details as to all of the
income, disbursements, assets and liability items associated with
the variable contract accounts.

The commissioner shall make a separate valuation of the assets
of the variable contract accounts and a copy of such valuation shall
be filed in the commissioner's office as a public document.

Such valuation shall be on the same basis required of a life
insurance company doing business in New Jersey but which has not
established a variable contract account.

The commissioner shall further prescribe by regulation the steps
to be taken by the company in disposing of those holdings which
at any time subsequent to purchase fail to meet the standards and
regulations for new investments.

2. This act shall take effect immediately.

Approved April 5, 1971.

In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term.

(b) The governing body of any municipality may, by ordinance duly adopted, create a public body corporate and politic under the name and style of "the ...................... sewerage authority," with all or any significant part of the name of such municipality inserted. Said body shall consist of five members thereof, who shall be appointed by resolution of the governing body as hereinafter in this section provided, and it shall constitute the sewerage authority contemplated and provided for in this act and an agency and instrumentality of said municipality. The members initially appointed shall be appointed for such terms that the terms of one class shall expire on the first day of each of the first, second, third, fourth and fifth February next ensuing the date of appointment. In the event the several municipalities or counties cannot agree on the terms of the respective representatives, such terms shall be determined by lot. (e) A copy of each resolution appointing any member of a sewerage authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. A copy of such certified resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding and, except in a suit, action or proceeding directly questioning such appointment, shall be conclusive evidence of the due and proper appointment of the member or members named therein.

(f) The governing body of a county which may create or join in the creation of any sewerage authority pursuant to this section shall not thereafter create or join in the creation of any other sewerage authority. No governing body of any municipality constituting the whole or any part of a district shall create or join in the creation of any sewerage authority except upon the written consent of the sewerage authority and in accordance with the terms and conditions of such consent, and in the event such consent be given and a sewerage authority be created pursuant thereto, the terms and conditions of such consent shall thereafter be in all respects binding upon such municipality and the sewerage authority so created and any system of sewers or sewage disposal plants constructed or maintained in conformity with the terms and conditions of such consent by the sewerage authority so created shall be deemed not to be competitive with the sewerage systems of the sewerage authority giving such consent. In the event that prior to the creation of a sewerage authority of a county the governing body of any municipality located in said county shall have created or joined in the creation of a sewerage authority, the area within the territorial limits of such municipality shall not be part of the district of the sewerage authority of said county.

(g) Within 10 days after the filing in the office of the Secretary of State of a certified copy of a resolution for the creation of a sewerage authority adopted by the governing body of any county pursuant to this section, a copy of such resolution, duly certified by the appropriate officer of the county, shall be filed in the office
of the clerk of each municipality within the county. In the event that the governing body of any such municipality shall, within 60 days after such filing in the office of the Secretary of State, adopt a resolution determining that such municipality shall not be a part of the district of such sewerage authority and file a copy thereof duly certified by its clerk, in the office of the Secretary of State, the area within the territorial limits of such municipality shall not thereafter be part of such district, but at any time after the adoption of such resolution, the governing body of such municipality may, by ordinance duly adopted, determine that such area shall again be a part of such district and if thereafter a copy of such ordinance duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of such sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and after such filing the area within the territorial limits of such municipality shall forever be part of such district.

(h) The governing body of any local unit which has created a sewerage authority pursuant to subsection (a) or subsection (b) of this section may, in the case of a county by resolution duly adopted or in the case of a municipality by ordinance duly adopted, dissolve such sewerage authority on the conditions set forth in this subsection. The governing bodies of two or more local units which have created a sewerage authority pursuant to subsection (c) of this section may, by parallel ordinances duly adopted by each of such governing bodies within any single calendar year, dissolve such sewerage authority on the conditions set forth in this subsection. Such a sewerage authority may be dissolved on condition that (1) either the members of such authority have not been appointed or the sewerage authority, by resolution duly adopted, consents to such dissolution, and (2) the sewerage authority has no debts or obligations outstanding. Upon the dissolution of any sewerage authority in the manner provided in this subsection, the governing body or bodies dissolving such sewerage authority shall be deemed never to have created or joined in the creation of a sewerage authority. A copy of each resolution or ordinance for the dissolution of a sewerage authority adopted pursuant to this subsection, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. Upon proof of such filing of a certified copy of the resolution or ordinance or of certified copies of the parallel ordinances for the dissolution of a sewerage authority as aforesaid and upon proof
that such sewerage authority had no debts or obligations outstanding at the time of the adoption of such resolution, ordinance or ordinances, the sewerage authority therein referred to shall be conclusively deemed to have been lawfully and properly dissolved and the property of the sewerage authority shall be vested in the local unit or units. A copy of any such certified resolution or ordinance, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding.

(i) Whenever the sewerage authority of any county shall certify to the governing body of any county that it has entered into a contract pursuant to section 23 of this act with one or more municipalities situate within any other county, one additional member of the sewerage authority for each such other county shall be appointed by resolution of the governing body of such other county as in this section provided. The additional member so appointed for any such other county, and his successors shall be a resident of one of said municipalities situate within such other county. The additional member first appointed or to be first appointed for any such other county shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If after such appointment of an additional member for any such other county the sewerage authority shall certify to said governing body of such other county that it is no longer a party to a contract entered into pursuant to section 23 of this act with any municipality situate within such other county, the term of office of such additional member shall thereupon cease and expire and no additional member for such other county shall thereafter be appointed.

(j) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality may, by ordinance duly adopted, provide that the members of the sewerage authority shall thereafter be appointed by the governing body of such new consolidated municipality, which shall make appointment of members of the sewerage authority by resolution as hereinafter
in this subsection provided. On or after the taking effect of such ordinance, one person shall be appointed as a member of the sewerage authority for a term commencing on February 1 in each year, if any, after the date of consolidation, in which has or shall have expired the term of a member of the sewerage authority theretofore appointed by the governing body of the municipality which has been or shall be so consolidated, and expiring on February 1 in the fifth year after such year. Thereafter, on or after January 1 in each year, one person shall be appointed as a member of the sewerage authority to serve for a term commencing on February 1 in such year and expiring February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term. Each member of the sewerage authority appointed by the governing body of a municipality which has been or shall be so consolidated shall continue in office until his successor has been appointed as in this subsection provided and has qualified.

(k) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality, subject to the rights of the holders, if any, of bonds issued by the sewerage authority, and upon receipt of the sewerage authority’s written consent thereto, may provide, by ordinance duly adopted, that the area within the territorial boundaries of the new consolidated municipality shall constitute the district of the sewerage authority, and upon the taking effect of such ordinance, such area shall constitute the district of the sewerage authority. Until the taking effect of such ordinance, the district of the sewerage authority shall be the area within the territorial boundaries, as they existed at the date of the consolidation, of the municipality the governing body of which created the sewerage authority.

(l) Whenever, with the approval of any sewerage authority created by the governing bodies of two or more municipalities, any other municipality not constituting part of the district shall convey to the sewerage authority all or any part of a system of main, lateral or other sewers or other sewerage facilities located within the district and theretofore owned and operated by such other municipality, then, if so provided in the instruments of such conveyance, one additional member of the sewerage authority for such other
municipality shall be appointed by resolution of its governing body as in this section provided. The additional member so appointed for such municipality, and his successors, shall be residents of such municipality. The additional member first appointed or to be first appointed for such municipality shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If at any time after such conveyance of sewers or sewerage facilities by a municipality its governing body shall adopt a resolution determining not thereafter to be represented in the membership of the sewerage authority and shall file a copy thereof duly certified by its clerk in the office of the sewerage authority, the term of office of any such additional member theretofore appointed for such municipality shall thereupon cease and expire and no additional member for such municipality shall thereafter be appointed.

(m) The governing body of any municipality which is not part of any district but is contiguous to the district of a sewerage authority created by the governing bodies of two or more other municipalities may at any time, by ordinance duly adopted, propose that the area within the territorial limits of such municipality shall be a part of said contiguous district. Such ordinance shall (1) state the number of members of the sewerage authority, not less than one nor more than three, thereafter to be appointed for full terms of office by the governing body of such municipality, and (2) determine that, after the filing of a certified copy thereof and of a resolution of the sewerage authority in accordance with this subsection, such area shall be a part of said contiguous district. If thereafter a copy of such ordinance duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of said sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and after such filing the area within the territorial limits of such municipality shall forever be part of said contiguous district and said sewerage authority shall consist of the members thereof acting or appointed as in this section provided and constitute an agency and instrumentality of such municipality as well as such other municipalities. The governing body of the said municipality so becoming part of said contiguous
district shall thereupon appoint members of the sewerage authority in the number stated in such ordinance, for periods and in the manner provided for the first appointment of members of a sewerage authority under subsection (c) of this section.

2. This act shall take effect immediately.

License.

23:3-29. A person desiring to engage in the business of raising and selling game birds or game animals, or both, in a wholly inclosed preserve of which he is the owner or lessee, or to have in captivity game birds or game animals, shall immediately apply in writing to the division for a license to do so. The license fee shall be $5.00 per annum for each of the above purposes. The license fee shall be $25.00 per annum.

The division, when it appears that the application is made in good faith, shall, upon the payment of the fee for each license, issue to the applicant such of the following license or licenses as may be applied for:

a. Propagating license permitting the licensee to propagate game birds or game animals, or both, in the wholly inclosed preserve the location of which is stated in the license and the application therefor, and to sell such propagated game birds or game animals, or both, and ship them from the State alive at any time and to kill the same and sell the carcasses for food subject to the conditions prescribed by sections 23:3-28 to 23:3-39 of this Title;

The license fee shall be $100.00 per annum and the form of the application and license shall be determined by the division.

Additional tags may be provided to any licensee in number equal to 4/5 of the birds released subsequent to May 1 or October, as the case may be, in the license year. The tags shall be of a special kind provided for the purpose. Pheasants, wild turkeys, and partridge propagated in a semi wild state may be taken by shooting only from 9:00 a.m. on November 10 or such opening date as may otherwise be prescribed by the State Fish and Game Code to January 20, except where the licensee shall have produced evidence satisfactory to the division that he has liberated on the land during the year covered by his license, or that he has in his possession on the land or in some other designated place or places and will liberate on the land prior to February 28 a total of at least 100 pheasants and partridge or combination thereof for any acreage up to 100 acres and at least one pheasant or partridge for each additional acre, in addition to those birds released prior to May 1 or during the month of October, as the case may be, in which case the licensee or any person or persons authorized by him so to do may take pheasants, wild turkeys and partridge by shooting from 9:00 a.m. on November 10 or such opening date as may otherwise be prescribed by the State Fish and Game Code to the next following February 28, both inclusive, and during any further period, not exceeding 31 days, which the Commissioner of Environmental Protection may, from time to time, designate for that purpose upon the recommendation of the Director of the Division of Fish, Game and Shell Fisheries of the Department of Environmental Protection on the land described in his license. The number of pheasants, wild turkeys, quail, and partridge so taken by shooting shall not exceed 4/5 of the total number of pheasants, wild turkeys, quail and partridge liberated on said land during the year covered by such license. Section 23:4–24 of this Title relating to hunting on Sunday shall not apply to any person authorized to shoot pheasants, wild turkeys, quail, and partridge under sections 23:3–28 to 23:3–39 of this Title. 1. R. S. 4:12-4 is amended to read as follows:

**Bond or deposit for protection of creditors.**

4:12-4. A license shall not be issued unless and until the applicant shall file with the secretary a good and sufficient surety bond, executed by a surety company duly authorized to transact business in this State, in a sum not less than one and one-half times the estimated maximum monthly value of the milk or cream to be purchased or received or which may have been purchased or received by the applicant from a producer or producers during the preceding 12 months. Contingent reserve fund.

a. Upon the basis of such tables recommended by the actuary as the board of trustees adopts, and regular interest, the actuary of the board shall compute annually the amount of contribution, expressed as a proportion of the compensation paid to all members, except veteran members who were employed as teachers on January 1, 1955, which, if paid monthly during the entire prospective service of such members, will be sufficient to provide for the pension reserves required at the time of discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account, and to provide for the amount of the death and accidental disability benefits payable on their account, and which amount is not covered by other contributions to be made as provided in this section and the funds in hand available for such benefits. This shall be known as the "normal contribution."

b. Upon the basis of such tables recommended by the actuary as the board of trustees adopts, and regular interest, the actuary of the board shall compute the amount of the unfunded liability as of June 30, 1970 which has accrued on the basis of service rendered prior to July 1, 1970 by all members, except veteran members who were employed as teachers on January 1, 1955, including the amount of the liability accrued by reason of the establishment of class B credit by nonveteran members which has not already been covered by State contributions to the retirement system, and including the accrued liabilities established by section 13 of chapter 66 of the laws of 1966. Using the total amount of this unfunded accrued liability,
he shall compute the amount of the flat annual payments which, if paid in each succeeding fiscal year commencing with July 1, 1971, for a period of 40 years, will provide for this liability. This shall be known as the “accrued liability contribution.”

c. Upon the basis of such tables recommended by the actuary as the board of trustees adopts, and regular interest, the actuary of the board shall compute annually the amount of the total liability for past service and all prospective service for veteran members who were employed as teachers on January 1, 1955, which has not already been covered by State and employer contributions to the retirement system and, except as provided by section 18A:66-70, by past or prospective contributions by such veteran members and which will be sufficient to provide for the pension reserves required at the time of discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account, and to provide for the amount of death and accidental disability benefits payable on their account. Using the total amount of this liability remaining as a basis, he shall compute the amount of the flat annual payment, which, if paid in each succeeding fiscal year commencing with July 1, 1957, for a period of 30 years, will provide for this liability.

d. The retirement system shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in this section, and which shall be paid into the contingent reserve fund in the manner provided by section 18A:66–33.

e. Except as provided in sections 18A:66–26 and 18A:66–53, the death benefits payable under the provisions of this article upon the death of an active or retired member shall be paid from the contingent reserve fund.

f. The disbursements for benefits not covered by reserves in the system on account of veterans shall be met by direct contribution of the State.

10. N. J. S. 18A:66-20 is amended to read as follows:

Refunding of excess contributions.

18A:66-20. (a) Any contributions made by a member in excess of those required shall be refunded with regular interest to January 1, 1956, to the member or his beneficiary or estate or shall, at his request, be used at retirement with regular interest to provide an annuity of equivalent actuarial value which shall be in addition to his retirement allowance as computed in accordance with section 18A:66-44.

(b) Upon the submission of such evidence as the retirement system may require, the system shall refund to any member, that part of his accumulated deductions paid into the retirement system as a result of deductions based on payments to him over and above compensation as defined in this article.

(c) Until July 1, 1974 contributions, made by a member employed by an institution of higher education prior to July 1, 1969, on the basis of compensation earned during summer sessions may be refunded with regular interest to January 1, 1956 to the member at his request or shall be included in the computation of his retirement allowance.

11. N. J. S. 18A:66-21 is amended to read as follows:

Retirement reserve fund.

18A:66-21. The retirement reserve fund shall be the fund from which all retirement allowances shall be paid except those payable from the pension fund as provided in section 18A:66-22. Upon the retirement of a member other than a present-entrant, his accumulated deductions together with regular interest after January 1, 1956, shall be transferred to the retirement reserve fund from the annuity savings fund. The reserve needed to produce the balance of the retirement allowance shall be transferred from the contingent reserve fund. If the retirement allowance of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the annuity savings fund and the contingent reserve fund.

Any surplus or deficit developing in the retirement reserve fund shall be adjusted from time to time by transfer to or from the contingent reserve fund by appropriate action of the retirement system upon the advice of the actuary.

All reserves for the payment of annuities to persons receiving pensions from the pension fund, as of January 1, 1956 are hereby transferred from the former annuity reserve fund to the pension fund. In this event, any such excess shall be credited to the contingent reserve fund. All losses from the sale of securities shall be charged against the special reserve fund. The special reserve fund shall be considered for valuation purposes by the actuary as an asset of the retirement system.

**Examination of funds.**

18A :66–28. The various funds created by this article shall be subject to examination by the Department of Insurance. The Commissioner of Insurance shall have the power, whenever he deems the
same expedient, to make or cause to be made an examination of all the assets and liabilities, method of conducting business and all other affairs of the retirement system and shall make such examination at least once every 3 years.

For the purpose of such examination all securities, books, papers or other documents in the possession of the retirement system shall be made available on demand for inspection. The report on such examination shall be filed in the Department of Insurance and a copy thereof shall be transmitted to the board of trustees and the actuary of the system and to the Division of Pensions. Neither the commissioner nor any appointee thereof shall be liable for any statement included therein.

15. N. J. S. 18A:66-31 is amended to read as follows:

System to certify contribution rates.

18A:66-31. The retirement system shall certify to each employer the proportion of each member’s compensation to be deducted, and to facilitate the making of deductions the retirement system may modify the deduction required by a member of such amount as shall not exceed 1/10 of 1% of the compensation upon the basis of which the deduction is to be made.

There shall be credited in the annuity savings fund to the individual account of each member any amounts so deducted or contributed by him.

16. N. J. S. 18A:66-32.1 is amended to read as follows:

Workmen’s compensation.

18A:66-32.1. a. If any member of the retirement system receives periodic benefits payable under the workmen’s compensation law during the course of his active service, in lieu of his normal compensation, his regular salary deductions shall be paid to the retirement system by his employer. Such payments shall be computed, in accordance with section 18A:66-29, at the rate of contribution on the base salary subject to the retirement system, just prior to the receipt of the workmen’s compensation benefits. The moneys paid by the employer shall be credited to the member’s account in the annuity savings fund and shall be treated as employee contributions for all purposes. The employer will terminate the payment of these moneys when the periodic benefits payable under the workmen’s compensation law are terminated or when the member retires.

The member for whom the employer is making such payments, will be considered as if he were in the active service.
b. An application for retirement benefits may be approved by the board of trustees while the member, applying for such benefits, is in receipt of periodic benefits under the workmen’s compensation law. In this event the actuarial equivalent of such periodic benefits remaining to be paid shall be computed and will serve to reduce the pension portion of the retirement allowance payable to the retirant, subject to the provisions of section 18A:66-69.

17. N. J. S. 18A:66-34 is amended to read as follows:

Withdrawals.

18A:66-34. A member who withdraws from service or ceases to be a teacher for any cause other than death or retirement shall, upon the filing of an application therefor, receive all of his accumulated deductions standing to the credit of his individual account in the annuity savings fund, plus regular interest on contributions made after January 1, 1956, less any loan outstanding, and except that for any period after June 30, 1944, the interest payable shall be such proportion of the interest determined at the regular rate as 2% per annum bears to the regular rate of interest; provided, however, that no interest shall be payable if such a member does not have 3 years of membership service at the time of withdrawal from service or cessation of employment.

He shall cease to be a member 2 years from the date he discontinued service as a teacher, or, if prior thereto, upon payment to him of his accumulated deductions. If any such person or member shall die before withdrawing or before endorsing the check constituting the return of his accumulated deductions, such deductions shall be paid to the member’s beneficiary. No member shall be entitled to withdraw the amounts contributed by his employer covering his military leave unless he shall have returned to the payroll and contributed to the retirement system for a period of 90 days.

18. Section 18A:66-35 of the New Jersey Statutes is amended to read as follows:

Loans.

18A:66-35. Any member who has at least 3 years of service to his credit for which he has contributed as a member may borrow from the retirement system, an amount equal to not more than 50% of the amount of his accumulated deductions, but not less than $50.00; provided, that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from compensation, not in excess of 25% of the member’s compensation,
made at the same time compensation is paid to the member, but not after the attainment of age 60. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deduction from the compensation of the member at the time the compensation is paid or in such lump sum amount to repay the balance of the loan but such installment shall be at least equal to the member’s rate of contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 60. Not more than two loans may be granted to any member in any calendar year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this article applies or shall apply, the additional deductions required to repay the loan shall be made. Any unpaid balance of a loan at the time any benefit may become payable shall be deducted from the benefit otherwise payable.

Loans shall be made to a member from his accumulated deductions. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

19. N. J. S. 18A:66-37 is amended to read as follows:

**Early retirement.**

18A:66-37. Should a member resign after having established 25 years of creditable service before reaching age 60, he may elect “early retirement,” provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 18A:66-34, an annuity which is the actuarial equivalent of his accumulated deductions and a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of 1/70 of his final compensation for each year of service credited as Class A service and 1/60 of his final compensation for each year of service credited as class B service, calculated in accordance with section 18A:66-44, reduced by 1/4 of 1% for each month that the member lacks of being age 60; provided, however, that upon the receipt of proper proofs of the death of such a member there shall be paid to his beneficiary an amount equal to 3/16 of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.
The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

20. N. J. S. 18A:66-38 is amended to read as follows:

**Death benefits; contribution not required when leave is due to illness.**

18A:66-38. Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section 18A:66-46, there shall be paid to such member’s beneficiary:

(a) The member’s accumulated deductions at the time of death together with regular interest after January 1, 1956; and

(b) An amount equal to \( \frac{1}{16} \) times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 70, the amount payable shall equal \( \frac{3}{16} \) of such compensation instead of \( \frac{1}{16} \) times such compensation.

For the purpose of this section, section 18A:66-46e and section 18A:66-53, a member of the retirement system shall be deemed to be an active member (1) while he is disabled due to sickness or injury arising out of or in the course of his employment as a teacher to whom this article applies, is not engaged in any gainful occupation, and is receiving or entitled to receive periodic benefits (including any commutation of, or substitute for, such benefits) for loss of time on account of such disability under or by reason of workmen’s compensation law, occupational disease law or similar legislation and has not retired or terminated his membership; or (2) for a period of no more than 2 years while on official leave of absence without pay if satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to the member’s personal illness other than an illness to which (1) above applies. For the purpose of this section, section 18A:66-46e and section 18A:66-53, a member of the retirement system shall be deemed to be an active member for a period of not more than 1 year in the event of an official leave (1) due to the member’s maternity or (2) to fulfill a residency requirement for an advanced degree or (3) as a fulltime student at an institution of higher education, and for a period of not more than 93 days while on official leave of absence without pay when such leave of absence is due to any reason other than illness. In order for a member to be covered for the optional death benefits provided by section 18A:66-53, he shall continue to
make contributions for same during the period such member is on official leave of absence without pay, except that when such official leave of absence without pay is due to illness, no contributions shall be required of the member during the period he is deemed to be an active member while on such leave of absence.

If a member dies within 30 days after the date of retirement or the date of board approval, whichever is later, a death benefit shall be payable only if he is deemed to be an active member in accordance with this section; provided, however, a member applying for disability benefits shall be deemed an active member if he was covered by the death benefit provisions of the act at the termination of employment, filed the application for disability retirement with the retirement system within 30 days following such termination of employment and dies within 30 days after the date of retirement or the date of board approval, whichever is later.

21. N. J. S. 18A:66-40 is amended to read as follows:

Examination of disability beneficiary; reduction or discontinuance of pension; restoration to service.

18A:66-40. a. Once each year the retirement system may, and upon his application shall, require any disability beneficiary who is under the age of 60 years to undergo medical examination by a physician or physicians designated by the system for a period of 5 years following his retirement in order to determine whether or not the disability which existed at the time he was retired has vanished or has materially diminished. If the disability beneficiary is engaged in an occupation, then the amount of his pension shall be reduced to an amount which, when added to the amount then earned by him, shall not exceed the amount of the salary now attributable to his former position.

If his earnings have changed since the date of his last adjustment, then the amount of his pension may be further altered; but the new pension shall not exceed the amount of pension originally granted.

If a disability beneficiary, while under the age of 60 years, refuses to submit to at least one medical examination in any year by a physicians or physicians designated by the system, his pension shall be discontinued until withdrawal of his refusal. If the report of the medical board shall show that such beneficiary is able to perform either his former duty or other comparable duty which his former employer is willing to assign to him, the beneficiary shall report for duty; such a beneficiary shall not suffer any loss.
of benefits while he awaits his restoration to active service. If the beneficiary fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

b. If a disability beneficiary becomes employed again in a position which makes him eligible to be a member of the retirement system, his retirement allowance and the right to any death benefit as a result of his former membership, shall be canceled until he again retires.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of his prior enrollment. Such person shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such reenrollment.

Upon subsequent retirement of such member, he shall receive a retirement allowance based on all his service as a member, computed in accordance with applicable provisions of this article, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement.

22. N. J. S. 18A:66-41 is amended to read as follows:

Ordinary disability allowances.

18A:66-41. A member upon retirement for ordinary disability shall receive a retirement allowance which shall consist of:

(a) an annuity which shall be the actuarial equivalent of his accumulated deductions at the time of his retirement together with regular interest after January 1, 1956; and

(b) a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of 1½% of final compensation multiplied by his number of years of creditable service; and provided further, that in no event shall the allowance be less than 40% of final compensation, except that in no case shall the rate of allowance exceed 9/10 of the rate of the regular service retirement allowance which the member would have re-
ceived had he remained in service from the date of retirement to age 60.

Upon the receipt of proper proofs of the death of a member who has retired on an ordinary disability retirement allowance, there shall be paid to such member’s beneficiary, an amount equal to $1\frac{1}{2}$ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 60, the amount payable shall equal 3/16 of such compensation. The death benefits provided in this section shall apply to any member who has retired or shall retire on or after January 1, 1956.

23. N. J. S. 18A:66-42 is amended to read as follows:

Accidental disability allowances.

18A:66-42. A member under 65 years of age upon retirement for accidental disability shall receive a retirement allowance which shall consist of:

(a) an annuity which shall be the actuarial equivalent of his accumulated deductions at the time of his retirement together with regular interest after January 1, 1956; and

(b) a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of $2\frac{1}{3}$ of his actual annual compensation for which contributions were being made at the time of the occurrence of the accident.

Upon the receipt of proper proofs of the death of a member who has retired on an accidental disability retirement allowance, there shall be paid to such member’s beneficiary, an amount equal to $1\frac{1}{2}$ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 60, the amount payable shall equal 3/16 of such compensation. The death benefits provided in this section shall apply to any member who has retired or shall retire on or after January 1, 1956.

24. N. J. S. 18A:66-43 is amended to read as follows:

Retirement for service age limits.

18A:66-43. Retirement for service shall be as follows: (a) A member who has attained 60 years of age may retire on a service retirement allowance by filing with the retirement system a written application, duly attested, stating at which time subsequent to the
execution and filing thereof he desires to be retired. The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

(b) Any member in service who attains 70 years of age shall be retired by the board of trustees on a service retirement allowance forthwith on the first day of the next calendar month, or at such time within 1 year thereafter as it deems advisable.

25. N. J. S. 18A:66-44 is amended to read as follows:

Service retirement allowances.

18A:66-44. A member, upon retirement for service, shall receive a retirement allowance consisting of:

(a) an annuity which shall be the actuarial equivalent of his accumulated deductions, together with interest after January 1, 1956, less any excess contributions as provided in section 18A:66-20; and

(b) a pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 1/70 of his final compensation for each year of service credited as class A service and 1/60 of his final compensation for each year of service credited as class B service.

Upon the receipt of proper proofs of the death of a member who has retired on a service retirement allowance, there shall be paid to the member's beneficiary, an amount equal to 3/16 of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

26. N. J. S. 18A:66-46 is amended to read as follows:

Accidental death benefit.

18A:66-46. a. Upon the death of a member in active service as a result of an accident met in the actual performance of duty at some definite time and place and not as the result of his willful negligence, an accidental death benefit shall be payable, if a report of the accident is filed in the office of the retirement system within 60 days next following the accident, but the board of trustees may waive such time limit, for a reasonable period, if in the judgment of the board the circumstances warrant such action.

No such application shall be valid or acted upon unless it is filed in the office of the retirement system within 5 years of the date of such death.
b. Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there shall be paid to his widow or widower a pension of 50% of the compensation, upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, for the use of herself or himself and the children of the deceased member, to continue during her or his widowhood; if there is no surviving widow or widower or in the case the widow or widower dies or remarries, 20% of such compensation will be payable to one surviving child, 35% of such compensation to two surviving children in equal shares and if there be three or more children, 50% of such compensation will be payable to such children in equal shares. If there is no surviving widow, widower or child, 25% of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, will be payable to one surviving parent or 40% of such compensation will be payable to two surviving parents in equal shares. In the event of accidental death occurring in the first year of creditable service, the benefits, payable pursuant to this subsection, shall be computed at the annual rate of compensation.

e. If there is no surviving widow, widower, child or parent, there shall be paid to any other beneficiary of the deceased member his accumulated deductions at the time of death.

d. In no case shall the death benefit provided in subsection b. be less than that provided under subsection c.

e. In addition to the foregoing benefits payable under subsection b. or c., there shall also be paid in one sum to such member's beneficiary an amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 70, the amount payable shall equal ⅓ of such compensation instead of 1½ times such compensation.

27. N. J. S. 18A:66-53.1 is amended to read as follows:

Beneficiary of member or retirant; designation, change, options.

18A:66-53.1. The designation of beneficiary by a member or retirant shall be made in writing on a form satisfactory to the retirement system, and filed with the retirement system. The member or retirant may, from time to time and without the consent of his death benefit designee, change the beneficiary by filing written notice of the change with the system on a form satisfactory to it.
The new nomination will be effective on the date the notice, in proper form, is received by the system, and any prior nomination shall thereupon become void.

If more than one beneficiary is nominated and in such nomination the member or retirant has failed to specify their respective interests, the beneficiaries shall share equally. If any beneficiary predeceases the member or retirant, the interest of such beneficiary shall terminate and shall be shared equally by such of the beneficiaries as survive the member or retirant, unless the member or retirant has made written request to the contrary in his beneficiary nomination.

Any amounts due for which there is no beneficiary at the death of a member, retirant or beneficiary shall be payable to the estate of such member, retirant or beneficiary.

Except with regard to the payment of the member's accumulated deductions with regular interest and the payment, upon the death of (1) a retirant after attaining the age of 60 or receiving an allowance pursuant to section 18A:66-37, or (2) a member after attaining the age of 70 years, of the death benefits provided in sections 18A:66-36, 18A:66-37, 18A:66-38, 18A:66-41, 18A:66-42, 18A:66-44, 18A:66-46e and 18A:66-53, a member may elect, by making written request to the retirement system, that the whole or any part of his death benefits be made payable to his beneficiary either as a life annuity or in equal installments over a period of years specified in such election, and may alter such election from time to time during his lifetime by again making such written request. In the event of a change of beneficiary, any previous arrangement by the member or retirant under this paragraph shall be void. The election set forth in this paragraph shall not apply or be available when the beneficiary is an estate, or a corporation, partnership, association, institution, trustee or any fiduciary.

If, at the member's or retirant's death, an amount of death benefit would be payable to the beneficiary in a single sum, any election with regard to such amount which was available to the member or retirant immediately prior to his death in accordance with the provisions of the immediately preceding paragraph shall then be available to such beneficiary for the benefit of such beneficiary.
28. N. J. S. 18A:66-53.2 is amended to read as follows:

Reemployment of retirant; reenrollment, subsequent retirement.

18A:66-53.2. If a former member of the retirement system who has been granted a retirement allowance for any cause other than disability, becomes employed again in a position which makes him eligible to be a member of the retirement system, his retirement allowance and the right to any death benefit as a result of his former membership, shall be canceled until he again retires.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of reenrollment. Such person shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such reenrollment.

Upon subsequent retirement of such member, his former retirement allowance shall be reinstated together with any optional selection, based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of this article; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement, but shall not be less than the death benefit that was applicable to his former retirement.

29. N. J. S. 18A:66-54 is amended to read as follows:

Health insurance payments from allowances.

18A:66-54. If possible, whenever any beneficiary of the teachers’ pension and annuity fund shall, in writing, request the Division of Pensions to make deductions from his retirement allowance or pension for the payment of premiums for the pensioners’ group health insurance plan or the State Health Benefits Program, the division may make such deductions and transmit the sum so deducted to the companies carrying the policies. Any such written authorization may be withdrawn by any beneficiary upon filing notice of such withdrawal with the division.
30. N. J. S. 18A:66-56 is amended to read as follows:

Board of trustees; duties, appointment or election, terms, vacancies, oaths, voting, expenses.

18A:66-56. (d) One trustee not an active or retired teacher nor an officer of the State, elected by the other trustees, other than the State Treasurer, for a term of 3 years.

The terms of office of the members of the board of trustees on the effective date of this article shall continue for the periods for which they were appointed or elected. A vacancy occurring in the board of trustees shall be filled in the same manner as provided in this section for regular appointment or election to the position where the vacancy exists.

Each member of the board shall, upon appointment or election, take an oath of office that, so far as it devolves upon him, he will diligently and honestly administer the board's affairs, and that he will not knowingly violate or willfully permit to be violated any provision of law applicable to this article. The oath shall be subscribed to by the member making it, certified by the officer before
whom it is taken and filed immediately in the office of the Secretary of State.

The members of the board shall serve without compensation but shall be reimbursed for any necessary expenditures. No employee shall suffer loss of salary or wages through serving on the board.

The State Treasurer shall designate a medical board after consultation with the Director of the Division of Pensions, subject to veto by the board for valid reason. It shall be composed of three physicians who are not eligible to participate in the retirement system. The medical board shall pass upon all medical examinations required under the provisions of this article, shall investigate all essential statements and certificates by or on behalf of a member in connection with an application for disability retirement, and shall report in writing to the retirement system its conclusions and recommendations upon all matters referred to it.

Upon the basis of such investigation and valuation, with the advice of the actuary, the board shall:

Each of the several counties, or several counties on a joint cooperative basis, may establish a regional medically oriented clinic to provide aftercare treatment for individuals released or discharged from mental hospitals as provided for herein, or may enter into a contractual relationship with an existing public or private facility to provide such aftercare treatment. On and after July 1, 1971, any clinic theretofore or thereafter established shall become a part of the Statewide system established under this supplementary and amendatory act; provided, however, the board of chosen freeholders of a county in which any such clinic is then presently operating may provide by resolution for such clinic to continue to operate as an independent county agency with the cost therefor to be paid by said county. In such case, the particular clinic shall not become part of the Statewide system, but shall operate as an independent county agency under the direction and at the expense of the county in which it is located; provided, however, it shall conform to standards, rules and regulations promulgated by the commissioner. Thereafter, any such clinic operating as an independent county agency may become part of the Statewide system upon the approval by the commissioner of a resolution adopted by the board of chosen freeholders of such county requesting the commissioner to assume operation and control of such clinic. Copies of resolutions authorized by this section shall be forwarded to the commissioner within 10 days after adoption.

Any county operating a clinic which becomes a part of the Statewide system established hereunder shall maintain, operate and make available to the Department of Health any building, space or other physical facility used by the county clinic for the continued use by the Department of Health at no cost for the Statewide system. Such building, space or other physical facility shall be so made available to the Department of Health at no cost to the Department or the State of New Jersey for a term of 5 years; provided, however, said term may be extended or decreased upon the written agreement of the Commissioner of Health and a resolution therefor by the board of chosen freeholders of the county in which said clinic is located.

In making such determinations there shall be taken into consideration (a) the availability of facilities or services which may serve as alternatives or substitutes, (b) the need for special equipment and services in the area, (c) the possible economies and improvement in services to be anticipated from the operation of joint central services, (d) the adequacy of financial resources and sources of present and future revenues, (e) the availability of sufficient manpower in the several professional disciplines, and (f) such other factors as may be established by regulation. Upon receipt of an application, copies thereof shall be referred by the department to the appropriate planning agencies or councils for review.

These appropriate agencies and councils shall provide adequate mechanisms for full consideration of each application submitted to them and for developing recommendations thereon. Such recommendations, whether favorable or unfavorable, shall be forwarded to the commissioner within 60 days of the date of referral of the application. A copy of the recommendations made shall be forwarded to the applicant.

Recommendations concerning certificates of need shall be governed and based upon the principles and considerations set forth in section 8 hereof.

No member, officer or employee of any planning body shall be subject to civil action in any court as the result of any act done or failure to act, or of any statement made or opinion given, while discharging his duties under this act as such member, officer, or employee, provided he acted in good faith with reasonable care and upon proper cause.

C. 26:2H-11 Term of certificate; renewal.

11. A certificate of need shall be valid for 1 year from the date of issue, except that the commissioner may renew the certificate for further periods where the applicant has shown to the satisfaction of the commissioner by adequate proof that substantial progress towards completion of the project has been demonstrated.

C. 26:2H-12 Operational requirements for health care facility; application for license; fee.

12. a. No health care facility shall be operated unless it shall: (1) possess a valid license issued pursuant to this act, which license shall specify the kind or kinds of health care services the facility is authorized to provide; (2) establish and maintain a uniform system of cost accounting approved by the commissioner; (3) establish and maintain a uniform system of reports and audits meeting the requirements of the commissioner; and (4) prepare and review annually a long range plan for the provision of health care services, which plan shall be compatible with the State Health Plan established pursuant to the "Comprehensive Health Planning and Public Health Services Amendments of 1966" (Federal Law 89-749) as related to medical health services, health care services, and health manpower.

(2) A license shall be issued by the department upon its findings that the premises, equipment, personnel, including principals and management, finances, rules and bylaws, and standards of health care service are fit and adequate and there is reasonable assurance the health care facility will be operated in the manner required by this act and rules and regulations thereunder.

c. A license issued before the effective date of this act to a health care facility for its operation, upon the first renewal date thereafter, may be extended for a 1 year period of time, provided the facility then meets the requirements for licensure at the time said license was issued and submits an acceptable plan to meet current requirements at the end of said period of time.

C. 26:2H-13 Assessment of penalties; denial, revocation or suspension of license.

13. In addition to authority granted to the department by this act or any other law, the department after serving the licensee with specific charges in writing, may assess penalties and collect the same within the limitations imposed by this act, deny, place on probationary or provisional license, revoke or suspend any and all licenses granted under authority of this act to any person, firm, partnership, corporation or association violating or failing to comply with the provisions of this act, or the rules and regulations promulgated hereunder.

Notice of the assessment of penalties, revocation, suspension, the placing on probationary or provisional license or denial of a license together with a specification of charges shall be served on the applicant or licensee, personally or sent by certified mail to the address of record and the notice shall set forth the particular reasons for the assessment, denial, suspension, the placing on probationary or provisional license or revocation of the license. Such assessment, denial, suspension, the placing on probationary or provisional license, or revocation shall become effective 30 days after mailing, unless the applicant or licensee, within such 30-day period shall meet the requirements of the department or shall file
with the department a written answer to the charges and give written notice to the department of its desire for a hearing in which case the assessment, denial, suspension, the placing on probationary or provisional license, or revocation may be held in abeyance until the hearing has been concluded and a final decision rendered.

The department shall afford the licensee an opportunity for a prompt hearing on the question of the assessment of penalties, the issuance, suspension or the placing on a probationary or provisional license, or revocation of the license. The procedure governing such hearings shall be in accordance with the rules and regulations of the department. Either party may be represented by counsel of his own choosing, and shall have the right to subpoena witnesses and to compel their attendance on forms furnished by the department.

The commissioner shall arrange for prompt and fair hearings on all such cases, render written decisions stating conclusions and reasons therefor upon each matter so heard, and is empowered to enter orders of denial, suspension, placing on probationary or provisional license or revocation consistent with the circumstances in each case, and may assess penalties and collect the same within the limitations imposed by this act.

C. 26:2H-14 Penalties.

14. Any person, firm, partnership, corporation or association who shall operate or conduct a health care facility without first obtaining the license required by this act, or who shall operate such health care facility after revocation or suspension of license, shall be liable to a penalty of $50.00 for each day of operation in violation hereof for the first offense and for any subsequent offense shall be liable to a penalty of $100.00 for each day of operation in violation hereof. Any person, firm, partnership, corporation or association who shall be found guilty of violating any rule or regulation adopted in accordance with this act as the same pertains to the care of patients and neglects to rectify same within 7 days after receiving notice from the department of such violation or who neglects to commence, within 7 days, such repairs to his licensed establishment after receiving notice from the department that hazardous or unsafe condition exists in or upon the structure in which the licensed premises is maintained shall be subject to a penalty of not less than $10.00 or more than $100.00 for each day that he is in violation of such rule or regulation. If, within 1 year after such violation such person, firm, partnership, corporation or association is found guilty of the same violation such penalties as hereinbefore set forth shall be doubled, and if there be a third violation within such time, such
penalties shall be tripled. In addition thereto the department may, in its discretion, suspend the license for such time as it may deem proper.

Any person, firm, partnership, corporation or association who shall, except in cases of an emergency, maintain more patients in his premises than he is licensed so to do, shall be subject to a penalty in an amount equal to the charge collected from such patient or patients plus $25.00 for each extra patient so maintained.

C. 26:2H-15 Misrepresentation by unlicensed facilities; penalties.

15. Whenever a boarding home for sheltered care, boarding house or rest home or facility or institution of like character, not licensed hereunder, by public or private advertising or by other means holds out to the public that it is equipped to provide post-operative or convalescent care for persons mentally ill or mentally retarded or who are suffering or recovering from illness or injury, or who are chronically ill, or whenever there is reason to believe that any such facility or institution, not licensed hereunder, is violating any of the provisions of this act, then, and in such case, the department shall be permitted reasonable inspection of such premises for the purpose of ascertaining whether there is any violation of the provisions hereof. If any such boarding home for sheltered care, boarding house, rest home or other facility or institution shall operate as a private mental hospital, convalescent home, private nursing home or private hospital in violation of the provisions of this act, then the same shall be liable to the penalties which are prescribed and capable of being assessed against health care facilities pursuant to this act.

Any person, firm, association, partnership or corporation, not licensed hereunder, but who holds out to the public by advertising or other means that the medical and nursing care contemplated by this act will be furnished to persons seeking admission as patients, shall cease and desist from such practice and shall be liable to a penalty of $100.00 for the first offense and $500.00 for each subsequent offense, such penalty to be recovered as provided for herein.

C. 26:2H-16 Recovery of penalties; disposition of moneys; authority to maintain an action to enjoin.

16. The penalties prescribed and authorized by this act shall be recovered in a summary civil proceeding, brought in the name of the State in the Superior Court, a County Court or a county district court pursuant to the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.).
The commissioner may, in his discretion and subject to rules and regulations, accept from any licensee an offer in compromise in such amount as may in his judgment be proper under the circumstances in lieu of any suspension of any license by the commissioner. Any sums of money so collected by the commissioner shall be paid forthwith into the State Treasury for the general purposes of the State. In no case shall the penalty be compromised for a sum less than $250.00 for the first offense and $500.00 for the second and each subsequent offense; provided, however, that any penalty of less than $250.00 or $500.00, as the case may be, may be compromised for a lesser sum.

The department may maintain an action in the name of the State to enjoin any person, firm, partnership, association or corporation from continuing to conduct, manage or operate a health care facility without a license, or after suspension or revocation of license, or in violation of rules and regulations promulgated hereunder.

The Commissioner of Health in consultation with the Commissioner of Insurance shall determine and certify the costs of providing health care services, as reported by health care facilities, which are derived in accordance with a uniform system of cost accounting approved by the Commissioner of Health. Said certification shall specify the elements and details of costs taken into consideration.

d. Payment by hospital service corporations, organized under the laws of this State, for health care services provided by a health care facility shall be at rates approved as to reasonableness by
the Commissioner of Insurance with the approval of the Commissioner of Health. In establishing such rates, the commissioners shall take into consideration the total costs of the health care facility.

CHAPTER 137

An Act to provide stadiums and other buildings and facilities in the Hackensack meadowlands for athletic contests, horse racing and other spectator sporting events and for trade shows and other expositions; creating the New Jersey Sports and Exposition Authority and defining its powers and duties; authorizing the issuance of bonds and notes of the authority, providing for the terms and security thereof; and providing an appropriation therefor.

Whereas, The Hackensack Meadowlands Development Commission pursuant to P. L. 1968, c. 404 (C. 13:17–1 et seq.), is charged with the responsibility for reclaiming, planning, developing and
redeveloping the land in the Hackensack Meadowlands Districts; and

Whereas, The Hackensack Meadowlands Development Commission and the New Jersey Sports and Exposition Authority can cooperate in the development of said Hackensack Meadowlands District by the effectuation of the sports and exposition project in accordance with this act; now, therefore,

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 5:10-1 Short title.
1. This act shall be known as, and may be cited as, the “New Jersey Sports and Exposition Authority Law.”

C. 5:10-2 Declaration of policy.
2. The Legislature hereby finds and declares that the general welfare, health and prosperity of the people of the State will be promoted by the holding of athletic contests, horse racing and other spectator sporting events and of trade shows and other expositions in the State; that in order to induce professional athletic teams, particularly major league football and baseball teams, to locate their franchises in the State, it is necessary to provide stadiums and related facilities for the use of such teams, in addition to the facilities for horse racing and other spectator sporting events; that such stadiums and other facilities would also accommodate other events and serve other uses which would provide needed recreation, forums and expositions for the public.

It is hereby further found and declared that additional facilities are needed in the State to accommodate trade shows and other expositions in order to promote industry and development in the State and provide a forum for public events.

The Legislature further finds and declares that the location of a sports and exposition complex in the Hackensack meadowlands would stimulate the needed development of said meadowlands.

The Legislature has determined that to provide for the establishment and operation of the needed stadiums and other facilities for the holding of such spectator sports, expositions and other public events and uses, a corporate agency of the State shall be created with the necessary powers to accomplish these purposes.

The Legislature further finds that the authority and powers conferred under this act and the expenditure of public moneys pursuant thereto constitutes a serving of a valid public purpose.
and that the enactment of the provisions hereinafter set forth is in the public interest and is hereby so declared to be such as a matter of express legislative determination.

C. 5:10-4 New Jersey Sports and Exposition Authority; establishment, membership, appointment, terms, vacancies, removal, oath, officers, quorum, bond, compensation, dissolution, minutes of meetings.

4. a. There is hereby established in the Department of Community Affairs a public body corporate and politic, with corporate succession, to be known as the "New Jersey Sports and Exposition Authority." The authority is hereby constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the authority of the powers conferred by the act shall be deemed and held to be an essential governmental function of the State and the application of the revenue derived from the project to the purposes provided in this act shall be deemed and held to be applied in support of government.

b. The authority shall consist of the State Treasurer, the Attorney General and a member of the Hackensack Meadowlands
Development Commission to be appointed by the Governor, who shall be members ex officio, and four members appointed by the Governor with the advice and consent of the Senate for terms of 4 years, provided that the members of the authority (other than the ex-officio members) first appointed by the Governor shall serve for terms of 1 year, 2 years, 3 years and 4 years, respectively. Each member shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member shall be eligible for reappointment. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. Each appointed member may be removed from office by the Governor, for cause, after a public hearing, and may be suspended by the Governor pending the completion of such hearing. Each member before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of such oaths shall be filed in the office of the Secretary of State.

d. The chairman, who shall be chief executive officer of the authority, shall be appointed by the Governor from the members of the authority other than the ex-officio members, and the members of the authority shall elect one of their number as vice chairman thereof. Such bonds shall be filed in the office of the Secretary of State. At all times thereafter the members and treasurer of the authority shall maintain such bonds in full force and effect. All costs of such bonds shall be borne by the authority.

g. Each ex-officio member of the authority may designate an officer or employee of his department or agency to represent him at meetings of the authority, and each such designee may lawfully vote and otherwise act on behalf of the member for whom he constitutes the designee. Any such designation shall be in writing delivered to the authority and shall continue in effect until revoked or amended by writing delivered to the authority.

h. The authority may be dissolved by act of the Legislature on condition that the authority has no debts or obligations outstanding or that provision has been made for the payment or retirement of such debts or obligations. Upon any such dissolution of the authority all property, funds and assets thereof shall be vested in the State.

i. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof to the Governor. No action taken at such meeting by the authority shall have force or effect until 15 days after such copy of the minutes shall have been so delivered unless during such 15-day period the Governor shall approve the same in which case such action shall become effective upon such approval. If, in said 15-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting, such action shall be null and void and of no effect. The powers conferred in this paragraph (i) upon the Governor shall be exercised with due regard for the rights of the holders of bonds and notes of the authority at any time outstanding, and nothing in, or done pursuant to, this paragraph (i) shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or notes or for the benefit, protection or security of the holders thereof.
C. 5:10-5  Authority’s powers.
5. Except as otherwise limited by the act, the authority shall have power:
   a. To sue and be sued;
   b. To have an official seal and alter the same at pleasure;

C. 5:10-7 Authorization to hold horse race meetings.

7. a. The authority is hereby authorized, licensed and empowered to apply to the Racing Commission for a permit or permits to hold
and conduct, as part of the meadowlands complex, horse race meetings for stake, purse or reward, and to provide a place or places on the race meeting grounds or enclosure for wagering by patrons on the result of such horse races by the pari-mutuel system, and to receive charges and collect all revenues, receipts and other sums from the ownership and operation thereof; provided that only the authority through its employees shall conduct such horse race meetings and wagering and the authority is expressly prohibited from placing in the control of any other person, firm or corporation the conduct of such horse race meetings, or wagering.

b. Except as otherwise provided in this section, such horse race meetings and pari-mutuel wagering shall be conducted by the authority in the manner and subject to compliance with the standards set forth in P. L. 1940, c. 17 (C. 5:5-22 et seq.) and the rules, regulations and conditions prescribed by the Racing Commission thereunder for the conduct of horse race meetings and for pari-mutuel betting at such meetings.

c. Application for said permit or permits shall be on such forms and shall include such accompanying data as the Racing Commission shall prescribe for other applicants. The Racing Commission shall proceed to review and act on any such application within 30 days after its filing and the Racing Commission is authorized in its sole discretion to determine whether a permit shall be granted to the authority. If, after such review, the Racing Commission acts favorably on such application, a permit shall be granted to the authority without any further approval and shall remain in force and effect so long as any bonds or notes of the authority issued for the purposes of the meadowlands complex remain outstanding, the provision of any other law to the contrary notwithstanding. In granting a permit to the authority to conduct a horse race meeting, the Racing Commission shall not be subject to any limitation as to the number of tracks authorized for the conduct of horse race meetings pursuant to any provision of P. L. 1940, c. 17 (C. 5:5-22 et seq.). Said permit shall set forth the dates to be allotted to the authority for its initial horse race meetings. Thereafter application for dates for horse race meetings by the authority and the allotment thereof by the Racing Commission, including the renewal of the same dates theretofore allotted, shall be governed by the applicable provisions of P. L. 1940, c. 17 (C. 5:5-22 et seq.). Notwithstanding the provision of any other law to the contrary, the Racing Commission shall allot annually to the authority, in the case of harness racing, not less than 100 racing days, and in the case of running racing,
CHAPTER 137, LAWS OF 1971

not less than 56 racing days, if and to the extent that application is made therefor.

d. No hearing, referendum or other election or proceeding, and no payment, surety or cash bond or other deposit, shall be required for the authority to hold or conduct the horse race meetings with pari-mutuel wagering herein authorized.

e. The authority shall determine the amount of the admission fee for the races and all matters relating to the collection thereof.

f. Distribution of sums deposited in pari-mutuel pools to winners thereof and payments from the remaining balances in such pools for stakes, purses or rewards and special trust accounts for breeding and development of horses shall be for the purposes of and in accordance with the provisions of P. L. 1940, c. 17 (C. 5:5-22 et seq.) pertaining thereto. In addition, as an initial payment to the State, an amount equal to \( \frac{1}{2} \) of 1% of all pari-mutuel pools shall be deposited annually in the General State Fund. All amounts remaining in pari-mutuel pools after such distribution and payments shall constitute revenues of the authority. Except as otherwise expressly provided in this section 7, the authority shall not be required to make any payments to the Racing Commission or others in connection with contributions to pari-mutuel pools.

g. All sums held by the authority for payment of outstanding pari-mutuel tickets not claimed by the person or persons entitled thereto within the time provided by law shall be paid to the Racing Commission upon the expiration of such time without further obligation to such ticketholder.

h. No admission or amusement tax, excise tax, license or horse racing fee of any kind shall be assessed or collected from the authority by the State of New Jersey, or by any county or municipality, or by any other body having power to assess or collect license fees or taxes.

i. Any horse race meeting and the pari-mutuel system of wagering upon the result of horse races held as such race meeting shall not under any circumstances, if conducted as provided in the act and in conformity thereto, be held or construed to be unlawful, other statutes of the State to the contrary notwithstanding.

j. Each employee of the authority engaged in the conducting of horse race meetings shall obtain the appropriate license from the Racing Commission subject to the same terms and conditions as is required of similar employees of other permit holders. The Racing Commission may suspend any member of the authority upon approval of the Governor and the license of any employee of the au-
authority in connection with the conducting of horse race meetings pending a hearing by the Racing Commission for any violation of the New Jersey laws regulating horse racing or any rule or regulation of the commission. Such hearing shall be held and conducted in the manner provided in said laws.

C. 5:10-8 Change of location of public highway or road.

8. a. If the authority shall find it necessary in connection with the undertaking of the project to change the location of any portion of any public highway or road, it may contract with any government agency, public or private corporation which may have jurisdiction over said public highway or road to cause said public highway or road to be constructed at such location as the authority in consultation with the Meadowlands Commission shall deem most favorable. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the authority as a part of the cost of the project. Any public highway affected by the construction of the project may be vacated or relocated by the authority in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the authority as part of the cost of the project. In all undertakings authorized by this subsection the authority shall consult and obtain the approval of the New Jersey Department of Transportation.

b. In addition to the foregoing powers the authority and its authorized agents and employees may enter upon any lands, waters and premises for the purpose of making surveys, soundings, drillings and examinations as it may deem necessary or convenient for the purposes of the act, all in accordance with due process of law, and such entry shall not be deemed a trespass nor shall an entry for such purpose be deemed an entry under any condemnation proceedings which may be then pending. The authority shall make reimbursement for any actual damages resulting to such lands, waters and premises as a result of such activities.

c. The authority shall also have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called “public utility facilities”) of any public utility as defined in R. S. 48:2–13, in, on, along, over or under the project. Whenever the authority shall determine that it is necessary that any such public utility facilities which now are, or hereafter may be,
located in, on, along, over or under the project shall be relocated in the project, or should be removed therefrom, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the authority; provided, however, that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location, or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the authority as a part of the cost of the project. In case of any such relocation or removal of facilities, as aforesaid, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenance, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations. In all undertakings authorized by this subsection the authority shall consult and obtain the approval of the Public Utilities Commission.

C. 5:10-9 Exercise of power of eminent domain.

9. a. Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in chapter 1 of Title 20 of the Revised Statutes insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned and the names of any number of owners and other parties who may have an interest therein and all such land or property included in said petition or complaint may be condemned in a single proceeding; provided, however, that separate awards be made for each tract or parcel of land or property; and provided further, that each of said tracts or parcels of land or property lies wholly in or has a substantial part of its value lying wholly within the same county.

b. Upon the filing of such petition or complaint or at any time thereafter the authority may file with the clerk of the county in which such property is located and also with the Clerk of the Superior Court a declaration of taking, signed by the authority declaring that possession of one or more of the tracts or parcels of land or property described in the petition or complaint is thereby being taken by and for the use of the authority. The said declaration of taking shall be sufficient if it sets forth (1) a description of
each tract or parcel of land or property to be so taken sufficient for
the identification thereof to which there shall be attached a plan or
map thereof; (2) a statement of the estate or interest in the said
land or property being taken; (3) a statement of the sum of money
estimated by the authority by resolution to be just compensation
for the taking of the estate or interest in each tract or parcel of
land or property described in said declaration; and (4) that, in
compliance with the provisions of the act, the authority has estab­
lished and is maintaining a trust fund as hereinafter provided.

c. Upon the filing of the said declaration, the authority shall
deposit with the Clerk of the Superior Court the amount of the
estimated compensation stated in said declaration. In addition to
the said deposits with the Clerk of the Superior Court the authority
at all times shall maintain a special trust fund on deposit with a
bank or trust company doing business in the State in an account at
least equal to twice the aggregate amount deposited with the Clerk
of the Superior Court as estimated compensation for all property
described in declarations of taking with respect to which the com­
pensation has not been finally determined and paid to the persons
entitled thereto or into court. Said trust fund shall consist of cash
or securities readily convertible into cash constituting legal invest­
ment for trust funds under the laws of the State. Said trust fund
shall be held solely to secure and may be applied to the payment of
just compensation for the land or other property described in such
declarations of taking. The authority shall be entitled to withdraw
from said trust fund from time to time so much as may then be in
excess of twice the aggregate of the amount deposited with the
Clerk of the Superior Court as estimated compensation for all
property described in declarations of taking with respect to which
the compensation has not been finally determined and paid to the
persons entitled thereto or into court.

d. Upon the filing of the said declaration as aforesaid and
depositing with the Clerk of the Superior Court the amount of the
estimated compensation stated in said declaration, the authority
without other process or proceedings, shall be entitled to the ex­
clusive possession and use of each tract of land or property
described in said declaration and may forthwith enter into and take
possession of said land or property, it being the intent of this pro­
vision that the proceedings for compensation or any other proceed­
ings relating to the taking of said land or interest therein or other
property shall not delay the taking of possession thereof and the
use thereof by the authority for the purpose or purposes for which
the authority is authorized by law to acquire or condemn such land or other property or interest therein.

e. The authority shall cause notice of the filing of said declaration and the making of said deposit to be served upon each party in interest named in the petition residing in the State, either personally or by leaving a copy thereof at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy thereof to him at his residence, if known. In the event that the residence of any such party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made within 10 days after filing such declaration. Upon the application of any party in interest and after notice to other parties in interest, including the authority, any judge of the superior court assigned to sit for said county may order that the money deposited with the Clerk of the Superior Court or any part thereof be paid forthwith to the person or persons entitled thereto for or on account of the just compensation to be awarded in said proceeding; provided, that each such person shall have filed with the Clerk of the Superior Court a consent in writing that, in the event the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as herein provided and hearing, may determine his liability, if any, for the return of such difference or any part thereof and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person or persons to whom the award is payable shall be entitled to recover from the authority the difference between the amount of the deposit and the amount of the award, with interest at the then legal rate from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the Clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the authority unless the amount of the deposit or any part thereof shall have theretofore been distributed, in which event the court, on petition of the authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the authority for such difference against the party or parties liable for the return thereof. The authority shall cause notice of the date fixed for such hearing to be served upon each party thereto residing in the State either personally or by leaving a copy thereof at his residence, if known, and upon each party residing out of the State by mailing a copy to
him at his residence, if known. In the event that the residence of any party or the name of such party is unknown, such notice shall be published at least once in a newspaper published or circulating in the county or counties in which the land is located. Such service, mailing or publication shall be made at least 10 days before the date fixed for such hearing.

Whenever under chapter 1 of Title 20 of the Revised Statutes the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided.

C. 5:10-10 Issuance of bonds or notes.

10. a. The authority shall have the power and is hereby authorized from time to time to issue its bonds or notes in such principal amounts as in the opinion of the authority shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds or notes issued by it whether the bonds or notes or interest to be funded or refunded have or have not become due, the establishment or increase of such reserves to secure or to pay such bonds or notes or interest thereon and all other costs or expenses of the agency incident to and necessary to carry out its corporate purposes and powers.

b. Except as may be otherwise expressly provided in the act or by the authority, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may issue such types of bonds or notes as it may determine, including (without limiting the generality of the foregoing) bonds or notes as to which the principal and interest are payable (1) exclusively from the revenues and receipts of the part of the project financed with the proceeds of such bonds or notes; (2) exclusively from the revenues and receipts of certain designated parts of the project whether or not the same are financed in whole or in part from the proceeds of such bonds or notes; or (3) from its revenues and receipts generally. Any such bonds or notes may be additionally secured by a pledge of any grant, subsidy or contribution from the United States of America or any agency or instrumentality thereof or the State or any agency, instrumentality or political subdivision
thereof, or any person, firm or corporation, or a pledge of any income or revenues, funds or moneys of the authority from any source whatsoever.

c. Whether or not the bonds and notes are of such form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A, subject only to the provisions of the bonds and notes for registration.

d. Bonds or notes of the authority shall be authorized by a resolution or resolutions of the authority and may be issued in one or more series and shall bear such date, or dates, mature at such time or times, bear interest at such rate or rates of interest per annum, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without the State, and be subject to such terms of redemption (with or without premium) as such resolution or resolutions may provide.

e. Bonds or notes of the authority may be sold at public or private sale at such price or prices and in such manner as the authority shall determine. Every bond shall mature and be paid not later than 40 years from the date thereof.

f. Bonds or notes may be issued under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceeding or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

g. Bonds and notes of the authority issued under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any such political subdivision or be or constitute a pledge of the faith and credit of the State or of any such political subdivision but all such bonds and notes, unless funded or refunded by bonds or notes of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. Each bond and note shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from revenues or
funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay such principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds or notes.

h. All expenses incurred in carrying out the provisions of the act shall be payable solely from revenues or funds provided or to be provided under the provisions of the act and nothing in the act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.

C. 5:10-11 Provisions relating to issuance of bonds or notes.

11. In any resolution of the authority authorizing or relating to the issuance of any bonds or notes, the authority, in order to secure the payment of such bonds or notes and in addition to its other powers, shall have power by provisions therein which shall constitute covenants by the authority and contracts with the holders of such bonds or notes:

To make covenants other than in addition to the covenants herein expressly authorized, of like or different character, and to make such covenants to do or refrain from doing such acts and things as may be necessary, or convenient and desirable, in order to better secure bonds or notes or which, in the absolute discretion of the authority, will tend to make bonds or notes more marketable, notwithstanding that such covenants, acts or things may not be enumerated herein.

C. 5:10-12 Validity of pledge of revenues, funds or property.
12. Any pledge of revenues, moneys, funds or other property made by the authority shall be valid and binding from the time when the pledge is made; the revenues, moneys, funds or other property so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge of revenues, moneys or funds is created need be filed or recorded except in the records of the authority.

C. 5:10-13 Members of authority not personally liable.

C. 5:10-15 State's pledge.

15. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds or notes issued pursuant to authority of the act that the State will not limit or alter the rights or powers hereby vested in the authority to acquire, construct, maintain, improve, repair and operate the project in any way that would jeopardize the interest of such holders, or to perform and fulfill the terms of any agreement made with the holders of such bonds or notes, or to fix, establish, charge and collect such rents, fees, rates or other charges as may be convenient or necessary to produce sufficient revenues to meet all expenses of the authority and fulfill the terms of any agreement made with the holders of such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, until the bonds, together with interest thereon, are fully met and discharged or provided for.

C. 5:10-16 Authorization to invest in bonds or notes.

16. The State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries, may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to the act, and such bonds or notes shall be authorized security for any and all public deposits.

C. 5:10-17 Authorization to lease, grant or convey real property.

17. All counties and municipalities and other governmental subdivisions, all authorities, and all public departments, agencies and commissions of the State, notwithstanding any contrary provision of law, are hereby authorized and empowered to lease, lend, grant or convey to the authority at its request upon such terms and con-
ditions as the governing body or other proper authorities of such counties, municipalities and governmental subdivisions, authorities and departments, agencies or commissions of the State may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the authorizing ordinance of the governing body of the municipality, the authorizing resolution of the governing body of the county, or the regular and formal action of any public body concerned, any real property or interest therein which may be necessary or convenient to the effectuation of the purposes of the authority, including public highways and other real property already devoted to public use, provided that such real property is located within the 750 acre site authorized for the project. No property of the State, other than meadowlands, riparian lands or lands under water and similar lands or interests therein referred to in Title 12, Commerce and Navigation, and Title 13, Conservation and Development, of the Revised Statutes, as amended, shall be so granted, leased or conveyed to the authority except upon payment to the State of such price therefor as may be fixed by the State House Commission.

C. 5:10-18 Tax exemption; exceptions.

18. a. All projects and other property of the authority is hereby declared to be public property devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any political subdivision thereof; provided, however, that when any part of the project site not occupied or to be occupied by facilities of the project is leased by the authority to another whose property is not exempt and the leasing of which does not make the real estate taxable, the estate created by the lease and the appurtenances thereto shall be listed as the property of the lessee thereof, or his assignee, and be assessed and taxed as real estate. All bonds or notes issued pursuant to the act are hereby declared to be issued by a body corporate and public of the State and for an essential public and governmental purpose and such bonds and notes, and the interest thereon and the income therefrom, and all funds, revenues, income and other moneys received or to be received by the authority and pledged or available to pay or secure the payment of such bonds or notes, or interest thereon, shall at all times be exempt from taxation except for transfer, inheritance and estate taxes.

b. To the end that there does not occur an undue loss of future tax revenues by reason of the acquisition of real property by the authority for the meadowlands complex, the authority annually
shall make payments in-lieu-of-taxes to the municipality in which such property is located in an amount computed in each year with respect to each such municipality by multiplying the total amount to be raised by real property taxation in each such year by a fraction, the numerator of which is the amount of real property taxes assessed against the property acquired by the authority in the tax year in which this act becomes effective and the denominator of which is the total amount to be raised by real property taxation in such municipality in the tax year in which this act becomes effective. Such payments shall be made in each year commencing with the first year subsequent to the year in which such real property shall have been converted from a taxable to an exempt status by reason of acquisition thereof by the authority.

c. The authority is further authorized and empowered to enter into any agreement or agreements with the Meadowlands Commission or with any county or municipality located in whole or part within the Hackensack meadowlands whereby the authority will undertake to pay any additional amounts to compensate for any loss of tax revenues by reason of the acquisition of any real property by the authority for the meadowlands complex or to pay amounts to be used by such commission, county or municipality in furtherance of the development of the Hackensack meadowlands, including the meadowlands complex. The commission and every such county and municipality is authorized and empowered to enter into such agreements with the authority and to accept payments which the authority makes thereunder.

d. All payments to municipalities pursuant to subsections b. and c. shall be treated as payments in-lieu-of-property taxes for all purposes of article 9 of P. L. 1968, c. 404 (C. 13:17-60 to 13:17-76).

C. 5:10-19 Annual report and audit.

19. On or before the last day of February in each year the authority shall make an annual report of its activities for the preceding calendar year to the Governor and to the Legislature. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The authority shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and the cost thereof shall be considered an expense of the authority and a copy thereof shall be filed with the Comptroller of the Treasury.
C. 5:10-20 Services of State agencies.

20. All officers, departments, boards, agencies, divisions and commissions of the State are hereby authorized and empowered to render any and all of such services to the authority as may be within the area of their respective governmental functions as fixed or established by law, and as may be requested by the authority. The cost and expense of any such services shall be met and provided for by the authority.

C. 5:10-21 Procedures for award of contracts.

21. The authority, in the exercise of its authority to make and enter into contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers, shall adopt standing rules and procedures providing that, except as hereinafter provided, no contract on behalf of the authority shall be entered into for the doing of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds the sum of $2,500.00 unless the authority shall first publicly advertise for bids therefor, and shall award the contract to the lowest responsible bidder; provided, however, that such advertising shall not be required where the contract to be entered into is one for the furnishing or performing services of a professional nature or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Public Utilities Commission and tariffs and schedules of the charges, made, charged, or exacted by the public utility for any such products to be supplied or services to be rendered are filed with said commission. This section shall not prevent the authority from having any work done by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience require, or the exigency of the authority’s service will not admit of such advertisement. In such case the authority shall, by resolution, passed by the affirmative vote of a majority of its members, declare the exigency or emergency to exist, and set forth in the resolution the nature thereof and the approximate amount to be so expended.

C. 5:10-22 Site limitation.

22. The site of the meadowlands complex shall not exceed 750 acres. It is the express intent of the Legislature that the powers of the authority to undertake the meadowlands complex shall be limited to the site of the project and that, with respect to the remainder of the Hackensack meadowlands, the rights, powers, duties
and purposes of the Meadowlands Commission shall not in any way be limited or abridged by the provisions of this act.

C. 5:10-23 Preservation of environmental balance.
23. It is the express intent of the Legislature that the authority in undertaking the meadowlands complex shall consult with the Meadowlands Commission and the Department of Environmental Protection with respect to the ecological factors constituting the environment of the Hackensack meadowlands to the end that the delicate environmental balance of the Hackensack meadowlands may be maintained and preserved.

C. 5:10-24 Conflict or inconsistency with other acts.
24. It is the intent of the Legislature that in the event of any conflict or inconsistency in the provisions of the act and any other acts pertaining to matters herein established or provided for or in any rules and regulations adopted under the act or said other acts, to the extent of such conflict or inconsistency, the provisions of the act and the rules and regulations adopted thereunder shall be enforced and the provisions of such other acts and rules and regulations adopted thereunder shall be of no force and effect.

C. 5:10-25 Partial invalidity.
25. If any clause, sentence, paragraph, section or part of the act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

C. 5:10-26 Construction of act.
26. The act shall be construed liberally to effectuate the legislative intent and purposes of the act as complete and independent authority for the performance of each and every act and thing herein authorized and all powers herein granted shall be broadly interpreted to effectuate such intent and purposes and not as a limitation of powers.

27. There is hereby appropriated to the authority from the General State Fund the sum of $1,500,000.00, or so much thereof as may be necessary, for the purposes of carrying out its function and duties pursuant to this act. Such appropriation shall be repaid to the General State Fund as soon as practicable out of the proceeds of the first bonds issued by the authority or other available funds.

28. This act shall take effect immediately.
Approved May 10, 1971.

5. Section 4 of P. L. 1958, c. 143 (C. 43:3B-4) is amended to read as follows:

C. 43:3B-4 Certification, appropriation and payment of cost of increase by employer.

4. Except in the case of retirants and beneficiaries of the Teachers' Pension and Annuity Fund, each employer shall bear the cost of the increase in the retirement allowances or pensions payable to retirants who retired from the employ of such employer and the cost of the increase in the survivorship benefits or pensions payable to beneficiaries of active or retired members who were in the employ of such employer at the time of the member's death or retirement. Certification of the amounts due shall be made by the Director of the Division of Pensions to each employer other than the State, prior to December 1 of each year, commencing with December 1, 1958. Each employer shall appropriate the amounts so certified in
the fiscal year next following its fiscal year in which such certification is made. Such amounts shall be paid by each employer to the Division of Pensions by March 30 of each year in the case of employers whose fiscal year extends from January 1 to December 31, and by July 15 of each year in the case of each employer whose fiscal year extends from July 1 of a given calendar year to June 30 of the following calendar year. In making such certifications to employers in the years after 1958 the Director of the Division of Pensions shall take into account payments made by the employer, payments to retirants and beneficiaries of former employees of such employer, prospective payments to be made to such retirants and beneficiaries in the following year and necessary administrative costs on behalf of such retirants and beneficiaries.

The Director of the Division of Pensions shall certify annually to the Director of the Division of Budget and Accounting the amount necessary to provide for the remaining cost of the increases in retirement allowances, pensions and survivorship benefits and necessary administrative costs.

Payment of invoices rendered by the Division of Pensions to public employers for the amounts required to meet the employer's obligation under the act shall be made payable to "State of New Jersey, Pension Increase Fund."

If payment of the full amount of such employer obligation is not made within 30 days of the due date, interest at the rate of 6% per annum shall commence to run against the unpaid balance thereof on the first day after such thirtieth day.

The employer's failure to pay invoices within 30 days after being notified of his delinquency shall result in the suspension of payments under this act to eligible retirants and beneficiaries of former employees of the employer on the first of the month 30 days subsequent thereto. The office of the Attorney General shall act to collect such outstanding amounts.

6. Section 5 of P. L. 1958, c. 143 (C. 43:3B-5) is amended to read as follows:

C. 43:3B-5 Commencement of increase of retirement allowance, pension and survivorship benefit; duration.

5. The increase in retirement allowances, pensions and survivorship benefits provided for under this act shall commence with retirement allowance, pension and survivorship benefit payments for the month of January 1972 provided, that there is appropriated the amount certified by the Director of the Division of
Pensions to the Director of the Division of Budget and Accounting as set forth in section 4 hereof. The increase in retirement allowances, pensions and survivorship benefits shall continue to be paid as long as there shall be appropriated the amounts so certified. In the event that the necessary funds are not so appropriated, the increase in retirement allowances, pensions and survivorship benefits shall cease; no further payments shall be made by other employers; refunds shall be made by the Director of the Division of Pensions to all employers of any balances unexpended on their account; and charges shall be certified by the Director of the Division of Pensions to all employers of any amounts which have been paid on behalf of the retirants and beneficiaries of former employees of such employer for which funds have not been paid to the director by the employer. In the event that any such charges are certified, provision for payment shall be made by the employer in the budget for the ensuing fiscal year.

7. Section 6 of P. L. 1958, c. 143 (C. 43:3B-6) is amended to read as follows:

C. 43:3B-6 Waiver of right to increased retirement allowance, survivorship benefit or pension; application; withdrawal.

6. Any person who is eligible to receive the increased retirement allowance, survivorship benefit or pension under the provisions of this act may, at any time, waive his right thereto by filing a written notice of waiver with the Division of Pensions. The application for the waiver of all or part of the increase shall be made by the retirant or beneficiary at least 30 days prior to the desired effective date on a form satisfactory to the Division of Pensions and shall be effective on the first day of the following month. Such waiver may be withdrawn at any time and upon such withdrawal the increase in the retirement allowance, survivorship benefit or pension shall commence with the payment for the next following month.

8. Section 6 of P. L. 1969, c. 169 (C. 43:3B-7) is amended to read as follows:

C. 43:3B-7 Review of index; determination of percentum of change.

6. On or before October 1, 1971 and by the same date in each subsequent year, the Director of the Division of Pensions shall review the index and determine the percentum of change in the index from the benefit year index. In determining the percentum of change the director shall use the index for the calendar year preceding the date of review, dividing such index by the benefit
year index for the year for which the increase is being calculated and then subtracting 100% from the resulting quotient expressed to the nearest 1/100 of 1%. The percentage of adjustment shall be \( \frac{1}{2} \) of the percentum of change.

The director shall include (a) in his corpus appropriation request for the administration of the act on behalf of those retirants and beneficiaries for whom the State assumes the costs attributable to this act, and, (b) in his certification of amounts due from each employer in accordance with section 4 of the Pension Increase Act, amounts sufficient to adjust the retirement allowances, survivorship benefits or pensions payable to all eligible retirants and beneficiaries by \( \frac{1}{2} \) of the percentum of change in the index as such retirement allowances, survivorship benefits or pensions may have been originally granted, or increased for certain retirants or beneficiaries in accordance with section 3 of the Pension Increase Act. In no instance shall the amount of the retirement allowance or pension originally granted and payable to any retirant be reduced as a result of the adjustment made pursuant to the provisions of chapter 169 of the laws of 1969.

For purposes of this section a "retirant" shall include all retirants except those whose retirement allowance or pension commenced within the 3 calendar years prior to the first of the month in which the adjustment is to become effective in any year and a "beneficiary" shall include all beneficiaries except those whose benefit year is within the 3 calendar years prior to the first of the month in which the adjustment is to become effective in any year.

9. Section 7 of P. L. 1969, c. 169 (C. 43:3B-8) is amended to read as follows:

C. 43:3B-8 Blanket increase; termination of other increases.

7. If legislation is adopted providing for a blanket increase in original retirement allowances, survivorship benefits or pensions or for minimum allowances, benefits or pensions to any group of retirants or beneficiaries eligible for benefits under the Pension Increase Act, other than legislation which was enacted prior to 1971, all increases provided under this act shall be terminated on the first of the month when such blanket increases or minimum pensions are payable, except in those instances where the retirant's or beneficiary's original pension plus the increases, determined annually as provided under the Pension Increase Act, will exceed the amounts payable to such retirants or beneficiaries as a result of such other legislation; in such event the amount payable under the
Pension Increase Act shall thereafter be the difference between the new allowance or pension payable by the respective retirement system and the amount which would otherwise have been paid under this act.

C. 43:3B-4.1 Appropriation required.

10. If, in any calendar year, the State does not appropriate the amount required under section 4 of P. L. 1958, c. 143 (C. 43:3B-4), no increases in benefits may be paid under any other law of New Jersey in such calendar year to retirants or beneficiaries of active or retired members of any retirement system or program which is not administered by the Division of Pensions of the State of New Jersey.

11. There is hereby appropriated an amount of $3,500,000.00 for the purpose of providing for the increase in benefits payable to retirants and beneficiaries of the several systems in which the State participates and is required to provide the employer's share of the cost thereof.

12. This act shall take effect immediately with increased benefits initially payable to retirants and beneficiaries for the month of January, 1972.

Approved May 12, 1971.

Before issuing any such special permit the commissioner shall promulgate rules and regulations governing such annuity agreements and permit holders with respect to such annuity agreements. Such rules and regulations shall, in addition to such other provisions as the commissioner may determine to be necessary or desirable to protect the public, provide that each applicant for a special permit shall submit to the commissioner copies of its form of agreements with donors, and a schedule of its maximum annuity rates, which rates shall be so computed, on the basis of the standard valuation law, as to return to the special permit holder, upon the death of the annuitant, a residue at least equal to one-half of the original gift or other consideration for such annuity.

b. Each such special permit holder shall have and maintain segregated assets at least equal to the sum of the reserves on its outstanding agreements calculated in accordance with the provisions of Chapter 19 of this Code, and a surplus of ten per centum of such reserves or the amount of $100,000, whichever is higher, and such assets shall be segregated as separate and distinct funds, independent of all other funds of such special permit holder and
shall not be applied for the payment of the debts and obligations of
the special permit holder other than with respect to annuity agree­
ments. In determining the reserves of any such special permit
holder, a deduction shall be made for all or any portion of an
annuity risk which is lawfully reinsured by an authorized insurer.
Segregated assets herein required to be maintained shall be in­
vested in the same manner and subject to the same restrictions as
herein provided for investments of domestic insurers unless more
restrictive provisions are contained in applicable statutes regulat­
ing any such permit holder and except as the commissioner may
otherwise provide by regulation.

e. Any corporation or association defined in subsection a. hereof
which, prior to the effective date of this Code, has entered into
annuity agreements shall obtain a special permit as herein provided
prior to entering into any new or additional annuity agreements

a period of time, which shall not be more than 5 years following the
effective date of this Code for any such corporation or association
to comply with the provisions of subsection b. of this section with
respect to any annuity agreement entered into prior to the effective
date of this Code. The commissioner, in his discretion may extend
such time for a reasonable period.

d. If the commissioner finds that any special permit holder has
failed to comply with the requirements of this section or of any rule
or regulation of the commissioner issued hereunder, he may by
appropriate order, subject to the provisions of the Administrative
Procedure Act (P. L. 1968, c. 410), Chapter 34 of this Code and any
rules adopted thereunder suspend or revoke any such special
permit and he may take such other action to restrain or enjoin any
such violation as may be otherwise provided by law. In addition
the commissioner may make such orders as he deems desirable and
necessary to afford appropriate financial security to the annuitants.
The commissioner may require that special permit holders submit
periodically such reports as he may deem desirable or necessary to
ascertain compliance with requirements of this section and the com­
missioner may, whenever he deems it expedient, make or cause to
be made an examination of the assets and liabilities and other
affairs of any such special permit holder as the same pertains to
annuity agreements entered into pursuant to this section. The
reasonable expenses of any such examination shall be fixed and
determined by the commissioner, and he shall collect them from the
special permit holder examined, who shall pay them on presentation of a detailed account of the expenses.

e. No special permit holder shall be deemed an insurer as defined in this Code.

17B:17-14 General penalty.

Each violation of this Code as to which a penalty is not provided by another provision of this Code or by other applicable laws of this State shall be a misdemeanor, and may in addition to any prescribed applicable denial, suspension, or revocation of certificate of authority, license, or permit be punishable upon conviction in the manner prescribed for misdemeanors under the provisions of Title 2A of the statutes of this State. 17B:18-15 Nominations by others than board of directors; notice of election.

b. Tellers to receive and count the votes and to determine the validity thereof shall be appointed by the chief executive officer of the corporation and such tellers shall conduct the election. Ballots shall be prepared by the corporation and shall be furnished to
voters present at the election. Any qualified voter who shall make proper application to the corporation therefor in writing not later than 60 days before the date of the election, stating his name, address, policy number and date of birth, shall be furnished a ballot not less than 30 days before the date of the election, accompanied by a gummed postpaid return envelope addressed to the corporation at the place of the election, on which the words "Ballot for Directors" shall be printed and such ballot so applied for and furnished may be cast by mail. No ballot shall be counted unless it shall set forth the number of the voter’s policy and be signed by him in person, nor if cast for any person other than one nominated as herein provided. The polls shall be open between 10 o’clock in the forenoon and 2 o’clock in the afternoon on the date of the election, and no other business shall be transacted at the election.

c. All ballots voted shall be received by the tellers subject to verification and ascertainment of the validity thereof and of the qualification of the voters. Immediately upon the closing of the polls, the tellers shall proceed to canvass the votes. All ballots received by the tellers shall at the conclusion of the election be placed in sealed packages and preserved by them for at least 1 year from the date of the election. At the conclusion of the canvass, the tellers shall report in writing the result thereof to the secretary of the corporation and he shall thereupon make a certificate setting forth the result of the election as shown by such report and shall file the same with the commissioner.

d. In case of the death or withdrawal of any candidate prior to a date 50 days before the date of the election, the board of directors shall by a vote of a majority of its entire number nominate a candidate in his place by filing not later than 40 days before the date of the election a certificate similar to that required for an original nomination by the board of directors; and in case of the death or withdrawal of any candidate within 50 days of the date of the election, no substitution of a candidate shall be made to take the place of the candidate so dying or withdrawing and the election shall nevertheless proceed. If the report of the canvass of the votes at the election shows that the candidate so dying or withdrawing, for whom no substitution shall have been made, would have been elected except for the fact of his death or withdrawal, a vacancy
in the board of directors shall be deemed to have occurred as of the date of the election.

e. No election shall be held invalid by reason of any irregularity or failure in preparation or forwarding of any ballots pursuant to sections 17B:18-18 to 17B:18-28, inclusive. All voting shall be by the ballots so provided and shall be according to the provisions of said sections, any existing law of the State to the contrary notwithstanding.

a. The commissioner within 30 days after the receipt of such demand by the public directors, shall appoint a nominating committee of 15 of such qualified voters who shall appear to the commissioner to be willing and qualified to select a candidate for each of the offices of the elected directors whose terms of office expire at the date of the next ensuing election. No officer, director, employee or agent of the corporation, nor any relative thereof by blood or connection by marriage in nearer degree than second cousin, nor any person who shall have served on such a nominating committee at any previous time, shall be eligible to be named by the commissioner to serve upon such nominating committee. The commissioner shall forthwith cause notice of the time and place of the first meeting of such committee to be sent to each member thereof. Within 30 days following the appointment or within such further period of time not exceeding 15 days as may be determined by the commissioner, the nominating committee shall by a majority vote select a candidate, suitable by training and experience to serve, for each such office of elected director, other than any candidate nominated by the board of directors, and shall within such period file with the commissioner a certificate setting forth the names, addresses and occupations of the candidates so nominated, together with a statement in writing from each of such candidates that he will accept if elected. The commissioner shall notify the secretary of the corporation of the names, addresses and occupations of the candidates so selected by the nominating committee.

b. When nominations shall have been made by such nominating committee, the commissioner shall cause notice of the election to be published at least 4 times at intervals of not less than 1 week, the first publication to be not more than 5 months and the last
publication not less than 3 months prior to the date of the election in at least 3 newspapers published in each State of the United States and in each province of Canada in which the corporation is authorized to do business, one of such publications in each State or province to be, whenever possible, in a newspaper published in the capital city of such State or province. Not less than 4 months prior to the date of the election, copies of such notice shall be posted in such offices maintained by the corporation as the commissioner may direct, in a conspicuous place to which the general public has access, and shall remain so posted until the record date hereinafter specified. Such notice shall contain the names, addresses and occupations of the candidates nominated by the board of directors and of the candidates nominated by the nominating committee, and shall advise the policyholders as to the procedure required by sections 17B:18-18 to 17B:18-28, inclusive, to be followed in voting. The death or withdrawal of any candidate or the nomination of any candidate in his place before or after the completion of publication or posting shall not invalidate such notice. The omission of any publication or posting herein prescribed shall not invalidate such notice nor the election to which it relates.

c. The commissioner shall prepare the form of ballot which shall contain: (1) the names of the candidates for director nominated by the board of directors, and so designated, and separately the names of the candidates for director nominated by the nominating committee, and so designated; (2) the following statement: "The Commissioner of Insurance of New Jersey neither approves nor disapproves the nomination of any of the aforesaid candidates"; (3) blank lines for the insertion of the policy number and signature of the qualified voter; and (4) such instructions for the proper completion of the ballot as the commissioner may deem necessary, including a statement of the date of the election and that the ballot must be received on or before such date. Each ballot shall be accompanied by a gummed postpaid return envelope, addressed to the commissioner, on which the words "Ballot for Directors" shall be printed. The commissioner shall cause ballots to be mailed at least 30 days prior to the date of the election to all applicants for ballots who appear to him, after checking the applications against the records of the corporation, to be qualified voters of the corporation on the record date. No election shall be held invalid by reason of any irregularity or failure in the preparation or forwarding of any ballots pursuant hereto.

d. Each qualified voter of the corporation shall be entitled to cast one vote and all ballots shall be cast by mail upon the forms
provided and shall be according to the provisions of sections 17B:18-18 to 17B:18-28, inclusive, any existing law of this State to the contrary notwithstanding. Policyholders who are qualified voters may obtain ballots by applying therefor either in person or by mail to the commissioner, or to any office maintained by the corporation, on or before the record date which shall be 70 days prior to the date of the election, stating in such application for a ballot, the name, address, policy number and date of birth of the applicant. The corporation shall prepare a list or other catalog of the applicants for ballots in such form as the commissioner may direct, showing the name, address and policy number of the applicant, whether or not he is 21 years of age or more and whether his policy has been in force at least 1 year; and such list or catalog shall specify any applicants for ballots appearing not to be qualified voters of the corporation according to its records, with a statement of the reason therefor. Such list or catalog shall be transmitted at least 40 days before the date of the election to the commissioner. The commissioner shall cause notice of disqualification to be given to any applicant who shall appear to him to be not a qualified voter of the corporation, with a statement of the reason therefor; and shall grant such applicant reasonable opportunity, within such period as may be fixed by the commissioner in his sole discretion, to present facts in support of his application. The list or catalog shall remain on file with the commissioner until 30 days after the election and shall be open to inspection by any qualified voter of the corporation, as the commissioner shall determine.

e. Ballots received by the commissioner on or before the date of the election shall be canvassed by the commissioner. The commissioner may employ such persons to assist him in canvassing the ballots as he deems necessary. No ballot shall be counted unless it is received by the commissioner on or before the date of the election, nor unless it shall set forth the number of the qualified voter's policy, be signed by him in person and be completed in accordance with the instructions appearing thereon; and no ballot shall be counted if cast for any person other than for one nominated as provided in sections 17B:18-18 to 17B:18-28, inclusive, nor if cast for more than the number of elected directors whose offices are to be filled at such election. The commissioner shall be the sole judge as to the qualifications of the voters and the proper casting of the ballots. All ballots received by the commissioner shall at the conclusion of the election be placed in sealed packages and preserved by him for at least 1 year from the date of the election. The 4 persons receiving the highest number of votes for the offices of
CHAPTER 144, LAWS OF 1971 381

elected director to be filled shall be elected for full terms. In case 2 or more persons shall receive the same number of votes for the same office, the commissioner shall decide the election by lot. At the conclusion of the election, the commissioner shall certify in writing to the secretary of the corporation the result thereof.

f. In case of the death or withdrawal of any candidate prior to a date 60 days before the date of the election, the board of directors or the nominating committee, whichever shall have nominated such candidate, shall nominate a candidate in his place by filing not later than 40 days before the date of the election a certificate similar to that required for the original nominations; and in case of the death or withdrawal of any candidate within 50 days before the date of the election, no substitution of a candidate shall be made to take the place of the candidate so dying or withdrawing, and the election shall nevertheless proceed. If the report of the canvass of the votes at the election shows the number of votes so cast for the candidates so dying or withdrawing, for whom no substitution shall have been made, was such that he would have been elected except for the fact of his death or withdrawal, a vacancy in the board of directors shall be deemed to have occurred as of the date of the election and the same shall be filled by a majority vote of the entire number of either the board of directors or the nominating committee, whichever shall have nominated such candidate.

g. The commissioner shall conduct the election, may make such reasonable regulations for the conduct of the election not inconsistent with the provisions of sections 17B:18-18 to 17B:18-28, inclusive, as may appear to him to be necessary or desirable, and shall authorize payment of expenses incurred by the corporation for the purpose of advising policyholders, to the extent and in the manner he deems appropriate, as to the qualifications of the candidates. He may employ such persons as he may consider necessary to assist him in the performance of the duties imposed upon him under sections 17B:18-18 to 17B:18-28, inclusive, and may require the corporation to furnish assistance in such respects and in such manner as he may direct. All expenses incurred by the commissioner or by the nominating committee with the approval of the commissioner, in performing any of the duties imposed upon them by this act shall be borne by the corporation, and shall be paid by it upon the order of the commissioner. If the commissioner shall so request, the corporation shall advance to the commissioner funds reasonably sufficient to defray such expenses and the commissioner shall remit such funds to the State Treasurer as custodian thereof. The State Treasurer shall hold such funds separate from all other
State moneys and shall disburse the same only upon vouchers signed by the commissioner, who shall account to the corporation therefor.

17B:18-27 Mailing of ballot; effect of.

The mailing of a ballot to any person shall not be construed as an admission of the validity of any policy or that such person was a policyholder; and no such mailing shall be competent evidence in any action or proceeding in which the question of the validity of any policy is involved.

17B:18-28 Filing certificate on number of policies; copy delivered to Chief Justice.

If any annual statement of any domestic mutual insurer herefore or hereafter filed with the commissioner sets forth a number of life insurance policies of the insurer in force in excess of ten million, such insurer shall thereafter during its corporate existence be subject to the provisions of sections 17B:18-18 to 17B:18-28, inclusive, any provisions of law or of the certificate of incorporation or charter of the corporation to the contrary notwithstanding. When any domestic mutual insurer at any time after the effective date of this Code files for the first time during its corporate existence an annual statement which shows that the number of life insurance policies of said insurer then in force is in excess of ten million, it shall immediately cause to be filed with the commissioner a certificate of the number of life insurance policies so set forth in such annual statement and the commissioner shall cause a copy thereof, duly certified by the commissioner, to be delivered to the Chief Justice of the Supreme Court of New Jersey.

17B:18-29 Election of directors in mutual insurer issuing temporary stock.

A bare majority of the entire board of directors of a domestic mutual insurer which issues temporary capital stock, as provided in section 17B:18-9, shall be elected by the holders of the temporary stock, and the rest of the directors shall be elected by the policyholders, in the manner and with the representation provided in its certificate of incorporation. After the retirement of the capital stock all the directors shall be so elected by the policyholders.

17B:18-30 Proxy voting permitted at elections.

At any election of directors, managers or other officers of a domestic insurer, except any election of directors held pursuant to N. J. S. 17B:18-18 to 17B:18-28, inclusive, every person entitled to vote at the election may vote in person or by attorney or proxy, but no proxy shall be voted, allowed or received after 3 years from its date.
CHAPTER 144, LAWS OF 1971 383

17B:18-31 Emergency by-laws.

The board of directors of any domestic insurer may at any time adopt emergency by-laws, subject to repeal or change by action of those having power to adopt regular by-laws for the insurer, which shall be operative during a national emergency caused by an attack on the United States or by a nuclear, atomic or other disaster which makes it impossible or impracticable for an insurer to conduct its business in strict accord with applicable provisions of law, its by-laws, or its certificate of incorporation or charter. Such emergency by-laws may, notwithstanding any different provisions of the regular by-laws, or of the applicable statutes, or of the insurer’s certificate of incorporation or charter, make any provision that may be reasonably necessary for the operation of the insurer during the period of such emergency.

17B:18-32 Failure to adopt emergency by-laws; procedure.

In the event that the board of directors of a domestic insurer has not adopted emergency by-laws, the following provisions shall become effective upon the occurrence of such a national emergency:

a. Three directors shall constitute a quorum for the transaction of business at all meetings of the board.

b. Any vacancy in the board may be filled by a majority of the remaining directors, though less than a quorum, or by a sole remaining director.

c. If there are no surviving directors, but at least 3 vice-presidents of the company survive, the 3 vice-presidents with the longest term of service in that office shall be the directors and shall possess all of the powers of the previous board of directors and such powers as are granted herein or by subsequently enacted legislation. By majority vote such emergency board of directors may elect other directors. If there are not at least 3 surviving vice-presidents, the commissioner or duly designated person exercising the powers of commissioner shall appoint 3 persons as directors who shall possess all of the powers of the previous board of directors and such powers as are granted herein or by subsequently enacted legislation, and these persons by majority vote may elect other directors.

17B:18-33 National emergency; succession.

At any time the board of directors of a domestic insurer may, by resolution, provide that in the event of such a national emergency and in the event of the death or incapacity of the Chairman of the Board and chief executive officer, the President, the Secretary or the Treasurer of the company, such officers, or any of them, shall be
succeeded in the office by the person named or described in a succession list adopted by the board of directors. Such list may be on the basis of named persons or position titles, shall establish the order of priority and may prescribe the conditions under which the powers of the office shall be exercised.

17B:18-34 National emergency; relocation of principal place of business.

At any time the board of directors of a domestic insurer may, by resolution, provide that in the event of such a national emergency the home office or principal place of business of the company shall be at such location in the United States of America as is named or described in the resolution. Such resolution may provide for alternate locations and establish an order of preference.

CHAPTER 144, LAWS OF 1971

ARTICLE 4. AUTHORIZATION TO TRANSACT BUSINESS

17B:18-35 Stock insurer, minimum capital and surplus required.

No domestic stock insurer shall commence:

a. Either kind or both kinds of business specified in sections 17B:17-3 and 17B:17-5 unless it has a capital stock of at least $1,000,000.00, actually paid in cash, and also a surplus of at least $2,100,000.00 actually paid in cash;

b. The kind of business specified in section 17B:17-4 unless it has a capital stock of at least $500,000.00, actually paid in cash, and also a surplus of at least $750,000.00 actually paid in cash;

c. All three kinds of business specified in sections 17B:17-3, 17B:17-4 and 17B:17-5 unless it has a capital stock of at least $1,500,000.00 actually paid in cash and also a surplus of at least $2,850,000.00 actually paid in cash;

provided, however, that any insurance company duly licensed in this State immediately prior to the effective date of this Code shall be excepted from the provisions hereof and shall remain subject to those capital and surplus requirements in effect immediately prior thereto, but if such insurance company hereafter seeks to amend its license by increasing the kinds of business which it shall be authorized to transact in this State, it shall then be subject to the capital and surplus requirements specified herein.

17B:18-36 Mutual insurer, surplus required.

Except as otherwise provided in section 17B:18-9, no domestic mutual insurer shall commence business until bona fide applications have been made for insurance with the insurer and premiums thereon have been paid into the company in cash and in such sum, which, together with any other funds that may be legally available, will result in the insurer having unencumbered assets over and
above all required reserves and other liabilities of at least the amount specified below for each kind of insurance defined in sections 17B:17-3, 17B:17-4 and 17B:17-5 which it is authorized to transact:

a. Either kind or both kinds of business specified in sections 17B:17-3 and 17B:17-5 unless it has net cash assets of at least $750,000.00;

b. The kind of business specified in section 17B:17-4 unless it has net cash assets of at least $375,000.00;

c. All three kinds of business specified in sections 17B:17-3, 17B:17-4 and 17B:17-5 unless it has net cash assets of at least $1,125,000.00;

provided, however, that any insurance company duly licensed in this State immediately prior to the effective date of this Code shall be excepted from the provisions hereof and shall remain subject to those net cash assets requirements in effect immediately prior thereto, but if such insurance company hereafter seeks to amend its license by increasing the kinds of business which it shall be authorized to transact in this State, it shall then be subject to the net cash assets requirements specified herein.

17B:18-37 Deposit prerequisite to authorization.
No domestic insurer shall be issued a certificate of authority until it has deposited with the commissioner bonds, notes or other evidences of indebtedness or public stock eligible for investment under paragraph a. of section 17B:20-1 having a market value of at least $100,000.00. The commissioner may at any time require additions to said deposit to maintain said market value. If a company formed for any of the purposes specified in R. S. 17:17-1 is authorized to write health insurance as defined in 17B:17-4 and such company shall have made a deposit of at least $100,000.00 under R. S. 17:20-1, no further deposit shall be required under this section.

17B:18-38 Deposits; interest on; substitution of.
The commissioner shall hold the securities deposited pursuant to section 17B:18-37 for the benefit and security of all the policyholders of the insurer depositing them, but shall, so long as it continues solvent and complies with all the requisites of the laws applicable to it, permit the insurer to collect the interest or dividends on the securities so deposited, and, from time to time to withdraw any of the securities, on depositing with him other eligible securities to the extent required to maintain the total market value of the deposit at $100,000.00.
17B:18-39 **Deposits to do business in other jurisdictions.**

The commissioner may receive from any domestic insurer a deposit of any securities necessary to enable it to transact business in any other State or in any foreign country under the laws thereof. Such securities shall be held by the commissioner as long as the insurer desires to transact business in the State or foreign country requiring the deposit but the insurer may draw the dividends or receive the interest on the securities. When the deposit is no longer required by the laws of such State or foreign country, the commissioner shall return the securities to the insurer depositing them.

17B:18-40 **Securities; deposit designated by company; approval by commissioner.**

Whenever the commissioner is required or permitted to receive and hold deposits of securities from any insurance company under the provisions of this title, such securities may be deposited in the custody of such bank or trust company or national bank within this State as may be designated by the company depositing them and as may be approved by the commissioner, and said securities shall be held for account of the commissioner in trust for such beneficiaries as may be specified under the applicable provision of law. Securities so deposited may be maintained in bearer form at the option of the company depositing them.

17B:18-41 **Examination before commencing business.**

Before issuing a certificate of authority to a domestic insurer, the commissioner shall be satisfied, by such examination and evidence as he sees fit to make and require, that the whole amount of the capital stock set forth in the certificate of incorporation and the required minimum surplus of the insurer, if a stock company, has been actually paid in cash, and is possessed by the company in money, or in stocks, bonds, or bonds and mortgages authorized for insurers by chapter 20 of this code; or, if a mutual company, that it has received and is in possession of the cash premiums, and bona fide engagements for insurance to the extent and of the value required in section 17B:18-36.

17B:18-42 **Certificate of authority; when issuable.**

When satisfied that a domestic insurer has complied with all the requirements of this code to entitle it to engage in business and that the proposed methods of operation of the insurer are not such as would render its operation hazardous to the public or its policyholders, the commissioner shall issue to the insurer a certificate authorizing it to commence business, specifying in the cer-
tificate the particular kind or kinds of insurance it is authorized to transact. The commissioner may refuse to issue a certificate of authority if he finds that any of the insurer's directors or officers has been convicted of a crime involving fraud, dishonesty, or like moral turpitude or that said persons are not persons of good character and integrity. No insurer shall transact the business for which it is incorporated until it has received the certificate from the commissioner. If any insurer fails to obtain the certificate of authority within 1 year from the date of the certificate of the commissioner to its certificate of incorporation, as provided in section 17B:18-5, and such failure is the result of its lack of due diligence in meeting the requirements therefor, the insurer shall, ipso facto, be dissolved and its certificate of incorporation be null and void.

ARTICLE 5. POWERS AND REQUIREMENTS

17B:18-43 Domestic insurers, powers, duties—general corporation law.

a. Any domestic insurer and its stockholders, members and directors, shall have all the powers granted and be subject to all the duties and obligations imposed by New Jersey Business Corporation Act (N. J. S. 14A:1-1 et seq.), except so far as they may be inconsistent with the provisions of this Code.

b. Subject to the approval of the commissioner, a domestic insurer may, independently of any insurance or annuity contract, provide services of the kinds it performs in the normal conduct of its insurance or annuity business, including but not limited to consultative, administrative, investment, actuarial, loss prevention, data processing, accounting, claims and collection services. In granting any such approval, the commissioner may impose any limitations he may deem necessary for the protection of the interests of the policyholders of said insurer. In granting or withholding his approval, the commissioner shall take into account the effect of said insurer's providing such services on its existing insurance and annuity business and its surplus, and the risks inherent in said insurer's providing such services.

17B:18-44 Stock of other insurers.

A domestic insurer which purchases stock of another insurer in compliance with section 17B:20-4 may pay therefor in cash or its equivalent or in its own capital stock, and may issue its capital stock in payment to the persons from whom the same may be purchased or acquired, or otherwise for the purpose of the purchase or acquisition. The stock so purchased or acquired shall
constitute lawful payment for the capital stock issued to purchase or acquire it and any capital stock so issued shall be deemed a part of the capital of the issuing company. The company may exhibit the amount of capital so paid up in its advertisements.

17B:18-45 Authority to acquire, hold and convey real estate.

Any domestic insurer, in addition to the authority contained in sections 17B:20-1 to 17B:20-5, inclusive, may acquire, hold and convey any real estate as may be convenient in its operations, provided that if the commissioner shall determine after a hearing pursuant to the Administrative Procedure Act (P.L. 1968, c. 416) and any rules adopted thereunder, that the interest of such insurer's policyholders requires that any specific real estate so acquired be disposed of, then such insurer shall dispose of such real estate within such reasonable time as the commissioner shall direct.

17B:18-46 Limitation on dividends to stockholders.

No profits on participating policies and contracts heretofore or hereafter issued by a domestic stock insurer in excess of the larger of a. 10% of such profits before payment of policyholder dividends, or b. $0.50 per year per $1,000.00 of participating life insurance in force at the end of the year, shall inure to the benefit of the stockholders. In any annual statement made hereafter by such insurer to the commissioner, it shall exhibit the amount of participating policyholders' surplus. Both participating and non-participating policies or contracts may provide that, in addition to any rate of interest guaranteed by the issuing insurer to be paid on deferred payments of the proceeds thereof, additional interest may be paid thereon at such rate as the insurer may annually declare; and the inclusion of such provision in any non-participating policy shall not be deemed to make the policy participating.

17B:18-47 Increase or decrease of capital stock.

Any domestic stock insurer may increase its capital stock or decrease it to an amount not less than the minimum required by this code by proceeding in the manner and subject to the conditions of section 17B:18-56.

The whole of the increased capital stock shall be paid and may be invested, and an examination thereof shall be made in the manner provided by section 17B:18-41 for the original capital stock. Thereupon the increase shall be deemed a part of the capital of the insurer, subject to all the provisions of this code applicable thereto. When any insurer increases its capital stock by more than $50,000.00, an examination thereof shall be made whenever and as often as $50,000.00 or more of the increase is paid in, as is provided in said section 17B:18-41 for the original capital stock.
Thereupon the increase of $50,000.00 or more shall be deemed a part of the capital of the insurer subject to all the provisions of this Code applicable thereto.

17B:18-48 Advertisement of assets to include liabilities.

When an insurance company doing business in this state advertises its assets, it shall, in the same connection and equally conspicuously, advertise its liabilities, the same to be determined in the manner required in making the annual statements to the commissioner. All advertisements purporting to show the capital of the company shall exhibit only the amount of capital actually paid in cash. In the case of a company organized under the laws of a foreign country, its assets shall be considered to be only the amounts deposited with the officials of the several states of the union or held by trustees in the United States for the benefit of the policyholders and creditors of the company in the United States. All policies, renewals, signs, circulars, cards, or other means by which public announcements are made, shall be held to be advertisements within the meaning of this section.

17B:18-49 Cash disbursements to be evidenced by voucher.

No domestic insurer shall make any cash disbursement of $100.00 or more unless it is evidenced by a voucher, signed by or on behalf of the person receiving the money, and correctly describing the consideration for the payment. If the expenditure is for both services and disbursements, the voucher shall set forth the services rendered and an itemized statement of the disbursements made. When the voucher cannot be obtained, the expenditure shall be evidenced by an affidavit describing the character and object of the expenditure, and stating the reason for not obtaining the voucher.

17B:18-50 Payment of taxes, charges and fees prior to determination of invalidity.

The directors of any domestic insurer are authorized to pay, and to appropriate money to pay, such taxes, charges and fees as have been or may be imposed against the property, business, income or franchises of such insurer by the laws of this or any other State or jurisdiction in which such insurer is doing business unless, prior to the payment of any such tax, charge or other fee, the law imposing the same shall have been expressly held invalid by the State court having final appellate jurisdiction in the premises or by the Supreme Court of the United States.

17B:18-51 Compensation of directors.

The director of any domestic insurer when acting as its officer, counsel, agent or representative, and also for each occasion of his
attendance at meetings of the board or its committees, may receive such compensation as a majority of the board deems just and reasonable.

17B:18-52  Salaries limited; pensions; benefits.

No domestic insurer shall:

a. Pay any salary, compensation or emolument to any of its officers, directors, trustees, or employees, or any salary, compensation or emolument amounting in any year to more than $30,000.00 to any person, unless the payment is first authorized by a vote of its board of directors;

b. Make any agreement with any of its officers, trustees or salaried employees whereby it agrees that for any service rendered or to be rendered he shall receive any salary, compensation or emolument that will extend beyond a period of 24 months from the date of the agreement, but nothing herein shall be construed to prevent a domestic insurer from deferring the payment of any salary, compensation or emolument for such period of time and upon such terms as it may determine or from entering into contracts with its agents or brokers for the payment of renewal commissions.

c. Grant any pension to any officer, director, employee or trustee thereof or to any member of his family after his death, except that according to a plan submitted to and approved by the commissioner it may: (1) grant to its salaried officers and employees retirement and disability allowances and death benefits; (2) establish a profit sharing plan which meets the requirements of section 401(a) of the Internal Revenue Code of 1954 or any similar legislation which might take its place and which plan, at the option of the insurer, may be in addition to any existing pension plan; and except that it may with the approval of the commissioner provide reasonable supplemental retirement allowances to any of its salaried officers and employees and their dependents, whose retirement benefits under the insurer’s plan or plans are, in the opinion of its board of directors, inadequate. Such allowances shall not exceed the greater of $3,000.00 per annum and the excess, if any, of 50% of the individual’s average salary, based on the 5 years immediately prior to retirement, over such retirement benefits.

17B:18-53  Reporting amount of stock owned and changes therein by director, officer, and principal stockholders of domestic stock insurers.

Every person who is directly or indirectly the beneficial owner of more than 10% of any class of stock of a domestic stock insurer or who is a director or officer of such insurer shall file in the office of the commissioner within 10 days after he becomes such beneficial
owner, director or officer a statement, in such form as the com-
mmissioner may prescribe, of the amount of all stock of such insurer
of which he is the beneficial owner, and within 10 days after the
close of each calendar month thereafter, if there has been a change
in such ownership during such month, shall file in the office of the
commissioner a statement, in such form as the commissioner may
prescribe, indicating his ownership at the close of the calendar
month and such changes in his ownership as have occurred during
such calendar month.

**17B: 18-54 Suit for profits realized by director, officer, and principal stockholders.**

For the purpose of preventing the unfair use of information
which may have been obtained by such beneficial owner, director
or officer by reason of his relationship to such insurer, any profit
realized by him from any purchase and sale, or any sale and pur-
chase, of any stock of such insurer within any period of less than
6 months, unless such stock was acquired in good faith in connec-
tion with a debt previously contracted, shall inure to and be re-
coverable by the insurer, irrespective of any intention on the part
of such beneficial owner, director or officer in entering into such
transaction of holding the stock purchased or of not repurchasing
the stock sold for a period exceeding 6 months. Suit to recover
such profit may be instituted at law or in equity in any court of
competent jurisdiction by the insurer or by the owner of any stock
of the insurer in the name and in behalf of the insurer if the insurer
shall fail or refuse to bring such suit within 60 days after request
or shall fail diligently to prosecute the same thereafter; but no
such suit shall be brought more than 2 years after the date such
profit was realized. This section shall not be construed to cover
any transaction where such beneficial owner was not such both at
the time of the purchase and sale, or the sale and purchase, of the
stock involved, or any transaction or transactions which the com-
mmissioner may by rules and regulations exempt as not compre-
hended within the purpose of this paragraph.

**17B: 18-55 Limitation on sale of stock by director, officer and principal stock-
holders.**

It shall be unlawful for any such beneficial owner, director or
officer, directly or indirectly, to sell any stock of such insurer if the
person selling the stock or his principal a. does not own the stock
sold, or b. if owning the stock, does not deliver it against such
sale within 20 days thereafter, or does not within 5 days after such sale deposit it in the mails or other usual channels of transpor-
tation; but no person shall be deemed to have violated
this section if he proves that notwithstanding the exercise of
good faith he was unable to make such delivery or deposit within such time, or that to do so would cause undue inconvenience or expense.

**ARTICLE 6. CHANGES IN ORGANIZATION, INCLUDING MERGER**

**17B:18-56 Stock insurers; change of name, extension of corporate existence or amendment of charter or certificate of incorporation.**

a. Any stock insurer heretofore or hereafter incorporated under any general or special law of this State may change its name, extend its corporate existence either before or after the expiration of the period limited for its duration or amend its charter or certificate of incorporation for any lawful purpose or restate its certificate of incorporation through procedures prescribed by the statutes of this State as to business corporations in general, and by complying with the requirements of subsection b.

b. Upon adoption of such change of name, extension of corporate existence, amendment or restatement of charter, a certificate thereof shall be signed by the president or a vice-president and secretary or assistant secretary under the corporate seal and be acknowledged or proved as in the case of deeds of real estate. The certificate shall be submitted to the commissioner for his approval as provided for certificates of incorporation. When so approved, it shall be filed in the Department of Insurance whereupon the charter or certificate of incorporation shall be deemed to be amended accordingly.

**17B:18-57 Mutual insurers; change of name, extension of corporate existence or amendment of charter or certificate of incorporation.**

a. Any mutual insurer heretofore or hereafter incorporated under any general or special law of this State may change its name and extend its corporate existence or amend its charter or certificate of incorporation for any lawful purpose by a 2/3 vote of its directors present at any regular or special meeting, held in accordance with its charter and by-laws, held not less than 30 nor more than 90 days after notice of the proposed amendment has been given to the directors and to the commissioner.

b. Upon adoption, a certificate of such adoption setting forth such change of name, extension or amendment shall be made and filed by the president or a vice-president of the insurer and by the secretary or an assistant secretary under the corporate seal and shall be acknowledged or proved as in the case of deeds of real estate and shall be submitted to the commissioner for his approval. If the commissioner finds that such change of name, extension or amendment is in conformity with law and does not
unreasonably affect the interests of the policyholders, he may endorse his approval on the certificate. When so approved, it shall be filed in the Department of Insurance whereupon the charter or certificate of incorporation shall be deemed to be amended accordingly.

c. The refusal of the commissioner to give any approval shall be subject to judicial review.

17B:18-58 Mutual insurers: adoption of amended charter or certificate of incorporation.

When any mutual insurer adopts an amendment to its charter or certificate of incorporation, as provided for in this chapter, the board of directors of the insurer, at the time of adopting the amendment, may adopt and ratify in its entirety an amended charter or certificate of incorporation to the end that it shall fully and completely set forth all the terms and conditions of the charter or certificate of incorporation under which the insurer shall thereafter transact business. The amended charter or certificate of incorporation shall be executed, acknowledged, approved and filed in accordance with section 17B:18-5.

17B:18-59 Mutualization of stock insurers.

a. A stock insurer may become a mutual insurer under such plan and procedure as may be approved by the commissioner after a hearing thereon.

b. The commissioner shall not approve any such plan, procedure or mutualization unless:

1. It is equitable to stockholders and policyholders;

2. It is subject to approval by the holders of not less than 2/3 of the insurer's outstanding capital stock having voting rights and by not less than 2/3 of the insurer's policyholders who are qualified voters and who vote on such plan in person, by proxy or by mail pursuant to such notice and procedure as may be approved by the commissioner;

3. Mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers;

4. The plan provides for the purchase of the shares of any nonconsenting stockholder in the same manner and subject to the same applicable conditions as provided in New Jersey Business Corporation Act (N.J.S. 14A:1-1 et seq.) as to rights of nonconsenting stockholders, with respect to consolidation or merger of private corporations;
(5) The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and

(6) The mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the States in which it is then authorized to transact insurance, and for the kinds of insurance included in its certificates of authority in such States.

c. This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under chapter 32 of this Title.

17B:18-60 Merger and consolidation of stock insurers.

a. A domestic stock insurer may merge or consolidate with one or more domestic or foreign stock insurers in the following manner and subject to the following provisions.

b. (1) Mergers or consolidations may be initially proposed at any meeting of the board of directors of a domestic stock insurer by the affirmative vote of 2/3 of the total number of directors of the insurer, or at any meeting of the stockholders of the insurer by the affirmative vote of a majority of the total number of shares of stock outstanding and entitled to vote, provided the notice of such meeting shall set forth such proposal.

(2) The plan of merger or consolidation proposed as required by paragraph (1) of this subsection, shall be submitted to a meeting of the stockholders of record of each domestic stock insurer, and may become effective only if adopted at such meeting by the affirmative vote, in person or by proxy, of 2/3 of the total number of shares of stock outstanding and entitled to vote. The said meeting shall be held upon such reasonable notice as has been approved by the commissioner and the notice shall fully set forth the terms and conditions of the proposed plan and agreement of merger or consolidation.

c. No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the commissioner and approved in writing by him after a hearing thereon. The commissioner shall give such approval within a reasonable time after such hearing unless he finds such plan or agreement:

(1) Is contrary to law; or
(2) Inequitable to the stockholders of any insurer involved; or
(3) Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this State or elsewhere.
(4) Involves the merger of a domestic insurer into a non-admitted foreign insurer.

d. No director, officer, agent or employee of any insurer party to such merger or consolidation shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein except as set forth in such plan or agreement.
e. If the commissioner does not approve any such plan or agreement he shall so notify the insurer in writing specifying in detail his reasons therefor.
f. Any plan or proposal through which a stock insurer proposes to acquire a controlling stock interest in another stock insurer through an exchange of stock of the first insurer issued for the purpose is deemed to be a plan or proposal of merger of the second insurer into the first insurer for the purposes of this section and is subject to the applicable provisions hereof.
g. Upon such merger or consolidation all the rights, franchises, and interest of the insurers so merging or consolidating, in and to every species of property and things in action belonging to them, or either of them, shall be deemed to be transferred to and vested in the insurer resulting from such merger or consolidation, without any other deed or transfer, and the merged or consolidated insurer shall hold and enjoy the same to the same extent as if the merging or consolidating insurers, or either of them, had continued to retain their titles and transact business.

h. The insurer so formed by or resulting from such merger or consolidation may require the return of the original certificates of stock held by each stockholder in each of the insurers involved in such merger or consolidation, and may convert said certificates into new certificates for such number of shares of the merged or consolidated insurer as each stockholder is entitled to receive. Any stockholder refusing or neglecting to so convert his stock shall be governed by the provisions of New Jersey Business Corporation Act (N. J. S. 14A:1-1 et seq.), concerning nonconsenting stockholders with respect to consolidation or merger of private corporations.
17B:18-61 Merger and consolidation of mutual insurers.

a. A domestic mutual insurer may merge or consolidate with one or more domestic or foreign mutual insurers in the following manner and subject to the following provisions:

b. (1) The plan for merger or consolidation may be proposed at any meeting of the board of directors of a domestic insurer by the affirmative vote of \( \frac{2}{3} \) of the total number of directors of the insurer.

(2) The plan for consolidation or merger proposed as required by paragraph (1) of this subsection, shall be submitted to a meeting of the policyholders of each domestic insurer, and may be effective only if adopted at such meeting by the affirmative vote, in person or by proxy, of a majority of the votes cast by policyholders who are qualified voters and who vote thereon. The said meeting shall be held upon such reasonable notice as has been approved by the commissioner and the notice shall fully set forth the terms and conditions of the proposed plan and agreement of merger or consolidation.

c. No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the commissioner and approved in writing by him after a hearing thereon. The commissioner shall give such approval within a reasonable time after such hearing unless he finds such plan or agreement:

(1) Is contrary to law; or
(2) Inequitable to the policyholders of any insurer involved; or
(3) Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this State or elsewhere.
(4) Involves the merger of a domestic insurer into a non-admitted foreign insurer.

d. No director, officer, agent or employee of any insurer party to such merger or consolidation shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein except as set forth in such plan or agreement.

e. If the commissioner does not approve any such plan or agreement he shall so notify the insurer in writing specifying in detail his reasons therefor.

f. Upon such merger or consolidation all the rights, franchises, and interest of the insurers so merging or consolidating, in and to every species of property and things in action belonging to them,
 CHAPTER 144, LAWS OF 1971

or either of them, shall be deemed to be transferred to and vested in the insurer resulting from such merger or consolidation, without any other deed or transfer, and the merged or consolidated insurer shall hold and enjoy the same to the same extent as if the merging or consolidating insurers, or either of them, had continued to retain their titles and transact business.

**Article 7. Reinsurance**

**17B:18-62 "Reinsurance" defined.**

"Reinsurance" is a contract under which an originating insurer, called the "ceding insurer", procures insurance for itself in another insurer, called the "assuming insurer," with respect to part or all of an insurance risk of the originating insurer.

**17B:18-63 Reinsurance of risks.**

An insurer may reinsure such risks as it is authorized to insure, subject to the provisions of this Code.

**17B:18-64 Prerequisites to reinsurance.**

a. No domestic insurer may become a ceding insurer with respect to all or any substantial part of its outstanding insurance risks or become an assuming insurer with respect to all or any substantial part of the outstanding insurance risks of another insurer until the contract of reinsurance between the ceding insurer and the assuming insurer shall have been submitted to the commissioner together with satisfactory evidence that the interests of the policyholders of each of such insurers which is authorized to do an insurance business in this State are fully protected and until such contract of reinsurance shall have been approved by him; provided however, that this section shall not be applicable to contracts of reinsurance heretofore or hereafter entered into providing for the reinsuring of single risks or policies, in whole or in part, or risks covered by any group policy or contract, in whole or in part.

b. If a domestic mutual insurer cedes all or any substantial part of its insurance risks to a stock insurer, the agreement must be approved by the commissioner. The commissioner shall not approve any such agreement unless:

1. It is equitable to the insurer’s policyholders;
2. It is subject to approval by vote of not less than 2/3 of the insurer’s current policyholders who are qualified voters and who vote thereon in person, by proxy, or by mail at a meeting of policyholders called for the purpose pursuant
to such reasonable notice and procedure as may be approved by the commissioner;

(3) The equity of each policyholder in the insurer is determinable under a fair formula approved by the commissioner, which such equity shall be based upon not less than the insurer’s entire surplus (after deducting contributed or borrowed surplus funds) plus a reasonable present equity in its reserves and in all nonadmitted assets;

(4) In all cases involving the ceding of all the risks of a domestic mutual insurer to a stock insurer, there shall be a proviso in such agreement that upon the consummation of such transactions, said domestic insurer shall then be automatically dissolved.

17B:18-65 Extended reinsurance.

In addition to the reinsurance specified in 17B:18-63, an insurer authorized to do the business specified in sections 17B:17-3, 17B:17-4 and 17B:17-5 may through reinsurance assume any risk arising from, related to, or incident to the manufacture, ownership, or operation of aircraft and may retrocede any portion thereof; provided, however, no insurer may undertake any such extended reinsurance business without the prior approval of the commissioner.

17B:18-66 Reinsurance pooling.

Any reinsurance authorized by sections 17B:18-63 or 17B:18-65 or any reinsurance of blanket accident insurance referred to in section 4 of Public law 1939, c. 305 (17B:27-32) may be provided through pooling arrangements with other insurers for purposes of spreading the insurance risk.

CHAPTER 19

RESERVES AND VALUATIONS

17B:19-1 Expenses of Investigation, Analyses, and Valuation of Securities.
17B:19-2 Annual Valuation of Reserve Liabilities for Outstanding Policies; Foreign and Alien Insurers.
17B:19-3 Additional Reserves.
17B:19-4 Preliminary Term Insurance; Amount of Reserve.
17B:19-5 Health Insurance Reserves.
17B:19-6 Accepting Valuation of Other States.
17B:19-7 Abandonment of Standard of Valuation Adopted.
17B:19-8 Standard Valuation Law.
17B:19-9 Approved Standard Ordinary Mortality Table.

17B:19-1 Expenses of investigation, analyses, and valuation of securities.

a. The purpose of this section is to provide a means of making funds not in excess of $250,000 in any one year available to the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners to defray the expenses of such committee in the investigation, analyses and valuation of securities and the determination of the amortizability of bonds, owned by insurers, for the purpose of furnishing to the several States on a uniform basis information needed in the supervision of insurers licensed to transact business in the several states. The commissioner is hereby authorized to disburse in the manner hereinafter provided, in co-operation with supervisory officials of other States, funds obtained through assessments for such purpose under this section.

b. The commissioner shall periodically obtain from such Subcommittee a verified budget estimate of the receipts and of the expenses to be incurred by the committee for a stated period, not exceeding one year, with appropriate explanations of the estimates therein contained.

c. If the commissioner shall be satisfied as to the reasonableness of such budget estimate, he shall determine the portion of the funds required by such budget estimate, to be assessed as hereinafter provided, by deducting from such budget estimate or from the sum of $250,000, whichever is less, any amounts received or
receivable by the committee from other states whose laws do not substantially conform to the method of assessment herein provided and applying to the remainder the proportion which the total investments in securities of domestic life insurers bears to the total investments in securities of life insurers domiciled in this and other States whose laws authorize and require assessments on substantially the same basis as herein provided. The commissioner shall thereafter as soon as convenient, by notice stating the method of computation thereof, assess the amount to be paid on account of such expenses, pro rata upon all domestic life insurers in the proportion which the total investments in securities of each domestic life insurer shall bear to the total investments in securities of all such insurers. The total investments in securities of any life insurer for purposes of this section shall be the total admitted value of stocks and bonds reported as such in its annual statement last filed prior to such assessment with the commissioner or other supervisory official of its state of domicile. Upon receipt of such notice each such insurer shall within thirty days pay said assessment of the commissioner who shall remit such funds to the State Treasurer as custodian thereof. The State Treasurer shall hold such funds separate from all other State moneys and shall disburse the same only upon vouchers signed by the commissioner. Such disbursements shall be made to the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners for the purposes of this section.

d. The commissioner shall require annually and at such other times as he may deem it necessary or advisable a duly certified audit of receipts and disbursements and statement of assets and liabilities, showing the details of the financial operations of the Subcommittee on Valuation of Securities.

17B:19-2 Annual valuation of reserve liabilities for outstanding policies; foreign and alien insurers.

The commissioner shall annually value, or cause to be valued, the reserve liabilities (hereinafter called reserves) for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurer doing business in this State, except that in the case of an alien insurer, such valuation shall be limited to its United States business, and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest and methods (net level premium method or other) used in the calculation of such reserves. All valuations made by him or by his authority shall be upon the net premium basis or such modifications thereof as are provided by law. In calculating such reserves, he may
use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves herein required of any foreign or alien insurer, he may accept any valuation made, or caused to be made, by the insurance supervisory official of any State or other jurisdiction when such valuation complies with the minimum standards provided by law and if the official of such State or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the commissioner when such certificate states the valuation to have been made in a specified manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that State or jurisdiction.

Any such insurer which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standards provided by law may, with the approval of the commissioner, adopt any lower standard of valuation, but not lower than the minimum standards so provided.

Except in the case of policies for which the reserve liabilities are valued on the basis of the provisions of the standard valuation law contained in section 17B:19-8, all valuations made by the commissioner or by his authority shall be upon the net premium basis, or such modification thereof as hereinafter expressly provided; and all policies issued prior to January 1, 1901, shall be valued according to the actuaries' table of mortality, with compound interest at the rate of 4% per annum, except in cases where a life insurer elects or has elected to have the policies or any class thereof valued according to the American Experience table of mortality, or according to the American Men Ultimate table of mortality, with compound interest at the rate of either 3% or 3½% per annum or with the approval of the commissioner at a rate of less than 3% per annum; and all policies issued on or after January 1, 1901, shall be valued according to the American Experience table of mortality, with compound interest at the rate of 3½% per annum, except in cases where a life insurer elects or has elected to have such policies or any class thereof valued according to the American Experience table of mortality with compound interest at a rate of less than 3½% per annum but not less than 3% per annum or with the approval of the commissioner at a rate of less than 3% per annum; and except in cases where any life insurer with the approval of the commissioner may elect or shall have elected to have its ordinary policies or any class thereof valued according to the American Men
Ultimate table of mortality, with compound interest at a rate which is not more than 3½% per annum. The minimum standard for the valuation of group term insurance policies under which premium rates are not guaranteed for a period in excess of 5 years shall be the American Men Ultimate table of mortality with interest at 3½% per annum. The commissioner may vary the standards of interest and mortality in the case of annuities and industrial policies and of invalid lives and other extra hazards. When the actual premium charged for an insurance policy is less than the net premium for the insurance, computed according to the table of mortality, and the rate of interest prescribed herein, the value of the policy shall be increased by the value of an annuity, the amount of which shall equal the difference between the premiums and the term of which in years shall equal the number of future annual payments receivable on the insurance after the date of valuation.

Reserves for all policies and contracts to which the foregoing standards apply may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by this section.

17B:19-3 Additional reserves.

Subject to the approval of the commissioner, any life insurer of this State may set up, in addition to the reserve liabilities required pursuant to section 17B:19-2, reserves to provide for any additional liability at maturity, on the basis of rates of interest and of mortality appropriate to the valuation of annuities, on policies under which by their terms or otherwise a right has been or may be exercised to elect optional modes of settlement.

The commissioner shall, at the time of the annual valuation pursuant to section 17B:19-2, make or cause to be made a valuation of the additional reserves so set up, and shall thereupon include the amount of such additional reserves in any certification of reserves made pursuant to section 17B:19-2, specifying the mortality table or tables and rate or rates of interest used in the calculation of such additional reserves.

The basis of such additional reserves set aside by any insurer at the close of any year shall not thereafter be changed to a basis producing smaller aggregate reserves except upon approval by the commissioner of the insurer's application therefor.

17B:19-4 Preliminary term insurance; amount of reserve.

This section applies to life insurance policies, other than policies for which the reserve liabilities are valued on the basis of the pro-
visions of the standard valuation law contained in section 17B:19-8, which were previously issued by insurers doing business in this state and which provide for not more than one year preliminary term insurance by incorporating in the provision thereof specifying the premium consideration to be received a clause plainly showing that the first year's insurance or part thereof under the policies is term insurance, purchased by the whole or a part of the premium to be received during the first policy year.

If the premium charged for the preliminary term insurance under any such policy issued prior to January 1, 1920 did not exceed that charged at the same time for like insurance under a twenty-payment life preliminary term policy of the same insurer, issued at the same age, or if the premium charged for the preliminary term insurance under any such policy issued on or after January 1, 1920 did not exceed 150% of the net premium therefor, computed according to the table of mortality and the rate of interest adopted by the insurer, as herein provided, such policy may be valued according to its terms on the mortality and interest bases herein provided.

The reserve held on every other such policy shall be equal to that of a similar policy, issued at the same age, which does not provide for preliminary term insurance.

17B:19-5 Health insurance reserves.

The commissioner shall annually make or cause to be made or shall annually require the insurer to make calculations of policy and loss reserves for health insurance written by insurers authorized to write Health Insurance in this State as defined in section 17B:17-4. The commissioner may promulgate regulations providing for minimum reserve standards and mortality, morbidity or other contingency bases to be used in connection therewith. All calculations for minimum reserve purposes shall be made on the basis of a rate of interest not exceeding 3½% per annum.

17B:19-6 Accepting valuation of other States.

Subject to the provisions of section 17B:19-2 the commissioner may accept the valuation of the insurance supervisory official or department of any other State or country.

17B:19-7 Abandonment of standard of valuation adopted.

Except in accordance with the provisions of section 17B:19-2, a life insurer shall not abandon the standard of valuation adopted for any outstanding policies if the reserve, calculated by the proposed standard, is less than the reserve calculated by the standard which is to be abandoned.
17B:19-8 Standard valuation law.

This section shall be known as the standard valuation law and shall apply to all the life insurance policies, pure endowment contracts and annuity contracts issued by every life insurer on or after January 1, 1948 or such earlier date as shall have been elected by the insurer as the operative date for such insurer of the standard nonforfeiture law.

a. The minimum standard for the valuation of the reserve liabilities for all such policies and contracts shall be the commissioners reserve valuation method defined in subsection b of this section, 3½% interest, except as otherwise provided in paragraphs (iii) and (iv) of this subsection, and the following tables:

(i) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioners 1941 Standard Ordinary Mortality Table; provided, however, that the Commissioners 1958 Standard Ordinary Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1966 or, for policies in any category of ordinary insurance, such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard nonforfeiture law for such insurer's policies in such category became based upon said table. Notwithstanding the above provisions of this paragraph, for any category of ordinary insurance, reserves for such policies issued on or after July 1, 1957 may be calculated, at the option of the insurer, according to the Approved Standard Ordinary Mortality Table contained in section 17B:19-9; provided, further, that for any category of such policies issued on female risks on or after July 1, 1957 modified net premiums and present values, referred to in subsection b of this section, may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 3 years younger than the actual age of the insured.

(ii) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies, the 1941 Standard Industrial Mortality Table; provided, however, that the Commissioners 1961 Standard Industrial Mortality Table shall be the table for the minimum standard for such policies issued on or after January 1, 1968 or such earlier date as shall have been elected by the insurer as the date on which the calculation of the adjusted premiums referred to in the standard non-
forfeiture law for such insurer's industrial life insurance policies became based upon said table.

(iii) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the 1937 Standard Annuity Mortality Table, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner; provided, however, that for single stipulated payment individual annuity and single premium pure endowment contracts issued on or after January 1, 1970, excluding any disability and accidental death benefits in such contracts, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Annuity Mortality Table for 1949, Ultimate, or any modification of such table approved by the commissioner.

(iv) For group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts; provided, however, that for group annuity benefits arising from considerations received on or after January 1, 1970, excluding any disability and accidental death benefits, the minimum standard shall be the lesser of (a) the standard just described and (b) the standard based on 4% interest and the Group Annuity Mortality Table for 1951, any modification of such table approved by the commissioner, or, at the option of the insurer, the Annuity Mortality Table for 1949, Ultimate, or any modification of such table specified for individual annuity and pure endowment contracts.

(v) For total and permanent disability benefits in or supplementary to ordinary policies or contracts, for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit; for policies or contracts issued on or after January 1, 1961 and prior to January 1, 1966, either such tables or, at the option of the insurer, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives,
be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vi) For accidental death benefits in or supplementary to policies, for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table; for policies issued on or after January 1, 1961 and prior to January 1, 1966, either such table or, at the option of the insurer, the Inter-Company Double Indemnity Mortality Table; and for policies issued prior to January 1, 1961, the Inter-Company Double Indemnity Mortality Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(vii) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the commissioner.

(viii) For ordinary and industrial paid-up nonforfeiture term insurance, and accompanying pure endowment, the table of mortality based on the rates of mortality assumed in calculating the paid-up nonforfeiture benefits.

b. Reserves according to the commissioner's reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided by the policy and the excess of (A) over (B), as follows:

(A) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of such policy.

(B) A net 1-year term premium for such benefits provided for in the first policy year.
Reserves according to the commissioners reserve valuation method for (i) life insurance policies providing for varying amounts of insurance or requiring the payment of varying premiums, (ii) annuity and pure endowment contracts, (iii) disability and accidental death benefits in all policies and contracts, and (iv) all other benefits, except life insurance and endowment benefits in life insurance policies, shall be calculated by a method consistent with the principles of this subsection b, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

c. In no event shall an insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, be less than the aggregate reserves calculated in accordance with the method set forth in subsection b and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for such policies. Reserves for any category of policies, contracts or benefits as established by the commissioner shall not be calculated according to any standards which produce smaller aggregate reserves for such category than the corresponding aggregate values of nonforfeiture benefits available as of the valuation date.

d. Reserves for any category of policies, contracts or benefits as established by the commissioner may be calculated, at the option of the insurer, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used shall not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for therein; provided, however, that reserves for participating life insurance policies may, with the consent of the commissioner, be calculated according to a rate of interest lower than the rate of interest used in calculating the nonforfeiture benefits in such policies, with the further proviso that if such lower rate differs from the rate used in the calculation of the nonforfeiture benefits by more than $\frac{1}{2}\%$ the insurer issuing such policies shall file with the commissioner a plan providing for such equitable increases, if any, in the cash surrender values and nonforfeiture benefits in such policies as the commissioner shall approve.

e. If the gross premium charged by any life insurer on any policy or contract is less than the net premium for the policy or contract according to the mortality table, rate of interest and method used in calculating the reserve thereon, there shall be maintained on such policy or contract a deficiency reserve in addition to all other reserves required by law. For each such policy or contract the
deficiency reserve shall be the present value, according to such standard, of an annuity of the difference between such net premium and the premium charged for such policy or contract, running for the remainder of the premium-paying period.

17B:19-9 Approved standard ordinary mortality table.

The Approved Standard Ordinary Mortality Table shall be defined as that table where the numbers living at exact ages are as follows:

17B:20-3 Incidental acquisition of corporate stock or securities, construction of chapter.
17B:20-4 Stock of subsidiary corporations.
17B:20-5 Securities of foreign country or property therein.
17B:20-6 Reasonable and temporary additional restrictions.
17B:20-7 Safekeeping of securities.
17B:20-8 Valuation procedures and practices.

17B:20-1 Investments of domestic insurers.

Any domestic insurer may invest its capital, surplus and other funds, or any part thereof, in:

a. Bonds, notes, or other evidences of indebtedness or public stock issued, created, insured or guaranteed by the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada, or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing.

b. Real estate which may be improved or which is unimproved but acquired in accordance with a definite plan for development within not more than 5 years, and in the operation, improvement, development and leasing thereof; provided, that if the commissioner shall determine that the interest of such insurer's policyholders requires that any specific real estate so acquired be disposed of, then such insurer shall dispose of such real estate within such reasonable time as the commissioner shall direct; and provided further, that the sum of (1) the aggregate amount invested in such real estate (including real estate held pursuant to section 17B:18-45 of this Title) and (2) the aggregate amount invested in capital stock of any corporation engaged primarily in a business involving the owning, developing, operating or leasing of real property shall not exceed 8% of the total admitted assets of such insurer as of December 31 next preceding. The term "real estate" as used in this subsection b. shall include any real property and
any interest therein including, without limitation, any interest on, above or below the surface of the land, any leasehold estate therein, and any interest held or to be held by the insurer in cotenancy with one or more other institutions. Income produced by investment in any such leasehold shall be applied in a manner calculated to amortize the amount invested in such leasehold within a period not exceeding 9/10 of the unexpired term of the leasehold, inclusive of enforceable options, or within 40 years, whichever is the lesser, or where the peculiar nature of the leasehold involved so dictates, within such period and subject to such other reasonable limitations as the commissioner shall by regulation impose. The commissioner shall promulgate a regulation in connection with investments under this subsection b. which shall, as far as practicable, be consistent with those regulations of the department which treat with securities supported by such interests in real estate.

c. Mortgage loans on unencumbered fee simple or leasehold real estate, which may consist of areas on, above or below the surface of the ground, or any interest therein, located within the United States, any territory or possession thereof, the Commonwealth of Puerto Rico or Canada. The amount of any such loan shall not exceed 80% of the value of the real estate interest mortgaged unless (1) the loan is also secured by the mortgagor's interest in a lease or leases whose aggregate rentals shall be sufficient, after payment of operating expenses and fixed charges, to repay 90% of the loan with interest thereon during the initial term or terms of such lease or leases and shall be payable directly or indirectly by any governmental units, instrumentalities, agencies or political subdivisions or an institution or institutions which meet the credit standards of the insurer for an unsecured loan to such institution or institutions or (2) the excess over such 80% is insured or guaranteed to be insured or guaranteed by the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing. Any mortgage loan so insured or guaranteed or to be insured or guaranteed shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be charged or taken upon any such loan.

Any such insurer may hold a participation in any such mortgage loan if (1) such participation is senior and gives the holder substantially the rights of a first mortgagee or (2) the interest of such
insurer in the evidence or evidences of indebtedness is of equal priority, to the extent of such interest, with other interests therein.

Any such mortgage loan whose maturity date shall be more than 2 years after the date of disbursement of such loan, and which exceeds ½ of the value of the interest mortgaged as of the date of the mortgage shall, as a minimum, provide for payments to be made by the borrower during the term of the loan to amortize the amount by which the loan exceeds ½ of the value of the interest mortgaged at the date of disbursement. The commissioner may promulgate such supplemental regulations as he deems necessary with regard to particular classes of such investments, taking into consideration the type of security and the ratio of the loan to the value of the real estate interest mortgaged. No loan may be made on leasehold real estate unless the terms of such loan provide for payments to be made by the borrower on the principal thereof in amounts sufficient to completely repay the loan within a period not exceeding ¾ of the term of the leasehold, inclusive of the term or terms which may be provided by any enforceable option or options of extension or of renewal, which is unexpired at the time the loan is made.

Fee simple or leasehold real estate or any interest therein shall not be deemed to be encumbered within the meaning of this subsection c. by reason of the existence of taxes or assessments that are not delinquent, or encumbrances that do not adversely affect the saleability of the property to a material extent or as to which the insurer is insured against loss by a title insurer, or any prior mortgage or mortgages held by such insurer if the aggregate of the mortgages held shall not exceed the amount hereinbefore set forth, nor when such real estate or interest therein is subject to lease in whole or in part; provided, that the security created by the mortgage on such real estate or interest therein is a first lien thereon.

No such insurer shall, pursuant to this subsection c. invest more than 2% of its total admitted assets as of December 31 next preceding in any mortgage loan secured by any one property, nor shall its total mortgage investments pursuant to this subsection c., exclusive of any mortgage loans insured or guaranteed or to be insured or guaranteed as hereinbefore provided, exceed 50% of such admitted assets.

d. Equipment trust obligations or other instruments evidencing an interest in or ownership of personal property where there is a right to receive determined portions of rental, purchase or other
fixed obligatory payments for the use or purchase of such personal property, provided, that the aggregate investments therein shall not exceed 10% of the total admitted assets of such insurer as of December 31 next preceding; or certificates of receivers of any institution where such purchase is necessary to protect an investment in the securities of such institution theretofore made under authority of this chapter; or the capital stock, bonds, securities or evidences of indebtedness issued, assumed or guaranteed by any institution created or existing under the laws of the United States, any territory or possession thereof, this or any other State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof; provided, that no purchase of any evidence of indebtedness which is in default as to interest shall be made by such insurer unless such purchase is necessary to protect an investment theretofore made under statutory authority.

The term "institution" as used in this chapter shall include any corporation, joint stock association, business trust, business joint venture, or business partnership.

No purchase shall be made of the stock of any class of any corporation except a corporation engaged primarily in a business involving the owning, developing, operating or leasing of real property unless (1) such corporation has paid cash dividends on such class of stock during each of the past 5 years preceding the time of purchase or (2) such corporation shall have earned during the period of such 5 years an aggregate sum available for dividends upon such stock which would have been sufficient, after all fixed charges and obligations, to pay dividends upon all shares of such class of stock outstanding during such period an average of 4% per annum computed upon the par value (or in the case of stock having no par value, upon the stated capital in respect thereof) of such stock. In the case of the stock of a corporation resulting from or formed by merger, consolidation, acquisition or otherwise less than 5 years prior to such purchase, each consecutive year next preceding the effective date of such merger, consolidation or acquisition during which dividends or other distributions of profits shall have been paid by any one or more of its constituent or predecessor institutions in an aggregate amount sufficient to have paid dividends on that class of stock of the existing corporation whose stock is to be purchased, had such corporation then been in existence, shall be deemed a year during which dividends have been paid on such class of stock and the earnings of such constituent
or predecessor institutions available for dividends during each
of such years may be included as earnings of the existing corpora-
tion whose stock is to be purchased for each of such years; pro-
vided, however, that nothing herein contained shall prohibit the
purchase of stock of any class which is preferred, as to dividends,
over any class the purchase of which is not prohibited by this
section; and provided further, that no purchase of its own stock
shall be made by any insurer except for the purpose of the retire-
ment of such stock or except as specifically permitted by any law
of this State applicable by its terms only to insurers.

e. Securities, properties and other investments in foreign coun-
tries other than those specified in section 17B:20-5 which are sub-
stantially of the same character as prescribed for authorized
investments for funds of the insurer under the preceding subsec-
tions of this section, to an amount valued at cost not exceeding
in the aggregate at any one time 2% of the total admitted assets
of such insurer as of December 31 next preceding; provided, how-
ever, that the amount invested in authorized investments in any
one foreign country shall not exceed in the aggregate, at any one
time, 1% of such admitted assets. For the purposes of this sub-
section e., Canada shall not be deemed to be a foreign country.

f. Bonds, notes, or other evidences of indebtedness, issued, in-
sured or guaranteed or to be insured or guaranteed by the Inter-
national Bank for Reconstruction and Development, or by the
Inter-American Development Bank, or by the Asian Development
Bank.

g. Loans or investments which are not qualified or permitted
under any of the preceding subsections of this section or which
are not otherwise expressly authorized by law; provided, that the
aggregate amount of such loans and investments, valued at cost,
shall not exceed at any one time 3% of the total admitted assets
of such insurer as of December 31 next preceding.

For the purposes of subsection c. and this subsection g., the por-
tion of a mortgage loan on unencumbered fee simple or leasehold
real estate which does not exceed 80% of the value of the real
estate interest mortgaged shall be deemed to be a permitted invest-
ment under subsection c. and the remainder of said loan may be
deemed to be made under this subsection g. Any investment
originally made under this subsection g. which would subsequently,
if it were then being made, qualify as a permitted investment under
another subsection of this section shall thenceforth be deemed to
be a permitted investment under such other subsection.
17B:20-2 Limitation of investments.

No domestic insurer shall purchase more than 8% of any class of stock which entitles the holder thereof to vote at all elections of directors of any one corporation, unless it be: a municipal corporation; a corporation engaged primarily in a business involving the owning, developing, operating or leasing of real property; or an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser, provided, that such investment company shall not own, control or hold in its portfolio any investment which, if added to the other investments of such insurer, would result in such insurer holding more than 8% of any class of stock which entitles the holder thereof to vote at all elections of directors of any one corporation. No such insurer shall hold more than 8% of any such class of stock of any investment company pursuant to this section at any time when such insurer could not purchase such stock pursuant to the foregoing provisions of this section. Neither shall the amount invested by any such insurer in the voting stock of any one corporation exceed 2% of the total admitted assets of such insurer as of December 31 next preceding, nor shall the aggregate investment in the common stock of all corporations (exclusive of investments in the common stock of subsidiaries pursuant to section 17B:20-4) valued at cost exceed 15% of such assets except that to the extent that such aggregate investment in stock exceeds 10% of such assets, further investments shall be subject to regulation by the commissioner under a formula which shall take into consideration the actual mandatory securities valuation reserve, as defined by the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners, held by a company which is applicable to such stocks in the corresponding annual statement filed with the department, nor shall the amount invested in the evidences of indebtedness, preferred stock and certificates of receivers of any one institution exceed 5% of such assets. Nothing herein contained shall prevent any such insurer from purchasing, investing in or otherwise acquiring the voting stock of certain corporations as hereinafter provided in sections 17B:20-3 and 17B:20-4.

No investment shall be made by any such insurer unless the same shall be authorized by the board of directors, or by a committee thereof charged with the duty of supervising such investment, or shall be made in conformity with standards approved by such directors or such committee.
No such insurer shall enter into any agreement to withhold from sale any of its property or jointly or severally enter into any agreement to purchase the unsold amount of securities which are the subject of an offering for sale to the public or otherwise to guarantee the sale of such securities.

Nothing contained in this section shall prevent any such insurer from distributing shares of an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser.

Any insurer may enter into an agreement to acquire any investment permitted by law, directly with the issuer or owner thereof, and may participate with other investors provided that the obligations of such insurer and such other investors shall be several and not joint.

The term "Investment Company Act of 1940" as used in this section shall mean an act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

17B:20-3 Incidental acquisition of corporate stock or securities, construction of chapter.

Nothing contained in this chapter shall be construed to prohibit an insurer from accepting or acquiring corporate stock or evidences of indebtedness or other securities or property:

a. pursuant to a plan of reorganization approved or made effective by order of a court having jurisdiction over the property of a debtor;

b. pursuant to a voluntary plan or agreement of reorganization;

c. as payment on account of an existing indebtedness;

d. as realization of collateral for a loan in default;

e. received in connection with an investment by the insurer otherwise allowable as an investment by this chapter; or

f. through the exercise of rights of conversion, warrants or rights to purchase stock, or pre-emptive rights to subscribe to stock, contained in or attached to a previously existing investment of such insurer.

If any such stock, securities or property so received shall be of a kind or in an amount not otherwise allowable as an investment by this chapter, they shall be disposed of within 5 years from the time of their acquisition, unless the commissioner shall, for good
cause shown, allow further time for the disposal thereof and then within the time so allowed.

17B:20-4 Stock of subsidiary corporations.

In addition to the authority expressly contained in this chapter and notwithstanding any limitation contained in this Title, any domestic insurer may invest in the voting stock of one or more subsidiaries, as provided in this section.

a. As used in this section the following terms shall have the following meanings: (1) "voting stock" as used with reference to any corporation means shares of stock of any class which entitles the holder thereof to vote at all elections of directors of the corporation, and shall include voting trust certificates, certificates of deposit, interim receipts and other similar instruments representing such stock and (2) "subsidiary" means a corporation of which a majority of the voting stock is owned or controlled by a domestic insurer, or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer. In the case of a corporation that has more than one class of voting stock, the term "majority of the voting stock" means the number of shares of voting stock required to elect a majority of directors of such corporation.

b. The business of a subsidiary, whether or not it is organized under the laws of this State, shall be limited to that authorized for a corporation organized under any law of this State, except that "subsidiary" shall not include any bank organized pursuant to the laws of this State and shall not include any national bank maintaining its principal office in this State.

c. No investment in the voting stock of any subsidiary shall be retained by a domestic insurer or by any of its subsidiaries unless at least a majority of the voting stock of such subsidiary is owned or controlled by such insurer or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer.

d. The investments of such subsidiary, whether or not it is itself an insurance company, when added, on a basis proportional to the insurer's interest in such subsidiary, to the investments of such insurer (referred to herein as the "controlling insurer") shall not cause the investments of the controlling insurer to exceed any of the limitations applicable to domestic insurers contained in this chapter. Notwithstanding the foregoing limitations of this sub-
section d., any such subsidiary shall be permitted to invest in the voting stock of one or more other corporations if:

(1) after such investment, such subsidiary, the controlling insurer and all other subsidiaries of the controlling insurer shall own at least a majority of the voting stock of such other corporation and such other corporation would, within the meaning of this section, constitute a permitted subsidiary of the controlling insurer, or

(2) the proportion of such investment attributable to the controlling insurer pursuant to this subsection d. could then have been made in the same manner by the controlling insurer under any other provision of this chapter.

e. The investment in such subsidiary shall not tend substantially to lessen competition or tend to create a monopoly.

f. Such subsidiary shall not be used directly or indirectly to promote the private interests of any officer or director of such insurer except that compensation may be paid by any subsidiary to officers and directors of such insurer for services rendered when such compensation is authorized by the board of directors of such subsidiary and approved by the board of directors of such insurer.

g. The aggregate amount invested by the controlling insurer in the voting stock of all subsidiaries pursuant to this section together with the aggregate amount of all other investments of the controlling insurer in such subsidiaries, valued at cost, shall not exceed 5%, or with the approval of the commissioner 10%, of the total admitted assets of such insurer as of December 31 next preceding.

h. No investment in voting stock of any subsidiary shall be made by such insurer or any subsidiary thereof pursuant to this section unless a notice of intention to make such proposed investment is filed with the commissioner not less than 60 days, or such shorter period as may be permitted by the commissioner, in advance of such proposed investment, nor shall any such investment be made if the commissioner at any time prior thereto finds that the proposed investment does not meet the requirements of this section or determines, in his sole discretion, that such proposed investment would be contrary to the best interests of policyholders or the public; provided, that after an investment in voting stock has been made pursuant to this section, no notice of intention to make further investments in the voting stock or other securities of the same subsidiary shall be required, and such further investments may be made subject to the limitations contained in subsection d. and subsection g. of this section. The commissioner shall have
the power to conduct periodic examinations and require reports in connection with the operation of subsidiaries and, if he shall determine either that the interests of policyholders or the public so requires or that the investments of any subsidiary do not comply with the requirements of this section, to order that a domestic insurer or any subsidiary thereof dispose of its investment in any subsidiary or that any subsidiary dispose of any noncomplying investments, in each case within a reasonable period of time.

17B:20-5 Securities of foreign country or property therein.
Any domestic insurer lawfully doing business in any foreign country other than Canada, may also invest its funds, to an amount not exceeding 110% of the reserves for its outstanding policies of insurance issued or delivered in such foreign country, in securities issued by any governing body or agency or any institution of such foreign country or in the obligations secured upon property therein, otherwise of the same character as that prescribed for authorized investments for the funds of the insurer under the laws of this State.

17B:20-6 Reasonable and temporary additional restrictions.
Notwithstanding any of the provisions of this chapter, if it shall appear to the commissioner that by reason of investment conditions generally or the financial condition or investment portfolio content of any particular insurer or insurers (giving due regard to policyholders' protection afforded by its capital, surplus and reserves), the safety of the public or policyholders so warrants, he may, upon written notice, impose reasonable and temporary additional restrictions upon the type, class or permissible extent of investments which may be made by any domestic insurer or insurers subject to this chapter. Any insurer or insurers affected shall be entitled, upon application, to a departmental hearing for the purpose of determining whether such restriction should be modified or withdrawn.

17B:20-7 Safekeeping of securities.
All securities of domestic insurers, except:
a. mortgages and evidences of indebtedness secured thereby which are held for safekeeping in one or more offices operated by and under the direct control of an officer of such a company;
b. stock and other securities representing stock or convertible into stock, and options, warrants or rights to acquire stock; and
c. debt securities with a maturity of less than 1 year;
shall be held for safekeeping within the geographical limits of
CHAPTER 144, LAWS OF 1971

this State; provided, that any such company may make and main­
tain such deposits of securities with public officials of other States,
the District of Columbia, the United States, any territory or pos­
session thereof, the Commonwealth of Puerto Rico, and foreign
countries to such extent as may be required by the laws of such
jurisdictions as a condition for authority to transact business
therein. This section shall not prohibit the deposit of such securi­
ties under transactions as provided in section 17B:20-3 or the
transmission of such securities outside the State for the purpose
of securing or recording title to such securities or to property,
or for the purpose of the sale, exchange or alteration of the pro­
visions of such securities, or for the collection of any payment due
thereon, nor shall this section prohibit the deposit of such securi­
ties as collateral for loans or as security for the performance of
contracts or the holding of such securities in the names of nomi­
nees designated by the board of directors of such insurer.

17B:20-8 Valuation procedures and practices.

The commissioner shall promulgate a regulation or regulations
which shall establish valuation procedures and practices with
respect to securities held by insurers authorized to do business in
this State which shall, as far as practicable and unless the com­
misisioner shall make a determination to the contrary or unless
otherwise provided by statute, be those adopted by the Subcom­
mittee on Valuation of Securities of the National Association of
Insurance Commissioners.

For the purpose of the examination the commissioner may authorize and employ such person or persons to conduct the same or to assist therein as he deems advisable. The examination may be conducted in any State or country in which the insurer examined is incorporated or has an office, agent or place of business. Examination of an alien insurer shall be limited to its insurance transactions, assets, trust deposits and affairs in the United States except as otherwise required by the commissioner.

(1) Agent’s temporary license fee ............... $5.00
(2) Broker’s temporary license fee ............... $35.00
Notwithstanding anything in this section to the contrary, an applicant who having paid the above cited temporary license fee and who shall thereafter pass his examination and be properly licensed, such applicant shall not be required to pay any further license fee until the next ensuing annual license renewal date.

d. If the applicant fails to qualify for, or is refused, a license, the license fee shall be returned. The examination fee shall not be returned for any reason.

e. An examination fee shall be paid for each examination and re-examination permitted pursuant to this chapter. One examination fee shall entitle the applicant to take an examination for life insurance, health insurance or annuity or any combination thereof.

17B:22-24 Nonresident agents and nonresident brokers—Service of process.

a. Each licensed nonresident agent and nonresident broker shall by his receipt of a license be deemed thereby to have appointed the commissioner as his attorney to receive service of legal process issued against such nonresident agent or broker in this State in any causes of action or legal proceedings against him arising within this State out of transactions under the license. Service upon the commissioner as attorney shall constitute effective legal service upon the nonresident agent or broker.

b. This appointment shall be irrevocable for so long as there can be any cause of action against the nonresident agent or nonresident broker arising out of his insurance transactions in or with respect to this State.

c. Duplicate copies of such legal process against the nonresident agent or broker shall be served upon the commissioner. At the time of service, the commissioner shall be paid a service fee of $10.00 taxable as costs in the action.

d. Upon receiving such service, the commissioner shall forthwith send one of the copies of the process by registered or certified mail, return receipt requested, to the defendant nonresident agent or broker at the last known address.

e. The commissioner shall keep a record of the day and hour of service upon him of all such legal process.

17B:22-25 Continuation of license—expiration of license—termination of agency contract: Notice to commissioner—cancellation of license.

a. Every license issued to an agent or nonresident agent shall continue in force until May 1 next after its issue and by renewal thereof before May 1 of each year, and every license issued to a broker, nonresident broker or solicitor shall continue in force until October 1 next after its issue and by renewal thereof before October 1 of each year, or until suspended or revoked by the commissioner.
or, in case of an agent, nonresident agent or solicitor, until the
appointment is terminated by the insurer, agent or broker,
respectively.

b. In the absence of a contrary ruling by the commissioner, an
agent’s renewal license shall be issued from year to year subject to
the payment of the renewal license fee as required in section
17B:22-23 upon request but without further action on the part of
the insurer, or licensee under this chapter. A broker’s or solicitor’s
renewal license shall only be issued after a renewal application
therefor, as required by the commissioner, has been submitted by
the individual licensee, along with the payment of the renewal
license fee as required in section 17B:22-23, and has been approved
by the commissioner.

c. An insurer shall upon the termination of the appointment of
an agent, and any broker or agent shall upon the termination of the
appointment of any solicitor, immediately file a written notice of
termination with the commissioner together with a statement of
facts relative to the termination of appointment and the date and
cause thereof. Any statement to the commissioner pursuant to this
section shall be deemed a privileged communication and this state­
ment shall not be used in evidence in any court action or other
proceeding. This does not preclude the insurance department
from subpoenaing the insurers records and using these records in a
court action or other proceeding.

17B:22-26 Temporary license.

a. The commissioner is authorized to promulgate regulations
containing educational standards and such other qualifications
that he may deem proper for temporary licenses. Such regulations
may also contain provisions governing the conduct of the holder
of any such temporary license. Such temporary license shall be
valid for a period not in excess of 6 months and may be revoked
at any time within said period by the commissioner for cause.
After the promulgation of such regulations as the commissioner
shall deem proper, he shall be empowered to issue a temporary
license to any applicant who shall qualify for the same.

b. The commissioner may also issue a temporary license to act as
agent or broker to an individual otherwise qualified therefor with­
out regard to educational, experience or examination requirements
in the following cases:

(1) To the surviving spouse or next of kin or to the
administrator or executor of a deceased agent or broker.
(2) To the spouse, next of kin, employee or legal guardian of an agent or broker who has become mentally or severely physically disabled.

(3) To a designee of a licensed agent or broker entering into active service of the Armed Forces of the United States of America.

Such temporary license shall continue only until the agent can qualify under the provisions of sections 17B:22-9 to 17B:22-13, inclusive, or the broker can qualify under the provisions of section 17B:22-17; and shall not exceed a period of 6 months, except at the discretion of the commissioner, when the temporary licensee is acting as an executor or administrator or otherwise endeavoring to settle or dispose of the estate.

c. An applicant for a temporary license shall file an application with the commissioner in such form and containing such information as the commissioner may reasonably require. No such license shall issue until payment of the applicable fee as prescribed in section 17B:22-23. Application for temporary license under sub-section b. must be made within 3 months of the death, disability or entering into active service of the licensed agent or broker.

17B:22-27 Grounds for suspension, revocation, refusal to issue, renew licenses; imposition of fines by commissioner.

a. The commissioner may refuse to issue and may revoke, suspend or refuse to renew a license issued under this chapter if he finds after notice and an opportunity for a hearing in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder that the applicant for or holder of such license has:

(1) Willfully violated any provisions of the insurance laws of this State; or
(2) Intentionally withheld material information or made a material misstatement in the application to qualify for such license; or
(3) Obtained or attempted to obtain a license by fraud or misrepresentation; or
(4) Committed fraudulent practices; or
(5) Misappropriated or converted to his own use or is illegally withholding moneys belonging to insurers, policyholders or others and received in the conduct of his business; or
(6) Obtained or has used such license not for the purpose of holding himself out to the general public as an agent, broker, or solicitor, but primarily for the purpose of soliciting...
ing or negotiating "controlled business," that is life insurance, health insurance or annuity contracts covering himself, members of his family, members or employees of any organization of which the holder is an officer, or officers or employees of a partnership or corporation in which the holder or his mother, father, sister, brother or wife or combination of such persons owns a controlling interest.

Such a license shall be deemed to have been used principally for the purpose of writing controlled business if the commissioner finds that during any 12 months’ period the aggregate commissions or other compensation accruing or to accrue from such controlled business have exceeded or will exceed the aggregate commissions or other compensation accruing or to accrue on other business written or probably to be written by such applicant or licensee during the same period; or

(7) Materially misrepresented the terms and conditions of policies or contracts of insurance or annuity which he seeks to sell or has sold; or

(8) Paid all or part of his commission to a person who does not hold a license hereunder as compensation for services rendered in the solicitation or negotiation of life or health insurance or annuity contracts in this State or to a person who is not properly licensed as agent or broker under the laws of another State as compensation for services rendered in the solicitation or negotiation of life or health insurance or annuity contracts in that State; or

(9) Aided, abetted or assisted another person in violating any of the insurance laws of this State; or

(10) Been convicted of a crime involving moral turpitude; or

(11) Changed the address of his place of business without due notice to the commissioner, and the commissioner, after diligent effort, is unable to locate the licensee. The sending of a letter by certified mail, with return receipt requested, to the licensee’s last known address shall be deemed to satisfy the requirements of this subsection; or

(12) Demonstrated unworthiness, lack of integrity, bad faith, dishonesty or incompetency to transact business as an
agent, nonresident agent, broker, nonresident broker or solicitor.

b. As an alternative to such suspension, revocation or refusal to renew, the commissioner may impose a fine of not more than $1,000.00 for each separate offense which the licensee may elect to pay to the commissioner in lieu of such suspension, revocation or refusal to renew.

17B:22-28 Limitations on issuance of license after revocation.

No individual, partnership or corporation whose license is revoked shall be entitled to apply for a license under this chapter for a period of at least 1 year from the effective date of revocation; but the revocation of the license of a member of a partnership or an officer of a corporation, shall not affect the license status of the other licensees in a partnership or corporation.

17B:22-29 Payment of commissions.

a. An insurer may pay money or commission for or on account of the solicitation or negotiation in this State of contracts of life insurance, health insurance or annuity only to an agent, nonresident agent, broker or nonresident broker, duly licensed under this chapter, but this shall not prohibit the payment of regular salaries to salaried employees or compensation to supervising personnel.

b. An agent or broker may pay money or commission for or on account of the solicitation or negotiation in this State of contracts of life insurance, health insurance or annuity only to his duly licensed solicitor, and to a duly licensed agent or nonresident agent, or to a duly licensed broker or nonresident broker. A nonresident agent may pay money or commission for or on account of the solicitation or negotiation in this State of contracts of life insurance, health insurance or annuity only to a duly licensed agent or broker.

c. This section shall not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because such person has ceased to hold a license required under this chapter.

17B:22-30 Surrender of license.

a. All licenses, although issued and delivered to a licensee, shall at all times be the property of the State of New Jersey and upon any suspension, revocation, refusal to renew, expiration or other termination of the license, such license shall no longer be in force and effect. Under these circumstances the licensee or other person
having possession or custody of the license shall forthwith deliver it to the commissioner either by personal delivery or by mail.

b. If any license be lost, stolen or destroyed, the commissioner may accept in lieu of return of license the affidavit or affidavits of the licensee or other person or persons responsible for or involved in the safekeeping of such license, concerning the facts of such loss, theft or destruction.

17B:22-31 Penalties.

Any individual, partnership or corporation violating any of the provisions of this chapter, for which violation no other penalty is provided in this chapter, shall be liable to a penalty not exceeding $1,000.00 for the first offense and not exceeding $2,000.00 for each succeeding offense, to be recovered in a summary proceeding in accordance with the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.).

17B:22-32 Acting for unauthorized insurers prohibited.

No person shall within this State solicit or negotiate contracts of life insurance, health insurance or annuity, or deliver contracts for, or in any manner secure, help, or aid in the placing of any such contracts for any person other than himself, directly or indirectly, with an insurer not authorized to do business in this State.

17B:22-33 Violation; misdemeanor; penalties.

Any person who in this State represents or aids an unauthorized insurer in violation of section 17B:22-32, shall upon conviction thereof be guilty of a misdemeanor.

17B:22-34 Residents of Canada.

The references to "State" in sections 17B:22-3, 17B:22-4, 17B:22-14, 17B:22-15, 17B:22-16, 17B:22-18, 17B:22-19, 17B:22-20, other than to "this State," shall be deemed to include the Provinces of Canada.

17B:22-35 Pre-emption.

The State hereby pre-empts the field of regulating and licensing persons regulated and licensed under this chapter; and all political subdivisions of the State are prohibited from requiring of such persons any authorization, license, permit or registration of any kind for conducting transactions lawful under licenses granted under this chapter.

17B:23-10  Enforcement.
17B:23-11  Excluded actions.

17B:23-1  Transaction of business by foreign and alien insurers.

Any foreign insurer which by its charter or by the laws of the State in which it was incorporated, or any alien insurer which under the laws of the country or other jurisdiction in which it is organized, is authorized to write life insurance, annuities or health insurance or a combination thereof, may, if it meets the financial requirements of a similar domestic insurer set forth in sections 17B:18-35 and 17B:18-36, be admitted to transact such authorized business in this State; provided that if an insurer is otherwise qualified therefor, the commissioner shall continue to so authorize any insurer which immediately prior to the effective date of this Code was lawfully authorized to write in this state a kind or kinds of insurance in addition to life insurance, annuities and health insurance.

17B:23-2  Prerequisites to admission.

No foreign or alien insurer shall be admitted until it:

a. Files with the commissioner a certified copy of its charter or certificate of authority, and a statement of its financial condition and business, in the form and detail the commissioner requires, signed and sworn to by its president and secretary or other proper officer;
b. Satisfies the commissioner that it is fully and legally organized under the laws of its State or country to do the business it proposes to transact; that its condition or methods of operation are not such as would render its operation hazardous to the public or its policyholders in this State; and that it meets the financial requirements specified in section 17B:23-1;

c. Constitutes, by a duly executed instrument filed in the department, the commissioner and his successor in office its true and lawful attorney, upon whom all original process in any action or legal proceeding against it may be served, and therein agrees that any original process against it which may be served upon the commissioner shall be of the same force and validity as if served on the company, and that the authority thereof shall continue in force irrevocable so long as any liability of the company remains outstanding in this State. The insurer shall file a designation of the person to whom process against it served upon the commissioner is to be forwarded. The insurer may change such designation by a new filing;

d. Obtains from the commissioner a certificate that it has complied with all the requirements of this code applicable to it and is authorized to transact business in this State. This certificate shall expire on May 1 of the following year, and shall be renewed each year before May 1; provided, that the commissioner may refuse to issue or renew any such certificate of authority if, in his judgment, such refusal will best protect the interests of the people of this State or if the company fails to comply substantially with any requirement or limitation of this code applicable to it or any rule or regulation promulgated by the commissioner thereunder which in the judgment of the commissioner is reasonably necessary to protect the interests of the people of this State, but the commissioner may not refuse to renew any such certificate except after notice and hearing pursuant to the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder and provided, that all such certificates outstanding and in force at the date of the passage of this code shall continue in full force and effect until May 1 next following the approval of this code, unless sooner revoked by the commissioner; and provided, further, that no such certificate shall be issued by the commissioner if, in the judgment of the commissioner, the name of such company shall so closely resemble the name of any existing company authorized to transact business in this State as to be likely to mislead the public.
CHAPTER 144, LAWS OF 1971

17B:23-3 Deposit by alien insurers.
No alien insurer shall be admitted until, in addition to complying with the foregoing conditions, it has made a deposit or deposits with the insurance commissioner or other officer of a State or States of the United States, designated by the laws of such State or States to hold the same, of a total amount not less than $200,000.00, nor less than the capital required of a stock company of this State transacting the same kinds of business. The deposit or deposits must be in exclusive trust for the benefit and security of all the policyholders of the company in the United States, and shall be deemed for all purposes of this code the capital of the company making it.

17B:23-4 Revocation of authority to do business.
The authority of a foreign or alien insurer may be revoked, after notice and hearing, pursuant to the Administrative Procedure Act (P.L. 1968, c. 410) and any rules adopted thereunder if it fails to comply with any provision of law obligatory upon it, or for any reason for which the commissioner may refuse to issue or renew its certificate of authority under section 17B:23-2 of this chapter, or when in the opinion of the commissioner its condition is unsound.

17B:23-5 Retaliatory provision.
(a) When by or pursuant to the laws of any other state or a province of Canada any taxes, licenses and other fees, in the aggregate, and any fines, penalties, deposit requirements or other obligations, prohibitions or restrictions are or would be imposed upon New Jersey insurers, or upon the agents or representatives of such insurers, which are in excess of such taxes, licenses and other fees, in the aggregate, or which are in excess of the fines, penalties, deposit requirements or other obligations, prohibitions, or restrictions directly imposed upon similar insurers, or upon the agents or representatives of such insurers of such other State or province under the statutes of this State, so long as such laws of such other State or province continue in force or are so applied, the same taxes, licenses and other fees, in the aggregate, or fines, penalties or deposit requirements or other obligations, prohibitions, or restrictions of whatever kind shall be imposed by the commissioner upon the insurers or upon the agents or representatives of such insurers, of such other State or province doing business or seeking to do business in New Jersey. Any tax, license or other fee or other obligation imposed by any city, county, or other political subdivision or agency of such other State or province on New Jersey insurers or their agents or representatives shall be
deemed to be imposed by such State or province within the meaning of this section and the commissioner may compute the burden of any such taxes on an aggregate basis as an addition to the rate of tax payable by similar New Jersey insurers in such State or province. The addition to the rate of tax payable by similar New Jersey insurers shall be determined by dividing (1) the aggregate of the tax obligations paid to such city, county or other political subdivisions of such State or province by such New Jersey insurers, by (2) the aggregate of the taxable premiums of such insurers under the premium taxing statute of such State or province. The commissioner may issue regulations to carry out the purpose of this section.

b. This section shall not apply as to personal income taxes, nor as to ad valorem taxes on real or personal property nor as to special purpose obligations or assessments imposed by another State or province in connection with particular kinds of insurance; except that deductions, from premium taxes or other taxes otherwise payable, allowed on account of real estate or personal property taxes shall be taken into consideration by the commissioner in determining the propriety and extent of retaliatory action under this section.

c. For the purposes of this section the domicile of an alien insurer, other than insurers formed under the laws of Canada or a province thereof, shall be that State designated by the insurer in writing filed with the commissioner at time of admission to this State or within 6 months after the effective date of this code, whichever date is the later, and may be any one of the following States:

1. That in which the insurer was first authorized to transact insurance;
2. That in which is located the insurer’s principal place of business in the United States;
3. That in which is held the larger deposit of trustee assets of the insurer for the protection of its policyholders and creditors in the United States;

If the insurer makes no such designation its domicile shall be deemed to be that State in which is located its principal place of business in the United States. In the case of an insurer formed under the laws of Canada or a province thereof, its domicile shall be deemed to be that province in which its head office is situated.
CHAPTER 144, LAWS OF 1971

17B:23-6 Purpose.

Sections 17B:23-6 through 17B:23-12 are deemed and declared to be remedial legislation for the protection of the health and welfare of persons resident in this State by subjecting nonadmitted insurers which solicit, insure, or cause to be solicited such resident persons to the laws which govern all foreign insurers which do business in the State of New Jersey. These provisions shall be liberally construed to effectuate its purpose and intent.

17B:23-7 Definitions.

Whenever used or referred to in Sections 17B:23-6 to 17B:23-12 the term "commissioner" shall mean the Commissioner of Insurance.

17B:23-8 Conditions precedent to doing business in State.

No insurer organized or existing under the law of another State, or of a foreign country, or any employee, agent or other representative thereof including, without limitation, promotional media, shall by mail or otherwise, transact in any manner, directly or indirectly, the business of insurance within this State unless and until:

a. Admitted to transact the business of insurance pursuant to the provisions of this chapter; or

b. Specifically permitted by any other law of this State to transact the business of insurance within this State.

17B:23-9 Actions deemed doing business in the State.

Without limiting the generality of the foregoing, an insurer which performs, causes or suffers to be performed within this State any of the following acts with reference to persons located or resident in the State of New Jersey, by mail or otherwise, directly or indirectly, shall be deemed to be transacting the business of insurance within this State:

a. The solicitation of or advertising for any contract of insurance of any kind, including annuities involving life contingencies;

b. The negotiation or effectuation of any contract of insurance of any kind, including annuities involving life contingencies;

c. The signature, delivery or transmittal of any contract of insurance of any kind, including annuities involving life contingencies, or any application therefor;

d. The transmittal or receipt of any premium, commission, fee or other payment for any contract of insurance of any kind including annuities involving life contingencies;
e. The maintenance or operation of any office for the transaction of the business of insurance;

f. The offering for sale, sale, promotion of, or issuance of any contract of insurance of any kind, including annuities involving life contingencies; or

g. Any other acts normally incident to the transaction of the business of insurance.

17B:23-10 Enforcement.

Whenever it shall appear to the commissioner that any insurer, or any employee, agent, promotional medium, or other representative thereof, has violated, is violating, or is about to violate the provisions of this act, the Attorney General, upon the request of the commissioner, shall institute a civil action in the Superior Court for injunctive relief and for such other relief as may be appropriate under the circumstances. Process in such action may be served in accordance with the provisions of chapter 33 of this Title or as provided in the laws of this State and the rules of the Superior Court. Such action may proceed in a summary manner or otherwise. Nothing contained in this section shall limit or abridge the right to serve any process, notice or demand upon any person or insurer in any other manner now or hereafter deemed lawful.

17B:23-11 Excluded actions.

The provisions of this act shall not be construed to apply to:

a. The investigation, settlement or litigation of claims under any policy of insurance of any kind lawful when written in this State, or the liquidation of the assets and liabilities of an insurer (other than the collection of new premiums) resulting from the operations of an insurer within this State which were lawful when conducted;

b. Transactions involving any policy of insurance of any kind, which occur subsequent to the issuance thereof, provided, however, such policy of insurance does not cover a subject of insurance resident in this State, or located in this State, or expressly requiring the performance in this State at the time of issuance; and provided further, that such policy was lawfully solicited, written and delivered outside this State, at the time of issue;

c. The continuation and servicing of life insurance or accident or health insurance policies or annuity contracts remaining in force
as to residents of this State when the insurer has withdrawn from this State and is not collecting new premiums within or from this State;

d. The lawful transaction of contracts of reinsurance by insurers;

e. Transactions involving group life insurance, group or blanket accident and health insurance, and group annuities where the master policy for such groups was lawfully issued and delivered in a State in which the insurer is duly admitted, and such policy conforms to the laws of the State in which it is delivered.

f. Any life insurance company organized and operated without profit to any private shareholder or individual and exclusively for the purpose of aiding educational or scientific institutions organized and operated without profit to any private shareholder or individual, which issues to residents of this State directly from its home office without agents, representatives or other field operations in this State, contracts of insurance and annuity contracts only to or for the benefit of such institutions and to individuals engaged in the service of such institutions; nor shall this subsection apply to any life, accident and health or annuity contracts issued by such life insurance company, provided that any such life insurance company shall: (1) furnish to the commissioner a copy of any policy or contract form issued to residents of this State; (2) furnish to the commissioner a copy of its annual statement prepared pursuant to the laws of the State of domicile of such life insurance company, as well as such other reports, documents and financial material as may be requested by the commissioner; and (3) designate the commissioner as its true and lawful attorney upon whom may be served all lawful process in any action or proceeding against such life insurance company arising under any contract of insurance or annuity contract it has issued to, or which is held by, a resident of this State, and process so served against such life insurance company shall have the same force and validity as if served upon said life insurance company; and provided further that the commissioner may, if in his judgment the interest of the public so requires, promulgate regulations affecting the contracts, investments, or other aspects of the operations of companies covered by this subparagraph f., which shall be not more restrictive than the laws and regulations applicable to admitted life insurance companies.
CHAPTER 24
THE INSURANCE CONTRACT

17B:24-1  Insurable interest.
17B:24-2  Minors.
17B:24-3  Application as evidence.
17B:24-4  Assignment.
17B:24-5  Payment discharges insurer.
17B:24-6  Exemption of proceeds—Life insurance.
17B:24-7  Exemption of proceeds—Annuity contracts.
17B:24-8  Exemption of proceeds—Health insurance and Disability provisions.
17B:24-9  Exemption of proceeds—Group insurance.
17B:24-10 Policy settlements.
17B:24-11 Participating and nonparticipating policies—Right to issue; payment of commissions thereon.
17B:24-12 Separate risks and premiums.

17B:24-1  Insurable interest.

  a. Every individual has an insurable interest in his own life, body and health. The term "insurable interest" shall include only such an interest and the following interests in the life, body and health of other individuals:

    (1) In the case of individuals related closely by blood or by law, a substantial interest engendered by love and affection;

    (2) In the case of other persons, a lawful and substantial economic interest in having the life, health, or bodily safety of the individual insured continue, and

    (3) A person heretofore or hereafter party to a contract or option for the purchase or sale of an interest in a business partnership or firm, or of shares of stock of a closed corporation or of an interest in such shares, has an insurable interest in the life, body and health of each individual party to such contract for the purposes of such contract only, in addition to any insurable interest which may otherwise exist as to such individual.
b. No person shall procure or cause to be procured any insurance contract upon the life, body or health of another individual unless the benefits under such contract are payable to the individual insured or his personal representatives, or to a person having, at the time when such contract was made, an insurable interest in the individual insured. A person liable for the support of a child may procure a policy of insurance on such child.

c. If the beneficiary, assignee, or other payee under any contract made in violation of this section receives from the insurer any benefits thereunder accruing upon the death, disablement, or injury of the individual insured, the individual insured or his executor or administrator, as the case may be, may maintain an action to recover such benefits from the person so receiving them.

d. An insurer shall be entitled to rely upon all statements, declarations and representations made by an applicant for insurance relating to the insurable interest of the applicant in the insured; and no insurer shall incur legal liability, except as set forth in the policy, by virtue of any untrue statements, declarations or representations so relied upon in good faith by the insurer.

e. This section shall not apply to group life insurance, group health insurance or blanket insurance.

17B:24-2 Minors.

a. Any minor not less than 15 years of age may, notwithstanding such minority, contract for annuities or for insurance, or affirm by novation or otherwise pre-existing contracts for annuities or insurance, upon his own life, body or health, or upon the life, body or health of another person in whom the minor has an insurable interest.

b. Any minor not less than 15 years of age may, notwithstanding such minority, acquire ownership of and exercise every right, privilege and power with respect to or under any contract of annuity or insurance upon the life, body or health of such minor or of another person, whether or not such contract was applied for by such minor.

A minor shall be deemed competent to receive and give full acquittance for any payment made by any insurer under the provisions and options of, or under a settlement agreement arising from, any contract of annuity or insurance in which a minor has acquired any interest, or is a beneficiary as follows:

(1) As to a minor not less than 15 years of age—a payment or payments in aggregate not exceeding $2,000.00 in any 1 calendar year, or,
(2) As to a minor not less than 18 years of age—a payment or payments in aggregate not exceeding $5,000.00 in any 1 calendar year;
provided that prior to any such payment to a minor the insurer has not received at its home office written notice of the appointment of a duly qualified guardian of the property of the minor. A minor shall not be deemed competent to alienate the right to or to anticipate or commute such payment. A minor shall not by reason of his minority, be entitled to rescind, avoid or repudiate such a contract or any exercise of a right, privilege or power, or acquittance given, thereunder; except that a minor not otherwise emancipated shall not be bound by any unperformed agreement to pay, by promissory note or otherwise, any premium on any such annuity or insurance contract.

c. The provisions of this section shall not be deemed as requiring any insurance company making such payment to determine whether any other insurance company may be effecting a similar payment to the same minor.

17B:24-3 Application as evidence.
a. No application for any life or health insurance policy or annuity contract shall be admissible in evidence in any action relative to such policy or contract, unless a copy of the application was attached to or endorsed upon the policy or contract when issued.

b. If any life or health insurance policy or annuity contract delivered in this State is reinstated or renewed, and the insured or the beneficiary or assignee of the policy or contract makes written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall, within 30 days after receipt of such request at its home office, deliver or mail to the person making such request a copy of such application reproduced by any legible means. In the case of such a request from a beneficiary or assignee, the time within which the insurer is required to furnish a copy of such application shall not begin to run until after receipt of evidence satisfactory to the insurer of the beneficiary’s or assignee’s interest in the policy or contract.

c. No alteration of any written application for any such policy or contract shall be made by any person other than the applicant without his written consent, except that insertions may be made by the insurer, for administrative purposes only, in such manner as to indicate clearly that such insertions are not to be ascribed to the applicant.
d. The falsity of any statement in the application for any policy or contract covered by this section may not bar the right to recovery thereunder unless such false statement materially affected either the acceptance of the risk or the hazard assumed by the insurer.

e. This section shall not apply to group life insurance, group health insurance, or blanket insurance policies or to group annuity contracts.

17B:24-4 Assignments.

a. Nothing in this Title shall prohibit any person insured under an insurance policy or annuity contract, other than group, from assigning or not assigning, as provided by its terms. Subject to its terms relating to assignability, any life or health insurance policy or annuity contract, other than group, whether heretofore or hereafter issued, under the terms of which the beneficiary may be changed upon the sole request of the insured or owner, if other than the insured, may be assigned either by pledge or transfer of title, by an assignment executed by the insured or such owner alone and delivered to the insurer, whether or not the pledgee or assignee is the insurer. Any such assignment shall entitle the insurer to deal with the assignee as the owner or pledgee of the insurance policy or annuity contract, other than group, in accordance with the terms of the assignment, until the insurer has received at its home office written notice of termination of the assignment or pledge.

b. Nothing in this title shall prohibit any person insured under a group insurance contract, pursuant to an arrangement among the insured, the group policyholder and the insurer, from making to any person an assignment of the rights and benefits conferred on him by any provision of such contract or by law including specifically but not by way of limitation the right to have issued to him an individual policy as set forth in section 17B:27-19 and section 17B:27-20, the right to name a beneficiary and the right to receive any proceeds of the policy payable during the lifetime of the insured. Any such assignment, whether made before or after the effective date of this law, shall entitle the insurer to deal with the assignee as the owner of all rights and benefits conferred on the insured under the policy in accordance with the terms of the assignment.

17B:24-5 Payment discharges insurer.

Whenever the proceeds of or payments under a life or health insurance policy or annuity contract heretofore or hereafter issued
become payable in accordance with the terms of such policy or contract, or the exercise of any right or privilege thereunder, payment thereof by the insurer in accordance therewith or in accordance with any written assignment thereof shall fully discharge the insurer from all claims under the policy or contract.

17B:24-6 Exemption of proceeds—life insurance.

a. If a policy of insurance, whether heretofore or hereafter issued, is effected by any person on his own life, or on another life, in favor of a person other than himself, or, except in cases of transfer with intent to defraud creditors, if a policy of life insurance is assigned or in any way made payable to any such person, then the lawful beneficiary, assignee or payee of such policy, shall be entitled to its proceeds and avails against the creditors and representatives of the insured and of the person effecting the same, whether or not the right to change the beneficiary is reserved or permitted, or the policy is made payable to the person whose life is insured or to the executors or administrators of such person if the beneficiary shall predecease such person.

Except however the foregoing shall not be applicable if the lawful beneficiary, assignee or payee of such policy is any of the following:

(1) The insured,
(2) The person so effecting such insurance, or
(3) The executors or administrators of such insured or the person so effecting such insurance.

b. Such proceeds and avails shall be exempt from any liability for any debt of the beneficiary existing at the time the proceeds and avails become available for his use; provided that, subject to the statute of limitations, the amount of any premiums for such insurance paid with intent to defraud creditors, with interest thereon, shall inure to their benefit from the proceeds of the policy; but the insurer issuing the policy shall be discharged of all liability thereon by payment of its proceeds in accordance with its terms, unless, before such payment, the insurer shall have received written notice at its home office, by or in behalf of a creditor, of a claim to recover for transfer made or premiums paid with intent to defraud creditors setting forth such facts as will enable the insurer to ascertain the particular policy.

c. For the purposes of subsections a. and b. above, a policy shall also be deemed to be payable to a person other than the insured if and to the extent that a facility-of-payment clause or
similar clause in the policy permits the insurer to discharge its obligation after the death of the individual insured by paying the death benefits to a person as permitted by such clause.

178:24-7 Exemption of proceeds—annuity contracts.

a. The benefits, rights, privileges, powers and options which under any annuity contract heretofore or hereafter issued are due or prospectively due the annuitant, shall not be subject to execution, garnishment, attachment, sequestration or other legal process nor shall the annuitant be compelled to exercise any such rights, privileges, powers, or options, nor shall creditors be allowed to interfere with or terminate the contract, except:

(1) As to amounts paid, with intent to defraud creditors, for or as consideration for any such annuity, with interest thereon, and of which the creditor has given the insurer written notice at its home office prior to the making of the payments to the annuitant out of which the creditor seeks to recover. Any such notice shall set forth such facts as will enable the insurer to ascertain the particular annuity contract.

(2) The total exemption of benefits presently due and payable to any annuitant periodically or at stated times under all annuity contracts under which he is an annuitant, shall not at any time exceed $500.00 per month for the length of time represented by such installments, and such periodic payments in excess of $500.00 per month shall be subject to garnishee execution to the same extent as are wages and salaries.

(3) If the total benefits presently due and payable to any annuitant under all annuity contracts under which he is an annuitant, shall at any time exceed payment at the rate of $500.00 per month, then the court may order such annuitant to pay to a judgment creditor or apply on the judgment, in installments, such portion of such excess benefits as to the court may appear just and proper, after due regard for the reasonable requirements of the judgment debtor and his family, if dependent upon him as well as any prior court orders.

b. If the contract so provides, the benefits, rights, privileges, powers or options accruing under such contract to a beneficiary or assignee shall not be transferable nor subject to commutation, and if the benefits are payable periodically or at stated times, the same exemptions and exceptions contained herein for the annuitant, shall apply with respect to such beneficiary or assignee.
17B:24-8 Exemption of proceeds—Health insurance and disability provisions.

Except as may otherwise be expressly provided by the policy or contract, the proceeds or avails of all policies of health insurance and of provisions providing benefits on account of the insured’s dismemberment, loss of sight or disability which are supplemental to life insurance policies or annuity contracts, heretofore or hereafter effected, shall be exempt from all liability for any debt of the insured, and from any debt of the beneficiary existing at the time the proceeds are made available for his use. Nothing herein contained shall apply to any income disability benefit in any action to recover for necessaries contracted for after the commencement of the disability covered by the disability clause or contract allowing such income benefit.

17B:24-9 Exemption of proceeds—Group insurance.

a. A policy of group life insurance or group health insurance or the proceeds thereof payable to the individual insured or to the beneficiary thereunder, shall not be liable, either before or after payment, to be applied by any legal or equitable process to pay any debt or liability of such insured individual or his beneficiary or of any other person having a right under the policy. The proceeds thereof, when not made payable to a named beneficiary or to a third person pursuant to a facility-of-payment clause, shall not constitute a part of the estate of the individual insured for the payment of his debts. Nothing herein contained shall apply to any income disability benefit in any action to recover for necessaries contracted for after the commencement of the disability covered by the disability clause or contract allowing such income benefit.

b. This section shall not apply to group insurance covering the debtors of a creditor, to the extent that such proceeds are applied to payment of the obligation for the purpose of which the insurance was so issued.

17B:24-10 Policy settlements.

Any life insurer shall have the power to hold under agreement the proceeds of any policy issued by it, upon such terms and restrictions as to revocation by the policyholder and control by beneficiaries, and with such exemptions from the claims of creditors of beneficiaries other than the policyholder as set forth in the policy or as agreed to in writing by the insurer and the policyholder. Upon maturity of a policy, in the event the policyholder has made no such agreement, the insurer shall have the power to
hold the proceeds of the policy under an agreement with the beneficiaries. The insurer shall not be required to segregate the funds so held but may hold them as part of its general assets.

17B:24-11 Participating and nonparticipating policies—Right to issue; payment of commissions thereon.

A stock or mutual life insurer may issue policies on both the participating and nonparticipating basis, provided that the right or absence of right of participation is reasonably related to the premium charged and that the policy indicates clearly whether it is participating or nonparticipating.

No life insurance company doing business in this State, and issuing policies both on participating and nonparticipating bases, shall pay commissions at a higher rate with respect to participating policies than it pays with respect to comparable nonparticipating policies.

17B:24-12 Separate risks and premiums.

When a policy shall insure against more than one hazard or peril, the insurance against any specific hazard or peril shall not be separately cancelable unless the policy shall specify a separate premium for any such insurance so cancelable. No policy of life insurance or annuity contract as the same are defined in 17B:17-3 and 17B:17-5 shall cover any other hazard or peril than insurance against bodily injury or death by accident, and upon the health of persons as the same is defined in section 17B:17-4.

17B:25-19 Standard nonforfeiture law.

17B:25-1 "Industrial life insurance"; definition.
For the purpose of this code, "Industrial life insurance" is that form of life insurance, issued by an insurer which, as to such insurance, is operating under a debit plan of premium collection by agents, and under which the premiums are payable monthly or oftener and the words "industrial policy" or words of similar import are printed upon the policy as part of the descriptive matter.

17B:25-2 Standard provisions required.
a. No policy of life insurance, other than group insurance and pure endowments with or without return of premiums or of premiums and interest, shall be delivered or issued for delivery in this State unless it contains in substance all of the applicable provisions specified in sections 17B:25-3 to 17B:25-14, inclusive, of this chapter or provisions which in the opinion of the commissioner are not less favorable to the insured or the owner if other than the insured. This section shall not apply to any provi-
sion of a life insurance policy, or contract supplemental thereto, relating to disability benefits or to additional benefits in event of death by accident or accidental means or in event of dismemberment or loss of sight.

b. If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy (such as a single premium policy, a term policy, or a policy insuring more than one person) the insurer, with the approval of the commissioner, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of a provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

c. In lieu of the provisions required by this section, substantially similar provisions required by the law of the domicile of a foreign or alien insurer may be used with the approval of the commissioner.

d. Where a policy of life insurance provides for both insurance and an annuity, this section shall apply only to that part of the policy which provides for insurance.

17B:25-3 Grace period.

There shall be a provision that a grace period of 30 days, or, at the option of the insurer, of 1 month of not less than 30 days, or of 4 weeks in the case of industrial life insurance policies the premiums for which are payable more frequently than monthly, shall be allowed within which the payment of any premium after the first may be made, subject, at the option of the insurer, to an interest charge not in excess of 6% per annum for the number of days of grace elapsing before the payment of the premium, during which period of grace the policy shall continue in full force; but if a claim arises under the policy during such period of grace, the amount of any premium due or overdue, together with such interest, if any, and any deferred premiums of the current policy year may be deducted from any amount payable under the policy in settlement.

17B:25-4 Incontestability.

There shall be a provision that the policy (exclusive of provisions of the policy or any contract supplemental thereto relating to disability benefits or to additional benefits in event of death by accident or accidental means or in event of dismemberment or loss of sight) shall be incontestable, except for nonpayment of pre-
miums, after it has been in force during the lifetime of the insured for a period of 2 years from its date of issue.

17B:25-5 Entire contract.

There shall be a provision that the policy, or the policy and the application therefor if a copy of such application is attached to or endorsed upon the policy when issued, shall constitute the entire contract between the parties, and that all statements contained in such an application shall, in the absence of fraud, be deemed representations and not warranties.

17B:25-6 Misstatement of age.

There shall be a provision that if the age of the insured or of any other person whose age is considered in determining the premium or benefit has been misstated, any amount payable or benefit accruing under the policy shall be such as the premium would have purchased at the correct age or ages.

17B:25-7 Dividends.

a. There shall be a provision in participating policies other than industrial life insurance policies that, beginning not later than the end of the third policy year, the insurer shall annually ascertain and apportion the divisible surplus, if any, that will accrue on the policy anniversary or other dividend date specified in the policy provided the policy is in force and all premiums to that date are paid. Except as hereinafter provided, any dividend credited to the policy shall at the option of the party entitled to elect such option be either:

(1) payable in cash, or

(2) applied to any one of such other dividend options as may be provided by the policy.

If any such other dividend options are provided, the policy shall further state which option shall be automatically effective if such party shall not have elected some other option. If the policy specifies a period within which such other dividend option may be elected, such period shall be not less than 30 days following the date on which such dividend is due and payable. The annually apportioned dividend shall be deemed to be payable in cash within the meaning of (1) above even though the policy provides that payment of such dividend is to be deferred for a specified period, provided that such period does not exceed 6 years from the date of apportionment and provided that interest will be added to such dividend at a specified rate. If a participating policy provides that the benefit under any paid-up nonforfeiture provision is to be
participating, it may provide that any divisible surplus credited to the policy while the insurance is in force under such nonforfeiture provision shall be applied in the manner set forth in the policy.

b. In participating industrial life insurance policies there shall be a provision that, beginning not later than the end of the fifth policy year, the policy shall participate annually in the divisible surplus, if any, in the manner set forth in the policy.

17B:25-8 Policy loan.

There shall be a provision that after 3 full years’ premiums have been paid and after the policy has a cash surrender value and while no premium is in default beyond the grace period for payment, the insurer will advance, on proper assignment or pledge of the policy and on the sole security thereof, at a specified rate of interest, an amount equal to or, at the option of the party entitled thereto, less than the loan value of the policy. The loan value of the policy shall be at least equal to the cash surrender value at the end of the then current policy year, provided that the insurer may deduct, either from such loan value or from the proceeds of the loan, any existing indebtedness not already deducted in determining such cash surrender value including any interest then accrued but not due, any unpaid balance of the premium for the current policy year, and interest on the loan to the end of the current policy year. The policy may also provide that if interest on any indebtedness is not paid when due it shall then be added to the existing indebtedness and shall bear interest at the same rate, and that if and when the total indebtedness on the policy, including interest due or accrued, equals or exceeds the amount of the loan value thereof, then the policy shall terminate and become void but not until at least 30 days’ notice shall have been mailed by the insurer to the last known address of the insured or other policy owner and of any assignee of record at the home office of the insurer. The policy shall reserve to the insurer the right to defer the granting of a loan, other than for the payment of any premium to the insurer, for 6 months after application therefor. The policy may, at the insurer’s option, contain automatic premium loan provisions and may provide that such provisions do not become operative unless so elected by the person entitled to do so. This section shall not apply to term insurance, or to industrial life insurance policies.
17B:25-9 Reinstatement.
There shall be a provision that unless:
  a. the policy has been surrendered for its cash surrender value, or
  b. its cash surrender value has been exhausted, or
  c. the paid-up term insurance, if any, has expired,
the policy will be reinstated at any time within 3 years (or 2 years in the case of industrial life insurance policies) from the due date of the first premium in default upon written application therefor, the production of evidence of insurability satisfactory to the insurer, the payment of all premiums in arrears and the payment or reinstatement of any indebtedness to the insurer upon the policy, all with interest at a specified rate and which may be compounded as specified.

17B:25-10 Payment of premiums.
There shall be a provision relative to the payment of premiums.

17B:25-11 Payment of claims.
There shall be a provision that when benefits under the policy shall become payable by reason of the death of the insured, settlement shall be made upon receipt of due proof of death and, at the insurer's option, surrender of the policy or proof of the interest of the claimant or both. If an insurer shall specify a particular period prior to the expiration of which settlement shall be made, such period shall not exceed 2 months from the receipt of such proofs.

17B:25-12 Beneficiary; Industrial policies.
An industrial life insurance policy shall have the name of the beneficiary designated thereon, or in the application or other form if attached to the policy, with a reservation of the right to designate or change the beneficiary after the issuance of the policy, unless such beneficiary be irrevocably designated. The policy may also provide that no designation or change of beneficiary shall be binding on the insurer until endorsed on the policy by the insurer, and that the insurer may refuse to endorse the name of any proposed beneficiary who does not appear to the insurer to have an insurable interest in the life of the insured. The policy may also provide that if the beneficiary designated in the policy does not make a claim under the policy or does not surrender the policy with due proof of death within the period stated in the policy, which shall not be less than 30 days after the death of the insured, or if the beneficiary is the estate of the insured, or is a minor, or
dies before the insured, or is not legally competent to give a valid release, then the insurer may make any payment thereunder to the executor or administrator of the insured, or to any relative of the insured by blood or legal adoption or connection by marriage, or to any person appearing to the insurer to be equitably entitled thereto by reason of having been named beneficiary, or by reason of having incurred expense for the maintenance, medical attention or burial of the insured. The policy may also include a similar provision applicable to any other payment under the policy.

17B:25-13 Nonforfeiture benefits and cash surrender values.

There shall be a provision for nonforfeiture benefits and cash surrender values in accordance with the requirements of section 17B:25-19.

17B:25-14 Title.

There shall be a title on the policy, briefly describing it.

17B:25-15 Provision prohibited.

No policy of life insurance shall be delivered or issued for delivery in this State which limits the time within which any action may be commenced to less than 5 years after the cause of action accrues.

17B:25-16 Excluded or restricted coverage.

A clause in any policy of life insurance providing that such policy shall be incontestable after a specified period shall preclude only a contest of the validity of the policy, and shall not preclude the assertion at any time of defenses based upon provisions in the policy which exclude or restrict coverage, whether or not such restrictions or exclusions are excepted in such clause.

17B:25-17 Incontestability; Limitation of liability after reinstatement.

a. A reinstated policy of life insurance may be contested on account of fraud or misrepresentation of facts material to the reinstatement only for the same period following reinstatement and with the same conditions and exceptions as the policy provides with respect to contestability after original issuance.

b. When any life insurance policy is reinstated, such reinstated policy may exclude or restrict liability to the same extent that such liability could have been excluded or restricted when the policy was originally issued, and such exclusion or restriction shall be effective from the date of reinstatement.
17B:25-18 Filing of forms.

a. No life insurance policy, or application where written application is required and is to be made a part of such policy, or printed rider or endorsement for use with such policy, shall be delivered or issued for delivery in this State unless the form thereof has been submitted to and filed by the commissioner. This section shall not apply to policies of group life insurance and applications, printed riders or endorsements for use with such policies.

b. At the expiration of 30 days after submission the form shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved for filing by the commissioner.

c. If any such form is disapproved for filing by the commissioner during said 30-day period, it may not be so delivered or issued for delivery unless and until such disapproval for filing is withdrawn. Such disapproval shall be subject to review in accordance with the procedure described in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder. Any such form which is filed by the commissioner or deemed filed may be so delivered or issued for delivery until such time as any subsequent withdrawal of the filing by the commissioner, following an opportunity for a hearing held in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder, becomes final in accordance therewith.

d. The commissioner may extend the 30-day period referred to above for not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section, except this provision for extension, relating to the initial 30-day period shall apply to the extended period instead of such initial 30-day period.

e. The disapproval for filing or the withdrawal of the filing of any such form by the commissioner must state in writing the grounds therefor in such detail as reasonable to inform the insurer thereof.

f. This section shall not apply to documents which relate only to the manner of distribution of benefits or to the reservation of rights and benefits under life insurance policies and which are used at the request of the individual policyholder.

g. The commissioner may exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof to which, in his opinion, this section may
not practicably be applied, or the filing of which is, in his opinion, 
not desirable or necessary for the protection of the public.

h. The disapproval by the commissioner of any such form may 
be on the ground that such form contains provisions which are un­
just, unfair, inequitable, misleading, contrary to law or to the 
public policy of this State.

17B:25-19 Standard nonforfeiture law.

This section shall be known as the standard nonforfeiture law.

a. No policy of life insurance, except as stated in subsection j, 
shall be issued or delivered hereafter in this State unless it shall 
contain in substance the following provisions, or corresponding 
provisions which in the opinion of the commissioner are at least as 
favorable to the defaulting or surrendering policyholder:

(1) That, in the event of default in any premium pay­
ment, the insurer will grant, upon proper request not later 
than 60 days after the due date of the premium in default, 
a paid-up nonforfeiture benefit on a plan stipulated in the 
policy, effective as of such due date, of such value as may 
be hereinafter specified.

(2) That, upon surrender of the policy within 60 days 
after the due date of any premium payment in default after 
premiums have been paid for at least 3 full years in the case 
of ordinary insurance or 5 full years in the case of indus­
trial insurance, the insurer will pay, in lieu of any paid-up 
nonforfeiture benefit, a cash surrender value of such amount 
as may be hereinafter specified.

(3) That a specified paid-up nonforfeiture benefit shall 
become effective as specified in the policy unless the person 
entitled to make such election elects another available option 
not later than 60 days after the due date of the premium in 
default.

(4) That, if the policy shall have become paid up by 
completion of all premium payments or if it is continued 
under any paid-up nonforfeiture benefit which became effec­
tive on or after the third policy anniversary in the case of 
ordinary insurance or the fifth policy anniversary in the 
case of industrial insurance, the insurer will pay, upon sur­
rrender of the policy within 30 days after any policy an­
niversary, a cash surrender value of such amount as may 
be hereinafter specified.

(5) A statement of the mortality tables and interest 
rates used in calculating the cash surrender values and the 
mortality tables and interest rates used in calculating the
paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy.

(6) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the State in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the cash surrender values and paid-up nonforfeiture benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

The insurer shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand therefor with surrender of the policy.

b. In the case of annuity and pure endowment contracts issued on or after January 1, 1972, no contract of annuity or pure endowment, except as stated in subsection j., shall be issued or delivered in this State, unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering contractholder:

(1) That, in the event of default in any stipulated payment, the insurer will grant a paid-up nonforfeiture benefit
on a plan stipulated in the contract, effective as of such due date, of such value as may be hereinafter specified.

(2) A statement of the mortality tables, if any, and interest rates used in calculating the paid-up nonforfeiture benefits available under the contract, together with a table showing either the cash surrender value, if any, or the paid-up nonforfeiture benefit, if any, available on each anniversary of the contract either during the first 20 contract years or during the term of stipulated payments, whichever is shorter, such benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the contract and that there is no indebtedness to the insurer on the contract.

(3) A statement that the paid-up nonforfeiture benefits available under the contract are not less than the minimum benefits required by or pursuant to the insurance law of the State in which the contract is delivered; an explanation of the manner in which the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the contract or any indebtedness to the insurer on the contract; if a detailed statement of the method of computation of the paid-up nonforfeiture benefits shown in the contract is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the State in which the contract is delivered; and a statement of the method to be used in calculating the paid-up nonforfeiture benefit available under the contract on any contract anniversary beyond the last anniversary for which such benefits are consecutively shown in the contract.

If an insurer shall provide for the payment of a cash surrender value, it shall reserve the right to defer the payment of such value for a period of 6 months after demand therefor with surrender of the contract.

Notwithstanding the requirements of this subsection, any deferred annuity contract may provide that if the annuity allowed under any paid-up nonforfeiture benefit would be less than $120.00 annually, the insurer may at its option grant a cash surrender value in lieu of such paid-up nonforfeiture benefit of such amount as may be required by subsection f.

c. Any cash surrender value available under any policy referred to in subsection a in the event of default in a premium payment
due on any policy anniversary, whether or not required by sub-
section a, shall be an amount not less than the excess, if any, of
the present value, on such anniversary, of the future guaranteed
benefits which would have been provided for by the policy, includ-
ing any existing paid-up additions, if there had been no default,
over the sum of (1) the then present value of the adjusted
premiums as defined in subsection g, corresponding to premiums
which would have fallen due on and after such anniversary, and
(2) the amount of any indebtedness to the insurer on the policy.
Any cash surrender value available within 30 days after any policy
anniversary under any policy paid up by completion of all
premium payments or any policy continued under any paid-up
nonforfeiture benefit, whether or not required by subsection a, shall
be an amount not less than the present value, on such anniversary,
of the future guaranteed benefits provided for by the policy, in-
cluding any existing paid-up additions, decreased by any indebted-
ness to the insurer on the policy.

d. Any paid-up nonforfeiture benefit available under any policy
referred to in subsection a in the event of default in a premium
payment due on any policy anniversary shall be such that its
present value as of such anniversary shall be at least equal to the
cash surrender value then provided for by the policy or, if none
is provided for, that cash surrender value which would have been
required by this section in the absence of the condition that
premiums shall have been paid for at least a specified period.

e. Any paid-up nonforfeiture benefit available under any an-
nuity or pure endowment contract referred to in subsection b, in
the event of default in a stipulated payment due on any contract
anniversary, shall be such that its present value as of such anni-
versary shall be an amount not less than the excess, if any, of the
present value, on such anniversary, of the future guaranteed
benefits which would have been provided for by the contract, in-
cluding any existing paid-up additions, if there had been no default,
over the sum of (1) the then present value of the adjusted stipu-
lated payments as defined in subsection h corresponding to stipu-
lated payments which would have fallen due on and after such
anniversary, and (2) the amount of any indebtedness to the insurer
on the contract. In determining the benefits referred to in this
subsection and in calculating the adjusted stipulated payments
referred to in subsection h, in the case of annuity contracts under
which an election may be made to have annuity payments com-
mence at optional dates, the annuity payments shall be deemed to
commence at a date which shall be the latest permitted by the contract for the commencement of such payments but not later than the contract anniversary nearest the annuitant's seventieth birthday or the tenth anniversary of the contract, whichever is later; and the stipulated payments shall be deemed to be payable for the longest period during which they would be payable if election were made to have the annuity payments commence at such date.

f. Any cash surrender value allowed by any annuity or pure endowment contract referred to in subsection b and the present value, under any optional provision, of future benefits commencing on the due date of the stipulated payment in default shall each be at least equal to the then present value of the minimum paid-up nonforfeiture benefit required by subsection e.

g. Except as provided in the third paragraph of this subsection, the adjusted premiums for any policy referred to in subsection a shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the policy; (2) 2% of the amount of insurance, if the insurance be uniform in amount or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less; provided, however, that in applying the percentages specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this subsection shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any,
issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy, provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age 10 were the amount provided by such policy at age 10.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (b) the adjusted premiums for such term insurance, the foregoing items (a) and (b) being calculated separately and as specified in the first 2 paragraphs of this subsection except that, for the purpose of (2), (3) and (4) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (b) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (a).

All adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table. Notwithstanding this provision, for any category of ordinary insurance such calculations may be made, at the option of the insurer, on the basis of the Approved Standard Ordinary Mortality Table; provided, further, that for any category of ordinary insurance issued on female risks adjusted premiums and present values may be calculated, at the option of the insurer with approval of the commissioner, according to an age not more than 3 years younger than the actual age of the insured. Such calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table. All calculations shall be made on the basis of the applicable rates of interest, not exceeding 3½% per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than the rates shown in the Commissioners 1958 Extended Term Insurance Table if the
adjusted premiums for the policy are calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, may be not more than 130% of the rates shown in the Approved Standard Ordinary Mortality Table if the adjusted premiums for the policy are calculated on the basis of said table, and may be not more than the rates shown in the Commissioners 1961 Industrial Extended Term Insurance Table if the adjusted premiums for the policy are calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the commissioner.

h. The adjusted stipulated payments for any annuity or pure endowment contract referred to in subsection b shall be calculated on an annual basis and shall be such uniform percentage of the respective stipulated payments specified in the contract for each contract year that the present value, at the date of issue of the contract, of all such adjusted stipulated payments shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the contract; (2) 20% of the adjusted stipulated payment for the first contract year; and (3) 2% of the adjusted stipulated payment for the first contract year for each year not exceeding 20 during which stipulated payments are payable.

All adjusted stipulated payments and present values referred to in this section shall for annuity and pure endowment contracts be calculated on the basis of (1) the applicable rates of interest, not exceeding 3 1/2% per annum, specified in the contract for calculating cash surrender values, if any, and paid-up nonforfeiture benefits; and (2) the 1937 Standard Annuity Mortality Table, or the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the commissioner or any other table approved by the commissioner.

i. Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy or contract in the event of default in the payment of a premium or stipulated payment due at any time other than on the policy or contract anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums or stipulated payments beyond the last preceding policy or contract anniversary. All values referred to in subsections c to h, inclusive, may be calculated upon the assump-
tion that any death benefit is payable at the end of the policy or contract year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the dividends used to provide such additions. Notwithstanding the provisions of subsections c. and e., additional benefits payable (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply, (5) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child’s age is 26, is uniform in amount after the child’s age is one, and has not become paid-up by reason of the death of a parent of the child, and (6) as other policy benefits additional to life insurance, endowment, and annuity benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits. Notwithstanding the provisions of subsections c and e, additional benefits providing the privilege to purchase additional insurance or annuity benefits at some future time without furnishing evidence of insurability, and premiums or stipulated payments therefor, may, with the consent of the commissioner, be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

j. This section shall not apply to any reinsurance contract, group insurance policy, group annuity contract, variable annuity contract, single premium pure endowment or single stipulated payment annuity contract or reversionary annuity contract, nor to any term policy of uniform amount, or renewal thereof, of 15 years or less expiring before age 66, for which uniform premiums are payable during the entire term of the policy, nor to any term policy of decreasing amount on which each adjusted premium, calculated as specified in subsection g is less than the adjusted premium so calculated, on such 15-year term policy issued at the same age and for the same initial amount of insurance, nor to any policy or contract which shall be delivered outside this State through an agent or other representative of the insurer issuing the policy or contract.

17B:26-1 Filing of forms.

a. No health insurance policy, or application where written application is required and is to be made a part of such policy, or printed rider or endorsement for use with such policy, shall be delivered or issued for delivery in this State unless the form thereof has been submitted to and filed by the commissioner.

b. At the expiration of 30 days after submission the form shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved for filing by the commissioner.

c. If any such form is disapproved for filing by the commissioner during said 30-day period, it may not be so delivered or issued for delivery unless and until such disapproval for filing is withdrawn. Such disapproval shall be subject to review in accordance with the procedure described in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder. Any such form which is filed by the commissioner or deemed filed may be so delivered or issued for delivery until such time as any subsequent withdrawal of the filing by the commissioner, following an opportunity for a hearing held in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder, becomes final in accordance therewith.

d. The commissioner may extend the 30-day period referred to above for not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section, except this provision for extension, relating to the initial 30-day period shall apply to the extended period instead of such initial 30-day period.

e. The disapproval for filing or the withdrawal of the filing of any such form by the commissioner must state in writing the grounds therefor in such detail as reasonable to inform the insurer thereof.

f. This section shall not apply to documents which relate only to the manner of distribution of benefits or to the reservation of rights and benefits under health insurance policies and which are used at the request of the individual policyholder.
g. No form shall be filed by the commissioner in accordance with this section until the classification of risks and premium rates, if any, pertaining to such form have been submitted to the commissioner. Where such a classification of risks and premium rates are submitted to the commissioner later than the submission of the form to which they pertain, the 30-day period specified above shall commence with the date such classification of risks and premium rates are submitted to the commissioner.

h. The disapproval by the commissioner of any such form may be on the ground that:

   (1) the benefits are unreasonable in relation to the premium charged, or
   (2) such form contains provisions which are unjust, unfair, inequitable, misleading, contrary to law or to the public policy of this State, or
   (3) the policy is sold in such a manner as to mislead the insured, or
   (4) insurance under such policy is being solicited by means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the policy, specifying particulars.

i. The commissioner may exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof to which, in his opinion, this section may not practicably be applied, or the filing of which is, in his opinion, not desirable or necessary for the protection of the public.

17B:26-2 Form of policy; requirements.

a. No such policy of insurance shall be delivered or issued for delivery to any person in this State unless:

   (1) the entire money and other considerations therefor are expressed therein; and
   (2) the time at which the insurance takes effect and terminates is expressed therein; and
   (3) it purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policyholder, any 2 or more eligible members of that family, including husband, wife, dependent children or any children under
a specified age which shall not exceed 19 years and any other person
dependent upon the policyholder; and

(4) the style, arrangement and over-all appearance of the policy
give no undue prominence to any portion of the text, and unless
every printed portion of the text of the policy and of any endorse-
ments or attached papers is plainly printed in light-faced type of
a style in general use, the size of which shall be uniform and not
less than 10-point lower-case unspaced alphabet length not less
than 120-point (the "text" shall include all printed matter except
the name and address of the insurer, name or title of the policy,
the brief description if any, and captions and subcaptions); and

(5) the exceptions and reductions of indemnity are set forth in
the policy and, except those which are set forth in sections
17B:26-3 to 17B:26-31 inclusive, are printed, at the insurer’s
option, either included with the benefit provision to which they
apply, or under an appropriate caption such as "exceptions," or
"exceptions and reductions," provided that if an exception or
reduction specifically applies only to a particular benefit of the
policy, a statement of such exception or reduction shall be included
with the benefit provision to which it applies; and

(6) each such form, including riders and endorsements, shall be
identified by a form number in the lower left-hand corner of the
first page thereof; and

(7) it contains no provision purporting to make any portion of
the charter, rules, constitution, or by-laws of the insurer a part of
the policy unless such portion is set forth in full in the policy, ex-
cept in the case of the incorporation of, or reference to, a statement
of rates or classification of risks, or short-rate table filed with the
commissioner.

b. A policy under which coverage of a dependent of the policy-
holder terminates at a specified age shall, with respect to an un-
married child covered by the policy prior to the attainment of age
19, who is incapable of self-sustaining employment by reason of
mental retardation or physical handicap and who became so
incapable prior to attainment of age 19 and who is chiefly de-
pendent upon such policyholder for support and maintenance, not
so terminate while the policy remains in force and the dependent
remains in such condition, if the policyholder has within 31 days
of such dependent’s attainment of the limiting age submitted proof
of such dependent’s incapacity as described herein. The foregoing
provisions of this paragraph shall not require an insurer to insure
a dependent who is a mentally retarded or physically handicapped
CHAPTER 144, LAWS OF 1971  475

child where the policy is underwritten on evidence of insurability based on health factors set forth in the application or where such dependent does not satisfy the conditions of the policy as to any requirement for evidence of insurability or other provisions of the policy, satisfaction of which is required for coverage thereunder to take effect. In any such case the terms of the policy shall apply with regard to the coverage or exclusion from coverage of such dependent.

c. Notwithstanding any provision of a policy of health insurance, hereafter delivered or issued for delivery in this State, whenever such policy provides for reimbursement for any optometric service which is within the lawful scope of practice of a duly licensed optometrist, the insured under such policy shall be entitled to reimbursement for such service, whether the said service is performed by a physician or duly licensed optometrist.

d. If any policy is issued by an insurer domiciled in this State for delivery to a person residing in another State, and if the official having responsibility for the administration of the insurance laws of such other State shall have advised the commissioner that any such policy is not subject to approval or disapproval by such official, the commissioner may by ruling require that such policy meet the standards set forth in subsection a. of this section and in sections 17B:26-3 to 17B:26-31 inclusive.

17B:26-3 Required provisions.

Except as provided in section 17B:26-28 each such policy delivered or issued for delivery to any person in this State shall contain the provisions specified in sections 17B:26-4 to 17B:26-15 inclusive, in words in which the same appear in the applicable sections; provided, however, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner which are in each instance not less favorable in any respect to the insured or the owner, if other than the insured. Such provisions shall be preceded individually by the appropriate caption appearing in each of such sections or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

17B:26-4 Entire contract; changes.

There shall be a provision as follows:

Entire contract; changes: This policy, including the endorsements and the attached papers, if any, constitutes the entire con-
tract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

17B:26-5 Time limit on certain defenses.

There shall be a provision as follows:

Time limit on certain defenses:

a. After 2 years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such 2-year period.

   (1) The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial 2-year period, nor to limit the application of sections 17B:26-17 to 17B:26-21, inclusive, in the event of misstatement with respect to age or occupation or other insurance.

   (2) A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (a) until at least age 50 or, (b) in the case of a policy issued after age 44, for at least 5 years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE":

   After this policy has been in force for a period of 2 years during the lifetime of the insured, (excluding any period during which the insured is disabled) it shall become incontestable as to the statements contained in the application.

b. No claim for loss incurred or disability (as defined in the policy) commencing after 2 years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

17B:26-6 Grace period.

There shall be a provision as follows:

Grace period: A grace period of ............ (insert a number not less than "7" for weekly premium policies, "10" for monthly
 premium policies and "31" for all other policies) days will be
granted for the payment of each premium falling due after the
first premium, during which grace period the policy shall con­
tinue in force.

a. A policy which contains a cancellation provision may add, at
the end of the above provision:
Subject to the right of the insurer to cancel in accordance with
the cancellation provision hereof.

b. A policy in which the insurer reserves the right to refuse any
renewal shall have, at the beginning of the above provision:
Unless not less than 5 days prior to the premium due date the
insurer has delivered to the insured or has mailed to his last ad­
dress as shown by the records of the insurer written notice of its
intention not to renew this policy beyond the period for which the
premium has been accepted

17B:26-7 Reinstatement
There shall be a provision as follows:
Reinstatement: If any renewal premium be not paid within the
time granted the insured for payment, a subsequent acceptance of
premium by the insurer or by any agent duly authorized by the
insurer to accept such premium, without requiring in connection
therewith an application for reinstatement, shall reinstate the
policy; provided, however, that if the insurer or such agent re­
quires an application for reinstatement and issues a conditional
receipt for the premium tendered, the policy will be reinstated upon
approval of such application by the insurer or, lacking such ap­
proval, upon the forty-fifth day following the date of such condi­
tional receipt unless the insurer has previously notified the insured
in writing of its disapproval of such application. The reinstated
policy shall cover only loss resulting from such accidental injury
as may be sustained after the date of reinstatement and loss due
to such sickness as may begin more than 10 days after such date.
In all other respects the insured and insurer shall have the same
rights thereunder as they had under the policy immediately before
the due date of the defaulted premium, subject to any provisions
endorsed hereon or attached hereto in connection with the rein­
statement. Any premium accepted in connection with a reinstate­
ment shall be applied to a period for which premium has not been
previously paid, but not to any period more than 60 days prior to
the date of reinstatement.

(The last sentence of the above provision may be omitted from
any policy which the insured has the right to continue in force
subject to its terms by the timely payment of premiums a. until at least age 50 or, b. in the case of a policy issued after age 44, for at least 5 years from its date of issue.)

17B:26-8 Notice of claim.

There shall be a provision as follows:

Notice of claim: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at .................................. (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least 2 years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least 2 years, he shall, at least once in every 6 months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of 6 months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured’s right to any indemnity which would otherwise have accrued during the period of 6 months preceding the date on which such notice is actually given.)

17B:26-9 Claim forms.

There shall be a provision as follows:

Claim forms: The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.
17B:26-10  Proofs of loss.

There shall be a provision as follows:

Proofs of loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which the insurer is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than 1 year from the time proof is otherwise required.

17B:26-11  Time of payment of claims.

There shall be a provision as follows:

Time of payment of claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid ........................................... (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

17B:26-12  Payment of claims.

There shall be a provision as follows:

Payment of claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured’s death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

a. If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may
pay such indemnity, up to an amount not exceeding $.............
(insert an amount which shall not exceed $1,000.00), to any rela-
tive by blood or connection by marriage of the insured or bene-
ficiary who is deemed by the insurer to be equitably entitled
thereto. Any payment made by the insurer in good faith pursuant
to this provision shall fully discharge the insurer to the extent
of such payment.

b. Subject to any written direction of the insured in the applica-
tion or otherwise all or a portion of any indemnities provided by
this policy on account of hospital, nursing, medical, or surgical
services may, at the insurer’s option and unless the insured re-
quests otherwise in writing not later than the time of filing proofs
of such loss, be paid directly to the hospital or person rendering
such services; but it is not required that the service be rendered
by a particular hospital or person.)

17B:26-13 Physical examinations and autopsy.
There shall be a provision as follows:
Physical examinations and autopsy: The insurer at its own
expense shall have the right and opportunity to examine the person
of the insured when and as often as it may reasonably require
during the pendency of a claim hereunder and to make an autopsy
in case of death where it is not forbidden by law.

17B:26-14 Legal actions.
There shall be a provision as follows:
Legal actions: No action at law or in equity shall be brought to
recover on this policy prior to the expiration of 60 days after
written proof of loss has been furnished in accordance with the
requirements of this policy. No such action shall be brought after
the expiration of 3 years after the time written proof of loss is
required to be furnished.

17B:26-15 Change of beneficiary.
There shall be a provision as follows:
Change of beneficiary: Unless the insured makes an irrevocable
designation of beneficiary, the right to change of beneficiary is
reserved to the insured and the consent of the beneficiary or bene-
ficiaries shall not be requisite to surrender or assignment of this
policy or to any change of beneficiary or beneficiaries, or to any
other changes in this policy.

(The first clause of this provision, relating to the irrevocable
designation of beneficiary, may be omitted at the insurer’s option.)
CHAPTER 144, LAWS OF 1971

17B:26-16 Optional policy provisions.

Except as provided in section 17B:26-28, no policy of health insurance delivered or issued for delivery to any person in this State shall contain provisions respecting the matters set forth in sections 17B:26-17 to 17B:26-27 inclusive, unless such provisions are in the words in which the same appear in the applicable section; provided, however, that the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the commissioner which is not less favorable in any respect to the insured or the owner, if other than the insured. Any such provision contained in the policy shall be preceded individually by the caption appearing in the appropriate section or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner may approve.

17B:26-17 Change of occupation.

There may be a provision as follows:

Change of occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the State official having supervision of insurance in the State where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such State prior to the occurrence of the loss or prior to the date of proof of change in occupation.
17B:26-18 Misstatement of age.

There may be a provision as follows:

Misstatement of age: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

17B:26-19 Other insurance in this insurer.

There may be a provision as follows:

Other insurance in this insurer: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for ........................................
(insert type of coverage or coverages) in excess of $ ...........
(insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate.

or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

17B:26-20 Insurance with other insurers.

There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the “like amount” of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.
(If the foregoing policy provision is included in a policy which also contains the next following policy provision there shall be added to the caption of the foregoing provision the phrase "—Expense Incurred Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage.")

**17B:26-21 Insurance with other insurers.**

There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro-rata portion for the indemnities thus determined.

(If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase "—Other Benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as
to form by the commissioner, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen’s compensation or employer’s liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be “other valid coverage” of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as “other valid coverage.”)

17B:26-22 Relation of earnings to insurance.

There may be a provision as follows:

Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro-rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of two hundred dollars or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

(The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums a. until at least
age 50 or, b. in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other State of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner or any combination of such coverages. In the absence of such definition such terms shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workmen’s compensation or employer’s liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.)

178:26-23 Unpaid premium.
There may be a provision as follows:

Unpaid premium: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom.

178:26-24 Cancellation.
There may be a provision as follows:

Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice.

In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the State official having supervision of insurance in the State where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro-rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

178:26-25 Conformity with State statutes.
There may be a provision as follows:

Conformity with State statutes: Any provision of this policy which, on its effective date, is in conflict with the statutes of the
State in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

17B:26-26 Illegal occupation.

There may be a provision as follows:

Illegal occupation: The insurer shall not be liable for any loss to which a contributing cause was the insured’s commission of or attempt to commit a felony or to which a contributing cause was the insured’s being engaged in an illegal occupation.

17B:26-27 Intoxicants and narcotics.

There may be a provision as follows:

Intoxicants and narcotics: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured’s being intoxicated or under the influence of any narcotic unless administered on the advice of a physician.

17B:26-28 Inapplicable or inconsistent provisions.

If any provision of sections 17B:26-3 to 17B:26-31, inclusive, is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

17B:26-29 Order of certain policy provisions.

The provisions which are the subject of sections 17B:26-3 to 17B:26-27, inclusive, or any corresponding provisions which are used in lieu thereof in accordance with such sections, shall be printed in the consecutive order of the provisions in such sections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

17B:26-30 Third party ownership.

The word “insured,” as used in this chapter, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.
17B:26-31 Requirements of other jurisdictions.
   a. Any policy of a foreign or alien insurer, when delivered or issued for delivery to any person in this State, may contain any provision which is not less favorable to the insured or the owner, if other than the insured, than the provisions of this chapter and which is prescribed or required by the law of the State under which the insurer is organized.

   b. Any policy of a domestic insurer may, when issued for delivery in any other State or country, contain any provision permitted or required by the laws of such other State or country.

17B:26-32 Other policy provisions.
   No policy provision which is not subject to sections 17B:26-3 to 17B:26-31, inclusive, of this chapter shall make a policy, or any portion thereof, less favorable in any respect to the insured or the owner, if other than the insured, than the provisions thereof which are subject to this chapter.

17B:26-33 Policy conflicting with this chapter.
   A policy delivered or issued for delivery to any person in this State in violation of this chapter shall be held valid but shall be construed as provided in this chapter. When any provision in a policy subject to this chapter is in conflict with any provision of this chapter, the rights, duties and obligations of the insurer, the insured or the owner, if other than the insured, shall be governed by the provisions of this chapter.

17B:26-34 Time limit on certain defenses with respect to reinstatement.
   A policy provision complying with the requirements of section 17B:26-5, relating to a time limit on certain defenses, shall also apply to any reinstatement of the policy except that the period of time established by such provision shall commence with the date of the reinstatement instead of the date of issue of the policy.

17B:26-35 Waiver of rights of insurer.
   The acknowledgement by any insurer of the receipt of notice given under any policy covered by this chapter, or the furnishing of forms for filing proofs of loss, or the acceptance of such proofs, or the investigation of any claim thereunder shall not operate as a waiver of any of the rights of the insurer in defense of any claim arising under such policy.

17B:26-36 Age limit.
   If any policy contains a provision establishing, as an age limit or otherwise, a date after which the coverage provided by the pol-
icy will not be effective, and if such date falls within a period for which premium is accepted by the insurer or if the insurer accepts a premium after such date, the coverage provided by the policy will continue in force subject to any right of cancellation until the end of the period for which premium has been accepted. In the event the age of the insured has been misstated and if, according to the correct age of the insured, the coverage provided by the policy would not have become effective, or would have ceased prior to the acceptance of such premium or premiums, then the liability of the insurer shall be limited to the refund, upon request, of all premiums paid for the period not covered by the policy.

17B:26-37 Scope of chapter.
Nothing in this chapter shall apply to or affect a. any policy of workmen’s compensation insurance or any policy of liability insurance with or without supplementary coverage therein as authorized by section 17:28-1; or b. any policy or contract of reinsurance; or c. any blanket or group policy of insurance; or d. life insurance or annuity contracts, or contracts supplemental thereto, which contain only such provisions relating to health insurance as (1) providing for additional benefits in event of death by accident or accidental means or in event of dismemberment or loss of sight, or (2) safeguarding such insurance or annuity against lapse or giving a special surrender value or special benefit or an annuity in the event that the insured or the annuitant shall become totally and permanently disabled.

17B:26-38 Penalty.
Any person who delivers or issues for delivery to any person in this State any policy in willful violation of the provisions of this chapter shall be liable to a penalty not exceeding $500.00 for each offense to be collected by the commissioner in the name of the State in a summary proceeding in accordance with the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.).

ARTICLE 1. GROUP LIFE INSURANCE

17B:27-1 Requirements.

No policy of group life insurance shall be delivered or issued for
delivery in this State unless it conforms to one of the descriptions

17B:27-2 Employer groups.

A policy issued to an employer, or to the trustees of a fund
established by an employer, which employer or trustees shall be
deemed the policyholder, to insure employees of the employer for
the benefit of persons other than the employer, subject to the fol­
lowing requirements:

a. The employees eligible for insurance under the policy shall
be all of the employees of the employer, or all of any class or
classes thereof determined by conditions pertaining to their em­
ployment or by a combination of such conditions and conditions
pertaining to the family status of the employees. The policy may
provide that the term "employees" shall include the employees of
one or more subsidiary corporations and the employees, individual
proprietors and partners of one or more affiliated corporations,
proprietors or partnerships if the business of the employer and
such affiliated corporations, proprietors or partnerships is under
common control through stock ownership, contract or otherwise.
The policy may provide that the term "employees" shall include
the individual proprietor or partners if the employer is an indi­
vidual proprietor or a partnership. The policy may provide that
the term "employees" shall include retired employees. No direc­
tor of a corporate employer shall be eligible for insurance under
the policy unless such person is otherwise eligible as a bona fide
employee of the corporation by performing services other than
the usual duties of a director. No individual proprietor or partner
shall be eligible for insurance under the policy unless he is actively
engaged in and devotes a substantial part of his time to the conduct
of the business of the proprietor or partnership. The policy may
provide that the term "employees" shall include the trustees or
their employees, or both, if their duties are principally connected
with such trusteeship.

b. The premium for the policy shall be paid by the policy­
holder, either wholly from the employer's funds or funds contrib­
uted by him, or partly from such funds and partly from funds
contributed by the insured employees. No policy may be issued
on which the entire premium is to be derived from funds con­
tributed by the insured employees. A policy on which part of the
premium is to be derived from funds contributed by the in­sured employees may be placed in force only if at least 75% of
the then eligible employees, excluding any as to whom evidence of
individual insurability is not satisfactory to the insurer, elect to
make the required contributions. A policy on which no part of the
premium is to be derived from funds contributed by the insured
employees must insure all eligible employees or all except any as
to whom evidence of individual insurability is not satisfactory to
the insurer.

c. The policy must cover at least 10 employees at date of issue.

d. The amounts of insurance under the policy must be based
upon some plan precluding individual selection either by the em­
ployees or by the employer or trustees.

17B:27-3  Credit groups.

A policy issued to a creditor or to a trustee or trustees or agent
designated by two or more creditors, which creditor, trustee,
trustees or agent shall be deemed to be the policyholder, to insure
debtors of the creditor or creditors subject to the following require­
ments:

a. The debtors eligible for insurance under the policy shall be
all of the debtors of the creditor or all except any as to whom evi­
dence of individual insurability is not satisfactory to the insurer
whose indebtedness is repayable either (1) in installments, or (2)
in one sum at the end of a period not in excess of 18 months from
the initial date of debt, or all of any class or classes thereof deter­
mined by conditions pertaining to the indebtedness or to the pur­
chase giving rise to the indebtedness. The policy may provide that
the term "debtors" shall include the debtors of one or more sub­sidiary corporations and the debtors of one or more affiliated
corporations, proprietors or partnerships, if the business of the
policyholder and of such affiliated corporations, proprietors or
partnerships is under common control through stock ownership,
contract, or otherwise. The term "debtors" may also include in­
tended borrowers pursuant to a program for defraying the cost
of attendance of a student at a college or a university, which pro­
gram shall include provision for immediate periodic payments by
the parent or guardian of such student and a loan commitment to
such parent or guardian by a financial institution or by or in behalf
of a college or university to defray the cost of attendance at such
college or university in excess of the accumulated periodic payment by the parent or guardian.

b. The premiums for the policy shall be paid by the policyholder, either from the creditor's funds or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least 75% of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges must insure all eligible debtors or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to require evidence of individual insurability if less than 75% of the new entrants become insured. The policy may exclude from the classes eligible for insurance classes of debtors determined by age.

d. The amount of insurance on any person insured under a policy shall not at any time exceed the lesser of (1) the amount of unpaid indebtedness due from such person or in the case of an outstanding loan commitment under a program for defraying the cost of attendance of a student at a college or a university, the balance of any outstanding loan commitment reduced by scheduled periodic payments by the debtor, and (2) in the case of transactions secured by a real estate mortgage, the sum of $30,000.00, and, in all other cases, $20,000.00. Where the indebtedness is repayable in one sum to the creditor the insurance on the life of any debtor shall in no instance be in effect for a period in excess of 18 months except that such insurance may be continued for an additional period not exceeding 6 months in the case of default, extension or recasting of the loan.

e. The insurance shall be payable to the policyholder, and such payments shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment.
17B:27-4 Labor union groups.

A policy issued to a labor union, which shall be deemed the policyholder, to insure members of such union for the benefit of persons other than the union or any of its officials, representatives or agents, subject to the following requirements:

a. The members eligible for insurance under the policy shall be all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the union, or both or by a combination of such conditions and conditions pertaining to the family status of the members.

b. The premium for the policy shall be paid by the policyholder, either wholly from the union’s funds or partly from such funds and partly from funds contributed by the insured members specifically for their insurance. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured members specifically for their insurance. A policy on which part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least 75% of the then eligible members, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy must cover at least 10 members at date of issue.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the union.

17B:27-5 Trustee groups.

A policy issued to the trustees of a fund established by two or more employers in the same industry, or in related industries, or by one or more labor unions or by one or more employers and one or more labor unions, which trustees shall be deemed the policyholder to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the unions, subject to the following requirements:
a. The persons eligible for insurance shall be all of the employees of the employers or all of the members of the unions, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or to both or by a combination of such conditions and conditions pertaining to the family status of the employees or members. The policy may provide that the term "employees" shall include retired employees, and the individual proprietors or partners if an employer is an individual proprietor or partnership. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship. If the fund is established by the members of an association of employers, the policy may provide that the term "employees" shall include the employees of the association.

b. The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or partly from such funds and partly from funds contributed by the insured persons, provided that the contributions of the insured persons toward the cost of insurance shall not exceed $.60 monthly per $1,000 of insurance unless the commissioner approves greater contributions for all or any category or categories of insured persons which, in the opinion of the commissioner, are equitable. A policy on which part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance may be placed in force only if at least 75% of the then eligible persons, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance must insure all eligible persons or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy must cover at date of issue at least 100 persons; and it must cover an average of not less than 3 persons per
employer unit unless the policy is issued to the trustees of a fund established by employers which have assumed obligations through a collective bargaining agreement and are participating in the fund either pursuant to those obligations with respect to one or more classes of their employees which are encompassed in the collective bargaining agreement or as a method of providing insurance benefits for other classes of their employees, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons, policyholder, employers or unions.

17B:27-6 State Policemen's Benevolent Association and fraternal order of police groups.

A policy issued to a duly incorporated State Policemen's Benevolent Association or Fraternal Order of Police, which association or order shall be deemed the policyholder, to insure members of such association or order for the benefit of persons other than the association, order or any of its officials, subject to the following requirements:

a. The persons eligible for insurance under the policy shall be all of the members of the association or order or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the association, order, or both.

b. The premium for the policy shall be paid by the policyholder wholly from the association's or order's funds. No policy may be issued on which any part of the premium is to be derived from funds contributed by the insured members specifically for their insurance. The policy must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy must cover at least 10 members at date of issue.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or the association or order. In no event may the amount of insurance under the policy on a member exceed $5,000.00.

17B:27-7 Credit union shareholder groups.

A policy issued to a credit union or to the trustees of a fund established by one or more credit unions, which credit union or trustees shall be deemed the policyholder to insure members of such credit union or credit unions for the benefit of persons other
than the credit union or credit unions or trustees or any of their officials, subject to the following requirements:

a. The members eligible for insurance shall be all of the members of the credit union or credit unions, or all of any class or classes thereof determined by conditions pertaining to membership in the credit union or credit unions. The policy may exclude from the classes eligible for insurance classes of members determined by age.

b. The premium for the policy shall be paid by the policyholder, either wholly from the funds of the credit union or credit unions, or partly from such funds and partly from funds contributed by the insured members specifically for their insurance, or wholly from funds contributed by the insured members specifically for their insurance. A policy on which all or a part of the premium is to be derived from funds contributed by the insured members specifically for their insurance may be placed in force only if at least seventy-five per cent of the then eligible members of each credit union, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured members specifically for their insurance must insure all eligible members, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

c. The policy must cover at least twenty-five members at date of issue.

d. The amount of the insurance on the life of any member cannot exceed the amount of his share account and the amounts of insurance under the policy must be based upon some plan precluding individual selection either by the members or by the credit union or credit unions.

17B:27-8 Group associations.

A policy issued to a duly incorporated nonprofit religious or charitable association or corporation, which has been in existence for more than 1 year at the time of issuance of the policy and which was not formed for the exclusive purpose of procuring insurance, which association or corporation shall be deemed the policyholder, to insure members of such association or corporation for the benefit of the association or corporation or of persons named by the insured members for the purpose of carrying out the duly stated objectives of the association or corporation, subject to the following requirements:
a. The persons eligible for insurance under the policy shall be all of the members of the association or corporation or all of any class or classes thereof determined by conditions pertaining to membership in the association or corporation.

b. The premium for the policy shall be paid by the policyholder or the insured members, or by both jointly.

c. The policy must cover at least 100 members at date of issue and, if any part of the premium is to be paid by the insured members, shall cover not less than 75% of such eligible members, exclusive of any as to whom evidence of individual insurability is not satisfactory to the insurer.

d. The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured members or by the policyholder.

17B:27-9 Dependents.

Any policy issued pursuant to sections 17B:27-2, 17B:27-4 and 17B:27-5 may be extended to insure the employees or members against loss due to the death of their spouses and dependent or minor children, or any class or classes thereof, subject to the following requirements:

a. The premium for the insurance shall be paid by the policyholder, either from the employer's or union's funds or from funds contributed by the insured employees or members, or from both. If any part of the premium is to be derived from funds contributed by the insured employees or members, the insurance with respect to spouses and children may be placed in force only if at least 75 per cent of the then eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, elect to make the required contribution. If no part of the premium is to be derived from funds contributed by the employees or members, all eligible employees or members, excluding any as to whose family members evidence of insurability is not satisfactory to the insurer, must be insured with respect to their spouses and children;

b. The amounts of insurance must be based upon some plan precluding individual selection either by the employees or members or by the policyholder, employer or union and shall not exceed, with respect to any spouse or child, 50% of the insurance on the life of such employee or member or $5,000, whichever is less, provided, however, the amount for a child whose age at death is less than 6 months shall not exceed $100.
c. Upon termination of the insurance with respect to the members of the family of any employee or member by reason of the employee’s or member’s termination of employment, termination or membership in the class or classes eligible for coverage under the policy, or death, the spouse shall be entitled to have issued by the insurer, without evidence of insurability, an individual policy of life insurance without disability or other supplementary benefits, providing application for the individual policy is made, and the first premium paid to the insurer, within 31 days after such termination, subject to the requirements of subsections a., b. and c. of section 17B:27-19. If the group policy terminates or is amended so as to terminate the insurance of any class of employees or members and the employee or member is entitled to have issued an individual policy under section 17B:27-20, the spouse shall also be entitled to have issued by the insurer an individual policy, subject to the conditions and limitations provided above and in said section 17B:27-20. If the spouse dies within the period during which he would have been entitled to have an individual policy issued in accordance with this subsection and before such an individual policy becomes effective, the amount of life insurance which he would have been entitled to have issued under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made;

d. Notwithstanding the provisions of section 17B:27-18, only one certificate need be issued for delivery to an insured person if a statement concerning any dependents’ coverage is included in such certificate.

17B:27-10 Standard provisions.

No policy of group life insurance shall be delivered or issued for delivery in this State unless it contains in substance the following provisions in sections 17B:27-11 to 27B:27-21, inclusive, provided, however, a. that sections 17B:27-17 to 17B:27-21, inclusive, shall not apply to policies issued in accordance with section 17B:27-3, but sections 17B:27-22 and 23 shall be applicable to such policies, and that sections 17B:27-19 to 17B:27-21, inclusive, shall not apply to policies issued in accordance with section 17B:27-7; b. that the provisions required for individual life insurance policies shall not apply to group life insurance policies; and c. that if the group life insurance policy is on a plan of insurance other than the term plan, it shall contain a nonforfeiture provision or provisions which in the opinion of the commissioner is or are equitable to the
insured persons and to the policyholder, but nothing herein shall be construed to require that group life insurance policies contain the same form of nonforfeiture provisions as are required for individual life insurance policies. Any policy of group life insurance may be delivered in this State which in the opinion of the commissioner contains provisions as favorable to the persons insured and to the policyholder as the following provisions and may be issued by any insurer of this State for delivery outside of this State when containing provisions in addition to or differing from the following provisions; provided, such policy conforms to the laws of the State or country in which it is delivered.

17B:27-11 Grace period.

There shall be a provision that the policyholder is entitled to a grace period of 31 days for the payment of any premium due except the first, during which grace period the death benefit coverage shall continue in force, unless the policyholder shall have given the insurer written notice of discontinuance in advance of the date of discontinuance and in accordance with the terms of the policy. The policy may provide that the policyholder shall be liable to the insurer for the payment of a pro rata premium for the time the policy was in force during such grace period.

17B:27-12 Incontestable clause.

There shall be a provision that the validity of the policy shall not be contested, except for nonpayment of premiums, after it has been in force for 2 years from its date of issue; and that no statement made by any person insured under the policy relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of 2 years during such person’s lifetime nor unless it is contained in a written instrument signed by him.

17B:27-13 Application; statements not warranties; entire contract.

There shall be a provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall be used in any contest unless a copy of the instrument containing the statement is or has been furnished to such person or to his beneficiary.

17B:27-14 Evidence of insurability.

There shall be a provision setting forth the conditions, if any, under which the insurer reserves the right to require a person eligible for insurance to furnish evidence of individual insurability
satisfactory to the insurer as a condition to part or all of his coverage.

17B:27-15 Age adjustments.
There shall be a provision specifying an equitable adjustment of premiums or of benefits or of both to be made in the event the age of a person insured has been misstated, such provision to contain a clear statement of the method of adjustment to be used. This provision need not be included in a policy where premiums are not based upon age.

17B:27-16 Participating policies.
In participating policies, there shall be a provision that the policy shall participate in the divisible surplus of the insurer as determined by the insurer and that the insurer shall determine annually the extent of such participation, if any; and that the policyholder shall have the right to any dividend arising from the participation paid in cash unless another dividend option contained in the policy has been elected.

17B:27-17 Beneficiary; facility of payment.
There shall be a provision that any sum becoming due by reason of the death of the person insured shall be payable to the beneficiary designated by the person insured except where the policy contains conditions pertaining to family status, the beneficiary may be the family member specified by the policy terms, subject to the provisions of the policy in the event there is no such designated or specified beneficiary, as to all or any part of the insurance payable, living at the death of the person insured, and subject to any right reserved by the insurer in the policy and set forth in the certificate to pay at its option a part of such sum not exceeding $500.00 to any person appearing to the insurer to be equitably entitled thereto by reason of having incurred funeral or other expenses incident to the last illness or death of the person insured.

17B:27-18 Certificates.
There shall be a provision that the insurer will issue to the policyholder for delivery to each person insured a certificate setting forth a statement as to the insurance protection to which he is entitled, to whom the insurance benefits are payable, and the rights and conditions set forth in sections 17B:27-19, 17B:27-20 and 17B:27-21 following.

17B:27-19 Conversion on termination of employment or membership.
There shall be a provision that if the insurance, or any portion of it, on a person covered under the policy ceases because of termination of employment or of membership in the class or classes
eligible for coverage under the policy, such person shall be entitled to have issued to him by the insurer, without evidence of insurability, an individual policy of life insurance without disability or other supplementary benefits, provided application for the individual policy shall be made, and the first premium paid to the insurer, within 31 days after such termination, and provided further that,

a. the individual policy shall, at the option of such person, be on any one of the forms, except term insurance, then customarily issued by the insurer at the age and for the amount applied for;

b. the individual policy shall be in an amount not in excess of the amount of life insurance which ceases because of such termination less the amount of any life insurance for which such person is or becomes eligible within 31 days after such termination under the same or any other group policy; provided, that any amount of insurance which shall have matured on or before the date of such termination as an endowment payable to the person insured, whether in one sum or in installments or in the form of an annuity, shall not, for the purposes of this provision, be included in the amount which is considered to cease because of such termination; and

c. the premium on the individual policy shall be at the insurer's then customary rate applicable to the form and amount of the individual policy, to the class of risk to which such person then belongs, and to his age attained on the effective date of the individual policy.

17B:27-20 Conversion on termination or amendment of policy.
There shall be a provision that if the group policy terminates or is amended so as to terminate the insurance of any class of insured persons, every person insured thereunder at the date of such termination whose insurance terminates and who has been so insured for at least 5 years prior to such termination date shall be entitled to have issued to him by the insurer an individual policy of life insurance, subject to the same conditions and limitations as are provided by section 17B:27-19 above, except that the group policy may provide that the amount of such individual policy shall not exceed the smaller of

a. the amount of the person’s life insurance protection ceasing because of the termination or amendment of the group policy, less the amount of any life insurance for which he is or becomes eligible under any group policy issued or reinstated by the same or another insurer within 31 days after such termination, and

b. $2,000.00.
CHAPTER 144, LAWS OF 1971 503

17B:27-21 Death within conversion period.

There shall be a provision that if a person insured under the group policy dies during the period within which he would have been entitled to have an individual policy issued to him in accordance with section 17B:27-19 or section 17B:27-20 above and before such an individual policy shall have become effective, the amount of life insurance which he would have been entitled to have issued to him under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made.

17B:27-22 Certificate to debtors.

In the case of a policy issued in accordance with section 17B:27-3 above there shall be a provision that the insurer will furnish to the policyholder for delivery to each debtor insured under the policy a form which shall contain a statement that the life of the debtor is insured under the policy and that any death benefit paid thereunder by reason of his death shall be applied to reduce or extinguish the indebtedness.

17B:27-23 Conversion privilege of debtors on assignment by creditor of indebtedness requiring installment payments of more than 10 years.

In the case of a policy issued in accordance with section 17B:27-3 above, which provides that each insured debtor whose protection under the group insurance policy terminates by reason of absolute assignment by the creditor of the insured debtor's indebtedness for the discharge of which the debtor when incurring the same had agreed upon installment payments over a period of more than 10 years, there shall be a provision that each insured debtor shall be entitled to have issued to him by the insurer, without evidence of insurability, upon application made to the insurer and upon the payment of the premium applicable to the class of risk to which he belongs and to the form and amount of the policy at his then attained age within 31 days after such assignment of the indebtedness, an individual policy of life insurance; provided, such individual policy of life insurance so issued shall be in any one of the level premium forms customarily issued by the insurer, except term insurance, in an amount equal to the amount of his protection terminated under the group insurance policy because of such assignment, less the amount of insurance for which such insured debtor may become eligible and qualify under any group insurance policy in effect with the assignee at the date of the assignment or issued to the assignee within such period of 31 days; and provided further, that in the event that such assignment of
the indebtedness shall have been made by the creditor at the request of the insured debtor, the insurer may require satisfactory evidence of such debtor's insurability before making such individual policy of life insurance effective. If such insured debtor dies during the period within which he would have been entitled to have an individual policy issued to him in accordance with this provision and before such an individual policy shall have become effective, the amount of life insurance which he would have been entitled to have issued to him under such individual policy shall be payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium therefor has been made.

17B:27-24 Notice of conversion rights under group life insurance.

If any individual insured under a group life insurance policy hereafter delivered in this State becomes entitled under the terms of such policy to have an individual policy of life insurance issued to him without evidence of insurability, subject to the making of application and payment of the first premium within the period specified in such policy, and if such individual is not given notice of the existence of such right at least 15 days prior to the expiration date of such period, then the individual shall have an additional period within which to exercise such right; but nothing herein shall be construed to continue any insurance under the policy beyond the period provided in the policy. Such additional period shall expire 15 days next after the individual is given such notice, but in no event shall such additional period extend beyond 60 days next after the expiration date of the period provided in such policy. Written notice presented to the individual, or mailed by the policyholder to the last known address of the individual, or mailed by the insurer to the last known address of the individual as furnished by the policyholder, shall constitute notice for the purposes hereof.

17B:27-25 Filing of forms.

a. No group life insurance policy, or application where written application is required and is to be made a part of such policy, certificate, printed rider or endorsement for use with such policy, shall be delivered or issued for delivery in this State unless the form thereof has been submitted to and filed by the commissioner.

b. At the expiration of 30 days after submission the form shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved for filing by the commissioner.
c. If any such form is disapproved for filing by the commissioner during said 30-day period, it may not be so delivered or issued for delivery unless and until such disapproval for filing is withdrawn. Such disapproval shall be subject to review in accordance with the procedure described in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder.

Any such form which is filed by the commissioner or deemed filed may be so delivered or issued for delivery until such time as any subsequent withdrawal of the filing by the commissioner, following an opportunity for a hearing held in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder, becomes final in accordance therewith.

d. The commissioner may extend the 30-day period referred to above for not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section, except this provision for extension, relating to the initial 30-day period shall apply to the extended period instead of such initial 30-day period.

e. The disapproval for filing or the withdrawal of the filing of any such form by the commissioner must state in writing the grounds therefor in such detail as reasonable to inform the insurer thereof.

f. This section shall not apply to documents which relate only to the manner of distribution of benefits or to the reservation of rights and benefits under such policies and which are used at the request of the individual insured or policyholder.

g. The disapproval by the commissioner of any such form may be on the ground that such form contains provisions which are unjust, unfair, inequitable, misleading, contrary to law or to the public policy of this State.

ARTICLE 2. GROUP HEALTH AND BLANKET INSURANCE

17B:27-26 Definitions and requirements.

Any policy or contract of health insurance which covers more than one person, other than a blanket insurance policy, or a policy issued pursuant to section 17B:26-2a(3), shall be deemed a group health insurance policy. No group health insurance policy may be delivered or issued for delivery in this State unless it conforms to one of the descriptions set forth in sections 17B:27-27 to 17B:27-29, inclusive.
17B:27-27 Employer, trustee, labor union, association groups.
A policy issued to an employer or to the trustees of a fund
established by one or more employers, or issued to a labor union,
or issued to an association formed for purposes other than ob­
taining such insurance, or issued to the trustees of a fund estab­
lished by one or more labor unions or by one or more employers
and one or more labor unions, insuring employees and members
of associations or labor unions.

17B:27-28 Other groups as permitted under group life insurance.
Group health insurance may also be provided under a policy
issued to cover such other groups as may be covered for group
life insurance.

17B:27-29 Discretionary groups.
A policy issued to insure any other group which, in the opinion
of the commissioner, may be insured for group health insurance in
accordance with sound underwriting principles.

17B:27-30 Dependents.
Benefits of group health insurance, except benefits for loss of
time on account of disability, may be provided for one or more
members of the families or one or more dependents of persons
who may be insured under a group policy referred to in sections
17B:27-27, 17B:27-28 or 17B:27-29. Any group health insurance
policy which contains provisions for the payment by the insurer
of benefits for expenses incurred on account of hospital, nursing,
medical, or surgical services for members of the family or de­
pendents of a person in the insured group may provide for the
continuation of such benefit provisions, or any part or parts
thereof, after the death of the person in the insured group.
A policy under which coverage of a dependent of an employee
or other member of the insured group terminates at a specified age
shall, with respect to an unmarried child covered by the policy
prior to the attainment of age 19, who is incapable of self-sustain­ing
employment by reason of mental retardation or physical handi­
cap and who became so incapable prior to attainment of age 19 and
who is chiefly dependent upon such employee or member for sup­
port and maintenance, not so terminate while the insurance of the
employee or member remains in force and the dependent remains
in such condition, if the insured employee or member has within
31 days of such dependent’s attainment of the termination age
submitted proof of such dependent’s incapacity as described herein.
The foregoing provision of this paragraph shall not require an
insurer to insure a dependent who is a mentally retarded or
physically handicapped child of an employee or other member of
the insured group where such dependent does not satisfy the con­
ditions of the group policy as to any requirements for evidence of
insurability or other provisions as may be stated in the group
policy required for coverage thereunder to take effect. In any
such case the terms of the policy shall apply with regard to the
coverage or exclusion from coverage of such dependent.

17B:27-31 "Employees" defined.
The policy may provide that the term "employees" shall in­
clude as employees of a single employer the employees of one or
more subsidiary corporations and the employees, individual pro­
prietors and partners of affiliated corporations, proprietorships
and partnerships if the business of the employer and such corpo­
rations, proprietorships or partnerships is under common control
through stock ownership, contract or otherwise. The policy may
provide that the term "employees" shall include the individual
proprietor or partners of an individual proprietorship or a part­
nership. The policy may provide that the term "employees"
shall include retired employees. A policy issued to trustees may
provide that the term "employees" shall include the trustees or
their employees, or both, if their duties are principally connected
with such trusteeship. A policy issued to the trustees of a fund
established by the members of an association of employers may
provide that the term "employees" shall include the employees of
the association.

17B:27-32 Blanket insurance.
a. Any policy or contract of insurance against death or injury
resulting from accident or from accidental means which conforms
with the description and complies with the requirements contained
in one of the following paragraphs shall be deemed a blanket in­
surance policy.

(1) A policy or contract issued to any railroad, steamship, motor
bus or airplane carrier of passengers, which carrier shall be
deemed the policyholder, covering a group defined as all persons
who may become such passengers and whereby such passengers
shall be insured against loss or damage resulting from death or
bodily injury either while, or as a result of, being such passengers.

A policy or contract covering accidental death or injury to
individuals resulting from airline accidents may also be issued
under which premiums are paid from funds of the airline and the
benefits are payable to the airline or to a trust established for the
purpose of funding payments to persons with claims against the
airline by reason of the death or bodily injury of individuals.

(2) A policy or contract issued in the name of any volunteer
fire department, first aid or ambulance squad or volunteer police
organization which shall be deemed the policyholder and covering
all of the members of any such organization against loss from
accidents resulting from hazards incidental to duties in connection
with such organizations.

(3) A policy or contract issued in the name of any established
organization, whether incorporated or not, having community
recognition and operating for the welfare of the community and
not for profit which shall be deemed the policyholder and covering
all volunteer workers who are members of the organization and
who serve without pecuniary compensation against loss from ac­
cidents occurring while engaged in the actual performance of duties
on behalf of such organization.

(4) A policy or contract issued to any employer, who shall be
deemed the policyholder, covering any group of employees defined
by reference to exceptional hazards incident to such employment,
insuring such employees against death or bodily injury resulting
while or from being exposed to such exceptional hazards.

(5) A policy or contract issued to a college, school, or other
institution of learning or to the head or principal thereof, who or
which shall be deemed the policyholder.

(6) A policy or contract issued to and in the name of an in­
corporated or unincorporated association of persons having a
common interest or calling, which association shall be deemed the
policyholder, having not less than 50 members, covering all the
members of such association, or if part or all of the premium is to
be derived from funds contributed by the insured members and if
the opportunity to take such insurance is offered to all eligible
members, then such policy must cover not less than 75% of any
class or classes of members determined by conditions pertaining to
memberships in the association.

(7) A policy or contract issued to insure any other substantially
similar group approved by the commissioner as eligible for insur­
ance under a blanket insurance policy or contract.

b. Nothing contained in this section shall be deemed to affect the
legal liability of policyholders for the death of or injury to any
such member of such group.
CHAPTER 144, LAWS OF 1971 509

17B:27-33 Standard provisions.

No policy of group health or blanket insurance and no certificate thereunder shall be delivered or issued for delivery in this State unless the policy contains in substance all the provisions specified in sections 17B:27-34 to 17B:27-46 following.

17B:27-34 Application; statements.

There shall be a provision that a copy of the application, if any, of the policyholder shall be attached to the policy when issued, that all statements made by the policyholder or by the persons insured shall be deemed representations and not warranties, and that no statement made by any person insured shall avoid the insurance or reduce benefits thereunder unless contained in a written instrument signed by the person insured.

17B:27-35 Policy changes.

There shall be a provision that no agent has authority to change the policy or to waive any of its provisions and that no change in the policy shall be valid unless approved by an officer of the insurer and evidenced by endorsement on the policy, or by amendment to the policy signed by the policyholder and the insurer.

17B:27-36 New entrants.

There shall be a provision that all new employees or new members, as the case may be, in the groups or classes eligible for such insurance must be added to such eligible groups or classes.

17B:27-37 Payment of premiums.

There shall be a provision that all premiums due under the policy shall be remitted by the employer or employers of the persons insured, by the policyholder, or by some other designated person acting on behalf of the association or group insured, to the insurer on or before the due date thereof with such period of grace as may be specified therein.

17B:27-38 Certificate.

There shall be a provision that the insurer shall issue to the employer, the policyholder, or other person or association in whose name such policy is issued, for delivery to each employee or member, a certificate setting forth in summary form a statement of the essential features of the insurance coverage, to whom the benefits thereunder are payable, and in substance the provisions of sections 17B:27-39 to 17B:27-46, inclusive of this chapter. This section shall not apply to blanket policies issued pursuant to section
Neither 17B:27-32a(1) nor 17B:27-32a(3) of this act, nor to group health policies insuring a private plan under the Temporary Disability Benefits Law, if reasonable notice of the benefits provided thereby is furnished to the covered employees by direct notification or by conspicuous posting at the place of employment. If family members or dependents are included in the coverage, only one certificate need be issued for each family unit.

17B:27-39 Age limits.

There shall be a provision specifying the ages, if any there be, to which the insurance provided therein shall be limited; and the ages, if any there be, for which additional restrictions are placed on benefits, and the additional restrictions placed on the benefits at such ages.

17B:27-40 Notice of loss.

There shall be a provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when such sickness or injury occurred. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

17B:27-41 Proof of loss.

There shall be a provision that in the case of claim for loss of time for disability, written proof of such loss must be furnished to the insurer within 30 days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of such disability must be furnished to the insurer at such intervals as the insurer may reasonably require, and that in the case of claim for any other loss, written proof of such loss must be furnished to the insurer within 90 days after the date of such loss. Failure to furnish such proof within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof and that such proof was furnished as soon as was reasonably possible.

17B:27-42 Forms for proof.

There shall be a provision that the insurer will furnish to the person making claim, or to the policyholder for delivery to such person, such forms as are usually furnished by it for filing proof of loss. If the person making claim does not receive such forms before the expiration of 15 days after the insurer receives notice of any claim under the policy, the person making such claim shall be deemed to have complied with the requirements of the policy.
as to proof of loss upon submitting within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character and extent of the loss for which claim is made.

**17B:27-43 Examination, autopsy.**

There shall be a provision that the insurer shall have the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy in case of death where it is not prohibited by law.

**17B:27-44 Time of benefit payment.**

There shall be a provision that all benefits payable under the policy other than benefits for loss of time will be payable not more than 60 days after receipt of proof, and that, subject to due proof of loss, all accrued benefits payable under the policy for loss of time will be paid not later than at the expiration of each period of 30 days during the continuance of the period for which the insurer is liable, and that any balance remaining unpaid at the termination of such period will be paid immediately upon receipt of such proof.

**17B:27-45 Beneficiary; direct payment to hospitals and other purveyors of services.**

There shall be a provision that indemnity for loss of life of the insured shall be payable to the beneficiary or beneficiaries designated by the insured, other than the policyholder or an officer thereof as such, or if no beneficiary is designated, to such other person or persons as shall be specified in the policy; and that all other indemnities of the policy are payable to the employee or member, except that, at the request of the employee or member or in the event of his death, payment of benefits to the extent of expenses incurred on account of hospitalization may be made by the insurer to the hospital and except that the group policy may provide that all or any portion of any benefits on account of hospital, nursing, medical or surgical services may, at the insurer's option, be paid directly to the hospital or person rendering such services provided, further that authorization for any such payments has been obtained from the insured. If a beneficiary is designated, the consent of the beneficiary shall not be requisite to change of beneficiary or to any other changes in the policy or certificate except as may be specifically provided by the policy.

This section shall not apply to a blanket insurance policy issued to an airline under which the benefits are payable to the airline or a trust established by the airline and the premiums are paid from its funds.
17B:27-46 Time limits, suits.

There shall be a provision that no action at law or in equity shall be brought to recover on the policy prior to the expiration of 60 days after proof of loss has been filed in accordance with the requirements of the policy and that no such action shall be brought at all unless brought within 3 years from the expiration of the time within which proof of loss is required by the policy.

17B:27-47 Group health or blanket insurance—provisions as favorable; policies issued outside State.

No policy of group health or blanket insurance, and no certificate thereunder shall be delivered or issued for delivery in this State if such policy or certificate contains any provision inconsistent with any of the provisions of this chapter, except that such policy may contain any provision which in the opinion of the commissioner is as favorable to policyholders or certificate holders as the provision herein required, and except that such policy issued by any insurer of this State for delivery outside of this State may contain any provision not consistent with the provisions of this chapter; provided, such policy conforms to the laws of the State or country in which it is delivered.

17B:27-48 Exceptions in same type as benefits.

Exceptions in the policy shall be printed in the policy and in the certificate with the same prominence as the benefits to which they apply.

17B:27-49 Filing of forms.

a. No group health insurance policy, or blanket insurance policy, or application where written application is required and is to be made a part of such policy, certificate, printed rider or endorsement for use with such policy, shall be delivered or issued for delivery in this State unless the form thereof has been submitted to and filed by the commissioner.

b. At the expiration of 30 days after submission the form shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved for filing by the commissioner.

c. If any such form is disapproved for filing by the commissioner during said 30-day period, it may not be so delivered or issued for delivery unless and until such disapproval for filing is withdrawn. Such disapproval shall be subject to review in accordance with the procedure described in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder. Any such form which is filed by the commissioner or deemed filed may be so delivered or issued for delivery until such time as any subsequent withdrawal of the filing by the commissioner, following
an opportunity for a hearing held in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder, becomes final in accordance therewith.

d. The commissioner may extend the 30-day period referred to above for not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section, except this provision for extension, relating to the initial 30-day period shall apply to the extended period instead of such initial 30-day period.

e. The disapproval for filing or the withdrawal of the filing of any such form by the commissioner must state in writing the grounds thereof in such detail as reasonable to inform the insurer thereof.

f. This section shall not apply to documents which relate only to the manner of distribution of benefits or to the reservation of rights and benefits under such policies and which are used at the request of the individual insured or policyholder.

g. The disapproval by the commissioner of any such form may be on the ground that such form contains provisions which are unjust, unfair, inequitable, misleading, contrary to law or to the public policy of this State.

17B:27-50 Reimbursement for service of physician or practicing psychologist.

Notwithstanding any provision of a policy or contract of group health insurance, hereafter delivered or issued for delivery in this State, whenever such a policy or contract provides for reimbursement for any service which is within the lawful scope of practice of a duly licensed practicing psychologist, a person covered under such group health policy or contract shall be entitled to reimbursement for such service whether the said service is performed by a physician or duly licensed practicing psychologist.

17B:27-51 Reimbursement for optometric service.

Notwithstanding any provision of a policy or contract of group health insurance, hereafter delivered or issued for delivery in this State, whenever such a policy or contract provides for reimbursement for any optometric service which is within the lawful scope of practice of a duly licensed optometrist, a person covered under such group health policy or contract shall be entitled to reimbursement for such service, whether the said service is performed by a physician or duly licensed optometrist.
ARTICLE 3. GROUP LIFE AND HEALTH INSURANCE

17B:27-52 Group life and health—package policies.

Any insurer authorized to write in this State group life and group health insurance may provide such coverages in one policy or in separate policies, or in supplements or riders to such policy or policies, with or without health insurance benefits on account of families or dependents of the insured employees or members, if the provisions of any such policy, supplement or rider which treat of group life insurance, and the provisions which treat of group health insurance comply respectively with the requirements of the law of this State applicable to the respective forms of insurance.

17B:27-53 Group life and health—rate reductions and application of dividends; excess over employer's cost.

If a policy dividend is hereafter declared or a reduction in rate is hereafter made or continued under any group insurance policy heretofore or hereafter issued to an employer, or to a labor union, or to the trustees of a fund established in whole or in part by an employer or a labor union, the excess, if any, of the aggregate dividends or rate reductions under such policy and all other group insurance policies of the policyholder over the aggregate expenditure for insurance under such policies made from funds contributed by the policyholder, or by an employer of insured persons, or by a union or association to which insured persons belong, including expenditures made in connection with administration of such policies, shall be applied by the policyholder for the sole benefit of insured employees or members.

17B:28-13 Distribution to stockholders.
17B:28-14 Regulation of contracts issued on a variable basis, insurers issuing the same and sales agents.

17B:28-1 Definition.
When used in this chapter “contract on a variable basis” shall mean any contract issued by an insurer providing for the dollar amount of benefits or other contractual payments or values thereunder to vary so as to reflect investment results of any segregated portfolio of investments or of one or more designated accounts in which amounts received in connection with any such contracts shall have been placed.

17B:28-2 Qualification of insurer.
No present or future domestic insurer shall undertake the issuance of any contract on a variable basis, and no foreign or alien insurer heretofore or hereafter admitted to transact in this State any class or classes of insurance authorized by this code shall undertake the issuance or delivery of any contract on a variable basis within this State, unless said insurer shall have the authority to write life insurance or annuities or both and until said insurer has satisfied the commissioner that it has been engaged in transacting the business of life insurance for a period of at least 2 years and that its condition or methods of operation in connection with the issuance of such contracts on a variable basis will not be such as would render its operation hazardous to the public or its policyholders in this State. In determining the qualification of an insurer requesting authority to issue or deliver contracts on a variable basis within this State, the commissioner will consider, among other things, the history of the insurer; the character, responsibility and general fitness of the officers and directors of the insurer; and the regulation of such insurer by its jurisdiction of domicile. If the insurer is a subsidiary of an authorized insurer, or affiliated with such authorized insurer by common management or ownership, it may be deemed by the commissioner to have satisfied the aforementioned provisions if either it or such authorized insurer satisfies said provisions.

17B:28-3 Certificate to sell.
a. No agent heretofore or hereafter licensed shall be authorized to sell or act or aid in any manner in the negotiation of a contract on a variable basis until he has received a certificate to sell contracts on a variable basis from the commissioner, which certificate shall
not be issued by the commissioner until such agent has qualified by personal examination, to the satisfaction of the commissioner, as to his trustworthiness and competence to act as such agent.

b. Before a first-time applicant for an agent's license to solicit and negotiate contracts on a variable basis shall be admitted to the examination, the applicant shall be required to concurrently hold an agent's license granting authority to solicit and negotiate contracts of life insurance with the sponsoring insurance company. Application for a license must be made on such forms as the commissioner may prescribe.

c. The examination fee shall be $10.00 for each examination scheduled and such examination fee shall not be returned for any reason. The annual license fee shall be $5.00. A renewal license shall be issued from year to year subject to the payment of the renewal license fee as required by this section and upon request of the insurer. Licenses issued in accordance with this section shall expire on April 30 of each year.

d. No written examination shall be required of:

(1) An applicant who is the holder of a valid agent's license issued pursuant to this section by the commissioner or an applicant for a renewal of such license, except in a case where the commissioner has good and sufficient cause to believe that the applicant for renewal has demonstrated incompetence in the conduct of his business as such agent to the detriment of the public;

(2) An applicant whose license to do business as an agent issued pursuant to this section has expired less than 3 years prior to the date of application. If the applicant has permitted his license to lapse for a period more than 3 years he must submit to and pass an examination in the same manner as a new applicant, except where the applicant is a veteran who meets the requirements of subsection (4) hereunder, when no re-examination shall be required;

(3) An applicant whose previous license issued pursuant to this section has been revoked or suspended; provided this examination exemption is only at the discretion of the commissioner;

(4) An applicant who is a citizen of New Jersey and has served in the Armed Forces of the United States and has been honorably discharged or released under conditions other than dishonorable and was the holder at any time of a
license in New Jersey which authorized the applicant to solicit or negotiate contracts on a variable basis.

e. The commissioner may issue a nonresident agent’s license upon the application of a nonresident who is duly licensed under the law of the State of his residence or domicile to act as an agent for contracts on a variable basis if said State does not prohibit residents of this State from acting as nonresident agents therein, when:

(1) The applicant has shown by a statement from the proper official of the State in which he has his resident license that he is authorized to do business as an agent in such State with authority for which the applicant is to be licensed under the New Jersey nonresident license.

(2) The applicant has paid the annual license fee as provided for in this section.

(3) The applicant has no place of business in this State.

(4) The commissioner may enter into reciprocal agreements with the appropriate supervisory insurance official of any other State waiving the written examination of any applicant resident in such other State, provided:

(a) A written examination is required of applicants for an agent’s license in such other State.

(b) The appropriate supervisory insurance official of such other State certifies that the applicant holds a currently valid license as an agent in such other State, and either,

(i) passed a written examination,

(ii) was the holder of an agent’s license prior to the time a written examination was required, or,

(iii) was not required to take such examination by reason of provisions of the applicable agents’ licensing law.

(c) That in such other State, a resident of this State is privileged to procure such an agent’s license upon the foregoing conditions and without discrimination as to fees or otherwise in favor of residents of such other State. If the laws of another State require the sharing of commissions with resident agents of that State on application for contracts on a variable basis written by nonresident agents, then the same provision shall apply when resident agents of that State, licensed as nonresident agents of
New Jersey write applications for contracts on a variable basis in this State.

17B:28-4 Required statements; procedure.
Any contract on a variable basis delivered or issued for delivery in this State, and any certificate evidencing variable benefits issued pursuant to any such contract on a group basis, shall contain a statement of the essential features of the procedure to be followed by the insurer in determining the dollar amount of variable benefits or other contractual payments or values thereunder and shall state in clear terms that such amount may decrease or increase according to such procedure. Any such contract delivered or issued for delivery in this State, and any such certificate, shall contain on its first page, in a prominent position, a clear statement that the benefits or other contractual payments or values thereunder are on a variable basis.

17B:28-5 Form of contract.
(a) No contract on a variable basis shall be delivered or issued for delivery in this State by any insurer until a copy of the form thereof (and, in the case of a contract on a group basis, the form of any certificate evidencing variable benefits issued pursuant thereto) and any form of application for such contract shall have been filed with the commissioner. No such form shall be issued or used until the commissioner shall give his prior written acknowledgment of the filing of such form. The commissioner shall disapprove or withdraw approval of any such contract form, application or certificate if:

(i) such form contains provisions which are unjust, unfair, inequitable, ambiguous, misleading, likely to result in misrepresentation or contrary to law, or

(ii) sales of contracts in such form are being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the contract.

He shall notify the insurer, specifying particulars, of his disapproval. It shall be unlawful for such insurer thereafter to issue any contract or certificate thereunder or use any application in the form so disapproved. Such disapproval of the commissioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.

(b) Illustrations of benefits payable under any contract on a variable basis shall not involve projections of past investment experience into the future and shall conform with reasonable regulations promulgated by the commissioner.
(c) No individual annuity contract on a variable basis shall be delivered or issued for delivery in this State unless it contains in substance the following provisions:

(i) that, in the event of default in the payment of any consideration beyond the period of grace allowed by the contract for the payment thereof, the insurer will make payment of the value of the contract, in accordance with a plan provided by the contract, commencing not later than the date contractual payments by the insurer were otherwise to have commenced in accordance with the contract;

(ii) that, upon request of the contract holder received by the insurer at least 4 months prior to the date contractual payments by the insurer were otherwise to have commenced, the insurer will make payment of the value of the contract in accordance with a plan provided by the contract and selected by the contract holder, commencing as of the first day of the first month which is at least 4 months after the date of receipt of such request, unless another date of commencement is requested by the contract holder and agreed to by the insurer;

(iii) that the insurer will mail to the contract holder at least once in each contract year after the first, at his last address known to the insurer, a report in a form approved by the commissioner, which shall include a statement of the number of units credited to such contract and the dollar value of a unit as of a date not more than 2 months previous to the date of mailing and a statement in a form and of a date approved by the commissioner of the investments held in the variable contract account designated in such contract.

(d) Any individual contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality, and investment increment factors to be used in computing the dollar amount of variable benefits or other contractual payments or values thereunder, and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interests in the variable contract account in which such contract participates. The mortality and investment increment factors used in computing the dollar amount of variable benefits or other contractual payments or values under an individual contract on a variable basis shall not produce a larger initial payment than would be produced by
the use of the mortality table or tables specified in N. J. S. 17B:19-8 (the Standard Valuation Law), as amended, and as such provision may be amended from time to time, as acceptable minimum mortality standards for the valuation of the reserve liabilities of individual annuity and pure endowment contracts, and an annual investment increment assumption of 5%.

Any group contract on a variable basis delivered or issued for delivery in the State shall stipulate the expense, mortality and investment increment factors to be used in computing the dollar amount payable with respect to a unit of variable benefits purchased thereunder and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts, except that such guarantee need not apply to any investment management fee which is subject to change with the approval by vote of the persons having beneficial interests in the variable contract account in which such contract participates.

"Expense," as used in this subsection (d), may exclude some or all taxes, as stipulated in the contract.

(e) Any contract on a variable basis delivered or issued for delivery in this State may provide for a death benefit not in excess of the greater of (i) the sum of the stipulated payments or premiums paid under the contract and (ii) the amount that would have been payable under the contract upon surrender.

17B:28-6 Administration.

Any insurer issuing a contract on a variable basis shall submit annually to the commissioner a report of the business of its variable contract accounts. Such report shall be made either by a separate annual statement for such business or by suitable additions to such insurer’s regular annual statement, in either case on a form prescribed by the commissioner, and shall include details as to all of the income, disbursements, assets and liability items associated with the variable contract accounts.

The commissioner shall make a separate valuation of the assets of the variable contract accounts and a copy of such valuation shall be filed in the commissioner’s office as a public document. Such valuation shall be in accordance with section 17B:28-10.

The commissioner shall further prescribe by regulation the steps to be taken by the insurer in disposing of those holdings which at any time subsequent to purchase fail to meet the standards and regulations for new investments.
17B:28-7 Separate accounts; approval by commissioner.

Any present or future domestic insurer shall have authority to establish and operate a separate account known as a variable contract account. Any insurer may establish more than one such separate account with the approval of the commissioner.

17B:28-8 Amounts placed in account; liabilities.

Except as may be otherwise specifically provided by the contract, all amounts received in connection with any contract on a variable basis shall be placed in the variable contract account designated in such contract, and all liabilities on any such contract shall be set up in said account.

17B:28-9 Investment of assets; eligibility; definition.

(a) The assets held in a variable contract account, or any part thereof, may be invested in

(i) common stock or shares of any investment company specified in the contract or contracts participating in such variable contract account, and registered under the Investment Company Act of 1940, whether or not such stock or shares satisfy the dividend or earnings history requirements now or hereafter contained in the provisions of this Title that regulate investments by domestic insurers; provided that at the time of the first purchase of such stock or shares of any such investment company, the insurer which maintains such account, or a subsidiary or affiliate of such insurer, shall be the investment manager or investment adviser of such investment company and, as long as such insurer which maintains such account, or any subsidiary or affiliate of such insurer, shall continue as such investment manager or investment adviser, the investments acquired by such investment company shall be such as would be eligible for investment of variable contract account assets by domestic insurers under the provisions of this section excluding this clause (i);

(ii) other investments made eligible for investment by domestic insurers by the provisions of this Title that regulate investments by domestic insurers, except for investments made eligible by the provision of chapter 20 of this Title which permits a domestic insurer to make loans or investments not otherwise expressly qualified or permitted up to 3% of total admitted assets, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto;
(iii) investments authorized, specifically or by classes or otherwise, by the commissioner as appropriate to the nature and purpose of such variable contract account; and

(iv) investments not otherwise eligible under the preceding clauses of this subsection, provided that at the time of making any such investment, and immediately after giving effect thereto, the aggregate cost of all investments held in such variable contract account pursuant to this clause (iv) shall not exceed 3% of the aggregate market value of the assets held in such variable contract account;

provided that (A) any common stock or shares, other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company, shall be (1) common stock or shares which are listed or admitted to trading on a securities exchange in the United States of America or Canada, or (2) common stock or shares which are included on the National Association of Securities Dealers' national price listings of "over-the-counter" securities, or (3) other common stock or shares which the commissioner shall have determined are publicly held and traded and as to which market quotations shall be available; (B) the quantitative investment limitations now or hereafter contained in this Title regulating investments by domestic insurers shall not be applicable to variable contract account investments, subject to the qualification that the provision contained in this Title limiting the percentage of voting stock of any one corporation that may be purchased or acquired by a domestic insurer, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto, shall apply (subject to the provisions of section 17B:20-3 as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto), with respect to the aggregate of the voting stock of any one corporation held in all accounts of such insurer, except for all such stock that may be voted at the direction of a person or persons, other than such insurer or any subsidiary or affiliate of such insurer; and provided further that, subject to the next succeeding paragraph of this subsection, no domestic insurer shall purchase for any variable contract account any security (other than common stock or shares referred to in clause (i) of this subsection issued by an open-end investment company) of any corporation, if after such purchase more than 10% of the market value of the assets of such variable contract account would be invested in the securities of such corporation.
Notwithstanding the foregoing provisions of this section or any other provision of law, a domestic insurer may (i) invest the assets, or any part thereof, held in a variable contract account established and maintained solely for one or more group contracts in any investment or investments authorized by the contract or contracts participating in such account, subject only to clause (B) of the proviso in the next preceding paragraph of this subsection relating to the percentage of voting stock of any one corporation that may be purchased or acquired, and (ii) vote any stock or shares held in such an account in accordance with the instructions of such person or persons designated pursuant to such contract or contracts participating in such account. For the purpose of this paragraph, a group contract shall not include, (1) a contract which provides benefits to individuals based upon the investment results of such an account unless such contract implements a plan (a) which covers at least 100 individuals at the time of execution of such contract and (b) under which, if the crediting to such an account of the contributions made by any individual would affect his benefits under the plan, no portion of his contributions in excess of 50% is so credited, unless he is offered an alternative to having such portion so credited or, (2) except with the consent of the commissioner, a contract the holder of which is an association of individuals or the representative thereof. 

Except as otherwise provided in this subsection, the investments held in the variable contract accounts of any domestic insurer shall be disregarded in determining whether the other investments of such insurer comply with the provisions of this Title that regulate investments by domestic insurers as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto.

(b) Notwithstanding any other provision of law, in order to comply with the Investment Company Act of 1940, a domestic insurer may, with respect to any variable contract account or any portion thereof

(i) exercise any voting rights of any stock or shares in accordance with instructions from the persons having the beneficial interests in such account ratably according to their respective interests in such account, or

(ii) establish a committee for such account, the members of which may be directors or officers or other employees of such insurer, or persons having no such relationship to such insurer, or any combination thereof, who may be elected to
such membership by the vote of the persons having the beneficial interests in such account ratably according to their respective interests in such account. Such committee may have the power, which may be exercisable alone or in conjunction with others, or which may be delegated to such insurer or any other person, as investment manager or investment adviser, to authorize purchases and sales of investments for such account, provided that as long as such insurer or any subsidiary or affiliate of such insurer shall be the investment manager or investment adviser of such account, the investments of such account shall be eligible under the provisions of subsection (a) of this section. If compliance with the Investment Company Act of 1940 shall involve only a portion of a variable contract account, such insurer may establish such a committee for only such portion, and its members may be elected by the vote of the persons having the beneficial interests in such portion. Any such committee for only a portion of a variable contract account may be given the further power to require the subdivision of such account into 2 accounts so that the portion of the account with respect to which such committee shall be acting shall constitute a separate variable contract account. If such committee shall so require, the insurer shall segregate from the account being so subdivided a portion of each asset held with respect to the reserve liabilities of such account. Such portion shall be in the same proportion to the total of such asset as the reserve liability for the portion of the account with respect to which such committee is acting bears to the total reserve liability of such account; and notwithstanding any other provision of law, the assets so segregated shall be transferred to a separate variable contract account with respect to which such committee shall act.

(c) The investments held in a variable contract account and the liabilities chargeable against it shall at all times be clearly identifiable and distinguishable from the other investments and liabilities of the insurer. To the extent provided in the applicable contract or contracts, assets held in a variable contract account shall not be chargeable with liabilities arising out of any other business of the corporation.

No sale, transfer or exchange of investments may be made between a variable contract account and any other investment account of the insurer, except with the prior consent of the
commissioner, and no investments held in a variable contract account shall be pledged or transferred as collateral for a loan.

(d) The term "Investment Company Act of 1940" as used in this section shall mean an act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

17B:28-10 Valuation of assets.

The valuation of variable contract account assets for all purposes, including annual reports of the insurer to the commissioner, shall be determined in accordance with the market value of such assets notwithstanding the application of other valuation methods to assets of the insurer other than the assets of variable contract accounts. The net asset value of common stock or shares of any investment company which is an open-end company shall be deemed to be the market value thereof. Such valuation may be made as of such valuation dates as the insurer shall establish from time to time, except as otherwise required for such annual reports to the commissioner.

17B:28-11 Reserve liability.

The reserve liability for contracts on a variable basis shall be established by the commissioner pursuant to the requirements of section 17B:19-8 (the Standard Valuation Law) in accordance with actuarial procedures that recognize the variable nature of the benefits provided.

17B:28-12 Annuities.

Any insurer which establishes one or more variable contract accounts and issues variable annuity contracts may in its discretion, but need not, require in any case the purchase of annuities which provide for benefits of predetermined dollar amount in specified proportions in combination with the purchase of annuities providing for benefits of variable dollar amount.

17B:28-13 Distribution to stockholders.

Any stock insurer which establishes and operates one or more variable contract accounts may withdraw therefrom for distribution to or for the benefit of stockholders as to any calendar year an amount which, when added to amounts so withdrawn as to the 4 preceding calendar years, does not exceed 3% of the aggregate of gross investment earnings and the net of profits and losses of such account for such 5 calendar years.
17B:28-14 Regulation of contracts issued on a variable basis, insurers issuing the same and sales agents.

The commissioner shall have the sole and exclusive authority to regulate the issuance and sale of contracts on a variable basis; and such contracts, the insurers which issue them and the agents or other persons who sell them shall not be subject to the Uniform Securities Law (1967) (P. L. 1967, c. 93) as amended or supplemented, in the issuance or sale of such contracts.

CHAPTER 29
CREDIT LIFE AND HEALTH INSURANCE

17B:29-1 Scope.
17B:29-2 Definitions.
17B:29-3 Forms of credit life insurance and credit health insurance.
17B:29-4 Amount of credit life insurance and credit health insurance.
17B:29-5 Term of credit life insurance and credit health insurance.
17B:29-6 Provisions of policies and certificates of insurance: disclosure to debtors.
17B:29-7 Filing of forms and premium rate schedules.
17B:29-8 Premiums and refunds.
17B:29-9 Issuance of policies.
17B:29-10 Claims.
17B:29-11 Existing insurance—choice of insurer.
17B:29-12 Enforcement.
17B:29-13 Judicial review.

17B:29-1 Scope.

All life insurance and all health insurance in connection with loans or other credit transactions shall be subject to the provisions of this chapter, except such insurance in connection with a loan or other credit transaction of more than ten years duration; nor shall insurance be subject to the provisions of this chapter where the issuance of such insurance is an isolated transaction on the part of the insurer not related to an agreement or a plan for insuring debtors of the creditor.
17B:29-2 Definitions.

a. "Credit life insurance" means insurance on the life of a debtor pursuant to or in connection with a specific loan or other credit transaction;

b. "Credit health insurance" means insurance on a debtor to provide indemnity for payments becoming due on a specific loan or other credit transaction while the debtor is disabled as defined in the policy;

c. "Creditor" means the lender of money or vendor or lessor of goods, services, property, rights or privileges, for which payment is arranged through a credit transaction, or any successor to the right, title or interest of any such lender, vendor, or lessor, and an affiliate, associate or subsidiary of any of them or any director, officer or employee of any of them or any other person in any way associated with any of them;

d. "Debtor" means a borrower of money or a purchaser or lessee of goods, services, property, rights or privileges for which payment is arranged through a credit transaction, and includes each partner who is jointly and severally liable for a partnership indebtedness. An officer of a corporation is not a debtor in connection with a corporation indebtedness unless he is personally liable for such indebtedness as a co-debtor. Where husband and wife are jointly obligated to a creditor in connection with an indebtedness, either, but not both, may be the debtor for the purposes of this chapter.

e. "Indebtedness" means the total amount payable by a debtor to a creditor in connection with a loan or other credit transaction.

17B:29-3 Forms of credit life insurance and credit health insurance.

Credit life insurance and credit health insurance shall be issued only in the following forms:

a. Individual policies of life insurance issued to debtors on the term plan;

b. Individual policies of health insurance issued to debtors on a term plan or disability benefit provisions in individual policies of credit life insurance;

c. Group policies of life insurance issued to creditors providing insurance upon the lives of debtors on the term plan;

d. Group policies of health insurance issued to creditors on a term plan insuring debtors or disability benefit provisions in group credit life insurance policies to provide such coverage.
17B:29-4 Amount of credit life insurance and credit health insurance.

a. Credit Life Insurance

(1) The initial amount of credit life insurance shall not exceed the total amount repayable under the contract of indebtedness and, where an indebtedness is repayable in substantially equal installments, the amount of insurance shall at no time exceed the scheduled or actual amount of unpaid indebtedness, whichever is greater.

(2) Notwithstanding the provisions of the above paragraph, insurance on agricultural credit transaction commitments, not exceeding 18 months in duration, may be written up to the amount of the loan commitment, on a nondecreasing or level term plan.

(3) Notwithstanding the provisions of paragraph a. (1) of this or any other subsection, insurance on educational credit transaction commitments may be written for the amount of the portion of such commitment that has not been advanced by the creditor.

b. Credit Health Insurance

The total amount of periodic indemnity payable by credit health insurance in the event of disability, as defined in the policy, shall not exceed the aggregate of the periodic scheduled unpaid installments of the indebtedness; and the amount of each periodic indemnity payment shall not exceed the original indebtedness divided by the number of periodic installments.

17B:29-5 Term of credit life insurance and credit health insurance.

The term of any credit life insurance or credit health insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor, except that, where a group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to such indebtedness shall commence on the effective date of the policy. Where evidence of insurability is required and such evidence is furnished more than 30 days after the date when the debtor becomes obligated to the creditor and such evidence is determined by the insurer to be satisfactory, the term of the insurance may commence on the date on which the evidence is furnished to the insurer and in such event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. The term of such insurance shall not extend more than 15 days beyond the scheduled maturity date of the indebtedness except when extended without additional cost to the debtor. If the indebtedness is discharged due to renewal or refinancing prior to the scheduled maturity date, the insurance in force shall be terminated before any new insurance
may be issued in connection with the renewed or refinanced indebtedness. In all cases of termination prior to scheduled maturity, a refund shall be paid or credited as provided in section 17B:29-8.

17B:29-6 Provisions of policies and certificates of insurance: disclosure to debtors.

a. All credit life insurance and credit health insurance sold shall be evidenced by an individual policy, or in the case of group insurance by a certificate of insurance, which individual policy or group certificate of insurance shall be delivered to the debtor.

b. Each individual policy or group certificate of credit life insurance and each individual policy or group certificate of credit health insurance shall, in addition to other requirements of law, set forth the name and home office address of the insurer, the identity by name or otherwise of the person or persons insured, the rate of premium separately in connection with credit life insurance and credit health insurance if a payment therefor is collected from the debtor, a description of the coverage including any exceptions, limitations and restrictions, and shall state that the benefits shall be paid to the creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance may exceed the unpaid indebtedness, that any such excess shall be payable to a beneficiary, other than the creditor, named by the debtor or to his estate. For the purpose of this section, a payment for such insurance is deemed to have been collected from the debtor if an amount therefor is separately stated or is included in a total charge for insurance and other services.

c. Said individual policy or group certificate of insurance shall be delivered to the insured debtor at the time the indebtedness is incurred except as hereinafter provided.

d. If said individual policy or group certificate of insurance is not delivered to the debtor at the time the indebtedness is incurred, a copy of the application for such policy or a notice of proposed insurance, signed by the debtor and setting forth the name and home office address of the insurer, the name or names of the debtor, the amount of payment, separately in connection with credit life insurance and credit health insurance coverage, and a brief description of the coverage provided shall be delivered to the debtor at the time such indebtedness is incurred. The copy of the application for, or notice of proposed insurance shall also refer exclusively to insurance coverage, and shall be separate and apart from the loan, sale or other credit statement of account, instrument or agreement, except that, when the information required by this subsec-
tion is adequately set forth therein, this requirement may be waived by the commissioner. Upon acceptance of the insurance and within 30 days of the date upon which the indebtedness is incurred, the insurer shall cause the individual policy or group certificate of insurance to be delivered to the debtor. Said application or notice of proposed insurance shall state that upon acceptance by the insurer, the insurance shall become effective as of the date the indebtedness is incurred.

e. Any policy, group certificate, copy of the application or notice of proposed insurance, as referred to in this section, may specify an age beyond which the insurance on a debtor will not become effective or on which a debtor’s insurance will terminate; provided, however, that no charge shall be made to a debtor for coverage beyond the limiting age.

17B:29-7 Filing of forms and premium rate schedules.

a. All forms of policies, certificates of insurance, notice of proposed insurance, applications for insurance, endorsements and riders delivered or issued for delivery in this State and the schedules of premium rates pertaining thereto shall be submitted to the commissioner for filing.

b. At the expiration of 30 days after submission the form or the schedule of premium rates shall be deemed filed unless prior thereto it has been affirmatively filed or disapproved by order of the commissioner.

c. If any such form or the schedule of premium rates pertaining thereto is disapproved by the commissioner during said 30-day period the form may not be so delivered or issued for delivery unless and until such disapproval is withdrawn or reversed in accordance with the procedure described in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder. Any such form which is filed by the commissioner or deemed filed may be so delivered or issued for delivery until such time as any subsequent withdrawal of the filing by the commissioner, following an opportunity for a hearing held in accordance with the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder, becomes final in accordance therewith.

d. The commissioner may extend the 30-day period referred to above not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30-day period. In the event of such extension all the provisions of this section relating to the 30-day period, except this provision for extension, shall apply to the extended period instead of to the 30-day period.
e. The disapproval for filing or the withdrawal of the filing of any such form or schedule of premium rates by the commissioner must state in writing the grounds therefor in such detail as reasonable to inform the insurer thereof. The disapproval for filing or the withdrawal of the filing of any such form or schedule of premium rates may only be on one or both of the following grounds that may be applicable:

(1) the premium rates charged or to be charged are excessive in relation to benefits, or

(2) such form contains provisions which are unjust, unfair, inequitable, misleading, deceptive, or encourage misrepresentation of the coverage, or are contrary to any provision of this code or of any rule or regulation promulgated thereunder.

f. If a group policy of credit life insurance or credit health insurance

(1) has been delivered in this State before the effective date of this chapter, or

(2) has been or is delivered in another State before or after the effective date of this chapter,

the insurer shall be required to submit for filing only the group certificate and notice of proposed insurance delivered or issued for delivery in this State as specified in subsections b. and d. of section 17B:29-6 of this chapter and such forms shall be filed by the commissioner if they conform with the requirements specified in said subsections and if the schedules of premium rates applicable to the insurance evidenced by such certificate or notice are not in excess of the insurer’s schedules of premium rates filed with the commissioner.

17B:29-8 Premiums and refunds.

a. Any insurer may revise its schedules of premium rates from time to time, and shall file such revised schedules with the commissioner. No insurer shall issue any credit life insurance policy or credit health insurance policy for which the premium rate exceeds that determined by the schedules of such insurer as then on file with the commissioner.

b. Each individual policy, or group certificate shall provide that in the event of termination of the insurance prior to the scheduled maturity date of the indebtedness, any refund of an amount paid by the debtor for insurance shall be paid or credited promptly to the person entitled thereto; provided, however, that the commissioner shall prescribe a minimum refund and no refund which would be less than such minimum need be made. The formula to
be used in computing such refund shall be filed with and approved by the commissioner.

c. If a creditor requires a debtor to make any payment for credit life insurance or credit health insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to such debtor and shall promptly make an appropriate credit to the account.

d. The amount charged to a debtor for any credit life or credit health insurance shall not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined.

e. Nothing in this chapter shall be construed to legalize any charge now illegal under any statute or rule of law governing credit transactions.

178:29-9 Issuance of policies.

All policies of credit life insurance and credit health insurance shall be delivered or issued for delivery in this State only by an insurer authorized to do an insurance business therein, and shall be issued only through holders of licenses or authorizations issued by the commissioner. The commissioner may require that a restricted license as referred to in section 17B:22-12d be obtained by a group policyholder.

178:29-10 Claims.

a. All claims shall be promptly reported to the insurer or its designated claim representative, and the insurer shall maintain adequate claim files. All claims shall be settled as soon as possible and in accordance with the terms of the insurance contract.

b. All claims shall be paid either by draft drawn upon the insurer or by check of the insurer to the order of the claimant to whom payment of the claim is due pursuant to the policy provisions, or upon direction of such claimant to one specified.

c. No plan or arrangement shall be used whereby any person, firm or corporation other than the insurer or its designated claim representative shall be authorized to settle or adjust claims. The creditor shall not be designated as claim representative for the insurer in adjusting claims; provided, that a group policyholder may, by arrangement with the group insurer, draw drafts or checks in payment of claims due to the group policyholder subject to audit and review by the insurer.
CHAPTER 144, LAWS OF 1971 533

17B:29-11 Existing insurance—choice of insurer.

When credit life insurance or credit health insurance is required as additional security for any indebtedness, the debtor shall, upon request to the creditor, have the option of furnishing the required amount of insurance through existing policies of insurance owned or controlled by him or of procuring and furnishing the required coverage through any insurer authorized to transact an insurance business within this State.

17B:29-12 Enforcement.

Whenever the commissioner finds that there has been a violation of this chapter or any rules or regulations issued pursuant thereto, and after written notice thereof and hearing given to the insurer or other person authorized or licensed by the commissioner, he shall set forth the details of his findings together with an order for compliance by a specified date. Such order shall be binding on the insurer and other person authorized or licensed by the commissioner on the date specified unless sooner withdrawn by the commissioner or a stay thereof has been ordered by a court of competent jurisdiction.

17B:29-13 Judicial review.

Any party to the proceeding affected by an order of the commissioner shall be entitled to judicial review by following the procedure set forth in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder.

The principal purpose of chapter 30 is to regulate trade practices in the business of life insurance, health insurance and annuities in accordance with the intent of Congress as expressed in the Act of Congress of March 9, 1945 (Public Law 15, 79th Congress), by defining, or providing for the determination of, all such practices in this State which constitute unfair methods of competition or unfair or deceptive acts or practices and by prohibiting the trade practices so defined or determined.

17B:30-2 Practices prohibited.
No person shall engage in this State in any trade practice which is defined in this chapter as or determined pursuant to this chapter to be an unfair method of competition or an unfair or deceptive act or practice in the business of life insurance, health insurance or annuity. The practices described in sections 17B:30-3 to 17B:30-13 as modified by section 17B:30-14 are hereby defined to be such practices.

17B:30-3 Misrepresentations and false advertising of policies or annuity contracts.
No person shall make, issue, circulate or cause to be made, issued or circulated, any estimate, illustration, circular or statement misrepresenting the terms of any policy or annuity contract issued or to be issued or the benefits or advantages promised thereby or the dividends or share of the surplus to be received thereon, or make any false or misleading statement as to the dividends or share of surplus previously paid on similar policies or annuity contracts, or make any misleading representation or any misrepresentation as to the financial condition of any insurer, or as to the legal reserve system upon which any life insurer operates, or use any name or title of any policy or annuity contract or class of policies or annuity contracts misrepresenting the true nature thereof.

17B:30-4 False information and advertising.
No person shall make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, pub-
lished, disseminated, circulated, or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, representation or statement with respect to the business of insurance and annuities or with respect to any person in the conduct of his insurance and annuity business, which is untrue, deceptive or misleading.

17B:30-5 False financial statements.
   a. No person shall file with any supervisory or other public official, or make, publish, disseminate, circulate or deliver to any person, or place before the public, or cause directly or indirectly, to be made, published, disseminated, circulated, delivered to any person, or placed before the public, any false statement of financial condition of an insurer with intent to deceive.
   b. No person shall make any false entry in any book, report or statement of any insurer with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom such insurer is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omit to make a true entry of any material fact pertaining to the business of such insurer in any book, report or statement of such insurer.

17B:30-6 "Twisting" prohibited.
   No person shall make any misleading representations or incomplete or fraudulent comparison of any insurance policies or annuity contracts or insurers for the purpose of inducing, or tending to induce, any person to lapse, forfeit, surrender, terminate, retain, or convert any insurance policy or annuity contract, or to take out a policy of insurance or annuity contract in another insurer.

17B:30-7 Defamation.
   No person shall make, publish, disseminate, or circulate, directly or indirectly, or aid, abet or encourage the making, publishing, disseminating or circulating of any oral or written statement or any pamphlet, circular, article or literature which is false or maliciously critical of or derogatory to the financial condition of an insurer and which is calculated to injure any person engaged in the business of insurance or annuity.

17B:30-8 Boycott, coercion and intimidation.
   No person or persons shall enter into any agreement to commit, or by any concerted action commit, any act of boycott, coercion or
intimidation resulting in or tending to result in unreasonable restraint of, or monopoly in, the business of insurance or annuity.

17B:30-9 Stock operations and advisory board contracts.
No person shall issue or deliver or permit agents, officers, or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common-law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance or annuity.

17B:30-10 Stock acquisition, common management.
No insurer shall retain, invest in or acquire the whole or any part of the capital stock of any other insurer or insurers, or have a common management with any other insurer or insurers which shall by reason of such retention, investment or acquisition of such capital stock, or common management, substantially lessen competition generally in the business of insurance or annuity or create a monopoly therein.

17B:30-11 Interlocking directorate.
No person shall be a director of 2 or more competing insurers so as to substantially lessen competition generally in the business of insurance or annuity or to create a monopoly therein.

17B:30-12 Unfair discrimination.
a. No person shall discriminate against any person or group of persons because of race, creed, color, national origin or ancestry of such person or group of persons in the issuance, withholding, extension or renewal of any policy of life or health insurance or annuity or in the fixing of the rates, terms or conditions therefor, or in the issuance or acceptance of any application therefor.
b. No person shall use any form of policy of life or health insurance or contract of annuity which expresses, directly or indirectly, any limitation, or discrimination as to race, creed, color, national origin or ancestry or any intent to make any such limitation or discrimination.
c. No person shall make or permit any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any policy of life insurance or contract of annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such policy of life insurance or contract of annuity.
d. No person shall make or permit any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees, or rates charged for
any policy or contract of health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such policy or contract, or in any other manner whatever.

e. Nothing contained in this section shall be construed to require any agent or company to take or receive the application for insurance or annuity of any person or to issue a policy of insurance or contract of annuity to any person.

17B:30-13 Rebates and special inducements.

Except as otherwise expressly provided by law, no person shall knowingly make, permit to be made or offer to make any contract of life insurance, annuity or health insurance, or agreement as to such contract other than as plainly expressed in the contract issued thereon, or pay or allow, or give or offer to pay, allow, or give, directly or indirectly, as an inducement to such insurance, or annuity, any rebate of premiums or considerations payable on the contract or of any agent’s, solicitor’s or broker’s commission relating thereto, or any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or give, or sell, or purchase or offer to give, sell, or purchase as an inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities of any insurance company or other corporation, association, or partnership or any dividends or profits accrued thereon, or anything of value whatsoever not specified in the contract.

17B:30-14 Exceptions to discrimination and rebates.

Nothing in sections 17B:30-12 or 17B:30-13 shall be construed as including within the definition of discrimination or rebates any of the following practices:

a. In the case of any contract of life or health insurance or annuity, paying bonuses to policyholders or contract holders or otherwise abating their premiums or considerations in whole or in part out of surplus accumulated from nonparticipating insurance or annuity, provided that any such bonuses or abatement of premiums or considerations shall be fair and equitable to policyholders and contract holders and for the best interests of the company and its policyholders and contract holders.

b. In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.
c. Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

d. Issuing life or health insurance policies or annuity contracts on a salary savings, bank draft, preauthorized check or payroll deduction plan or other similar plan at a rate which is lower than that charged when the policies are not issued on such plan or with special underwriting considerations, such rate or underwriting considerations being reasonably related to the savings made by the use of such plan.

e. Issuance of life, health insurance policies or annuity contracts at rates less than the usual rates of premiums or considerations for such policies or contracts or modification of premium or consideration based on amount of insurance or annuity; but any such issuance or modification shall not result in reduction of premium or consideration in excess of savings in administration and issuance expenses reasonably attributable to such policies or contracts.

17B:30-15 Enumeration of acts not exclusive.

The enumeration in this chapter of specific unfair methods of competition and unfair or deceptive acts and practices in the business of insurance or annuities is not exclusive or restrictive or intended to limit the powers of the commissioner or any court of review under the provisions of this code.

17B:30-16 Commissioner's powers of investigation.

The commissioner shall have power to examine and investigate into the affairs of every person acting as an insurer or engaged in the business of insurance in this State in order to determine whether such person has been or is engaged in any unfair method of competition or in any unfair or deceptive act or practice prohibited by this chapter.

17B:30-17 Desist orders for prohibited practices.

a. If the commissioner has reason to believe that any person has been engaged or is engaging in this State in any unfair method of competition, or any unfair or deceptive act or practice expressly prohibited in this chapter, and that a proceeding by him in respect thereto would be to the interest of the public, he shall issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon as provided in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder.
b. If, after such hearing, the commissioner shall determine that the method of competition or the act or practice in question is defined in this chapter and that the person complained of has engaged in such method of competition, act or practice in violation of this chapter, he shall make his findings in writing and shall issue and cause to be served upon the person charged with the violation an order requiring such person to cease and desist from engaging in such method of competition, act or practice.

c. Until the expiration of the time limited for judicial review, if no proceeding for review has been instituted within such time or, if a proceeding for review has been instituted within such time, then until the transcript of the record in the proceeding has been filed in the Superior Court, as hereinafter provided, the commissioner may at any time, upon such notice and in such manner as he shall deem proper, modify or set aside in whole or in part any order issued by him under this section.

d. After the expiration of the time limited for judicial review if no such proceeding has been instituted within such time, the commissioner may at any time, after notice and opportunity for hearing, reopen and alter, modify or set aside, in whole or in part, any order issued by him under this section, whenever in his opinion the facts or the laws have so changed as to require such action or if the public interest shall so require.

e. No order or proceeding, or absence of such order or proceeding of the commissioner pursuant to this chapter or order of court to enforce such order, if made, shall in any way relieve or absolve any person affected thereby from any other liability, penalty or forfeiture provided by another law.

17B:30-18 Procedures as to undefined practices.
Whenever the commissioner shall have reason to believe that any person engaged in the business of insurance or annuities is engaging in this State in any method of competition or in any act or practice in the conduct of such business which is not defined in this chapter, and that such method of competition is unfair or that such act or practice is unfair or deceptive and that a proceeding by him in respect thereto would be to the interest of the public, he may issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon as provided in the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder. Each such hearing shall be conducted in the same manner as the hearing provided for in the Adminis-
trative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder.

17B:30-19 Appeal by intervenor.
If the determination of the commissioner does not charge a violation of this chapter, then any intervenor in the proceedings before him may, within 30 days after the service of such determination, institute an action in the Superior Court to enjoin and restrain any method of competition, act or practice.

17B:30-20 Violation of cease and desist order; penalty.
Any person who violates a cease and desist order of the commissioner issued under this chapter shall be liable to a penalty not exceeding $5,000.00 to be collected by the commissioner in the name of the State in a summary proceeding in accordance with the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.). The commissioner in his discretion may revoke or suspend the license or certificate of authority of any such person.

17B:30-21 Provisions of Chapter additional to existing laws.
The powers vested in the commissioner by this chapter shall be additional to any other powers to enforce any penalties, fines or forfeitures authorized by law with respect to the methods, acts and practices hereby declared to be unfair or deceptive.

17B:30-22 Immunity from prosecution.
If any person shall ask to be excused from testifying or from producing any books, papers, records, correspondence or other documents at any hearing on the ground that the testimony or evidence required of him may tend to incriminate him or subject him to a penalty or forfeiture, and shall notwithstanding be directed to give such testimony or produce such evidence, he must nonetheless comply with such direction, but he shall not thereafter be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which he may testify or produce evidence pursuant thereto, and no testimony so given or evidence produced shall be received against him upon any criminal action, investigation or proceeding; provided, however, that no such individual so testifying shall be exempt from prosecution or punishment for any perjury committed by him while so testifying and the testimony or evidence so given or produced shall be admissible against him upon any criminal action, investigation or proceeding concerning such perjury, nor shall he be exempt from the refusal, revocation or suspension of any license, permission or authority conferred, or to be conferred, pursuant to the insurance laws of this State. Any such person may execute,
acknowledge and file in the office of the commissioner a statement expressly waiving such immunity or privilege in respect to any transaction, matter or thing specified in such statement and thereupon the testimony of such person or such evidence in relation to such transaction, matter or thing may be received or produced before any judge, court, tribunal, grand jury or other officer or body, and if so received or produced such person shall not be entitled to any immunity or privilege on account of any testimony or evidence he may so give or produce.

17B:31-10 Records required.
17B:31-11 Annual report.

17B:31-1 Definitions.

"Unclaimed funds" within the meaning of this chapter shall mean and include all moneys, debts and other obligations of $3.00 or more due and payable by any insurer organized under the laws of this State or any insurer organized under the laws of any other State and authorized to do business in this State which became due and payable on or after July 13, 1945 and have remained due and payable but unclaimed by the person entitled thereto for a period of 5 years or more and which are payable to any person whose last known address according to the insurer's records is within this State; provided, that for the purposes of this act, the amount of insurance under a policy of life insurance payable upon proof of the death of the insured shall be deemed to become due and payable not later than the end of the calendar year in which the insured, if living, would have attained the limiting age under the mortality table upon which the reserves are based. However,
"unclaimed funds" as defined herein shall not include any such funds which any domestic or foreign insurer in good faith has reported paid or escheated to any State other than the State of New Jersey pursuant to the statute or statutes of such other State prior to the effective date of this chapter. If a person other than an insured or annuitant is entitled to unclaimed funds payable under a policy of insurance or an annuity contract issued by the insurer and no address of such person is known to the insurer or if it is not definite and certain from the insurer's records what person is entitled to the funds, it shall be presumed that the last known address of the person entitled to the unclaimed funds is the same as the last known address of the insured or annuitant according to the insurer's records. If a person other than an insured or annuitant is entitled to the unclaimed funds payable on a policy of insurance or an annuity contract issued by any insurer organized under the laws of this State and there is no last known address according to the insurer's records of either such person or the insured or the annuitant, it shall be presumed that the last known address of the person entitled to the unclaimed funds is within this State.

17B:31-2 Exclusive method for disposition of unclaimed funds.

Chapter 31 shall provide the exclusive method for the disposition of unclaimed funds held by any insurer incorporated under the laws of this State or any insurer organized under the laws of any other State and authorized to do business in this State. Shares of capital stock of any insurer shall so far as applicable remain subject to the provisions of article 2, chapter 37, Title 2A of the New Jersey Statutes.

In the event any proceedings to escheat personal property under articles 2 or 3 of chapter 37, Title 2A of the New Jersey Statutes (2A:37-11 to 2A:37-44 inclusive) have been commenced in the Superior Court against any domestic insurer or any insurer organized under the laws of any other State with respect to any unclaimed funds as defined therein and the cause is pending and has not proceeded to judgment before June 15, 1961 such company may pay the unclaimed funds, which are required to be reported under section 2 of chapter 154 of the laws of 1946 as of the end of the calendar year preceding June 15, 1961 to the State Treasurer in accordance with the provisions of chapter 154 of the laws of 1946 in lieu of proceeding in the cause pending in the Superior Court. Upon receipt of payment of said unclaimed funds from any such insurer the State Treasurer shall so inform the court in the cause then pending and, as directed by the court, shall pay
the escheator, if any, 5% of the moneys so paid to the State Treasurer and the fees and expenses of the attorney at law who prosecuted the action and such action shall thereupon be dismissed.

17B:31-3 Reports to State Treasurer.

On or before June 1 of each year, every insurer organized under the laws of this State and every insurer organized under the laws of any other State and authorized to do business in this State shall make a report in writing to the State Treasurer, which shall contain a true and accurate statement as to all unclaimed funds as defined in section 17B:31-1 of this chapter which have been unclaimed prior to the end of the preceding calendar year. Such report shall be verified by an officer of such insurer and shall include the names and last known addresses of the persons, as shown by the records of the insurer, entitled to such unclaimed funds, the nature of such unclaimed funds and the individual amounts thereof, and shall be made upon forms furnished by the State Treasurer for that purpose. If any such insurer has no unclaimed funds, it shall, on or before the date herein specified, make a report to the State Treasurer so stating, which report shall be verified as hereinbefore provided. The State Treasurer is authorized to waive any report when in his judgment the expense of reporting the last known addresses of the persons entitled to such unclaimed funds and the individual amounts thereof would be unreasonable in respect to the amount involved, in which case such insurer may report such unclaimed funds in the aggregate.

17B:31-4 Notice of unclaimed funds; publication.

Every insurer which reports any unclaimed funds under the provisions of this chapter shall cause to be published during the month of July in each year in a newspaper of general circulation published in the county of this State in which, according to the last known address shown by the insurer’s records, the person to whom the amount is payable resided, or in a newspaper in the county in this State in which the principal office of the insurer is located, or in Mercer county of this State, a notice entitled “Notice of unclaimed funds held by (name of insurer).” Such notice shall be in such form as shall be approved by the State Treasurer and shall list in alphabetical order the names, with such last known addresses, of the persons to whom amounts are payable and whose names appeared on the last report filed pursuant to section 17B:31-3 of this chapter, exclusive of any funds which have ceased to be unclaimed prior to the date of publication. The State Treasurer is authorized to waive any publication when in his judg-
ment the expense thereof would be unreasonable in respect to the amount involved. The insurer shall file with the State Treasurer, on or before October 1 of each year, proof by affidavit of such publication. The expenses attendant upon such publication may be charged equally against the amounts owing to the persons whose names were so published.

17B:31-5 Payment to State Treasurer; actions authorized.

On or before October 1 of each year, all unclaimed funds which were contained in the last preceding report required to be filed by section 17B:31-3 of this chapter and which have not been claimed, less a sum equal to 5% of such unclaimed funds, which sum the insurer shall be entitled to retain for expenses in connection with the preparation of such report, and less the cost of publication pursuant to section 17B:31-4 of this chapter shall be paid over to the State Treasurer.

The State Treasurer shall have the power, for cause shown, to extend for a period of not more than 1 year the time within which any insurer shall file any report and make any publication required by this act, and he shall have the power, for cause shown, to extend for a period of not more than 1 year the time within which any insurer shall make any payment to him required by this chapter. Any insurer which willfully fails to make the report in writing as required by section 17B:31-3 of this chapter or which willfully fails to pay over to the State Treasurer the unclaimed funds as required by this section shall be subject to a penalty of $25.00 for each day the said willful failure to make a report or willful failure to pay the moneys continues, which penalty may be recovered in a summary manner as provided in the Penalty Enforcement Law.

17B:31-6 Custody of funds in State; insurers exonerated.

Upon the payment of such unclaimed funds to the State Treasurer, the State shall assume, for the benefit of those entitled to receive the same and for the safety of the moneys so paid, the custody of such unclaimed funds. The payment of such unclaimed funds to the State Treasurer shall automatically operate as a full, absolute and unconditional release and discharge of the insurer from any and all claims or demands of or liability to any person whose moneys have been paid to the State Treasurer, or to any other claimant or State, and such payment may be pleaded as an absolute bar to any action brought against the insurer by any person entitled thereto, or by any other claimant or State. The insurer making such payment shall immediately and thereafter be relieved of and held harmless by the State from any and
all liabilities for any claim or claims which exist at such time with reference to such unclaimed funds or which may thereafter be made or may come into existence on account of or in respect to any such unclaimed funds. Any right to such unclaimed funds which any person entitled thereto, or any other claimant or State, may have shall thereby be transferred against, and shall become the obligation of, the State of New Jersey. In the event legal proceedings are instituted by any person entitled to such unclaimed funds, or any other claimant or State, in this State or in any other State with respect to the unclaimed funds paid to the State Treasurer, the insurer shall notify the Attorney General of this State of such proceedings and the Attorney General may, in his discretion, intervene therein. If after the insurer has actively defended a judgment in such proceedings is entered against the insurer for any amount paid to the State Treasurer under this chapter, the State Treasurer shall, upon being furnished with proof of payment in satisfaction of said judgment, immediately reimburse the insurer the amount so paid to the State Treasurer.

17B:31-7 Special trust fund; administration.
Upon the receipt of any unclaimed funds from insurers by the State Treasurer, he shall pay forthwith three-fourths of the amount thereof into the State treasury for the use of the State. The remaining one-fourth shall be administered by him as a special trust fund for the purpose hereinafter provided. Such special trust fund shall be deposited in the manner provided by law for the deposit of State funds. At the end of each calendar year, any amount of such unclaimed funds which shall have been a part of such special trust fund for a period of 5 years or longer shall be paid into the State treasury for the use of the State. Any interest received upon any such deposit of unclaimed funds shall be the property of the State.

17B:31-8 Claims against funds; powers of State Treasurer; action in Superior Court.
A claim for any unclaimed funds may be filed at any time with the State Treasurer by or in behalf of any person entitled to receive the same. The State Treasurer shall possess full and complete authority to accept or reject any such claim. In event any such claim is rejected by him, the claimant may institute an action in the Superior Court to enforce such claim. The court may proceed in the action in a summary manner or otherwise.

17B:31-9 Payment of allowed claims; liability of treasurer.
Any claim which is accepted by the State Treasurer or ordered to be paid by him by a court of competent jurisdiction shall be paid out of the special trust fund in his custody, and in the event
such special trust fund shall be insufficient, it shall be paid out of the general unappropriated funds of the State, to the extent of the total of the unclaimed funds paid to the State Treasurer and unexpended in payment of such claims. The State Treasurer shall not be liable in any action for any payment of a claim thus made by him in good faith.

17B:31-10 Records required.

The State Treasurer shall keep in his office a record of each payment of unclaimed funds received by him from any insurer which shall be open to any person who has an interest therein.

The insurer shall retain its records in connection with the unclaimed funds for a period of 5 years after payment of such unclaimed funds to the State Treasurer, and such records shall be made available to the State Treasurer upon request in the event of any claim against the State for payment of all or any part of such unclaimed funds by the person entitled thereto.

17B:31-11 Annual report.

The State Treasurer shall include in the annual report required by law to be made by him to the Legislature a statement of the unclaimed funds received and paid out by him pursuant to the provisions of this act.

17B:32-1 Definitions.

For the purposes of this chapter:

a. "Impairment or insolvency" means the capital of a stock insurer or the surplus of a mutual insurer, shall be deemed to be impaired and the insurer shall be deemed to be insolvent, when such insurer is not possessed of assets at least equal to all liabilities and required reserves together with its total issued and outstanding capital stock if a stock insurer, or the minimum surplus if a mutual insurer, required by this code to be maintained for the kind or kinds of insurance it is then authorized to transact.

b. "Insurer" shall have the meaning set forth in section 17B:17-2 but shall also include a person subject to the insurance supervisory authority of, or to liquidation, rehabilitation, reorganization or conservation by, the commissioner or the equivalent insurance supervisory official of another State; also all persons purporting to be engaged as insurers in this State, and persons in process of organization to become insurers.

c. "Delinquency proceeding" means any proceeding commenced against an insurer pursuant to this chapter for the purpose of liquidating, rehabilitating, reorganizing or conserving such insurer.

d. "Domiciliary State" means the State in which an insurer has its domicile, or in the case of an alien insurer the State in
which such insurer, having become authorized to do business in such State, has at the commencement of delinquency proceedings, the largest amount of its assets held in trust and assets held on deposit for the benefit of its policyholders or policyholders and creditors in the United States, and any such insurer is deemed to be domiciled in such State.

e. "Ancillary State" means any State other than a domiciliary State.

f. "Reciprocal State" means any State other than this State in which in substance and effect the provisions of the Uniform Insurers Liquidation Act, as defined in section 17B:32-23 of this Code, are in force, including the provisions requiring that the commissioner or equivalent insurance supervisory official be the receiver of a delinquent insurer.

g. "General assets" means all property, real, personal or otherwise, not specifically mortgaged, pledged, deposited or otherwise encumbered for the security or benefit of specified persons or a limited class or classes of persons, and as to such specifically encumbered property the term includes all such property or its proceeds in excess of the amount necessary to discharge the sum or sums secured thereby. Assets held in trust and assets held on deposit for the security or benefit of all policyholders or all policyholders and creditors in the United States shall be deemed general assets.

h. "Preferred claim" means any claim with respect to which the law of the State or of the United States accords priority of payment from the general assets of the insurer.

i. "Special deposit claim" means any claim secured by a deposit made pursuant to statute for the security or benefit of a limited class or classes of persons, but not including any general assets.

j. "Secured claim" means any claim secured by mortgage, trust, deed, pledge, deposit as security, escrow or otherwise, but not including special deposit claim or claims against general assets. The term also includes claims which more than 4 months prior to the commencement of delinquency proceedings in the State of the insurer's domicile have become liens upon specific assets by reason of judicial process.

k. "Receiver" means receiver, liquidator, rehabilitator or conservator as the context may require.
17B:32-2 Jurisdiction of delinquency proceedings.

The Superior Court shall have original jurisdiction of delinquency proceedings under this chapter.

17B:32-3 Exclusive remedy—appeal.

Delinquency proceedings pursuant to this chapter shall constitute the sole and exclusive method of liquidating, rehabilitating, reorganizing or conserving an insurer, and no court shall entertain a petition for the commencement of such proceedings, or any other similar procedure, unless the same has been instituted by the commissioner.

17B:32-4 Commencement of delinquency proceeding.

a. The commissioner shall commence any such proceeding by an application to the court or to any judge thereof, for an order directing the insurer to show cause why the commissioner should not have the relief prayed for.

b. The application shall be by verified petition, setting forth the ground or grounds for the proceeding and the relief demanded.

c. If the court is satisfied from reading the commissioner's petition that the facts therein alleged, if established, would constitute grounds for a delinquency proceeding under this chapter, it shall issue an order to show cause as referred to in a. above.

d. On the return of the order to show cause, the court shall either deny the application or grant the application, together with such other relief as the nature of the case and the interests of the policyholders, creditors, stockholders, members, subscribers or the public may require.

17B:32-5 Injunctions.

a. Upon application by the commissioner for such an order to show cause, or at any time thereafter, the court may, without notice, issue an injunction restraining the insurer, its officers, directors, stockholders, policyholders, agents, and all other persons from the transaction of its business or the waste or disposition of its property until the further order of the court.

b. The court may, at any time during a proceeding under this chapter, issue such other injunctions or orders as may be deemed necessary to prevent interference with the commissioner or the proceeding, or waste of the assets of the insurer, or the commencement or prosecution of any actions, or the obtaining of preferences, judgments, attachments or other liens, or the making of any levy against the insurer or against its assets or any part thereof.
Grounds for rehabilitation—domestic insurers.

The commissioner may apply to the court for an order directing him to rehabilitate a domestic insurer upon one or more of the following grounds:

a. Is impaired or insolvent; or

b. Has refused to submit its books, records, accounts or affairs to the reasonable examination of the commissioner; or,

c. Has concealed or removed records or assets in violation of regulations which the commissioner may adopt; or,

d. Has failed to comply with the commissioner’s order, made pursuant to law, to make good an impairment of capital (if a stock insurer) or an impairment of surplus (if a mutual insurer) within the time prescribed by law; or,

e. Has transferred or attempted to transfer substantially its entire property or business, or has entered into any transaction the effect of which is to merge substantially its entire property or business in that of any other insurer without first having obtained the written approval of the commissioner; or,

f. Is found, after examination, to be in such condition that its further transaction of business will be hazardous to its policyholders, or to its stockholders, or to its creditors, or to the public; or,

g. Has willfully violated its charter or any law of this State; or,

h. Has an officer, director, or manager who has unlawfully refused to be examined under oath, concerning its affairs; or,

i. Has failed or refused to take such steps as may be necessary to remove from office any officer or director whom the commissioner has found, after notice to and hearing of such insurance company and of such officer or director, to be a dishonest or untrustworthy person; or,

j. Has been the subject of an application for the appointment of a receiver, trustee, custodian or sequestrator of the insurer or of its property, otherwise than pursuant to the provisions of this Code but only if such appointment has been made or is imminent; or,

k. Has consented to such an order through a majority of its directors, stockholders, or policyholders; or,

l. Has failed to pay a final judgment rendered against it in any State upon any insurance contract issued or assumed by it,
within 30 days after the judgment became final or within 30 days after time for taking an appeal has expired, or within 30 days after dismissal of an appeal before final determination, whichever date is the later.

17B:32-7 Nature of rehabilitation order—termination of rehabilitation—domestic insurers.

a. An order to rehabilitate a domestic insurer shall direct the commissioner forthwith to take possession of the property of the insurer and to conduct the business thereof, and to take such steps toward removal of the causes and conditions which have made rehabilitation necessary, as the court may direct.

b. If at any time the commissioner deems that further efforts to rehabilitate the insurer would be useless, he may apply to the court for an order of liquidation.

c. The commissioner, or any interested person upon due notice to the commissioner, at any time may apply for an order terminating the rehabilitation proceeding and permitting the insurer to resume possession of its property and the conduct of its business.

17B:32-8 Grounds for liquidation.

The commissioner may apply to the court for an order directing him to liquidate the business of a domestic insurer or of the United States branch of an alien insurer having trusteed assets in this State, regardless of whether or not there has been a prior order directing him to rehabilitate such insurer, upon any of the grounds specified in section 17B:32-6, or upon any one or more of the following grounds: That the insurer

a. Has ceased transacting business for a period of 1 year; or

b. Is an insolvent insurer and has commenced voluntary liquidation or dissolution, or attempts to commence or prosecute any action or proceeding to liquidate its business or affairs, or to dissolve its corporate charter, or to procure the appointment of a receiver, trustee, custodian, or sequestrator under any laws except this code; or,

c. Has not organized or completed its organization and obtained a certificate of authority as an insurer.

17B:32-9 Order of liquidation—domestic insurers.

a. An order to liquidate the business of a domestic insurer shall direct the commissioner forthwith to take possession of the property of the insurer, to liquidate its business, to deal with the insurer's property and business in his own name as commissioner or in the name of the insurer as the court may direct and to give
notice to all creditors who may have claims against the insurer to present such claims.

b. The commissioner may apply under this chapter for an order dissolving the corporate existence of a domestic insurer:

(1) Upon his application for an order of liquidation of such insurer, or at any time after such order has been granted; or,

(2) Upon the grounds specified in section 17B:32-8 c., regardless of whether an order of liquidation is sought or has been obtained.

17B:32-10 Order of liquidation—alien insurers.
An order to liquidate the business of a United States branch of an alien insurer having trusteed assets in this State shall be in the same terms as those prescribed for domestic insurers, save and except only that the assets of the business of such United States branch shall be the only assets included therein.

The commissioner may apply for an order directing him to conserve the assets within this State of a foreign insurer upon any one or more of the following grounds:

a. Upon any of the grounds specified in section 17B:32-6, and in section 17B:32-8 b.

b. That its property has been sequestrated in its domiciliary sovereignty or in any other sovereignty.

17B:32-12 Grounds for conservation—alien insurers.
The commissioner may apply for an order directing him to conserve the assets within this State of an alien insurer upon any one or more of the following grounds:

a. Upon any of the grounds specified in section 17B:32-6, and in section 17B:32-8 b.

b. Upon the ground that the insurer has failed to comply, within the time designated by the commissioner, with an order made by him to make good an impairment of its trusteed funds, or

c. Upon the ground that the property of the insurer has been sequestrated in its domiciliary sovereignty or elsewhere.
17B:32-13 Conservation or ancillary receivership—foreign insurers.
   a. An order to conserve the assets of a foreign insurer shall direct the commissioner forthwith to take possession of the property of the insurer within this State and to conserve it, subject to the further direction of the court.
   b. Whenever a domiciliary receiver is appointed for any such insurer in its domiciliary State, the court shall, on application of the commissioner, appoint the commissioner as the ancillary receiver in this State.
   c. An order to liquidate the assets in this State of a foreign insurer shall require the commissioner forthwith to take possession of the property of the insurer within this State and to liquidate it subject to the orders of the court and with due regard to the rights and powers of the domiciliary receiver, as provided in this chapter.

17B:32-14 Conservation or ancillary receivership—alien insurers.
   An order to conserve the assets of an alien insurer shall direct the commissioner forthwith to take possession of the property of the insurer within this State and to conserve it, subject to the further direction of the court.

17B:32-15 Conduct of delinquency proceedings—domestic insurers.
   a. Whenever under the laws of this State a receiver is to be appointed in delinquency proceedings for a domestic insurer, the court shall appoint the commissioner as such receiver. The court shall direct the commissioner forthwith to take possession of the assets of the insurer and to administer the same under the orders of the court.
   b. As domiciliary receiver, the commissioner shall be vested, by operation of law, with the title to all property, contracts, and rights of action, and all of the books and records of the insurer wherever located, as of the date of entry of the order directing him to rehabilitate or liquidate a domestic insurer and he shall have the right to recover the same and reduce the same to his possession.
   c. The filing or recording of the order, directing possession to be taken, or a certified copy thereof, in the office where instruments affecting title to property are required to be filed or recorded, shall impart the same notice as would be imparted by a deed, bill of sale, or other evidence of title duly filed or recorded.
   d. The commissioner, as domiciliary receiver, shall be responsible on his official bond for the proper administration of all assets coming into his possession or control. The court may at any time require an additional bond from him or his deputies, if deemed desirable for the protection of the assets.
e. Upon taking possession of the assets of an insurer, the domiciliary receiver shall, subject to the direction of the court, immediately proceed to conduct the business of the insurer or to take such steps as are authorized by the laws of this State for the purpose of liquidating, rehabilitating, reorganizing, or conserving the affairs of the insurer.

17B:32-16 Conduct of delinquency proceedings—foreign and alien insurers.

a. Whenever under this chapter an ancillary receiver is to be appointed in delinquency proceedings for an insurer not domiciled in this State, the court shall appoint the commissioner as ancillary receiver. The commissioner shall file a petition requesting the appointment on the grounds set forth in section 17B:32-13 b. of this chapter:

(1) If he finds that there are sufficient assets of the insurer located in this State to justify the appointment of an ancillary receiver, or

(2) If 10 or more persons resident in this State having claims against such insurer file a petition with the commissioner requesting the appointment of such ancillary receiver.

b. The domiciliary receiver for the purpose of liquidating an insurer domiciled in a reciprocal State shall be vested by operation of law with the title to all of the property, contracts and rights of action, and all of the books and records of the insurer located in this State, and he shall have the immediate right to recover balances due from local agents and to obtain possession of any books and records of the insurer found in this State. He shall also be entitled to recover the other assets of the insurer located in this State, except that upon the appointment of an ancillary receiver in this State, the ancillary receiver shall during the ancillary receivership proceedings have the sole right to recover such other assets. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this State, and shall pay the necessary expenses of the proceedings. All remaining assets he shall promptly transfer to the domiciliary receiver. Subject to the foregoing provisions, the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of such assets as a receiver of an insurer domiciled in this State.

c. The domiciliary receiver of an insurer domiciled in a reciprocal State may sue in this State to recover any assets of such insurer to which he may be entitled under the laws of this State.
17B:32-17 Deputies and assistants.

In connection with delinquency proceedings, the commissioner may appoint one or more special deputy commissioners to act for him, and may employ such counsel, clerks, and assistants as he deems necessary. The compensation of the special deputies, counsel, clerks, or assistants, and all expenses of taking possession of the insurer and of conducting the proceedings, shall be fixed by the receiver subject to the approval of the court, and shall be paid out of funds or assets of the insurer. Within the limits of the duties imposed upon them, special deputies shall possess all the powers given to, and, in the exercise of those powers, shall be subject to all of the duties imposed upon the receiver with respect to such proceedings.

17B:32-18 Claims of nonresidents against domestic insurers.

a. In a delinquency proceeding begun in this State against a domestic insurer, claimants residing in reciprocal States may file claims either with the ancillary receivers, if any, in their respective States or with the domiciliary receiver. All such claims must be filed on or before the last date fixed for the filing of claims in the domiciliary delinquency proceedings.

b. Controverted claims belonging to claimants residing in reciprocal States may either:

1. Be proved in this State; or

2. If ancillary proceedings have been commenced in such reciprocal States, may be proved in those proceedings. In the event a claimant elects to prove his claim in ancillary proceedings, if notice of the claim and opportunity to appear and be heard is afforded the domiciliary receiver of this State, as provided in section 17B:32-19 of this chapter with respect to ancillary proceedings in this State, the final allowance of such claim by the courts in the ancillary State shall be accepted in this State as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within the ancillary State.

17B:32-19 Claims against foreign insurers.

a. In a delinquency proceeding in a reciprocal State against an insurer domiciled in that State, claimants against such insurer who reside within this State may file claims either with the ancillary receiver, if any, appointed in this State, or with the domiciliary receiver. All such claims must be filed on or before the last date
fixed for the filing of claims in the domiciliary delinquency proceedings.

b. Controverted claims belonging to claimants residing in this State may either:

1. Be proved in the domiciliary State as provided by the law of that State, or
2. If ancillary proceedings have been commenced in this State, be proved in those proceedings. In the event that any such claimant elects to prove his claim in this State, he shall file his claim with the ancillary receiver and shall give notice in writing to the receiver in the domiciliary State, either by registered mail or by personal service at least 40 days prior to the date set for hearing. The notice shall contain a concise statement of the amount of the claim, the facts upon which the claim is based, and the priorities asserted, if any. If the domiciliary receiver within 30 days after the giving of such notice shall give notice in writing to the ancillary receiver and to the claimant, either by registered mail or by personal service of his intention to contest such claim, he shall be entitled to appear or to be represented in any proceeding in this State involving adjudication of the claim. The final allowance of the claim by the courts of this State shall be accepted as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within this State.

17B:32-20 Form of claim—notice—hearing.

a. All claims against an insurer against which delinquency proceedings have been begun shall set forth in reasonable detail the amount of the claim, or the basis upon which such amount can be ascertained, the facts upon which the claim is based, and the priorities asserted, if any. All such claims shall be verified by the affidavit of the claimant, or someone authorized to act on his behalf and having knowledge of the facts, and shall be supported by such documents as may be material thereto.

b. All claims filed in this State shall be filed with the receiver, whether domiciliary or ancillary, in this State, on or before the last date for filing as specified in this chapter.

c. Within 10 days of the receipt of any claim, or within such further period as the court may fix, the receiver shall report the claim to the court, specifying in such report his recommendation with respect to the action to be taken thereon. Upon receipt of such
report, the court shall fix a time for hearing the claim and shall
direct that the claimant or the receiver, as the court shall specify,
shall give such notice as the court shall determine to such persons
as shall appear to the court to be interested therein. All such no-
tices shall specify the time and place of the hearing and shall con-
cisely state the amount and nature of the claim, the priorities
asserted, if any, and the recommendation of the receiver with ref-
erence thereto.

d. At the hearing all persons interested shall be entitled to
appear and the court shall enter an order allowing, allowing in
part, or disallowing the claim. Any such order shall be deemed to
be an appealable order.

17B:32-21 Priority of certain claims.

a. In a delinquency proceeding against an insurer domiciled in
this State, claims owing to residents of ancillary States shall be
preferred claims if like claims are preferred under the laws of
this State. All such claims owing to residents or nonresidents shall
be given equal priority of payment from general assets regardless
of where such assets are located.

b. In a delinquency proceeding against an insurer domiciled in
a reciprocal State, claims owing to residents of this State shall be
preferred if like claims are preferred by the laws of that State.

c. The owners of special deposit claims against an insurer for
which a receiver is appointed in this or any other State shall be
given priority against their several special deposits in accordance
with the provisions of the statutes governing the creation and main-
tenance of such deposits. If there is a deficiency in any such deposit
so that the claims secured thereby are not fully discharged there-
from, the claimants may share in the general assets, but such shar-
ing shall be deferred until general creditors, and also claimants
against other special deposits who have received smaller percent-
ages from their respective special deposits, have been paid per-
centages of their claims equal to the percentage paid from a special
deposit.

d. The owner of a secured claim against an insurer for which a
receiver has been appointed in this or any other State may surren-
der his security and file his claim as a general creditor, or the claim
may be discharged by resort to the security, in which case the defi-
ciency, if any, shall be treated as a claim against the general assets
of the insurer on the same basis as claims of unsecured creditors.
If the amount of the deficiency has been adjudicated in ancillary
proceedings as provided in this chapter, or if it has been adjudicated by a court of competent jurisdiction in proceedings in which the domiciliary receiver has had notice and opportunity to be heard, such amounts shall be conclusive; otherwise the amount shall be determined in the delinquency proceeding in the domiciliary State.

17B:32-22 Attachment and garnishment of assets.

During the pendency of delinquency proceedings in this or any reciprocal State, no action or proceeding in the nature of an attachment, garnishment or execution shall be commenced or maintained in the courts of this State against the delinquent insurer or its assets. Any lien obtained by any such action or proceeding within 4 months prior to the commencement of any such delinquency proceeding or at any time thereafter shall be void as against any rights arising in such delinquency proceeding.

a. Subsections b. through k. of section 17B:32-1, subsections a. and c. of section 17B:32-4, together with sections 17B:32-5 and 17B:32-15 through 17B:32-23 constitute and may be referred to as the Uniform Insurers Liquidation Act.

b. The Uniform Insurers Liquidation Act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those States that enact it. To the extent that its provisions when applicable conflict with other provisions of this chapter, the provisions of such act shall control.

17B:32-24 Borrowing on pledge of assets.

For the purpose of facilitating the rehabilitation, liquidation, conservation or dissolution of an insurer pursuant to this chapter, the commissioner may, subject to the approval of the court, borrow money and execute, acknowledge and deliver notes or other evidences of indebtedness therefor, and secure the payment of the same by the mortgage, pledge, assignment, transfer in trust, or hypothecation of any or all of the property of such insurer, whether real, personal or mixed, and the commissioner, subject to the approval of the court, shall have power to take any and all other action necessary and proper to consummate any such loans and to provide for the repayment thereof. The commissioner shall be under no obligation personally or in his official capacity as commissioner to repay any loan made pursuant to this chapter.
voidable transfers.

a. Any transfer of, or lien upon, the property of an insurer which is made or created within 4 months prior to the granting of an order to show cause under this chapter with the intent of giving to any creditor or of enabling him to obtain a greater percentage of his debt than any other creditor of the same class, and which is accepted by such creditor having reasonable cause to believe that such a preference will occur, shall be voidable.

b. Every director, officer, employee, stockholder, policyholder, and any other person acting on behalf of such insurer who shall be concerned in any such act or deed and every person receiving thereby any property of such insurer or the benefit thereof, shall be personally liable therefor and shall be bound to account to the commissioner.

c. The commissioner, as receiver in any proceeding under this chapter, may avoid any transfer of, or lien upon the property of an insurer which any creditor, stockholder or policyholder of such insurer might have avoided, and may recover the property so transferred, or its value from the person to whom it was transferred, unless such person was a bona fide holder for value prior to the date of the granting of an order to show cause under this chapter. Such property or its value may be recovered from anyone who has received it, except a bona fide holder for value as above specified.

priority of claims for compensation.

a. Compensation actually owing to employees other than officers of an insurer, for services rendered within 3 months prior to the commencement of a proceeding against the insurer under this chapter, but not exceeding $1,000 for each such employee, shall be paid prior to the payment of any other debt or claim, and in the discretion of the commissioner, may be paid as soon as practicable after the proceeding has been commenced; except, that at all times the commissioner shall reserve such funds as will, in his opinion, be sufficient for the expenses of administration.

b. Such priority shall be in lieu of any other similar priority which may be authorized by law as to the wages or compensation of such employees.

offsets.

a. In all cases of mutual debts or mutual credits between the insurer and another person in connection with any action or proceeding under this chapter, such credits and debts shall be set off
and the balance only shall be allowed or paid, except as provided in subsection b. below.

b. No offset shall be allowed in favor of any such person where

(1) The obligation of the insurer to such person would not at the date of the entry of any liquidation order, or at such other date determined by the court for fixing the rights and liabilities with respect to the estate of the insurer, have entitled him to share as a claimant in the assets of the insurer, or

(2) The obligation of the insurer to such person was purchased by or transferred to such person with a view of its being used as an offset, or

(3) The obligation of such person is to pay a balance upon a subscription to the capital stock of a stock insurer.

17B:32-28 Allowance of certain claims.

a. No contingent claim shall share in a distribution of the assets of an insurer which has been adjudicated to be insolvent by an order made pursuant to section 17B:32-30, except that such claims shall be considered, if properly presented, and may be allowed to share where

(1) Such claim becomes absolute against the insurer on or before the last day fixed for filing of proofs of claim against the assets of such insurer, or

(2) There is a surplus and the liquidation is thereafter conducted upon the basis that such insurer is solvent.

b. Where an insurer has been so adjudicated to be insolvent, any person who has a cause of action against an insured of such insurer, shall have the right to file a claim in the liquidation proceeding, regardless of the fact that such claim may be contingent, and such claim may be allowed

(1) If it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and,

(2) If such person shall furnish suitable proof, unless the court, for good cause shown, shall otherwise direct, that no further valid claims against such insurer arising out of his cause of action, other than those already presented, can be made; and

(3) If the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater
than its maximum liability would be, were it not in liquidation.

c. No judgment against such an insured, taken after the date of the entry of the liquidation order, shall be considered in the liquidation proceedings as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default, inquest or by collusion prior to the entry of the liquidation order, shall be considered as conclusive evidence in the liquidation proceeding, either of the liability of such insured to such person upon such cause of action, or of the amount of damages to which such person is therein entitled.

17B:32-29 Allowance of secured claims.

No claim of any secured claimant shall be allowed at a sum greater than the difference between the value of the claim without security and the value of the security itself as of the date of the entry of the order of liquidation, or such other date set by the court for fixation of rights and liabilities, unless the claimant shall surrender his security to the commissioner, in which event the claim shall be allowed in the full amount for which it is valued.

17B:32-30 Time to file the claims.

a. If upon the granting of an order of liquidation under this chapter, or at any time thereafter during the liquidation proceeding, the insurer shall not be clearly solvent, the court shall, after such notice and hearing as it deems proper, make an order declaring the insurer to be insolvent. Thereupon, regardless of any prior notice which may have been given to creditors, the commissioner shall notify all persons who may have claims against such insurer and who have not filed proper proofs thereof, to present the same to him, at a place specified in such notice, within 4 months from the date of the entry of such order, or, if the commissioner shall certify that it is necessary, within such longer time as the court shall prescribe. The last day for the filing of proofs of claims shall be specified in the notice. Such notice shall be given in a manner determined by the court.

b. Proofs of claim may be filed subsequent to the date specified, but no such claim shall share in the distribution of the assets until all allowed claims, proofs of which have been filed before said date, have been paid in full, with interest.

17B:33-1 Short title.

This chapter shall be known as the Unauthorized Insurers’ Process Act.

a. The purpose of this chapter is to subject unauthorized insurers to the jurisdiction of the commissioner and to the courts of this State in suits by or on behalf of insureds or beneficiaries under insurance contracts or when such insurers place or send into this State any advertising designed to induce residents of this State to purchase insurance. It is in the interest of the State and of those residents of this State who purchase insurance from insurers which solicit insurance business in this State in the manner set forth in the preceding sentence that such insurers be subject to the provisions of this chapter and also that those residents who hold policies issued or delivered in this State by unauthorized insurers not be subjected to the obstacle of resorting to distant forums for the purpose of asserting legal rights under any policies. In furtherance of such state interest, there is provided herein a method of substituted service of process upon such insurers which is declared to be in the exercise of a state’s power to protect its residents pursuant to the powers and privileges available to the State by virtue of Public Law 15, 79th Congress of the United States, Chapter 20, 1st Session, s. 340, which declares that the business of insurance and every person engaged therein shall be subject to the laws of the several states; the authority provided herein to be in addition to any existing powers of this State.

b. The provisions of this act shall be liberally construed.
17B:33-2 Acts constituting commissioner as process agent.

Any of the following acts in this State by an unauthorized insurer, whether effected by mail or other means, shall be equivalent to and shall constitute an appointment of the commissioner and of any other person discharging the duties of his office to be the true and lawful attorney of such insurer for the service upon him of all lawful process and other papers required by the practice of this State to be served in any action or proceeding instituted by or on behalf of an insured or beneficiary arising out of any contracts of insurance of the kinds defined in sections 17B:17-3, 17B:17-4 and 17B:17-5 and any such act shall signify its agreement that the service of such process and other papers shall have the same legal force, validity and effect as personal service of the same in this State upon such insurer:

a. the issuance or delivery of contracts of insurance to residents of this State or to corporations authorized to do business therein;

b. the solicitation or negotiation of applications for such insurance;

c. the collection of premiums, membership fees or dues, assessments or other considerations for such contracts;

d. any other transaction of business in relation to such contracts of insurance.

17B:33-3 Service of process on commissioner as process agent.

Service of process and other papers upon the commissioner as the true and lawful attorney of an unauthorized insurer pursuant to this chapter may be effected by any person lawfully authorized to serve process and other papers in civil actions generally by delivering or by mailing by certified or registered mail, return receipt requested, 2 copies thereof, together with the fee prescribed by law, to the commissioner or to someone designated by him in his office. Such service shall be effective and valid notwithstanding that the county in which the court is situated or in which venue is laid is a county other than that in which the commissioner's office is located. Upon receipt of any such service, the commissioner shall within 2 days thereafter (excluding Saturdays, Sundays and holidays) mail one of said copies by certified or registered mail, return receipt requested to the defendant addressed to it at its principal place of business, or to its registered office or to a registered agent for service. The commissioner shall keep a record of all process and papers so served upon him and of the mailing thereof to defendant. Upon so giving notice to the defendant of the service made
upon him on its behalf, the commissioner shall forward to the clerk of the court for filing his certificate of the service upon him and of the notice given by him.

**17B:33-4 Service of process on persons acting on behalf of unauthorized insurer.**

In addition to other methods authorized for the service of process and other papers upon an unauthorized insurer, such service may be made upon any agent, servant, employee or representative thereof within this State acting in the discharge of his duties. In addition to other forms of activity, any such person shall be deemed to be acting in this State on behalf of such insurer when he a. solicits or negotiates insurance, or b. makes, issues or delivers any contract of insurance, or c. collects or receives any premium, membership fees or dues, assessment or other consideration for insurance.

**17B:33-5 Service of process by other means.**

Nothing in this chapter shall be taken or construed to limit or abridge the means or methods by which any process or other papers may be served according to law or rules or orders of court now or hereafter provided.

**17B:33-6 Judgment by default.**

Whenever the service of process is effected by a method authorized by this chapter, the time within which the defendant shall be allowed to serve answer shall be the same as is otherwise provided in the case of service by mail or publication in civil actions generally, and no default or judgment based thereon shall be entered until after the expiration of such time.

**17B:33-7 Deposit of bond by unauthorized insurer.**

Before any unauthorized insurer shall file or cause to be filed any pleading or other paper in any action or proceeding instituted against it in any court of this State, such insurer shall either a. deposit with the clerk of the court cash or securities or file with such clerk a bond approved by the court as to the sureties and in an amount fixed by it sufficient to secure the payment of any final judgment which may be rendered; provided, however, that the court may, on notice and hearing, dispense with such deposit or bond upon being satisfied that the insurer maintains, in a State of the United States, funds or securities, in trust or otherwise, sufficient and available to satisfy any final judgment which may be entered; or b. procure a certificate of authority to transact the business of insurance in this State.

**17B:33-8 Damages for unjustified refusal to pay.**

In any action against an unauthorized foreign or alien insurer upon a contract of insurance issued or delivered in this State to a
resident thereof or to a corporation authorized to do business therein, if it shall be shown that the insurer failed for 30 days after written demand accompanied by a copy of this section, all prior to the institution of the action, to make payment in accordance with the terms of the contract without presenting a colorable defense in law or fact, the plaintiff shall be entitled to recover consequential damages for such unjustified refusal as part of his cause of action, the said damages to be measured by the reasonable costs and expenses incurred by plaintiff, including costs and expenses for the services of counsel and for investigation, as well as interest, and the same shall be included in the damages set forth in the final judgment; but no item recoverable as costs in the action shall be included in such damages.

17B:33-9 Misrepresentation by unauthorized insurer; notice to domiciliary supervisory official; action.

No unauthorized insurer shall make, issue, circulate or cause to be made, issued or circulated, to residents of this State any estimate, illustration, circular, pamphlet, or letter, or cause to be made in any newspaper, magazine or other publication, any announcement or statement to such residents misrepresenting its financial condition or the terms of any contracts issued or to be issued or the benefits or advantages promised thereby, or the dividends or share of the surplus to be received thereon in violation of chapter 30 of Title 17B of the Revised Statutes and whenever the commissioner shall have reason to believe that any such insurer is engaging in such unlawful advertising, he shall give notice of such fact by registered or certified mail to such insurer and to the insurance supervisory official of the domiciliary State of such insurer. For the purpose of this section, the domiciliary State of an alien insurer shall be deemed to be the State of entry or the State of the principal office in the United States.

If after 30 days following the giving of notice, such insurer has failed to cease making, issuing, or circulating such false misrepresentations or causing the same to be made, issued or circulated in this State, and if the Commissioner has reason to believe that a proceeding by him in respect to such matters would be to the interest of the public, and that such insurer is issuing or delivering contracts of insurance to residents of this State or collecting premiums on such contracts or doing any of the acts enumerated in section 17B:33-2, the commissioner shall issue and serve upon such unauthorized insurer a statement of the charges in that respect and a notice of hearing pursuant to the Administrative Procedure Act (P. L. 1968, c. 410) and any rules adopted thereunder for an order to cease and desist.
Applicability of chapter.

The provisions of this chapter shall apply to all matters in respect to which a particular section directs that proceedings shall be governed by this chapter, and to matters to be dealt with by the commissioner in respect to any person coming within the scope of this Code in those instances where and to the extent that the section or sections involved do not contain specific provisions for procedure, administration or the like.

General policy.

Provisions for procedure, administration and the like, set out in this Code shall be construed and applied so as to aid in the operation of applicable law in a fashion compatible with the reasonable, flexible and efficient operation and conduct of the regulated activity and with the interests of the public. To that end, administrative action shall be prospective whenever feasible and appropriate; it shall provide a suitable period of time, and shall allow suitable and practicable means, for achieving and implementing the purposes of the action taken, either by provision in the step embodying the action taken or by proceedings supplementary thereto.

Subsequently enacted laws.

Laws hereafter enacted by way of amendment or supplement to this Code shall be dealt with in respect to matters of procedure, administration and the like with the same effect as though they
had been part of said Code when originally enacted, unless the same shall express provide otherwise. Any reference to the Revised Statutes or laws of New Jersey in this Code shall be deemed to refer to such Revised Statutes or laws of New Jersey as enacted and heretofore or hereafter amended or supplemented.

17B:34-4 Filing.
Whenever any matter is required to be filed with the commissioner, the same shall be deemed to have been filed on the date it is received by mail, addressed to the commissioner, or on which it is delivered by means other than mailing. The commissioner shall not return or refuse to file any matter required to be filed with him because of any technical defect of form or content, but in any such case he shall notify the person involved of the defect or defects and of a reasonable date by which a correction, amendment or supplement shall be supplied. Unless the commissioner states that intervening rights or interests are or may be affected, or unless the person making the same shall indicate otherwise, the correction, amendment or supplement shall relate back to the date of the initial filing of the matter. In the alternative, the person filing the matter may withdraw the defective filing.

17B:34-5 Submission for approval or determination.
Whenever any matter is required to be submitted, filed or otherwise presented so that it may be brought to the attention of the commissioner, then, unless a different time is specified in the applicable provision, the same shall be taken to have been approved upon the expiration of 30 days after the filing thereof if no notice of disapproval, or of suspension and inquiry, shall be issued and if the matter is not withdrawn, within such time. The commissioner may extend the 30 day period referred to in the preceding sentence for not more than 30 additional days by giving written notice of such extension before the expiration of the initial 30 day period. In the event of such extension, the provisions of this section, except the provision for extension, relating to the initial 30 day period, shall apply to the extended period instead of such initial 30 day period. Approvals taking effect pursuant to this section may be relied upon by all persons with like effect as though there had been an affirmative written approval, during such a period as may ensue thereafter prior to the making of a subsequent order of disapproval on notice and hearing.
17B:34-6 Effect of withdrawals, approvals and the like.

The withdrawal of any matter shall be without prejudice unless expressly stated to be with prejudice. Approvals resulting from the lapse of time shall not be a bar to subsequent disapproval or modified approval by order after notice and hearing unless the same be waived, but any such order shall be prospective only from a date specified therein or in an order on supplemental proceedings.

17B:34-7 Number of copies.

One copy of any paper or other matter to be filed, submitted or otherwise presented shall be sufficient. Additional copies if thereafter requested by the commissioner shall be furnished to him in a reasonable number in accordance with the needs of the matter but in any case where it is indicated to the commissioner that the furnishing of additional copies would be burdensome he may request, in lieu thereof, that a copy or copies be placed on deposit at a specified place or places, during stated hours and for a stated period, for the reasonable inspection thereof by persons having a proper interest therein.

17B:34-8 Subpoenas.

Subpoenas to witnesses shall be issued in the name of the commissioner by him or by any deputy commissioner or other employee designated by him at the request of any person interested in the proceeding, but no subpoena duces tecum shall be issued except for good cause shown. All subpoenas shall be subject to modification or cancellation on application and upon a showing that the same is oppressive or unreasonable, that the witness or evidence to be produced is not reasonably related to the matter, or on any other proper ground. Any person failing or refusing to comply with the command of a subpoena may be ordered by a judge of a County Court or of the Superior Court, on application made by the commissioner or by the person at whose instance the subpoena was issued, and to be proceeded upon in a summary manner, to comply with the terms of the subpoena or else to be punished by the court for contempt.

17B:34-9 Orders pending hearing.

In any formal proceeding, where the commissioner finds that the interests of the public require that immediate action be taken pending the completion of the hearings, the making of a determination thereon and the entry of a final order, he may enter an appropriate order to be effective pending the hearing and until the entry of a final order. Such orders may be entered on ex parte proofs where the proofs are strong and the need is great, but ex parte orders
shall be subject to application to vacate on 2 days' notice, and a preliminary hearing on the ex parte order shall be held in any event within not more than 20 days after entry thereof. In the alternative, or in addition thereto, the commissioner shall be authorized to institute a proceeding in the Superior Court, to be conducted in a summary manner, for an injunction against specified acts or conduct in aid of the proceedings pending before him, including temporary injunctions and interim restraints, upon a showing that such remedy would be more effective and complete.

17B:34-10 Judicial review; stay.

Orders of the commissioner, whether temporary or final, shall be subject to judicial review. Any party intending to seek judicial review may request the commissioner to amend his order so that it will not take effect until such review has been completed, or to stay or suspend its taking effect, and the commissioner is authorized to do so as requested or on terms so long as it does not appear that the public interest will be prejudiced thereby. Any such action on the part of the commissioner shall be subject to modification or revocation.

17B:34-11 Matters not otherwise provided for.

In the administration of any matter, the procedure for which is not specified by any applicable provision of law or of any rule or regulation, a specific procedure may be authorized by the commissioner by analogy to any statute or rule of court calculated to achieve a fair, efficient and proper presentation, management and disposition of the matter involved.

17B:34-12 Effect of Chapter.

The enactment of the provisions of this Chapter shall provide an alternative method of action and shall in no way be deemed to repeal the provisions of Chapters 66 and 68 of the Laws of 1958 nor the provisions of Chapter 12 of the Laws of 1970.
17B:35-1. Every certificate of authority of an insurer in force immediately prior to the effective date of this act and existing under any law herein repealed shall be valid until midnight of the last day of April next following such effective date, unless earlier terminated in accordance with this act. Such certificate of authority upon first renewal under this act shall be replaced by a certificate of authority in form as consistent with this act, and shall thereafter be subject to continuance, suspension, revocation or termination as though originally issued under this act.

17B:35-2. Every license in force immediately prior to the effective date of this act and existing under any law herein repealed shall be valid until midnight of the day such license would have expired under such law, unless earlier suspended, revoked, or terminated in accordance with this act. Such license upon first renewal under this act shall be replaced by a license in form consistent with this act, and shall thereafter be subject to continuation, suspension, revocation, or termination as though originally issued under this act.

17B:35-3. Every form of insurance document and every rate or other filing lawfully in use immediately prior to the effective date of this act may continue to be so used or be effective until the commissioner otherwise prescribes pursuant to this act; except, that before expiration of one year from and after such effective date neither this act nor the commissioner shall prohibit the use of any such document, rate, or filing because of any power, prohibition, or requirement contained in this act which did not exist under laws in force immediately prior to such effective date, unless expressly otherwise provided in this act.

17B:35-4. Any deposit made in this State under any law repealed herein, with or through the Department of Insurance or the commissioner, or by any insurer in compliance with a condition precedent to or in connection with its certificate of authority to
transact insurance in this State, and so on deposit immediately prior to the effective date of this act, shall be given full recognition as fulfillment, to the extent of such deposit, or any deposit so required for similar purposes under this act. The deposit shall hereafter be held for the purpose applicable thereto as specified in this act, and shall be subject in all respects to the provisions of this act applicable to similar deposits newly made under this act.

17B:35-5. Any laws of New Jersey, other than this act, remaining in force after the effective date of this act which refer to certain provisions of law repealed under this act, shall be deemed to refer to those provisions of this act which are in substance the same or substantially the same as such repealed provisions.

17B:35-6. This act shall not impair or affect any act done, offense committed, or right accruing, accrued, or acquired, or liability, penalty, forfeiture or punishment incurred, prior to the time this act takes effect, but the same may be enjoyed, asserted, enforced, prosecuted or inflicted, as fully and to the same extent as if this act had not been passed.

17B:35-7. The repeal by this code of the whole or any part of any act under which there was organized any insurer in existence on the effective date of this code shall not work a dissolution of such insurer, but the existence of such insurer and the tenure of its officers and directors shall be preserved and such insurer, its officers, directors and policyholders shall have the same rights and shall be subject to the same limitations, restrictions, liabilities and penalties as those prescribed by this code for insurers organized under this code, their officers, directors and policyholders.

c. Oath or affirmation of office. Within 30 days after receipt of the commission, each appointee shall take, subscribe and file in the office of the Secretary of State the oath or affirmation prescribed by law.

d. Duties and powers. The board shall have the following duties and powers: (1) It shall hold annual meetings and such other meetings as it may deem necessary at such times and places as the board shall prescribe and a majority of the board including one officer shall constitute a quorum. (2) It shall elect from its members and prescribe the duties of a president and secretary-treasurer, each of whom shall serve for 1 year and until a successor is elected. record or of any certificate issued by the board may be authenticated 
by any member of the board under its seal and when so authen­
ticated shall be evidence in all courts of this State of the same 
weight and force as the original thereof. For authenticating a copy 
of any entry or entries contained in its record the board shall be 
paid a fee of $3.00, but such authentication, if made at the request 
of any public agency of this or any other jurisdiction, may be with­

CHAPTER 152

An Act concerning insurance, regulating rates, underwriting guidelines and agency contracts therefor in certain cases, and amending and supplementing chapter 217 of the laws of 1970 and amending chapter 27 of the laws of 1944.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1970, c. 217 (C. 17:22-6.14a) is amended to read as follows:

C. 17:22-6.14a Contracts with agents; commissions; termination; renewal of business.

1. In the event that a policy is canceled by the insurer, either at its own behest or at the behest of the agent or broker of record, the unearned premium, including the unearned commission shall be returned to the policyholder. In the event that a policy is canceled by the insured, any broker of record may retain his portion of the unearned commission, and the balance of the unearned premium including any balance of unearned commission, shall be returned to the policyholder. Contracts between insurance companies and agents for the appointment of the agent as the representative of the company shall set forth the rates of commission to be paid to the agent for each class of insurance within the scope of such appointment written on all risks or operations in this State except:

(a) Reinsurance.
(b) Life insurance.
(c) Annuities.
(d) Accident and health insurance.
(e) Title insurance.
(f) Mortgage guaranty insurance.
(g) Hospital service, medical service, or dental service corporations, investment companies, mutual benefit associations, or fraternal beneficiary associations.

Said rates of commission shall continue in force and effect unless changed by mutual written consent or until termination of said contract as hereinafter provided. Failure to achieve such mutual consent shall require that the agent’s contract be terminated as hereinbelow provided. The rate of commissions being paid on each
class of insurance on the date of enactment hereof shall be deemed to be pursuant to the existing contract between agent and company. Termination of any such contract for any reason other than one excluded herein shall become effective after not less than 90 days' notice in writing given by the company to the agent and the Commissioner of Insurance. No new business nor increases in liability on renewal or in force business shall be written by the agent for the company after notice of termination without written approval of the company. However, during the term of the agency contract, including the said 90-day period, the company shall not refuse to renew such business from the agent as would be in accordance with said company's current underwriting standards. The company shall during a period of 9 months from the effective date of such termination, upon request in writing of the terminated agent, renew all contracts of insurance for such agent for said company as may be in accordance with said company's then current underwriting standards and pay to the terminated agent a commission in accordance with the previous agency contract of the terminated agent. Said commission can be paid only to the holder of a New Jersey broker's license. In the event any risk shall not meet the then current underwriting standards of said company, that company may decline its renewal, provided that the company shall give the terminated agent and the insured not less than 60 days' notice of its intention not to renew said contract of insurance.

The agency termination provisions of this act shall not apply to those contracts in which the agent is paid on a salary basis without commission or where he agrees to represent exclusively one company or to the termination of an agent's contract for insolvency, abandonment, gross and willful misconduct, or failure to pay over to the company moneys due to the company after his receipt of a written demand therefor, or after revocation of the agent's license by the Commissioner of Insurance; and in any such case the company shall upon request of the insured, provided he meets the then current underwriting standards of the company, renew any contract of insurance formerly processed by the terminated agent through an active agent, or directly pursuant to such rules and regulations as may be promulgated by the Commissioner of Insurance.

The Commissioner of Insurance, on the written complaint of any person stating that there has been a violation of this act, or when he deems it necessary without a complaint, may inquire and otherwise investigate to determine whether there has been any violation of this act.
All existing contracts between agent and company in effect in the State of New Jersey on the effective date of this act are subject to all provisions of this act.

The Commissioner of Insurance may, if he determines that a company is in unsatisfactory financial condition, exclude such company from the provisions of this act.

Whenever under this act it is required that the company shall renew a contract of insurance, the renewal shall be for a time period equal to one additional term of the term specified in the original contract, but in no event to be less than 1 year.

C. 17:22-6.14a1 Filing of current underwriting guidelines.

2. All property and casualty insurers doing business in New Jersey shall, upon request of the Commissioner of Insurance, file with the Department of Insurance a copy of their current underwriting guidelines, together with any amendments thereto or modification thereof. Such guidelines, amendments or modifications shall not be arbitrary, capricious or unfairly discriminatory.

C. 17:22-6.14a2 Notice of nonrenewal; contents; statements not to constitute cause of action.

3. Where a policy of insurance is not renewed because of failure to meet the then current underwriting standards, the notice of nonrenewal shall identify the underwriting standard and specify in detail the factual basis upon said underwriting standard has not been met.

There shall be no liability on the part of and no cause of action of any nature shall arise against the Commissioner of Insurance or against any insurer, its authorized representative, its agents, its employees, or any firm, person or corporation furnishing to the insurer information as to reasons for nonrenewal, for any statement made by any of them in any written notice of nonrenewal, or in any other communication, oral or written specifying the reasons for nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

C. 17:22-6.14a3 Rules and regulations.

4. The Commissioner of Insurance is authorized to adopt, promulgate and enforce such rules and regulations as he determines to be necessary to implement this act.

C. 34:6A-11 Registration; fees.

11. The commissioner shall have the power and authority to require that places of employment be registered with the department; and that a certificate of registration be obtained from the department for each place of employment. The application and certificate forms shall be prescribed by the commissioner.

A certificate of registration shall expire 1 year from its effective date, unless sooner revoked or suspended by the commissioner; provided, however, that the commissioner may in his discretion require every employer subject to this chapter to register on a date to be fixed by him, which shall be not sooner than 3 months nor later than 15 months from the effective date of this act. A certificate of
registration may be renewed upon the filing of an application for renewal upon a form prescribed by the commissioner. A certificate of registration shall at all times be prominently displayed at each place of employment of the employer.

The commissioner shall have the power and authority to charge an annual registration fee of not less than $15.00 nor more than $50.00 for each certificate of registration issued.

2. Section 3 of P. L. 1962, c. 45 (C. 34:5-168) is amended to read as follows:

C. 34:5-168 Health and safety requirements; compliance by employers in construction industry; registration; fees.

3. Any employer engaging in any activity related to the erection, construction, alteration, demolition, repair or maintenance of buildings, structures, bridges, highways, roadways, dams, tunnels, sewers, underground buildings or structures, pipelines or ducts and all other construction projects or facilities, shall comply with all requirements reasonably necessary for the health and safety of employees and the general public. Such requirements shall be set forth in rules and regulations adopted under the Construction Safety Act. The application and certificate forms shall be prescribed by the commissioner.

A certificate of registration shall expire 1 year from its effective date, unless sooner revoked or suspended by the commissioner. A certificate of registration may be renewed upon the filing of an application for renewal on a form prescribed by the commissioner. A certificate of registration shall at all times be prominently displayed at each place of business of the employer.

The commissioner shall have the power and authority to charge an annual registration fee of not less than $15.00 nor more than $50.00 for each certificate of registration issued.

3. Section 4 of P. L. 1954, c. 197 (C. 34:6-98.4) is amended to read as follows:

C. 34:6-98.4 Authority and duties of the commissioner; registration; fees.

4. a. The commissioner shall administer the provisions of this act and may promulgate, make, amend and repeal necessary and reasonable rules and regulations not inconsistent with the provisions of this act. Such rules and regulations shall have the force and effect of law and shall be enforced in the same manner. It is the policy and intent of this section that the physical plant, operations and methods of the mining industry or any part thereof shall be so constructed, equipped, arranged, operated, maintained and
conducted in all respects as to provide for reasonable and adequate protection to the lives, health and safety of miners and others employed in the mining industry and frequenting the same, as well as the protection of property. The commissioner shall be guided by the standards and recommendations of the United States Bureau of Mines, and recognized mine safety authorities in the preparation of the rules and regulations.

b. When requested to do so, the commissioner may make tests, or have same made, to determine if any device, safeguard or equipment may be approved for use in connection with any provisions of this act. He may charge a fee for such approval, payable by the approval applicant, in any amount commensurate with the cost to the State for making such tests or have same made, in which case he may require the applicant to pay all cost directly to the private agency making the test.

c. The commissioner shall appoint all personnel pursuant to the provisions of Title 11, Revised Statutes, and arrange for all services necessary to administer the provisions of this act. He shall arrange for operations to be conducted in branch offices located near the mining centers of the State if, in his opinion, the effectiveness of the service can be thereby improved.

d. If, upon examination or inspection, it shall appear to an inspector that a mine or part thereof is, from any cause, in a dangerous condition, or fails to comply with the provisions of this act or any rule or regulation promulgated hereunder, he shall so report to the bureau and the commissioner shall at once notify the operator in charge thereof, such notice to be in writing and to be served by copy upon the operator. Said notice shall state in detail in what particular said mine or part thereof is deemed dangerous, insecure and not in compliance with the provisions of this act, and provide a reasonable specified time to comply. The operator of said mine shall forthwith make such change in order to comply with the requirements of this act.

e. In case of any civil or criminal proceedings at law against the parties so notified, on account of loss of life or bodily injuries sustained by an employee, subsequent to such notice, and in consequence of such dangerous condition, and without an affirmative and diligent effort having been made to remedy the same to the satisfaction of the commissioner, a certified copy of the notice served by the commissioner shall be prima facie evidence of the negligence of such party or parties.
f. If it appears from a reexamination of the mine by the inspector that such changes or compliances have not been made within the time specified in such notice, and that the mine or part of such mine is still in an unlawful condition or dangerous to life, health or property and in the opinion of the commissioner, it is necessary for the protection of life, health or property that such mine or a part of the mine be vacated, the commissioner shall forthwith order the cessation of the operation and working of said mine or part of mine, and order that the employees shall not be permitted therein for any purpose other than to remedy the defects complained of, until the provisions of this act are complied with to the satisfaction of the commissioner. The operator of said mine shall forthwith obey said order.

g. If a representative of the bureau finds conditions in any mine which in his opinion are dangerous to the health and lives of employees he shall report the facts forthwith to the bureau. The commissioner shall order all workings stopped in the particular section of the mine in which the dangerous condition was found, if in his opinion such an action is necessary to preserve life and limb. Work shall not be resumed until the commissioner so authorizes.

h. The commissioner shall have the power and authority to require that every mine, pit or quarry of any operator be registered with him and that a certificate of registration be obtained before the opening of such mine, pit or quarry. The application and certificate forms shall be prescribed by the commissioner.

A certificate of registration shall expire 1 year from its effective date, unless sooner revoked or suspended by the commissioner. A certificate of registration may be renewed upon the filing of an application of renewal on a form prescribed by the commissioner. A certificate of registration shall at all times be prominently displayed at each mine, pit or quarry of the operator.

The commissioner shall have the power and authority to charge an annual registration fee of not less than $15.00 nor more than $50.00 for each certificate of registration issued.

4. Section 7 of P. L. 1960, c. 55 (C. 21:1A-134) is amended to read as follows:

(e) be of good moral character and must never have been disloyal to the United States; and

it shall be within the sole discretion of the commissioner to determine whether an applicant who has been convicted of a crime involving moral turpitude has the good moral character necessary for a permit. It shall also be within the reasonable discretion of the commissioner to deny the issuance of a permit where he concludes, after a full examination of the qualifications of an applicant, that to grant a permit would be dangerous to the health, safety and welfare of the people of the State of New Jersey. The failure of a holder of a permit to maintain the qualifications stated herein shall be good cause for the revocation of the permit.

C. When the applicant for a permit to manufacture, sell, transport, store or use explosives is a firm, association or corporation, the applicant must demonstrate that such activities with regard to explosives will be under the direct supervision of a person who meets the qualifications stated above.

D. Permits shall be valid for 1 year unless sooner revoked. Permits which expire on July 1, 1960 may be renewed by the commissioner at his discretion for a period of not less than 3 months.

3. This act shall take effect immediately.

Approved May 24, 1971.

CHAPTER 164

An Act authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the sum of $155,000,000.00 for higher education buildings, their construction, reconstruction, development, extension, improvement and equipment; providing the ways and means to pay the interest of said debt, and also to pay and discharge the principal thereof; and providing for the submission of this act to the people at a general election.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be cited as the "New Jersey Higher Education Buildings Construction Bond Act of 1971."

2. The Legislature hereby finds that:

a. The Governor’s Commission to evaluate the capital needs of New Jersey in 1968 estimated the immediate need for $500,000,000.00 to finance high priority higher education construction projects.

b. The voters in November of 1968 authorized $202,500,000.00 for higher education construction projects and this commitment of funds constituted a first installment toward meeting the total requirement.

c. The State of New Jersey requires a second step be taken in the comprehensive and integrated program for the construction of higher education buildings begun in 1968. Since this essential
program for the construction of public buildings will serve the people of the State for many years, financing of the same by a bond issue is deemed to be in the public interest.

d. Consistent with the goals set forth by the New Jersey Board of Higher Education in 1970, there continues an urgent need to increase significantly the enrollment capacity for undergraduate students at public institutions of higher education, to provide for commensurate increases in the enrollment capacity for graduate and professional students at these institutions and to provide for the construction of additional county college facilities.

3. Except as the context may otherwise require:
   a. "Higher education buildings" shall mean buildings, structures and facilities required for the operation of State institutions of higher education and county colleges.
   b. "Construction of higher education buildings" means the erection, acquisition, improvement, reconstruction, development and extension of public buildings, including all equipment and facilities necessary to the operation thereof and includes the acquisition of land necessary for said purposes.
   c. "State institutions of higher education" shall mean Rutgers, The State University, the State Colleges, Newark College of Engineering, and the College of Medicine and Dentistry of New Jersey.
   d. "County colleges" shall mean colleges operated pursuant to the provisions of chapter 41, P. L. 1962, as amended or supplemented (N.J.S. 18A:64A-1, et seq.).

4. Bonds of the State of New Jersey in the sum of $155,000,000.00 are hereby authorized for the purpose of capital expenditure for cost of the construction of higher education buildings.

5. Said bonds shall be serial bonds and known as "Higher Education Construction Bonds" and, as to each series, the last annual installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance, but may be issued in whole or in part for a shorter term.

6. Said bonds shall be issued from time to time as the issuing officials herein named shall determine.

7. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason, his powers and duties shall
be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

10. Such bonds shall recite that they are issued for the purpose set forth in section 4 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1971, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause. Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, not exceeding 6% per annum, as may be determined by the issuing officials, which interest shall be payable semiannually;
provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 5 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale at such price not less than the par value thereof and accrued interest thereon and under such terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

13. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "Higher Education Buildings Construction Fund."

15. The moneys in said Higher Education Buildings Construction Fund are hereby specifically dedicated and shall be applied to the cost of the higher education buildings purpose set forth in section 4 of this act, and all of such moneys are hereby appropriated for such purpose. The Board of Higher Education shall be empowered to make specific allocations of funds to projects, but no such moneys shall be expended for such purpose (except as otherwise hereinbelow authorized) without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making specific appropriation of any of said moneys.
At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any available money in the Treasury of the State to the credit of the Higher Education Buildings Construction Fund such sum as may be deemed necessary for the purpose of this act by the State House Commission, which said sum so transferred shall be returned to the Treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

Pending their application to the purpose provided in this act, moneys in the Higher Education Buildings Construction Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the General Treasury and become a part of the General State Fund.

16. In case any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated, or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction and proof of ownership and such security and indemnity and reimbursement for expenses as the issuing officials may require.

17. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature in annual installments commencing not later than the tenth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.
19. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are subject to redemption prior to maturity, providing such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest which would be paid on the bonds to be refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all of its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

20. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

   a. Revenue derived from the collection of taxes as provided by the “Sales and Use Tax Act” (P. L. 1966, c. 30) as amended and supplemented, or so much thereof as may be required; and

   b. If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax
herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the tax specified in subsection a. of this section shall thereupon be considered and treated as part of the General State Fund, available for general purposes.

21. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

22. For the purpose of complying with the provisions of the State Constitution this act shall at the general election to be held in the month of November, 1971, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take
CHAPTER 164, LAWS OF 1971

effect, and at least 15 days prior to the said election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively, in accordance with the instructions of the Secretary of State, shall cause to be printed on each of the said ballots, the following:

If you approve the act entitled below, make a cross (\(\times\)), plus (+), or check (\(\checkmark\)) mark in the square opposite the word "Yes."

If you disapprove the act entitled below, make a cross (\(\times\)), plus (+), or check (\(\checkmark\)) mark in the square opposite the word "No."

If voting machines are used, a vote of "Yes" or "No" shall be equivalent to such markings respectively.

CHAPTER 165

An Act authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the sum of $80 million to provide money for public acquisition of lands for recreation and conservation purposes to meet the future needs of the expanding population; to enable the State to acquire such lands and to provide for State grants to assist municipalities and counties and other units of local government to acquire such lands; providing the ways and means to pay the interest of said debt and also to pay and discharge the principal thereof; and providing for the submission of this act to the people at a general election.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act may be cited as the "New Jersey Green Acres Bond Act of 1971."

2. The Legislature hereby finds that:

(a) The provision of lands for public recreation and the conservation of natural resources promotes the public health, prosperity and general welfare and is a proper responsibility of government;

(b) Lands now provided for such purposes will not be adequate to meet the needs of an expanding population in years to come;

(c) The expansion of population, while increasing the need for such lands, will continually diminish the supply and tend to increase the cost of public acquisition of lands available and appropriate for such purposes;
(d) The State of New Jersey must act now to acquire and to assist local governments to acquire substantial quantities of such lands as are now available and appropriate for such purposes so that they may be used and preserved for use for such purposes; and

(e) The sum of $80 million is needed now to make such acquisition possible.

3. Bonds of the State of New Jersey in the sum of $80 million are hereby authorized to provide money to meet the cost of public acquisition of lands for recreation and conservation purposes.

Of the total moneys available for the public acquisition of lands under this act $40 million is hereby allocated for acquisition of lands by the State and the remaining $40 million is allocated for State grants to municipalities and counties for municipal and county acquisitions.

The cost of public acquisition of such lands shall include the full cost of acquisition of any such lands by the State and, subject to legislation and the conditions prescribed therein, not more than 50% of the cost of acquisition of any such lands by any municipality or county.

Acquisition of lands actively devoted to agriculture shall be avoided whenever possible and in lieu thereof, whenever feasible, development rights, conservation easements and other interests less than a fee simple shall be acquired.

4. Except as the context may otherwise require:

(a) "Recreation and conservation purposes" means use of lands for parks, natural areas, forests, camping, fishing, water reserves, wildlife, reservoirs, hunting, boating, winter sports and similar uses for public outdoor recreation and conservation of natural resources;

(b) "Lands" means real property, including improvements thereof or thereon, rights of way, water, riparian and other rights, easements, privileges and all other rights or interests of any kind or description in, relating to or connected with real property; and

(c) "Cost," as used with respect to cost of acquisition, shall include, in addition to the usual connotations thereof, the cost of all things deemed necessary or useful and convenient in connection with the acquisition of lands by or with the assistance of the State, for recreation and conservation purposes, including interest or discount on bonds, cost of issuance of bonds, the cost of engineering, inspection, legal, financial, geological, hydrological and other pro-
fessional services, estimates and advice, the cost of organizational, administrative and other work and services, and the cost of reimbursement of any fund from which moneys shall have been advanced to the State Recreation and Conservation Land Acquisition Fund, created herein.

(d) "Municipality" and "county" shall mean any political subdivision of this State, and any agency thereof.

5. To the end that municipalities may not suffer loss of taxes by reason of the acquisition and ownership by the State of New Jersey of property under the provisions of this act, the State shall pay annually on October 1 to each municipality in which property is so acquired, for a period of 13 years following such acquisition the following amounts—in the first year a sum of money equal to that last paid as taxes upon such land and the improvements thereon for the taxable year immediately prior to the time of its acquisition, and thereafter the following percentages of the amount paid in the first year, to wit, second year 92%; third year 84%; fourth year 76%; fifth year 68%; sixth year 60%; seventh year 52%; eighth year 44%; ninth year 36%; tenth year 28%; eleventh year 20%; twelfth year 12%; thirteenth year 4%.

All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of the said municipalities, and to accomplish this end such sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

6. Said bonds shall be serial bonds and known as "State Recreation and Conservation Land Acquisition Bonds" and, as to each series, the last installment thereof (subject to redemption prior to maturity) shall mature and be paid not later than 35 years from the date of its issuance.

7. Said bonds shall be issued from time to time as money is required for the purpose aforesaid, as the issuing officials herein named shall determine.

8. The Governor, State Treasurer and Comptroller of the Treasury or any two of such officials (hereinafter referred to as "the issuing officials") are hereby authorized to carry out the provisions of this act relating to the issuance of said bonds, and shall determine all matters in connection therewith subject to provisions hereof. In case any of said officials shall be absent from the State or incapable of acting for any reason his powers and duties
shall be exercised and performed by such person as shall be authorized by law to act in his place as a State official.

9. Bonds, issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey and the faith and credit of the State are pledged for the payment of the interest thereon as same shall become due and the payment of the principal at maturity. The principal and interest of such bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

10. Said bonds shall be signed in the name of the State by the Governor or by his facsimile signature, under the Great Seal of the State, and attested by the Secretary of State, or an assistant Secretary of State, and shall be countersigned by the facsimile signature of the Comptroller of the Treasury. Interest coupons attached to said bonds shall be signed by the facsimile signature of the Comptroller of the Treasury. Such bonds may be issued notwithstanding that any of the officials signing them or whose facsimile signatures appear on the bonds or coupons shall cease to hold office at the time of such issue or at the time of the delivery of such bonds to the purchaser.

11. (a) Such bonds shall recite that they are issued for the purpose set forth in section 3 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1971, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. Such recital in said bonds shall be conclusive evidence of the authority of the State to issue said bonds and of their validity. Any bonds containing such recital shall in any suit, action or proceeding involving their validity be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of statutes applicable thereto, and shall be incontestable for any cause.

(b) Such bonds shall be issued in such denominations and in such form or forms, whether coupon or registered as to both principal and interest, and with or without such provisions for interchangeability thereof, as may be determined by the issuing officials.

12. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest, that the aggregate amount of interest payable over the life of such series, less the premium, if any, received
upon the sale thereof, shall not exceed an amount not in excess of the maximum rate of interest per annum fixed pursuant to R. S. 31:1-1 computed over the life of such series, as may be determined by the issuing officials, which interest shall be payable semiannually; provided, that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

13. Said bonds shall be issued and sold at such price not less than the par value thereof and accrued interest thereon, and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of said sale, published at least three times in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to be at least 7 days prior to the day of bidding. The said notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the Federal Government or any agency thereof, at private sale, without advertisement.

14. Until permanent bonds can be prepared, the issuing officials may, in their discretion, issue in lieu of such permanent bonds temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

15. The proceeds from the sale of the bonds shall be paid to the State Treasurer and be held by him in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the "State Recreation and Conservation Land Acquisition Fund."

16. The moneys in the said State Recreation and Conservation Land Acquisition Fund are hereby specifically dedicated to meeting the cost of public acquisition of lands for recreation and conservation purposes and shall not be expended except in accordance with appropriations from said fund made by law.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer is hereby authorized to transfer from any
available money in the treasury of the State to the credit of the State Recreation and Conservation Land Acquisition Fund such sum as may be deemed necessary for the purposes of this act by the State House Commission, which said sum so transferred shall be returned to the treasury of this State by the treasurer thereof from the proceeds of the sale of the first issue of bonds.

Pending their application to the purposes provided in this act, moneys in the State Recreation and Conservation Land Acquisition Fund may be invested and reinvested as other trust funds in the custody of the State Treasurer in the manner provided by law. All earnings received from the investment or deposit of such funds shall be paid into the General Treasury and become a part of the General State Fund.

17. In case any coupon bonds and coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction and also such security and indemnity as the issuing officials may require.

18. Accrued interest received upon the sale of said bonds shall be applied to the discharge of a like amount of interest upon said bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of said bonds, by the State Treasurer upon warrant of the Comptroller of the Treasury, in the same manner as other obligations of the State are paid.

19. Bonds of each series issued hereunder shall mature in installments commencing not later than the fifth year and ending not later than the thirty-fifth year from the date of issue of such series, and in such amounts as shall be determined by the issuing officials, but the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem all or any of such bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in such bonds.

20. The issuing officials may at any time and from time to time issue refunding bonds for the purpose of refunding in whole or in part an equal principal amount of the bonds of any series issued and outstanding hereunder, which by their terms are
subject to redemption prior to maturity, providing such refunding bonds shall mature at any time or times not later than the latest maturity date of such series, and the aggregate amount of interest to be paid on the refunding bonds, plus the premium, if any, to be paid on the bonds refunded, shall not exceed the aggregate amount of interest that would be paid on the bonds refunded if such bonds were not so refunded. Refunding bonds shall constitute direct obligations of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the principal thereof and the interest thereon. The proceeds received from the sale of refunding bonds shall be held in trust and applied to the payment of the bonds refunded thereby. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to the maturities thereof and to the extent herein otherwise expressly provided.

21. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is hereby appropriated in the order following:

(a) Revenue derived by the State from fees and other charges of any nature made for the use of State parks and other State recreational facilities or so much thereof as may be required;

(b) Revenue derived from the tax collected under and by virtue of the provisions of the Corporation Business Tax Act (1945) (P. L. 1945, c. 162, as amended and supplemented), or so much thereof as may be required; and

(c) If in any year or at any time funds, as hereinabove appropriated, necessary to meet interest and principal payments upon outstanding bonds issued under this act, be insufficient or not available, then and in that case there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on such bonds as it is proposed to issue under this act in the calendar year in which such tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed
CHAPTER 165, LAWS OF 1971 647

to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year the issuing officials shall determine that there are moneys in the General State Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest payable in the ensuing calendar year, then and in that event such issuing officials shall by resolution so find and shall file the same in the office of the State Treasurer, whereupon the State Treasurer shall transfer such moneys to a separate fund to be designated by him, and shall pay the principal and interest out of said fund as the same shall become due and payable, and the other sources of payment of said principal and interest provided for in this section shall not then be available, and the receipts for said year from the fees, charges and taxes specified in subsections (a) and (b) of this section treated as part of the General State Fund, available for general purposes.

22. Should the State Treasurer by December 31 of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. The said county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

23. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1971, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section shall take effect,
and at least 15 days prior to the said election, to cause this act to be published in at least ten newspapers published in the State and to notify the clerk of each county of this State of the passage of this act, and the said clerks respectively shall cause to be printed on each of the said ballots, the following:

CHAPTER 168

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 12A:9-403 is amended to read as follows:

What constitutes filing; duration of filing; effect of lapsed filing; duties of filing officer.

12A:9-403. What constitutes filing; duration of filing; effect of lapsed filing; duties of filing officer.

(1) Presentation for filing of a financing statement, tender of the filing fee and acceptance of the statement by the filing officer constitutes filing under this chapter.

(2) A filed financing statement which states a maturity date of the obligation secured of 5 years or less is effective until such maturity date and thereafter for a period of 60 days. Any other filed financing statement is effective for a period of 5 years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of such 60-day period after a stated maturity date or on the expiration of such 5-year period, as the case may be, unless a continuation statement is filed prior to the lapse. Upon such lapse the security interest becomes unperfected. A filed financing statement which states that the obligation secured is payable on demand is effective for 5 years from the date of filing.

(3) A continuation statement may be filed by the secured party (i) within 6 months before and 60 days after a stated maturity date of 5 years or less, and (ii) otherwise within 6 months prior to the expiration of the 5-year period specified in subsection (2). Any such continuation statement must be signed by the secured party, identify the original statement by file number and state that the original statement is still effective. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for 5 years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement.
A filing officer shall mark each statement with a consecutive file number and with the date and hour of filing and shall hold the statement for public inspection. In addition, the filing officer shall index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement. A financing statement covering collateral which is or is to become a fixture or fixtures, or crops growing or to be grown, shall also be indexed in the name of the record owner of the realty.

The uniform fee for filing, indexing and furnishing filing data for an original or a continuation statement or any amendment of either shall be $10.00.

N. J. S. 12A:9-404 is amended to read as follows:

Termination statement.

(1) Whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor a statement that he no longer claims a security interest under the financing statement, which shall be identified by the filing officer's file number. A termination statement signed by a person other than the secured party of record must include or be accompanied by the assignment or a statement by the secured party of record that he has assigned the security interest to the signer of the termination statement. The uniform fee for filing and indexing such an assignment or statement thereof shall be $10.00. If the affected secured party fails to send such a termination statement within 10 days after proper demand therefor he shall be liable to the debtor for $100.00, and in addition for any loss caused to the debtor by such failure.

(2) On presentation to the filing officer of such a termination statement he must note it in the index and attach it to the original financing statement. The filing officer shall mark terminated the financing statement and any continuation statement, statement of assignment, or statement of release, pertaining thereto.

(3) The uniform fee for filing, attaching and indexing a termination statement including sending or delivering the financing statement shall be $5.00.

N. J. S. 12A:9-405 is amended to read as follows:

Assignment of security interest; duties of filing officer; fees.

12A:9-405. Assignment of security interest; duties of filing officer; fees.
(1) A financing statement may disclose an assignment of a security interest in the collateral described in the statement by indication in the statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement. Either the original secured party or the assignee may sign this statement as the secured party. On presentation to the filing officer of such a financing statement the filing officer shall mark the same as provided in 12A:9-403 (4). The uniform fee for filing, indexing and furnishing filing data for a financing statement so indicating an assignment shall be $5.00.

(2) A secured party may assign of record all or a part of his rights under a financing statement by the filing of a separate written statement of assignment signed by the secured party of record and setting forth the name of the secured party of record and the debtor, the file number and the date of filing of the financing statement and the name and address of the assignee and containing a description of the collateral assigned. On presentation to the filing officer of such a separate statement, the filing officer shall mark such separate statement with the date and hour of filing. He shall note the assignment on the index of the financing statement. The uniform fee for filing, indexing and furnishing filing data about such a separate statement of assignment shall be $5.00.

(3) After the disclosure or filing of an assignment under this section, the assignee is the secured party of record.

4. N. J. S. 12A:9-406 is amended to read as follows:

Release of collateral; duties of filing officer; fees.

A secured party of record may by his signed statement release all or a part of any collateral described in a filed financing statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the debtor, the name and address of the secured party, and the file number of the financing statement. Upon presentation of such a statement to the filing officer he shall mark the statement with the hour and date of filing and shall note the same upon the index of the filing of the financing statement. The uniform fee for filing and noting such a statement of release shall be $5.00.

(2) Upon request of any person, the Secretary of State may issue his certificate showing whether there is on file on the date and hour stated therein, any presently effective financing statement naming a particular debtor and any statement of assignment thereof and if there is, giving the date and hour of filing of each statement and the names and addresses of each secured party therein. The uniform fee for such a certificate shall be $10.00. Upon request the filing officer shall furnish a copy of any filed financing statement, continuation statement, termination statement, statement of assignment, or statement of release for a fee of $1.00 per page.

Any member in service who attains age 65 years shall be retired on a service retirement allowance forthwith on the first day of the next calendar month.

(2) Upon retirement for service a member shall receive a service retirement allowance which shall consist of:

(a) An annuity which shall be the actuarial equivalent of his aggregate contributions and

as a result of the performance of his regular or assigned duties and
that such disability was not the result of the member's willful
negligence and that such member is mentally or physically in-
capacitated for the performance of his usual duty and of any other
available duty in the department which his employer is willing to
assign to him. The application to accomplish such retirement must
be filed within 5 years of the original traumatic event, but the board
of trustees may consider an application filed after the 5-year period

shall equal \( \frac{1}{2} \) of such compensation instead of 3\( \frac{1}{2} \) times such
compensation.

(4) Permanent and total disability resulting from a cardiovas-
cular, pulmonary or musculo-skeletal condition which was not a

(2) Any beneficiary under the age of 55 years who has been retired on a disability retirement allowance under this act, on his request shall, or upon the request of the retirement system may, be given a medical examination and he shall submit to an examination by a physician or physicians designated by the medical board once a year for at least a period of 5 years following his retirement in order to determine whether or not the disability which existed at the time he was retired has vanished or has materially diminished. If the report of the medical board shall show that such beneficiary is able to perform either his former duty or any other available duty in the department which his employer is willing to assign to him, the beneficiary shall report for duty; such a beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service. If the beneficiary fails to submit to any such medical examination or fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

(3) If such beneficiary is engaged in an occupation paying more than the difference between (a) his retirement allowance and (b) the salary now attributable to his former position in the police or fire department plus 25% in excess of such salary, the amount of his pension shall be reduced to an amount which, together with his annuity and the amount of his earnings, shall equal the amount of the salary now attributable to his former position in the police and fire department plus 25% in excess of such salary. Should his earnings be later changed, the amount of his pension shall be further modified; provided, that the new pension shall not exceed the amount of the pension originally granted.

(4) If a disability beneficiary is restored to active service, his retirement allowance and the right to any death benefit as a result of his former membership, shall be cancelled until he again retires.
Such person shall be reenrolled in the retirement system and shall contribute therefor at a rate based on his age at the time of his prior enrollment. Such person shall be treated as an active member for determining disability or death benefits while in service.

Upon subsequent retirement of such member, he shall receive a retirement allowance based on all his service as a member computed in accordance with applicable provisions of this act, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his average final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement.

6. Section 9 of P. L. 1944, c. 255 (C. 43:16A-9) is amended to read as follows:

C. 43:16A-9 Death in active service; allowance to beneficiary; death benefits; death within 30 days of retirement.

9. (1) Upon the receipt of proper proof of the death of a member in active service on account of which no accidental death benefit is payable under section 10 there shall be paid to such member's beneficiary:

(a) The member's aggregate contributions at the time of death and
(b) An amount equal to 3½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

(2) a. For the purposes of this section and section 10 (5), a member of the Police and Firemen's Retirement System shall be deemed to be an active member for a period of no more than 93 days while on official leave of absence without pay when such leave is due to any reason other than illness, and for a period of not more than 1 year in the event of an official leave (a) due to the member's maternity, or (b) to fulfill a residency requirement for an advanced degree, or (c) as a full-time student at an institution of higher education, and (1) while he is disabled due to sickness or injury arising out of or in the course of his employment as a member to whom this act applies, is not engaged in any gainful occupation, and is receiving or entitled to receive periodic benefits (including any commutation of, or substitute for, such benefits) for loss of time on account of such disability under or by reason of workmen's compensation law, occupational disease law or similar legislation.
and has not retired or terminated his membership; or (2) for a period of no more than 2 years while on official leave of absence without pay if satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to the member's personal illness other than an illness to which (1) above applies.

b. If a member dies within 30 days after the date of retirement or the date of board approval, whichever is later, a death benefit shall be payable only if he is deemed to be an active member in accordance with this section; provided, however, a member applying for disability benefits shall be deemed an active member if he was covered by the death benefit provisions of the act at the termination of employment, filed the application for disability retirement with the retirement system within 30 days following such termination of employment and dies within 30 days after the date of retirement or the date of board approval, whichever is later.

7. Section 13 of P. L. 1944, c. 255 (C. 43:16A-13) is amended to read as follows:

C. 43:16A-13 Board of trustees; membership, appointment or election, oath, vacancies, compensation, duties; medical board.

13. (1) Subject to the provisions of chapter 70 of the laws of 1955, the general responsibility for the proper operation of the retirement system is hereby vested in a board of trustees.

(2) The board shall consist of nine trustees as follows:

(a) Four members to be appointed by the Governor, who shall serve at the pleasure of the Governor and until their successors are appointed and who shall be private citizens of the State of New Jersey who are neither an officer thereof nor an active or retired member of any police or fire department thereof.

(b) The State Treasurer or the Deputy State Treasurer, when designated for that purpose by the State Treasurer.

(c) Two policeman and two firemen who shall be members of the system and who shall be elected by the members of the system for a term of 4 years according to such rules and regulations as the board of trustees shall adopt to govern such election.

(3) Each trustee shall, after his appointment or election, take an oath of office that, so far as it devolves upon him, he will diligently and honestly fulfill his duties as a board member, and that he will not knowingly violate or willingly permit to be violated any of the provisions of the law applicable to the retirement system. Such oath shall be subscribed by the member making it, and certified by
the officer before whom it is taken, and immediately filed in the
doffice of the Secretary of State.

(4) If a vacancy occurs in the office of a trustee, the vacancy
shall be filled in the same manner as the office was previously filled.

(5) The trustees shall serve without compensation, but they shall
be reimbursed for all necessary expenses that they may incur
through service on the board.

(6) Each trustee shall be entitled to one vote in the board. Five
trustees must be present at any meeting of said board for the
transaction of its business.

(7) Subject to the limitations of this act, the board of trustees
shall annually establish rules and regulations for the administration
of the funds created by this act and for the transaction of its
business. Such rules and regulations shall be consistent with those
adopted by the other pension funds within the Division of Pensions
in order to permit the most economical and uniform administration
of all such retirement systems.

(8) The board of trustees shall elect from its membership a
chairman. The Chief of the Bureau of Police and Fire Funds of
the Division of Pensions of the State Department of the Treasury
shall be the secretary of the board. The administration of the
program shall be performed by the personnel of the Division of
Pensions.

(9) The board of trustees shall keep a record of all of its
proceedings which shall be open to public inspection. The retire­
ment system shall publish annually a report showing the fiscal
transactions of the retirement system for the preceding year, the
amount of the accumulated cash and securities of the system, and
the last balance sheet showing the financial condition of the system
by means of an actuarial valuation of the assets and liabilities of
the retirement system.

(10) The Attorney General of the State of New Jersey shall be
the legal advisor of the board of trustees.

(11) The State Treasurer shall designate a medical board after
consultation with the Director of the Division of Pensions, subject
to veto by the board of trustees for valid reason. It shall be com­
posed of three physicians who are not eligible to participate in the
retirement system. The medical board shall pass upon all medical
examinations required under the provisions of this act, shall in­
vestigate all essential statements and certificates by or on behalf of
a member in connection with an application for disability retire­
ment, and shall report in writing to the retirement system its conclusions and recommendations upon all matters referred to it.

(12) The actuary of the system shall be designated by the State Treasurer after consultation with the Director of the Division of Pensions, subject to veto by the board for valid reason. He shall be the technical advisor of the board of trustees on matters regarding the operation of the funds created by the provisions of this act, and shall perform such other duties as are required in connection therewith.

(13) Once in each 5-year period the actuary shall make an actuarial investigation into the mortality, service and compensation experience of the members and beneficiaries of the retirement system and, with the advice of the actuary, the board of trustees shall adopt for the retirement system such mortality, service and other tables as shall be deemed necessary and shall certify the rates of contribution payable under the provisions of this act.

(14) (Deleted by amendment.)

(15) On the basis of such tables recommended by the actuary as the board of trustees shall adopt and regular interest, the actuary shall make an annual valuation of the assets and liabilities of the funds of the system created by this act.

(16) The various funds created by this act shall be subject to the supervision of the Department of Insurance of the State of New Jersey.

(17) Each policeman or fireman member of the board of trustees shall be entitled to time off from his municipal or county duty, with pay, during the periods of his attendance upon regular or special meetings of the board of trustees, and such time off shall include reasonable travel time required in connection therewith.

8. Section 15 of P. L. 1944, c. 255 (C. 43:16A-15) is amended to read as follows:

15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) Upon the basis of such tables recommended by the actuary as the board shall adopt and regular interest, the actuary of the retirement system shall determine for each age at entrance into the system the percentage of compensation of the member entering at such age, exclusive of the additional contribution prescribed by subsection (15) (3) (c), which, if deducted from each payment of his prospective earnable compensation throughout active service, is
computed to be sufficient to provide for all benefits on account of his membership.

(3) (a) The percentage contribution rate of each member, exclusive of the additional contribution prescribed by subsection (15) (3) (c), shall be fixed according to his age at entrance into membership and shall be ½ of the total percentage contribution rate calculated for such age to be required to provide all benefits except the pensions upon accidental disability and the benefits payable upon death.

(b) Notwithstanding the provisions of subsection (15) (3) (a), the percentage contribution rates for members of the retirement system exclusive of the additional contribution prescribed by subsection (15) (3) (c), shall be fixed at the contribution rates in effect as of July 1, 1967.

(c) Effective July 1, 1968, all proportions of compensation are increased by an additional 1% of compensation which is subject to deductions from the compensation of members or contributions made on their behalf by their employers in lieu of such deductions.

(4) Each employer shall make a contribution equal to that made by each member in its employ and in addition shall make a contribution equal to the percentage of the compensation of each such member certified by the retirement system to be required to provide the cost of accidental disability pensions and any death benefits on his account. Notwithstanding this provision, the retirement system shall certify an average and uniform rate for payments by all employers, which shall be set on the basis of the annual actuarial valuations to be sufficient to provide with previous contributions of employers all benefits for which employers are responsible. This shall be known as the "normal contribution."

(5) In addition each employer shall make such contributions, if any, as is certified by the retirement system to be required to provide for accrued liability arising out of all prior service granted to members chargeable to such employer.

(6) The percentage rates of contribution payable by future members and all employers shall be subject to adjustment from time to time by the board of trustees with the advice of the actuary on the basis of annual actuarial valuations and experience investigations as provided under section 13, so that the value of future contributions of members and employers, when taken with present assets, shall be equal to the value of prospective benefit payments.

(7) The retirement system shall certify to the chief fiscal officer of each employer the percentage of salary payable by each member
and by the employer in behalf of his employee members. The employer shall cause to be deducted from the salary of each member the percentage of earnable compensation of each member. The retirement system shall certify to each employer the proportion of each member's compensation to be deducted, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/20 of 1% of the compensation upon the basis of which such deduction is to be made.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) Upon the basis of such tables recommended by the actuary as the board adopts and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1971 which has accrued on the basis of service rendered prior to July 1, 1971 by all members, including the amount of the liability arising out of prior service as certified by the retirement system, and including the accrued liabilities established by chapter 241 of the laws of 1964 and chapter 250 of the laws of 1967. Using the total amount of this unfunded accrued liability, he shall compute the amount of the flat annual payment, which, if paid in each succeeding fiscal year commencing with July 1, 1972, for a period of 40 years, will provide for this liability. This shall be known as the "accrued liability contribution."

The normal and accrued liability contributions as certified by the retirement system shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

(10) The treasurer or corresponding officer of the employer shall pay on or before March 31 in each year to the State Treasurer the amount so certified as payable by the employer, and shall pay
monthly to the State Treasurer the amount of the deductions from
the salary of the members in the employ of the employer, and the
State Treasurer shall credit such amount to the appropriate fund
or funds, of the retirement system.

If payment of the full amount of the employer's obligation is not
made within 30 days of the due date established by this act, interest
at the rate of 6% per annum shall commence to run against the
unpaid balance thereof on the first day after such thirtieth day.

If payment in full, representing the monthly transmittal and re­
port of salary deductions, is not made within 15 days of the due date
established by the retirement system, interest at the rate of 6% per
annum shall commence to run against the total transmittal of salary
deductions for the period on the first day after such fifteenth day.

(11) The expenses of administration of the retirement system
shall be paid by the State of New Jersey. Each employer shall
reimburse the State for a proportionate share of the amount paid
by the State for administrative expense. This proportion shall be
computed as the number of members under the jurisdiction of such
employer bears to the total number of members in the system. The
pro rata share of the cost of administrative expense shall be in­
cluded with the certification by the retirement system of the em­
ployer's contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement
system shall not be liable for the payment of any pension or other
benefits on account of the employees or beneficiaries of any em­
ployer participating in the retirement system, for which reserves
have not been previously created from funds, contributed by such
employer or its employees for such benefits.

9. Section 16 of P. L. 1944, c. 255 (C. 43:16A-16) is amended to
read as follows:

C. 43:16A-16 Funds to be established.

16. (1) All the assets of the retirement system shall be credited
according to the purpose for which they are held to one of four
funds, namely, the annuity savings fund, the pension accumulation
fund, the retirement reserve fund, and the special reserve fund.

(2) The annuity savings fund shall be a fund in which shall be
credited accumulated contributions by members or on their behalf
to provide for their allowances. The aggregate contributions of a
member withdrawn by him or paid to his estate or his designated
beneficiary in event of his death as provided in this act shall be paid
from the annuity savings fund. Upon the retirement of a member
where the aggregate contributions of the member are to be pro-
vided in the form of an annuity, the aggregate contributions of the
member shall be transferred from the annuity savings fund to the
retirement reserve fund.

(3) The pension accumulation fund shall be the fund in which
shall be credited contributions made by employers. Upon the death
of a member either before or after retirement any lump sum benefit
payable shall be charged to the pension accumulation fund. Upon
the retirement or death of a member the reserve of any pension
payable to or on his account shall be transferred to the retirement
reserve fund. The retirement system at the end of each fiscal year
shall allow interest on the balance of the retirement reserve fund as
of the beginning of said fiscal year at the regular interest rate
applicable thereto to cover the interest creditable for the year. The
amount so allowed shall be due and payable and shall be credited
annually. All other income received on the securities, funds and in-
vestments of the retirement system shall be credited to the pension
accumulation fund, except as provided by subsection (5) of this
section. The retirement system, upon the advice of the actuary,
shall transfer to and from the pension accumulation fund any
surplus or deficit in the retirement reserve fund.

(4) The retirement reserve fund shall be the fund from which all
retirement allowances and benefits in lieu thereof shall be paid.
If the retirement allowance of a member who has been retired is
subsequently canceled, the appropriate reserve shall be transferred
to the pension accumulation fund and the annuity savings fund.

(5) The special reserve fund shall be the fund to which any earn-
ings in excess of the amounts annually allowed under the provisions
of subsection (3) of this section shall be transferred. No additional
amounts shall be credited to the special reserve fund at any time
when the total accumulations in such fund equal 1% of the book
value of the investments of the retirement system. In this event,
any such excess shall be credited to the pension accumulation fund.
All losses from the sale of securities shall be charged against the
special reserve fund. The special reserve fund shall be considered
for valuation purposes by the actuary as an asset of the retirement
system.

10. Section 18 of P. L. 1964, c. 241 (C. 43:16A-16.1) is amended
to read as follows:
C. 43:16A-16.1 Loans to members; repayment.

18. Any member who has at least 3 years of service to his credit for which he has contributed as a member may borrow from the retirement system, an amount equal to not more than 50% of the amount of his aggregate contributions, but not less than $50.00; provided that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from salary, not in excess of 25% of the member’s salary, made at the time the salary is paid to the member but not after the attainment of age 55. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deductions from the salary of the member at the time the salary is paid or in such lump sum amount to repay the balance of the loan but such installments shall be at least equal to the member’s rate of contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 55. Not more than two loans may be granted to any member in any calendar year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this act applies or shall apply, the additional deductions required to repay the loan shall be made. Any unpaid balance of a loan at the time any benefit may become payable shall be deducted from the benefit otherwise payable.

Loans shall be made to a member from his aggregate contributions. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

11. Section 18 of P. L. 1944, c. 255 (C. 43:16A-18) is amended to read as follows:

C. 43:16A-18 False statements, or records; penalty; correction of errors.

18. Any person who shall knowingly make any false statement or shall falsify or permit to be falsified any record or records of this retirement system in any attempt to defraud such system as a result of such act shall be guilty of a misdemeanor and shall be punishable therefor under the laws of the State of New Jersey. Should any change or error in the records result in any member or person receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the retirement system shall correct such error, and as far as practicable, shall adjust the payments in such manner that the actuarial
equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid. The actuarial equivalent of any shortage in required contributions at the time of retirement on account of misstatement of age, leave of absence, or clerical error, shall be deducted from the retirement allowance otherwise payable.

12. Section 16 of P.L. 1964, c. 241 (C. 43:16A-11.1) is amended to read as follows:

Section 16 of P.L. 1964, c. 241 (C. 43:16A-11.1) is amended to read as follows:

C. 43:16A-11.1 Resignation before reaching service retirement age; retirement allowance in lieu of payment.

16. Should a member resign after having established 25 years of creditable service and having attained the age of 51 years but not the age of 55 years, he may elect “special retirement,” provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 11, a retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions, and

(2) A pension in the amount which, when added to the member’s annuity will provide a total retirement allowance of 2% of his average final compensation multiplied by the number of years of his creditable service up to 25 plus 1% of his average final compensation multiplied by the number of years of creditable service over 25.

The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

Upon the receipt of proper proofs of the death of such a retired member, there shall be paid to his beneficiary an amount equal to 1/2 of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

13. Section 17 of P.L. 1964, c. 241 (C. 43:16A-11.2) is amended to read as follows:

C. 43:16A-11.2 Separation from service before reaching service retirement age; election of payments or deferred retirement allowance.

17. Should a member, after having established 15 years of creditable service, be separated voluntarily or involuntarily
from the service, before reaching age 55, and not by removal for cause or charges of misconduct or delinquency, such person may elect to receive the payments provided for in section 11 of chapter 255 of the laws of 1944 or section 16 of chapter 241 of the laws of 1964, or a deferred retirement allowance, beginning on the first day of the month following his attainment of age 55 and the filing of an application therefor, which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions at the time of his severance from the service and

(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 2% of his average final compensation multiplied by the number of years of his creditable service up to 25 plus 1% of his average final compensation multiplied by the number of years of creditable service over 25, provided that such inactive member may elect to receive payments provided under section 11 of chapter 255 of the laws of 1944 or section 16 of chapter 241 of the laws of 1964 if he had qualified under that section at the time of leaving service, except that in order to avail himself of the option, he must exercise such option at least 30 days before the effective date of his retirement. If such inactive member shall die before attaining age 55, his aggregate contributions shall be paid in accordance with section 11 of chapter 255 of the laws of 1944 and, in addition if such inactive member shall die after attaining age 55 but before filing an application for retirement benefits pursuant to this section or section 16 of chapter 241 of the laws of 1964 and has not withdrawn his aggregate contributions, or in the event of death after retirement, an amount equal to ½ of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service shall be paid to such member's beneficiary.

Any member who, having elected to receive a deferred retirement allowance, again becomes an employee covered by the retirement system while under the age of 55, shall thereupon be reenrolled. If he had discontinued his service for more than 2 consecutive years, subsequent contributions shall be at his former rate increased for the years of his inactive membership. He shall be credited with all service as a member standing to his credit at the time of his election to receive a deferred retirement allowance.
14. Section 19 of P. L. 1964, c. 241 (C. 43:16A-17.1) is amended to read as follows:

C. 43:16A-17.1 Deductions for health insurance or State Health Benefits premiums.

19. If possible, whenever any beneficiary shall, in writing, request the Division of Pensions to make deductions from his retirement allowance or pension for the purpose of paying premiums for the pensioners' group health insurance plan or the State Health Benefits program, the division may make such deductions and transmit the sums so deducted to the companies carrying the policies. Any such written authorization may be withdrawn by any beneficiary upon filing notice of such withdrawal with the division.

15. Section 25 of P. L. 1967, c. 250 (C. 43:16A-11.3) is amended to read as follows:

25. a. Any person entitled to become a member of the Police and Firemen's Retirement System shall not be allowed any of the death benefits established by sections 5, 6, 7(3), 9 and 10(5) of chapter 255 of the laws of 1944, and sections 16 and 17 of chapter 241 of the laws of 1964, if (1) he makes application for membership beyond the year after he first became eligible for membership or (2) he is eligible for membership on the basis of special legislation, unless the member furnishes satisfactory evidence of insurability and on the effective date of his membership is actively at work and performing all his regular duties at his customary place of employment. The effective date of coverage for such death benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

b. Such evidence of insurability will not be required of any person becoming a member of the Police and Firemen's Retirement System upon transfer from another State-administered retirement system, if such system provided death benefits of a similar nature and the transferring member was covered by such benefits at the time of the transfer. If such transferring member was not covered by such benefits at the time of the transfer, he may be allowed the death benefits of the Police and Firemen's Retirement System subject to the provisions of subsection a. of this section; provided, however, that any such member must furnish satisfactory evidence of insurability under the provisions of subsection a. of this section if he had been unable or failed to give such evidence as a member of the system from which he transferred.
c. Any person who must furnish satisfactory evidence of insurability under the provisions of this section and who ceases to be a member of the retirement system without such evidence having been given, shall continue to be subject to the same requirement if he subsequently becomes a member.

16. Section 26 of P. L. 1967, c. 250 (C. 43:16A-12.1) is amended to read as follows:

C. 43:16A-12.1 Widows' or widowers' pension; increased benefits; minimum annual amount.

26. a. Upon the death after retirement of any member of the retirement system there shall be paid to his widow or widower a pension of 25% of average final compensation for the use of herself or himself, to continue during her or his widowhood, plus 15% of such compensation payable to one surviving child or an additional 25% of such compensation to two or more children; if there is no surviving widow or widower or in case the widow or widower dies or remarries, 20% of average final compensation will be payable to one surviving child, 35% of such compensation to two surviving children in equal shares and if there be three or more children, 50% of such compensation would be payable to such children in equal shares.

b. The increased pension benefits payable under this act shall apply only to cases where such policeman or fireman retires on or after December 18, 1967 and shall not affect pensions paid or to be paid as a result of retirements occurring prior to said date.

c. As of December 18, 1967, all widows' pensions previously granted pursuant to the provisions of section 10 of chapter 255 of the laws of 1944, as amended, and all such pensions previously granted, or to be granted where retirement for accidental disability occurred prior to said date, pursuant to the provisions of section 7(3) of chapter 255 of the laws of 1944, as amended, will be subject to a minimum, annual, aggregate payment of $1,600.00.

17. Section 29 of P. L. 1967, c. 250 (C. 43:16A-15.1) is amended to read as follows:

C. 43:16A-15.1 Compulsory enrollment in retirement system; purchase of membership credit; contributions.

29. a. In the case of any person who (1) was required to become a member of the retirement system as a condition of employment, and whose application for enrollment in the retirement system or whose application for transfer from one employer to another within the system was filed beyond the effective date for his compulsory
enrollment in the system or his transfer within the system or (2) is eligible for membership on the basis of special legislation, such person shall be required to purchase membership credit for his compulsory coverage by paying into the annuity savings fund the amount required by applying, in accordance with section 15 of chapter 255 of the laws of 1944, his full rate of contribution on his current base salary subject to the retirement system for each year of previous service during which he was required to have been a member.

b. If more than 1 year has elapsed from the time that contributions would have been required from such person, $\frac{1}{2}$ of the employee’s cost, established by the computation provided by subsection a. of this section, will be required of his employer and shall be included in the next budget subsequent to the certification of this special liability by the retirement system. The amount certified by the system shall be payable by the employer to the pension accumulation fund and shall be due and owing to the system even if the employee is no longer in the employ of the employer by the date such moneys are to be paid to the system.

c. The employee’s obligation may be satisfied by regular installments, equal to at least $\frac{1}{2}$ the normal contribution to the retirement system, over a maximum period of 10 years.

d. In the case of any person coming under the provisions of this section, full pension credit for the period of employment for which arrears are being paid by the employee shall be given upon the payment of at least $\frac{1}{2}$ of the total employee’s arrearage obligation and the completion of 1 year of membership and the making of such arrears payments, except that in the case of retirement pursuant to section 5 of chapter 255 of the laws of 1944 and sections 16 and 17 of chapter 241 of the laws of 1964, the total membership credit for such service shall be in direct proportion as the amount paid bears to the total amount of the arrearage obligation of the employee.

18. Section 30 of P. L. 1967, c. 250 (C. 43:16A-15.2) is amended to read as follows:

C. 43:16A-15.2 Receipt of workmen’s compensation benefits; payment of salary deductions by employer; reduction of pension.

30. a. If any member of the retirement system receives periodic benefits payable under the Workmen’s Compensation Law during the course of his active service, in lieu of his normal compensation, his regular salary deductions shall be paid to the retirement system by his employer. Such payments shall be computed, in accordance with section 15 of chapter 255 of the laws of 1944, at the rate of
contribution on the base salary subject to the retirement system, just prior to the receipt of the workmen’s compensation benefits. The moneys paid by the employer shall be credited to the member’s account in the annuity savings fund and shall be treated as employee contributions for all purposes. The employer will terminate the payment of these moneys when the periodic benefits payable under the Workmen’s Compensation Law are terminated or when the member retires.

The member for whom the employer is making such payments, will be considered as if he were in the active service.

b. An application for retirement benefits may be approved by the board of trustees while the member, applying for such benefits, is in receipt of periodic benefits under the Workmen’s Compensation Law. In this event the actuarial equivalent of such periodic benefits remaining to be paid shall be computed and will serve to reduce the pension portion of the retirement allowance payable to the retirant, subject to the provisions of section 19 of this amendatory and supplementary act.

C. 43:16A-12.4 Minimum service credit for death benefit coverage; minimum monthly retirement allowance.

19. Any other provision of this act notwithstanding, (a) no beneficiary of a pensioner who enrolled as a member on or after July 1, 1971 and who retired for any reason other than disability shall be entitled to receive benefits pursuant to the death benefit coverages provided by section 5 of chapter 255 of the laws of 1944 and sections 16 and 17 of chapter 241 of the laws of 1964, if the pensioner had less than 10 years of service credit for retirement purposes at the time of retirement; and (b) no member or beneficiary shall be entitled to receive a monthly retirement allowance or other benefit payable pursuant to this chapter unless the amount of the allowance or benefit would be at least $25.00 per month.

C. 43:16A-15.3 Eligibility for membership in system after retirement; reenrollment.

20. If a former member of the retirement system who has been granted a retirement allowance for any cause other than disability, becomes employed again in a position which makes him eligible to be a member of the retirement system, his retirement allowance and the right to any death benefit as a result of his former membership, shall be canceled until he again retires.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of reenrollment. Such person shall be treated as an active member for
determining disability or death benefits while in service. Upon subsequent retirement of such member, his former retirement allowance shall be reinstated based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of this chapter; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his average final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement, but shall not be less than the death benefit that was applicable to his former retirement.

C. 43:16A-15.4  Payment of accrued liability by employer.

21. The accrued liability contribution of any employer adopting the retirement system after July 1, 1971 for the purpose of providing prior service credit, shall be payable by the employer to the pension accumulation fund over a period of not less than 25 years following the initial valuation of such liability by the actuary of the retirement system.

22. This act shall take effect immediately.

Approved June 1, 1971.

CHAPTER 176

An Act relating to the regulation and control of pesticides by the State Department of Environmental Protection, and establishing a Pesticide Control Council.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 13:1F-1  Short title.

1. This act shall be known, and may be cited, as the "Pesticide Control Act of 1971."

C. 13:1F-2  Declaration of policy.

2. New Jersey, as the most urban State in the Nation, must be especially alert to any possibilities of disturbing natural ecological balance. It is essential to coordinate the activities of State agencies involved in the use of pesticides and, in addition, to formulate State
policies regulating the use, transportation, storage, sale and disposal of pesticides and their containers. This requires consideration of many factors, including long term effects on the environment, as well as the safety and effectiveness of pesticides.

The Legislature finds and declares that pesticides have been of value in preventing the outbreak of diseases and insuring bountiful production of agricultural crops, however, indiscriminate use of pesticides in this State would constitute a serious threat to the environment; and that this threat can be eliminated only by the adoption and enforcement of regulations governing the sale, use and application of all pesticides.

C. 13:1F-3 Definitions.

3. For purposes of this act, unless the context clearly requires a different meaning:

a. “Person” means and shall include corporations, companies, associations, societies, firms, partnerships and joint stock companies as well as individuals, and shall also include all political subdivisions of this State or any agencies or instrumentalities thereof.

b. “Pesticide” means and includes any substance or mixture of substances labeled, designed, intended for or capable of use in preventing, destroying, repelling, sterilizing or mitigating any insects, rodents, nematodes, predatory animals, fungi, weeds and other forms of plant or animal life or viruses, except viruses on or in living man or other animals. The term “pesticide” shall also include any substance or mixture of substances labeled, designed or intended for use as a defoliant, desiccant or plant regulator.

State rules and regulations with respect to the labeling of any pesticide, the
labeling of which is prescribed by Federal law and regulations, shall to the extent practicable conform to the Federal requirements.

C. 13:1F-5 Public hearings; notice of determination.

5. No rule or regulation, and no amendment or repeal thereof, shall be adopted except after 30 days prior notice thereof by public advertisement of the date, time and place of such hearing at which opportunity to be heard by the department with respect thereto shall be given to the public, except as to emergent matters presenting imminent peril to the public health, safety or welfare and provided, further, that no rule or regulation and no such amendment or repeal shall be or become effective, except as otherwise provided, until after notice and public hearing before the department as required under the Administrative Procedure Act (C. 52:14B-1 et seq.). Any interested party heard at such public hearing shall be given written notice of the determination of the department.

c. Members of the council shall serve without compensation, but shall be entitled to reimbursement for expenses in attendance at
meetings of the council and in performance of their duties as members thereof.

C. 13:1F-7 Council's powers and duties.

7. The Pesticide Control Council shall be the advisory body in the Department of Environmental Protection in matters relating to the control, regulation and use of pesticides and is empowered to:

C. 13:1F-8 Commissioner to consult with council.

8. The commissioner shall consult with the council to afford them an opportunity to furnish advice concerning any proposed regulation at least 30 days prior to the public advertisement thereof.

C. 13:1F-9 Department's powers.

9. The department shall have power, in addition to those granted by any other law, to
a. Conduct and supervise research programs for the purpose of determining the effects and hazards of the use and application of pesticides on man and his environment; and in furtherance of this research effort the commissioner shall consider the School of Agriculture of Rutgers, the State University, as a primary source of assistance;

b. Conduct and supervise State-wide programs of pesticide control education including the preparation and distribution of information relating to pesticide control;

c. Enter and inspect any building or place, except private residences, for the purpose of investigating an actual or suspected violation of law relating to pesticides and ascertaining compliance or noncompliance with any rules, regulations or orders of the department.

C. 13:1F-10 Injunctive relief; penalties.

10. If any person violates any of the provisions of this act or any rule, regulation or order promulgated pursuant to the provisions of this act, the department may institute a civil action in a court of competent jurisdiction for injunctive relief to prohibit and prevent such violation or violations and the said court may proceed in the action in a summary manner.

Any person who violates the provisions of this act or any rule, regulation or order promulgated pursuant to this act shall be liable to a penalty of not more than $3,000.00 for each offense, to be collected in a civil action by a summary proceeding under the Penalty Enforcement Law (N. J. S. 2A:58-1 et seq.) or in any case before a court of competent jurisdiction wherein injunctive relief has been requested. The Superior Court, County Court and county district court shall have jurisdiction to enforce said Penalty Enforcement Law. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense.
The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

C. 13:1F-11 Notice of detention or embargoing of pesticide.

11. Whenever an agent of the department finds, or has probable cause to believe that any pesticide is being sold, labeled, used or applied in violation of any provision of this act or any rule, regulation or order promulgated pursuant to this act, he may affix to such pesticide a tag or other appropriate marking giving notice that such pesticide has been detained or embargoed, and warning all persons not to remove, dispose, or use such pesticide until permission is given by the department or the court. It shall be a violation of this act for any person to remove, dispose, or use any detained or embargoed pesticide without such permission.

C. 13:1F-12 Provisions of act not to limit certain powers and duties of Department.

12. The powers, duties and functions vested in the State Department of Environmental Protection under the provisions of this act shall not be construed to limit in any manner the functions, powers and duties vested in the State Department of Environmental Protection under any other provisions of law.

C. 13:1F-14 Construction of act.

14. This act shall be liberally construed to effectuate the purpose and intent thereof.

15. This act shall take effect immediately.

Approved June 1, 1971.
CHAPTER 177

AN ACT to control and prevent the threat to the quality of the waters of the State caused by the dumping of waste materials in waters adjacent to the State, and to empower the Commissioner of the Department of Environmental Protection to adopt rules and regulations concerning the loading and the handling of materials within the State which are to be disposed of at sea.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:10-23.25 Short title.
1. This act shall be known and may be cited as the "Clean Ocean Act.''

C. 58:10-23.26 Declaration of policy.
2. The Legislature finds and determines that the ocean off the coast of the State is being used increasingly for the disposal of wastes, including sewage sludge, industrial wastes and dredged spoils; that ocean-dumped wastes contain materials which may have adverse effects on the public health, safety, and welfare; that many of these materials are toxic to human and marine life, and are damaging to the fish population and the food chain supporting all life including man, as well as to other valuable natural and economic resources; and that therefore the State must regulate and control this practice and encourage the development and utilization of advanced methods of waste disposal which do not utilize the ocean as the repository for harmful materials.

C. 58:10-23.27 Definitions.
3. For the purposes of this act unless the context clearly indicates another meaning:
   a. "Commissioner" means the Commissioner of Environmental Protection;
   b. "Department" means the Department of Environmental Protection;
   c. "Vessel" means every description of watercraft or any other artificial contrivance used, or capable of being used, as a means of transportation on or into water;
d. "Person" means and shall include corporations, companies, associations, societies, firms, partnerships and joint stock companies as well as individuals, and shall also include all political subdivisions of this State, and any other state, or any agencies or instrumentalities thereof.

C. 58:10-23.28 Rules and regulations.

4. The commissioner shall have the power to formulate and promulgate, amend and repeal rules and regulations preventing, conditioning and controlling the loading of a vessel within the State with materials of any composition whatsoever and the handling of such materials which if disposed of at sea cause, or may tend to cause, adverse effects on the waters of the State.

C. 58:10-23.29 Authority to require permit; fees.

5. a. The commissioner may by rule or regulation require that the person responsible for the loading of a vessel or the handling of materials of any composition whatsoever which are to be disposed of at sea first obtain a permit.

The department may, in accordance with a fee schedule adopted as a rule or regulation, establish and charge fees for any of the services it performs in connection with this act, including the issuance of permits, which fees shall be annual or periodical as the department shall deem. The fees charged by the department pursuant to this section shall not be less than $100.00 nor more than $1,500.00 based on criteria contained in the fee schedule.

C. 58:10-23.30 Injunctive relief; penalties.

6. If any person violates any of the provisions of this act, or any rule or regulation promulgated pursuant to the provisions of this act, the department may institute an action in a court of competent jurisdiction for injunctive relief to prohibit and prevent such violation or violations and the said court may proceed in the action in a summary manner. Any person who violates any of the provisions of this act, or any rule or regulation promulgated pursuant to this act shall be liable to a penalty of not more than $3,000.00 for each offense to be collected in a summary proceeding under the Penalty Enforcement Law (N. C. 58:10-23.31 Provisions of act not to limit certain powers and duties of department.

7. The powers, duties and functions vested in the department under the provisions of this act shall not be construed to limit in any manner the powers, duties and functions vested therein or in any person under any other provisions of law or any civil or criminal remedies now or hereafter available.

C. 58:10-23.32 Partial invalidity.

8. If any provision of this act or the application thereof to any person or circumstances is held invalid, the remainder of the act and the application of such provision to persons or circumstances other than those to which it is held invalid, shall not be affected thereby.

C. 58:10-23.33 Construction of act.

CHAPTER 179

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 43:16-5 is amended to read as follows:

Pension fund; consolidation; contributions.

43:16-5. For the purpose of paying the pensions provided by this chapter, all pension funds heretofore created and in existence pursuant to the provisions of an act entitled "An act providing for the retirement of policemen and firemen of the police and fire depart-
ments in municipalities of this State, including all police officers having supervision or regulation of traffic upon county roads, and providing a pension for such retired policemen and firemen and members of the police and fire departments, and the widows, children and sole dependent parents of deceased members of said departments,' approved April 15, 1920 (P. L. 1920, c. 160), and chapter 16 of Title 43 of the Revised Statutes, shall, from and after July 1, 1953, be consolidated, and, as so consolidated, shall be transferred to and placed under the Consolidated Police and Firemen's Pension Fund created by the provisions of this chapter. All rights and privileges created and extended to members of a municipal police department or of a paid or part-paid fire department or of a county police department, including members of the paid or part-paid fire department of any fire district located in any township which has adopted said act or said chapter of the Revised Statutes are hereby expressly preserved, continued and transferred from said pension funds to said consolidated fund. Nothing herein contained shall be deemed to affect or impair the right of any beneficiary of any of the funds so created, but all rights of such beneficiaries which have accrued or may accrue in or against any such pension fund shall be deemed to have accrued or to accrue against the funds so consolidated. Said consolidated fund shall be maintained as follows:

(a) There shall be deducted from every payment of salary to each member, as defined in the supplement to this chapter enacted by laws of 1944, c. 253, s. 12, as amended and supplemented, and paid into said consolidated fund 6% of the amount thereof.

(b) All employers, as defined in the supplement to this chapter enacted by laws of 1944, c. 253, s. 12, as amended and supplemented, shall contribute to the said consolidated fund in the following manner and amounts:

(1) An amount equal to 6% of the total of salaries annually paid to the members of the consolidated fund under said employer’s jurisdiction, which shall be known as the employer’s normal contribution, and which shall be paid into said fund on July 1 of each year, commencing July 1, 1953.

(2) An additional amount annually for a period of 30 years, commencing July 1, 1953, equal to 66⅔% of the share of the particular employer of the annual amortization payment determined by the actuary to be required to bring the fund to a state of actuarial solvency at the end of the said 30-year period. In determining an employer’s share of said annual amortization payment, the actuary shall determine separately, and give
due credit to the value of the assets transferred by such employer to said consolidated fund. The amount of each of such annual payments shall be certified by the fund to the treasurer of each employer prior to the first day of the year in which such payment is required to be made, and said amount shall be appropriated in said employer's budget for that year. Said annual payment, which shall be known as the employer's accrued liability contribution, shall be made in two equal portions; the first on the first day of each year, and the second on July 1 of each year.

(3) An additional amount to be paid each year following the termination of the 30-year period provided for in subsection (b) (2) of this section, sufficient to meet the requirements of the fund.

(4) A fee, payable on July 1 of each year and consisting of such proportion of the administrative expense of the consolidated fund as the number of active and retired members under the jurisdiction of such employer, or their beneficiaries, then bears to the total number of active and retired members and beneficiaries in the consolidated fund.

(c) The State of New Jersey shall contribute annually, throughout a period of 20 years, commencing July 1, 1972, such amount as may be necessary to make up the balance of the accrued liability of the consolidated fund. The amount of such annual contributions by the State shall be certified to the State Treasurer by the actuary at the time required for other State departmental budgetary certifications. All funds necessary to meet the State's share of said annual payments shall be included in the annual State budget and appropriated by the Legislature.

(d) If payment of the full amount of the employer's obligation is not made within 30 days of the due date established by the act, interest at the rate of 6% per annum shall commence to run against unpaid balance thereof on the first day after such thirtieth day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the pension fund, interest at the rate of 6% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such fifteenth day.

(e) The accrued liability contribution of any employer shall be payable by the employer for the entire period of the financing of such liability and shall continue to be due and owing to the fund even when there are no longer any beneficiaries entitled to benefits.
2. Section 5 of P. L. 1952, c. 358 (C. 43:16-6.1) is amended to read as follows:

5. There is hereby established in the Division of Pensions in the Department of the Treasury a commission which shall be known as the Consolidated Police and Firemen's Pension Fund Commission, and shall consist of nine members; two of whom shall be elected by the policemen, and two of whom shall be elected by the firemen, who are members of the consolidated fund, four of which members shall be appointed by the Governor, with the advice and consent of the Senate who shall serve at the pleasure of the Governor and until their successors are appointed and who shall be private citizens of the State of New Jersey who are neither an officer thereof nor active or retired public employees, and the remaining member whereof shall be the State Treasurer, or, when so designated by him, the Deputy State Treasurer. The term of office of elected members of the commission shall be 4 years. Any vacancy occurring in said commission shall be filled as the office was originally filled. The application to accomplish such retirement must be filed within 5 years of the original traumatic event, but the board of trustees may consider an application filed after the 5-year period if it can be factually demonstrated to the satisfaction of the board of trustees that the disability is due to the accident and the filing was not accomplished within the 5-year
period due to a delayed manifestation of the disability or to the member’s continued employment in a restricted capacity consistent with the nature of his disability in the Division of the State Police upon and at the written request of the superintendent, with the concurrence of the Attorney General, or to other circumstances beyond the control of the member.

13. Section 15 of P. L. 1965, c. 89 (C. 53:5A-15) is amended to read as follows:

C. 53:5A-15 Death benefit coverage: officers, noncommissioned officers or troopers covered under pre-existing group life program.

15. a. In the case of any officer, noncommissioned officer or trooper of the Division of State Police of the Department of Law and Public Safety of the State of New Jersey becoming a member of the retirement system who was covered on the day immediately prior to July 1, 1965 under the then existing group life insurance program of the New Jersey State Police, the State Treasurer shall provide for death benefit coverage, in the amount described in this subsection for such member after he retires and receives a retirement allowance pursuant to the provisions of this act, subject to the conditions hereinafter stated.

(1) In order to obtain the coverage during retirement as herein provided, the member must make written request therefor to the
retirement system within 90 days of July 1, 1965 and must agree to make, after retirement, the contributions required for such coverage as described by subsection c. of this section, except that if any such officer, noncommissioned officer or trooper was disabled on July 1, 1965 but subsequently recovers from such disability and becomes a member of the retirement system, such request may be made within 90 days after the date he becomes a member of the retirement system.

(2) Each such officer, noncommissioned officer and trooper may cancel his request for the death benefit coverage described herein, either before or after retirement, by giving written notice to the retirement system.

The amounts of death benefits provided for under this subsection while the former member is receiving a retirement allowance pursuant to this act shall be the same amount or amounts as would have been continued for such former member after his retirement under the group life insurance program, hereinabove referred to, had such program remained in effect and unchanged and such former member had remained covered thereunder, less an amount equal to ½ of the member's final compensation.

b. The State Treasurer shall provide on and after July 1, 1965 for death benefit coverage in the amounts described in this subsection for each former officer, noncommissioned officer and trooper who was covered on the day immediately prior to July 1, 1965 under the then existing group life insurance program of the New Jersey State Police and was then retired and receiving retirement benefits under the provisions of the former State Police Retirement and Benevolent Fund, subject to the conditions hereinafter stated:

(1) In order to obtain the death benefit coverage as herein provided, such former officer, noncommissioned officer or trooper must make the contributions required for such coverage as described in subsection c. of this section.

(2) If coverage or benefits are afforded a former officer, noncommissioned officer or trooper under the aforesaid group life insurance program of the New Jersey State Police after July 1, 1965 by reason of his disability, the death benefits provided by this subsection shall in no event apply to him unless such coverage and benefits shall cease by reason of his recovery from disability. In such event the foregoing provisions of this subsection shall apply from the date of such cessation. The amounts of death benefit continued under this subsection shall be the same amount or
amounts as would have been continued for such former officer, noncommissioned officer or trooper after his retirement under the group life insurance program, hereinabove referred to, had such program remained in effect and unchanged during his retirement and he had remained covered thereunder.

c. The contributions required during retirement for the death benefit coverage provided for by this section shall be determined from the schedules of contributions established by the retirement system. Such contributions shall be deducted from the former officer’s, noncommissioned officer’s or trooper’s retirement allowance or benefits but if there be no retirement allowance or benefits available from which such contributions may be deducted, it shall be the obligation of such former officer, noncommissioned officer or trooper to make such contribution directly to the retirement system, as required by the system.

d. Upon receipt of proper proofs of the death of any former officer, noncommissioned officer or trooper of the New Jersey State Police while covered for death benefit coverage pursuant to the provisions of this section, there shall be paid to such former officer’s, noncommissioned officer’s or trooper’s beneficiary, the amount for which he is covered at the time of his death pursuant to said subsection a. or said subsection b., as the case may be.

e. Any other provision of this act notwithstanding, the contributions of any person for death benefit coverage under this section shall not be returnable to such person or his beneficiary or death benefit payee in any manner, or for any reason whatsoever, nor shall such contributions be included in any annuity payable to any such person or his beneficiary.

14. Section 21 of P. L. 1965, c. 89 (C. 53:5A-21) is amended to read as follows:

C. 53:5A-21 Conversion privileges.

21. Any such group policy or policies shall include, with respect to any insurance terminating or reducing because an insured person has ceased to be in active service or has retired, the conversion privilege available upon termination of employment as prescribed by the law relating to group life insurance; and shall also include, with respect to insurance terminating because of termination of the group policy resulting from a termination of all death benefits established under sections 8 c., 9 c., 10 c., 12 d., 13 d., 14 e., 15, 27 b. and 28 the conversion privilege available upon termination of the
group policy as prescribed by such law. Any such group policy or policies shall also provide that if an insured person dies during the 31-day period during which he would be entitled to exercise the conversion privilege, the amount of insurance with respect to which he could have exercised the conversion privilege shall be paid as a claim under the group policy.

If any member who has exercised the conversion privilege under the group policy or policies again becomes a member of the retirement system, and the individual policy obtained pursuant to the conversion privilege is still in force, he shall not again be eligible for any of the death benefits provided by sections 8 c., 9 c., 10 c., 12 d., 13 d., 14 e., 15, 27 b. and 28, unless he furnishes satisfactory evidence of insurability.

C. 53:5A-23 Manner of payment; arrangements for settlement.

23. Any such group policy or policies shall provide that payment of any death benefits which are payable by the insurance company may be made in one sum directly to the beneficiary as hereinafter provided, in equal installments over a period of years or as a life annuity or in such other manner as may be made available by the insurance company. An insured person may make such arrangements for settlement, and may alter from time to time during his lifetime any arrangement previously made, by making written request to the insurance company through the policyholder. Upon the death of an insured person, a beneficiary to whom a benefit is payable in one sum by the insurance company may likewise arrange for a settlement as described above. If an insured person's or beneficiary's request for settlement of any death benefit in equal installments over a period of years or as a life annuity pursuant to the foregoing is approved by the policyholder, the
amount of such installments or such life annuity, as the case may be, shall be determined on the basis of such applicable mortality tables as shall have been adopted by the retirement system and are in effect at the death of the insured person. Any arrangement for payment under the group policy to a beneficiary shall be in lieu of that provided by sections 8 c., 9 c., 10 c., 12 d., 13 d., 14 c., 15, 27 b. and 28.

16. Section 26 of P. L. 1965, c. 89 (C. 53:5A-26) is amended to read as follows:

26. A member who withdraws from service or ceases to be a member for any cause other than death or retirement shall receive the amount of his aggregate contributions less any outstanding loan upon the filing of a written application as required by the retirement system. If such member shall die before filing an application for withdrawal or before endorsing the check constituting the return of his aggregate contributions, such contributions shall be paid to his beneficiary.

No member shall be entitled to withdraw the amounts contributed by the State covering his military leave unless he shall have returned to the payroll and contributed to the retirement system for a period of 90 days.

17. Section 27 of P. L. 1965, c. 89 (C. 53:5A-27) is amended to read as follows:

C. 53:5A-27 Resignation of certain personnel; retirement allowance in lieu of return of contributions.

27. a. Should a member resign after having established 25 years of creditable service as a full time commissioned officer, noncommissioned officer or trooper of the Division of State Police, before reaching age 55, he may elect "early" retirement, provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 26, a retirement allowance which shall consist of:

(1) an annuity which shall be the actuarial equivalent of his aggregate contributions and,

(2) a pension in the amount, which when added to the member's annuity will provide a total retirement allowance of 2% of his final
compensation multiplied by his number of years of creditable service up to 25 plus 1% of his final compensation multiplied by his number of years of creditable service over 25; provided, however, that such retirement allowance shall be reduced in accordance with a table of actuarial equivalents recommended by the actuary and adopted by the retirement system reflecting all months that the member lacks of being age 55.

The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

b. Upon the receipt of proper proof of the death of such a retired member, there shall be paid to the member’s beneficiary, an amount equal to $\frac{1}{2}$ of the final compensation received by the member.

18. Section 28 of P. L. 1965, c. 89 (C. 53:5A-28) is amended to read as follows:

C. 53:5A-28 Separation of certain personnel from service; election to receive deferred retirement allowance.

28. a. Should a member, after having established 15 years of creditable service as a full time commissioned officer, noncommissioned officer or trooper of the Division of State Police, be separated voluntarily or involuntarily from the service, before reaching age 55, and not by removal for cause or charges of misconduct or delinquency, such person may elect to receive the payments provided for in sections 26 or 27 or a deferred retirement allowance, beginning on the first day of the month following his attainment of age 55 and the filing of an application therefor, which shall consist of:

(1) an annuity which shall be the actuarial equivalent of his aggregate contributions at the time of his severance from the service, and

(2) a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of 2% of his final compensation multiplied by his number of years of creditable service up to 25 plus 1% of his final compensation multiplied by his number of years of creditable service over 25, provided that such inactive member may elect to receive payments provided under sections 26 or 27 if he had qualified under that latter section at the time of leaving service, except that in order to avail himself of the option, he must exercise such option at least 1 month before
the effective date of his retirement. If such inactive member shall die before attaining age 55, his aggregate contributions shall be paid in accordance with section 26 and, in addition if such inactive member shall die after attaining age 55 but before filing an application for retirement benefits pursuant to this section or section 27 and for which benefits he would have qualified and has not withdrawn his aggregate contributions, or in the event of death after retirement, an amount equal to \( \frac{1}{2} \) of the final compensation received by the member shall be paid to such member’s beneficiary.

b. Deleted by amendment.

c. Any member who, having elected to receive a deferred retirement allowance, again becomes an employee covered by the retirement system while under the age of 55, shall thereupon be reenrolled. He shall be credited with all service as a member standing to his credit at the time of his election to receive a deferred retirement allowance.

19. Section 29 of P.L. 1965, c. 89 (C. 53:5A-29) is amended to read as follows:

C. 53:5A-29 Loans.

29. Any member who has at least 3 years of service to his credit for which he has contributed as a member may borrow from the retirement system, an amount equal to not more than 50% of the amount of his aggregate contributions, but not less than $50.00; provided, that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from salary, not in excess of 25% of the member’s salary, made at the time the salary is paid to the member but not after the attainment of age 55. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deductions from the salary of the member at the time the salary is paid or in such lump sum amount to repay the balance of the loan but such installments shall be at least equal to the member’s rate of contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 55. Not more than two loans may be granted to any member in any calendar year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this act applies or shall apply, the additional deductions required to repay the loan shall be made. Any unpaid balance of a loan at the time any benefit
may become payable shall be deducted from the benefit otherwise payable.

Loans shall be made to a member from his aggregate contributions. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

Upon the basis of such investigation and valuation, with the advice of the actuary, the board shall adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

23. Section 34 of P. L. 1965, c. 89 (C. 53:5A-34) is amended to read as follows:

C. 53:5A-34 Contingent reserve fund.

34. The Contingent Reserve Fund shall be the fund in which shall be credited contributions made by the State.

a. Upon the basis of such tables recommended by the actuary as the board adopts and regular interest, the actuary shall compute annually the amount of the contribution, expressed as a proportion of the salaries paid to all members, which, if paid monthly during the entire prospective service of the members, will be sufficient to provide for the pension reserves required at the time of the discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account and to provide for the amount of the death and accidental disability benefits payable on their account, which amount is not covered by other contributions to be made as provided in this section and the funds in hand available for such benefits. This shall be known as the "normal contribution."

b. Upon the basis of such tables recommended by the actuary as the board adopts, and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1971 which has accrued on the basis of service rendered prior to July 1, 1971 by all members, including the amount of the liability accrued by reason of allowances to be granted on account of services rendered by members of the former "State Police Retirement and Benevolent Fund."
which has not already been covered by previous State contributions to the former system, and including the accrued liabilities established by chapter 89 of the laws of 1965. Using the total amount of this unfunded accrued liability he shall compute the amount of the flat annual payment, which, if paid in each succeeding fiscal year, commencing with July 1, 1972, for a period of 40 years, will provide for this liability. This shall be known as the "accrued liability contribution."

c. The actuary shall certify annually the aggregate amount payable to the Contingent Reserve Fund in the ensuing year, which amount shall be equal to the sum of the proportion of the earnable salary of all members, computed as described in subsection a. hereof and of the State's accrued liability contribution, payable in the ensuing year, as described in subsection b. hereof. The State shall pay into the Contingent Reserve Fund during the ensuing year the amount so determined. In the event the amount certified to be paid by the State includes amounts due for services rendered by members to specific instrumentalities or authorities the total amounts so certified shall be paid to the retirement system by the State; provided, however, the full cost attributable to such services rendered to such instrumentalities and authorities shall be computed separately by the actuary and the State shall be reimbursed for such amounts by such instrumentalities or authorities.

The cash death benefits, payable as the result of contribution by the State under the provisions of this act upon the death of a member in active service and after retirement shall be paid from the Contingent Reserve Fund.

C. 53:5A-35 Annuity savings fund.

35. The Annuity Savings Fund shall be the fund in which shall be credited aggregate contributions by members or on their behalf to provide for their allowances. The aggregate contributions of a member withdrawn by him or paid to his estate or his designated beneficiary in the event of his death as provided in this act shall be paid from the Annuity Savings Fund. Upon the retirement of a member where the aggregate contributions of the member are to be provided in the form of an annuity, the aggregate contributions of the member shall be transferred from the Annuity Savings Fund to the Retirement Reserve Fund.
25. Section 36 of P. L. 1965, c. 89 (C. 53:5A-36) is amended to read as follows:

C. 53:5A-36 Retirement reserve fund.

36. The Retirement Reserve Fund shall be the fund from which all retirement allowances and pensions shall be paid.

Upon the retirement of a member, his aggregate contributions shall be transferred to the Retirement Reserve Fund from the Annuity Savings Fund. The reserve needed to produce the balance of the retirement allowance shall be transferred from the Contingent Reserve Fund. If the retirement allowance of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the Annuity Savings Fund and the Contingent Reserve Fund.

Any surplus or deficit developing in the Retirement Reserve Fund shall be adjusted from time to time by transfer to or from the Contingent Reserve Fund by appropriate action of the retirement system upon the advice of the actuary.

26. Section 42 of P. L. 1965, c. 89 (C. 53:5A-42) is amended to read as follows:

C. 53:5A-42 Fraud; penalty; correction of errors.

42. Any person who shall knowingly make any false statement or shall falsify or permit to be falsified any record or records of this retirement system in any attempt to defraud such system as a result of such act shall be guilty of a misdemeanor and shall be punishable therefor under the laws of the State of New Jersey. Should any change or error in the records result in any member or person receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the retirement system shall, as far as practicable, correct such error and adjust the payments in such manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid. The actuarial equivalent of any shortage in required contributions at the time of retirement on account of misstatement of age, leave of absence, or clerical error, shall be deducted from the retirement allowance otherwise payable.

27. Section 44 of P. L. 1965, c. 89 (C. 53:5A-44) is amended to read as follows:

C. 53:5A-44 Deductions for health insurance or State Health Benefits premiums.

44. If possible, whenever any retirant or beneficiary shall, in writing, request the Division of Pensions to make deductions from
his retirement allowance or pension for the purpose of paying premiums for the pensioners' group health insurance plan or the State Health Benefits program, the division may make such deductions and transmit the sums so deducted to the companies carrying the policies. Any such written authorization may be withdrawn by any retirant or beneficiary upon filing notice of such withdrawal with the division.

C. 53:5A-15.1 Active membership defined.

28. For the purposes of sections 12 d., 13 d., and 14 e. a member of the State Police Retirement System shall be deemed to be an active member for a period of no more than 93 days while on official leave of absence without pay when such leave is due to any reason other than illness, and for a period of not more than 1 year in the event of an official leave (a) to fulfill a residency requirement for an advanced degree, or (b) as a full-time student at an institution of higher education, and (1) while he is disabled due to sickness or injury arising out of or in the course of his employment as a member to whom this chapter applies, is not engaged in any gainful occupation, and is receiving or entitled to receive periodic benefits (including any commutation of, or substitute for, such benefits) for loss of time on account of such disability under or by reason of workmen's compensation law, occupational disease law or similar legislation and has not retired or terminated his membership; or (2) for a period of no more than 2 years while on an official leave of absence without pay if satisfactory evidence is presented to the retirement system that such leave of absence without pay is due to the member's personal illness other than an illness to which (1) above applies.

If a member dies within 30 days after the date of retirement or the date of board approval, whichever is later, a death benefit shall be payable only if he is deemed to be an active member in accordance with this section; provided, however, a member applying for disability benefits shall be deemed an active member if he was covered by the death benefit provisions of the act at the termination of employment, filed the application for disability retirement with the retirement system within 30 days following such termination of employment and dies within 30 days after the date of retirement or the date of board approval, whichever is later.

C. 53:5A-15.2 Designation of beneficiary.

29. The designation of beneficiary by a member or retirant shall be made in writing on a form satisfactory to the retirement system,
and filed with the retirement system. The member or retirant may, from time to time and without the consent of his death benefit designee, change the beneficiary by filing written notice of the change with the system on a form satisfactory to it. The new nomination will be effective on the date the notice, in proper form, is received by the system, and any prior nomination shall thereupon become void.

If more than one beneficiary is nominated and in such nomination the member or retirant has failed to specify their respective interests, the beneficiaries shall share equally. If any beneficiary predeceases the member or retirant, the interest of such beneficiary shall terminate and shall be shared equally by such of the beneficiaries as survive the member or retirant, unless the member or retirant has made written request to the contrary in his beneficiary nomination.

Any amounts due for which there is no beneficiary at the death of a member, retirant or beneficiary shall be payable to the estate of such member, retirant or beneficiary.

Except with regard to the payment of the member's aggregate contributions and the payment of ½ of final compensation upon the death of a retirant as provided in sections 8 c., 9 c., 10 c., 15, 27 b., and 28 of chapter 89 of the laws of 1965, a member may elect, by making written request to the retirement system, that the whole or any part of his death benefits be made payable to his beneficiary either as a life annuity or in equal installments over a period of years specified in such election, and may alter such election from time to time during his lifetime by again making such written request. In the event of a change of beneficiary, any previous arrangement by the member or retirant under this paragraph shall be void. The election set forth in this paragraph shall not apply or be available when the beneficiary is an estate, or a corporation, partnership, association, institution, trustee, or any fiduciary.

If at the member's death, an amount of death benefit would be payable to the beneficiary in a single sum, any election with regard to such amount which was available to the member immediately prior to his death in accordance with the provisions of the immediately preceding paragraph shall then be available to such beneficiary for the benefit of such beneficiary.
C. 53:5A-38.1 Receipt of workmen's compensation benefits; payment of salary deductions by employer; reduction of pension.

30. a. If any member of the retirement system receives periodic benefits payable under the Workmen’s Compensation Law during the course of his active service, in lieu of his normal compensation, his regular salary deductions shall be paid to the retirement system by his employer. Such payments shall be computed, in accordance with section 38 of chapter 89 of the laws of 1965, at the rate of contribution on the base salary subject to the retirement system, just prior to the receipt of the workmen’s compensation benefits. The moneys paid by the employer shall be credited to the member’s account in the annuity savings fund and shall be treated as employee contributions for all purposes. The employer will terminate the payment of these moneys when the periodic benefits payable under the Workmen’s Compensation Law are terminated or when the member retires.

The member for whom the employer is making such payments, will be considered as if he were in the active service.

b. An application for retirement benefits may be approved by the board of trustees while the member, applying for such benefits, is in receipt of periodic benefits under the Workmen’s Compensation Law. In this event the actuarial equivalent of such periodic benefits remaining to be paid shall be computed and will serve to reduce the pension portion of the retirement allowance payable to the retirant, subject to the provisions of section 31 of this amendatory and supplementary act.

C. 53:5A-15.3 Minimum service credit for death benefit coverage; minimum monthly retirement allowance.

31. Any other provision of this act notwithstanding, (a) no beneficiary of a retirant who enrolled as a member on or after July 1, 1971 and who retired for any reason other than disability shall be entitled to receive benefits pursuant to the death benefit coverages provided by sections 8 c., 27 b. and 28 of chapter 89 of the laws of 1965 if the retirant had less than 10 years of service credit for retirement purposes at the time of retirement; and (b) no member or beneficiary shall be entitled to receive a monthly retirement allowance or other benefit payable pursuant to chapter 89 of the laws of 1965 unless the amount of the allowance or benefit would be at least $25.00 per month.
32. a. Any person entitled to become a member of the State Police Retirement System shall not be allowed any of the death benefits established by sections 8 c., 9 c., 10 c., 12 d., 13 d., 14 e., 15, 27 b., and 28, if (1) he makes application for membership beyond the year after he first became eligible for membership or (2) he is eligible for membership on the basis of special legislation, unless the member furnishes satisfactory evidence of insurability and on the effective date of his membership is actively at work and performing all his regular duties at his customary place of employment.

The effective date of coverage for such death benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

b. Such evidence of insurability will not be required of any person becoming a member of the State Police Retirement System upon transfer from another State-administered retirement system, if such system provided death benefits of a similar nature and the transferring member was covered by such benefits at the time of the transfer. If such transferring member was not covered by such benefits at the time of the transfer, he may be allowed the death benefits of the State Police Retirement System subject to the provisions of subsection a. of this section; provided, however, that any such member must furnish satisfactory evidence of insurability under the provisions of subsection a. of this section if he had been unable or failed to give such evidence as a member of the system from which he transferred.

c. Any person who must furnish satisfactory evidence of insurability under the provisions of this section and who ceases to be a member of the retirement system without such evidence having been given, shall continue to be subject to the same requirement if he subsequently becomes a member.

33. This act shall take effect immediately.

Approved June 1, 1971.
CHAPTER 182

AN ACT for the more effectual regulation of the conduct of State officers and employees and members of the Legislature, repeal­ing the "New Jersey Conflicts of Interest Law" (P. L. 1967, c. 229), and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:13D-12 Legislature's findings and policy declaration.

1. The Legislature finds and declares:

(a) In our representative form of government, it is essential that the conduct of public officials and employees shall hold the respect and confidence of the people. Public officials must, therefore, avoid conduct which is in violation of their public trust or which creates a justifiable impression among the public that such trust is being violated.

(b) To ensure propriety and preserve public confidence, persons serving in government should have the benefit of specific standards to guide their conduct and of some disciplinary mechanism to ensure the uniform maintenance of those standards amongst them. Some standards of this type may be enacted as general statutory prohibitions or requirements; others, because of complexity and variety of circumstances, are best left to the governance of codes of ethics formulated to meet the specific needs and conditions of the several agencies of government.

(c) It is also recognized that under a free government it is both necessary and desirable that all citizens, public officials included, should have certain specific interests in the decisions of govern­ment, and that the activities and conduct of public officials should not, therefore, be unduly circumscribed.

2. As used in this act, and unless a different meaning clearly appears from the context, the following terms shall have the follow­ing meaning:

(a) "State agency" means any of the principal departments in the Executive Branch of the State Government, and any division,
board, bureau, office, commission or other instrumentality within or created by such department, the Legislature of the State and any office, board, bureau or commission within or created by the Legislative Branch, and any independent State authority, commission, instrumentality or agency. A county or municipality shall not be deemed an agency or instrumentality of the State.

(b) "State officer or employee" means any person, other than a member of the Legislature, holding an office or employment in a State agency, excluding special State officers or employees as defined in subsection (e) of this section.

(c) "Member of the Legislature" means any person elected to serve in the General Assembly or the Senate.

(d) "Head of a State agency" means (1) in the case of the Executive Branch of government, the department head or, if the agency is not assigned to a department, the Governor, and (2) in the case of the Legislative Branch, the chief presiding officer of each house of the Legislature.

(e) "Special State officer or employee" means any person holding an office or employment in a State agency, for which office or employment (1) no compensation is authorized or provided by law, or (2) no compensation other than a sum in reimbursement of expenses, whether payable per diem or per annum, is authorized or provided by law.

(f) "Person" means any natural person, association or corporation.

(g) "Interest" in a corporation means the ownership or control of more than 10% of the stock of the corporation.

C. 52: 13D-14 Acceptance of gifts or emoluments prohibited.

3. No State officer or employee, special State officer or employee, or member of the Legislature shall accept from any person, whether directly or indirectly and whether by himself or through his spouse or any member of his family or through any partner or associate, any gift, favor, service, employment or offer of employment or any other thing of value which he knows or has reason to believe is offered to him with intent to influence him in the performance of his public duties and responsibilities. This section shall not apply to the acceptance of contributions to the campaign of an announced candidate for elective public office.
CHAPTER 182, LAWS OF 1971

C. 52:13D-15 Certain representations prohibited; exception.

4. No member of the Legislature or State officer or employee shall represent, appear for, or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of, whether by himself or by or through any partnership, firm or corporation in which he has an interest or by any partner, officer or employee of any such partnership, firm or corporation any person or party other than the State in any negotiations for the acquisition or sale by the State or a State agency of any interest in real or tangible or intangible personal property, or in any proceedings relative to such acquisition or sale before a condemnation commission or court; provided, however, nothing contained in this section shall be deemed to prohibit any person from representing himself in negotiations or proceedings concerning his own interest in real property.

C. 52:13D-16 Certain representations prohibited; exceptions.

5. (a) No special State officer or employee, nor any partnership, firm or corporation in which he has an interest, nor any partner, officer or employee of any such partnership, firm or corporation, shall represent, appear for, or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of, any person or party other than the State in connection with any cause, proceeding, application or other matter pending before the State agency in which such special State officer or employee holds office or employment.

(b) No State officer or employee or member of the Legislature, nor any partnership, firm or corporation in which he has an interest, nor any partner, officer or employee of any such partnership, firm or corporation, shall represent, appear for, or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of, any person or party other than the State in connection with any cause, proceeding, application or other matter pending before any State agency; provided, however, this subsection shall not be deemed to prohibit a member of the Legislature from making an inquiry for information on behalf of a constituent, if no fee, reward or other thing of value is promised to, given to or accepted by the member of the Legislature, whether directly or indirectly nor shall anything contained herein be deemed to prohibit any such partnership, firm or corporation from appearing on its own behalf.

(c) Nothing contained in this section shall be deemed to prohibit any legislator, or any State officer or employee or special State officer or employee from representing, appearing for or negotiating on behalf of, or agreeing to represent, appear for, or negotiate on
behalf of, any person or party other than the State in connection with any proceeding pending before any court of record of this State, any proceeding in regard to a claim for compensation arising under chapter 15 of Title 34 of the Revised Statutes (Workmen's Compensation), any proceeding in connection with the determination or review of transfer inheritance or estate taxes, any proceeding before the Division of Tax Appeals, any proceeding in connection with the filing of corporate or other documents in the office of the Secretary of State, any proceeding before the Division of Civil Rights, the New Jersey State Board of Mediation or the New Jersey Public Employment Relations Commission, or any successor thereof or any proceeding on behalf of a county, municipality or school district, or any authority, agency or commission of any thereof except where the State is an adverse party in the proceeding and provided he is not holding any office or employment in the State agency in which any such proceeding is pending.

C. 52:13D-17 Certain representations prohibited; penalty; 2-year limitation.

6. (a) No State officer or employee or special State officer or employee, subsequent to the termination of his office or employment in any State agency, shall represent, appear for or negotiate on behalf of, or agree to represent, appear for, or negotiate on behalf of, whether by himself or through any partnership, firm or corporation in which he has an interest or through any partner, officer or employee thereof, any person or party other than the State in connection with any cause, proceeding, application or other matter with respect to which such State officer or employee or special State officer or employee shall have made any investigation, rendered any ruling, given any opinion, or been otherwise directly involved at any time during the course of his office or employment. Any person who willfully violates the provisions of this section is a disorderly person, and shall be subject to a fine not to exceed $500.00 or imprisonment not to exceed 6 months, or both.

(b) No State officer or employee or special State officer or employee, within the 2 years next subsequent to the termination of his office or employment in any State agency, shall represent, appear for or negotiate on behalf of, or agree to represent, appear for or negotiate on behalf of, any person or party other than the State in connection with any cause, proceeding, application or other matter pending before the State agency in which the State officer or employee or special State officer or employee formerly held office or employment.
C. 52:13D-18 Participation by legislators in certain legislation.

7. (a) No member of the Legislature shall participate by voting or any other action, on the floor of the General Assembly or the Senate, or in committee or elsewhere, in the enactment or defeat of legislation in which he has a personal interest until he files with the Clerk of the General Assembly or the Secretary of the Senate, as the case may be, a statement (which shall be entered verbatim on the journal of the General Assembly or the Senate) stating in substance that he has a personal interest in the legislation and that notwithstanding such interest, he is able to cast a fair and objective vote and otherwise participate in connection with such legislation.

(b) A member of the Legislature shall be deemed to have a personal interest in any legislation within the meaning of this section if, by reason of his participation in the enactment or defeat of any legislation, he has reason to believe that he will derive a direct monetary gain or suffer a direct monetary loss. No member of the Legislature shall be deemed to have a personal interest in any legislation within the meaning of this section if, by reason of his participation in the enactment or defeat of any legislation, no benefit or detriment could reasonably be expected to accrue to him, as a member of a business, profession, occupation or group, to any greater extent than any such benefit or detriment could reasonably be expected to accrue to any other member of such business, profession, occupation or group.

C. 52:13D-19 Participation in certain contracts, agreements, etc., prohibited; exceptions.

8. No member of the Legislature or State officer or employee shall knowingly himself, or by his partners or through any corporation which he controls or in which he owns or controls more than 10% of the stock, or by any other person for his use or benefit or on his account, undertake or execute, in whole or in part, any contract, agreement, sale or purchase of the value of $25.00 or more, made, entered into, awarded or granted by any State agency; provided, however, that the provisions of this section shall not apply to (a) purchases, contracts, agreements or sales which (1) are made or let after public notice and competitive bidding or which (2), pursuant to section 5 of chapter 48 of the laws of 1944 (C. 52:34-10), may be made, negotiated or awarded without public advertising or bids, or (b) any contract of insurance entered into by the Director of the Division of Purchase and Property pursuant to section 10 of article 6 of chapter 112 of the laws of 1944 (C. 52:27B-62), if such purchases, contracts or agreements, including change orders
and amendments thereto, shall receive prior approval of the Joint Legislative Committee on Ethical Standards if a member of the Legislature or State officer or employee in the Legislative Branch has an interest therein which would otherwise be forbidden by this section, or the Executive Commission on Ethical Standards if a State officer or employee in the Executive Branch has an interest therein which would otherwise be forbidden by this section.

C. 52:13D-20 Acting as officer or agent prohibited; exception.

9. No member of the Legislature or State officer or employee of special State officer or employee shall act as officer or agent for a State agency for the transaction of any business with himself or with a corporation, company, association or firm in the pecuniary profits of which he has an interest (except that ownership or control of 10% or less of the stock of a corporation shall not be deemed an interest within the meaning of this section).

C. 52:13D-21 Executive Commission on Ethical Standards; continuance, membership, appointment, officers, compensation, legal adviser, clerical assistants, powers and duties; penalties.

10. (a) The Executive Commission on Ethical Standards created pursuant to P. L. 1967, chapter 229 is continued and established in the Department of Law and Public Safety and shall constitute the first commission under this act.

(b) The commission shall be composed of seven members appointed by the Governor from among State officers and employees serving in the Executive Branch. Each member shall serve at the pleasure of the Governor during the term of office of the Governor appointing him and until his successor is appointed and qualified. The Governor shall designate one member to serve as chairman and one member to serve as vice-chairman of the commission.

(c) Each member of the said commission shall serve without compensation but shall be entitled to be reimbursed for all actual and necessary expenses incurred in the performance of his duties.

(d) The Attorney General shall act as legal adviser and counsel to the said commission. He shall upon request advise the commission in the rendering of advisory opinions by the commission, in the approval and review of codes of ethics adopted by State agencies in the Executive Branch and in the recommendation of revisions in codes of ethics or legislation relating to the conduct of State officers and employees in the Executive Branch.

(e) The said commission may, within the limits of funds appropriated or otherwise made available to it for the purpose, employ such other professional, technical, clerical or other assistants, ex-
cepting legal counsel, and incur such expenses as may be necessary for the performance of its duties.

(f) The said commission, in order to perform its duties pursuant to the provisions of this act, shall have the power to conduct investigations, hold hearings, compel the attendance of witnesses and the production before it of such books and papers as it may deem necessary, proper and relevant to the matter under investigation. The members of the said commission and the persons appointed by the commission for such purpose are hereby empowered to administer oaths and examine witnesses under oath.

(g) The said commission is authorized to render advisory opinions as to whether a given set of facts and circumstances would, in its opinion, constitute a violation of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act.

(h) The said commission shall have jurisdiction to initiate, receive, hear and review complaints regarding violations, by any State officer or employee or special State officer or employee in the Executive Branch, of the provisions of this act or of any code of ethics promulgated pursuant to the provisions of this act. Any complaint regarding a violation of a code of ethics may be referred by the commission for disposition in accordance with subsection 12 (d) of this act.

(i) Any State officer or employee or special State officer or employee found guilty by the commission of violation any provision of this act or of a code of ethics promulgated pursuant to the provisions of this act shall be fined not less than $100.00 nor more than $500.00, which penalty may be collected in a summary proceeding pursuant to the Penalty Enforcement Law (N. J. S. A. 2A:58-1), and may be suspended from his office or employment by order of the commission for a period of not in excess of 1 year. If the commission finds that the conduct of such officer or employee constitutes a willful and continuous disregard of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act, it may order such person removed from his office or employment and may further bar such person from holding any public office or employment in this State in any capacity whatsoever for a period of not exceeding 5 years from the date on which he was found guilty by the commission.
11. (a) The Joint Legislative Committee on Ethical Standards created pursuant to the provisions of P. L. 1967, chapter 229 is continued and established in the Legislative Branch of State Government and shall constitute the first joint committee under this act.

(b) The joint committee shall be composed of four members of the Senate appointed by the President thereof, no more than two of whom shall be of the same political party, and four members of the General Assembly, appointed by the Speaker thereof, no more than two of whom shall be of the same political party. The members of the said joint committee shall be appointed annually, as soon as may be after the commencement of the legislative year, to serve during the legislative year.

(c) The said joint committee shall organize annually, as soon as may be after the appointment of its members, by the selection of a chairman and vice chairman from among its membership and the appointment of a secretary who need not be a member of the joint committee.

(d) The Chief Counsel of the Law Revision and Legislative Services Commission shall act as legal adviser to the said joint committee. He shall, upon request, assist and advise the joint committee in the rendering of advisory opinions by the joint committee, in the approval and review of codes of ethics adopted by State agencies in the Legislative Branch, and in the recommendation of revisions in codes of ethics or legislation relating to the conduct of members of the Legislature or State officers and employees in the Legislative Branch.

(e) The said joint committee may, within the limits of funds appropriated or otherwise available to it for the purpose, employ such other professional, technical, clerical or other assistants, excepting legal counsel, and incur such expenses as may be necessary to performance of its duties.

(f) The said joint committee shall have all the powers granted pursuant to chapter 13 of Title 52 of the Revised Statutes.

(g) The said joint committee is authorized to render advisory opinions as to whether a given set of facts and circumstances would, in its opinion, constitute a violation of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act.

(h) The said joint committee shall have jurisdiction to initiate, receive, hear and review complaints regarding violations of the
provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act. It shall further have such jurisdiction as to enforcement of the rules of either House of the Legislature governing the conduct of the members thereof as the rules of such House may confer upon the joint committee. A complaint regarding violation of a code of ethics promulgated pursuant to the provisions of this act may be referred by the joint committee for disposition in accordance with subsection 12 (d) of this act.

(i) Any State officer or employee or special State officer or employee in the Legislative Branch found guilty by the joint committee of violating any provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act shall be fined not less than $100.00 nor more than $500.00, which penalty may be collected in a summary proceeding pursuant to the Penalty Enforcement Law (N. J. S. 2A:58-1), and may be suspended from his office or employment by order of the joint committee for a period not in excess of 1 year. If the joint committee finds that the conduct of such officer or employee constitutes a willful and continuous disregard of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act, it may order such person removed from his office or employment and may further bar such person from holding any public office or employment in this State in any capacity whatsoever for a period of not exceeding 5 years from the date on which he was found guilty by the joint committee.

(j) A member of the Legislature who shall be found guilty by the joint committee of violating the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act shall be fined not less than $100.00 nor more than $500.00, which penalty may be collected in a summary proceeding pursuant to the Penalty Enforcement Law (N. J. S. 2A:58-1), and shall be subject to such further action as may be determined by the House of which he is a member. In such cases the joint committee shall report its findings to the appropriate House and shall recommend to the House such further action as the joint committee deems appropriate, but it shall be the sole responsibility of the House to determine what further action, if any, shall be taken against such member.

C. 52:13D-23 Code of ethics; promulgation, approval, violations, general standards.

12. (a) The head of each State agency, or the principal officer in charge of a division, board, bureau, commission or other instrumentality within a department of State Government designated by the head of such department for the purposes hereinafter set
forth, shall within 6 months from the date of enactment, promulgate a code of ethics to govern and guide the conduct of the members of the Legislature or the State officers and employees in the agency to which said code is applicable. Such code shall conform to the general standards hereinafter set forth in this section, but it shall be formulated with respect to the particular needs and problems of the agency to which said code is to apply.

(b) A code of ethics formulated pursuant to this section to govern and guide the conduct of the State officers and employees in any State agency in the Executive Branch, or any portion of such a code, shall not be effective unless it has first been approved by the Executive Commission on Ethical Standards. When a proposed code is submitted to the said commission it shall be accompanied by an opinion of the Attorney General as to its compliance with the provisions of this act and any other applicable provision of law. Nothing contained herein shall prevent officers of State agencies in the Executive Branch from consulting with the Attorney General or with the Executive Commission on Ethical Standards at any time in connection with the preparation or revision of such codes of ethics.

(c) A code of ethics formulated pursuant to this section to govern and guide the conduct of the members of the Legislature and State officers and employees in any State agency in the Legislative Branch, or any portion of such code, shall not be effective unless it has first been approved by the Legislature by concurrent resolution. When a proposed code is submitted to the Legislature for approval it shall be accompanied by an opinion of the chief counsel as to its compliance with the provisions of this act and any other applicable provisions of law. Nothing contained herein shall prevent officers of State agencies in the Legislative Branch from consulting with the Chief Legislative Counsel or the Joint Legislative Committee on Ethical Standards at any time in connection with the preparation or revision of such codes of ethics.

(d) Violations of a code of ethics promulgated pursuant to this section shall be cause for removal, suspension, demotion or other disciplinary action by the State officer or agency having the power of removal or discipline. When a person who is in the classified civil service is charged with a violation of such a code of ethics, the procedure leading to such removal or discipline shall be governed by any applicable provisions of the Civil Service Law and the Rules of the Department of Civil Service. No action for removal or discipline shall be taken under this subsection except upon the re-
ferral or with the approval of the Executive Commission on Ethical Standards or the Joint Legislative Committee on Ethical Standards, whichever is authorized to exercise jurisdiction with respect to the complaint upon which such action for removal or discipline is to be taken.

(e) A code of ethics for officers and employees of a State agency shall conform to the following general standards:

(1) No State officer or employee should have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity, which is in substantial conflict with the proper discharge of his duties in the public interest.

(2) No State officer or employee should engage in any particular business, profession, trade or occupation which is subject to licensing or regulation by a specific agency of State Government without promptly filing notice of such activity with the Executive Commission on Ethical Standards, if he is an officer or employee in the Executive Branch, or with the Joint Legislative Committee on Ethical Standards, if he is an officer or employee in the Legislative Branch.

(3) No State officer or employee should use or attempt to use his official position to secure unwarranted privileges or advantages for himself or others.

(4) No State officer or employee should act in his official capacity in any matter wherein he has a direct or indirect personal financial interest that might reasonably be expected to impair his objectivity or independence of judgment.

(5) No State officer or employee should undertake any employment or service, whether compensated or not, which might reasonably be expected to impair his objectivity and independence of judgment in the exercise of his official duties.

(6) No State officer or employee should accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred: that such gift, service or other thing of value was given or offered for the purpose of influencing him in the discharge of his official duties.

(7) No State officer or employee should knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of his acts that he may be engaged in conduct violative of his trust as a State officer or employee.
(8) Rules of conduct adopted pursuant to these principles should recognize that under our democratic form of government public officials and employees should be drawn from all of our society, that citizens who serve in government can not and should not be expected to be without any personal interest in the decisions and policies of government; that citizens who are government officials and employees have a right to private interests of a personal, financial and economic nature; that standards of conduct should separate those conflicts of interest which are unavoidable in a free society from those conflicts of interest which are substantial and material, or which bring government into disrepute.

(f) The code of ethics for members of the Legislature shall conform to subsection (e) hereof as nearly as may be possible.

C. 52:13D-24 Solicitation or receipt of compensation, gift, etc., for service, advice or assistance; exceptions.

13. No State officer or employee, special State officer or employee, or member of the Legislature shall solicit, receive or agree to receive, whether directly or indirectly, any compensation, reward, employment, gift or other thing of value from any source other than the State of New Jersey, for any service, advice, assistance or other matter related to his official duties, except reasonable fees for speeches or published works on matters within his official duties and except, in connection therewith, reimbursement of actual expenditures for travel and reasonable subsistence for which no payment or reimbursement is made by the State of New Jersey. This section shall not apply to the solicitation or acceptance of contributions to the campaign of an announced candidate for elective public office.

C. 52:13D-25 Willful disclosure or use of certain information prohibited.

14. No State officer or employee, special State officer or employee, or member of the Legislature shall willfully disclose to any person, whether or not for pecuniary gain, any information not generally available to members of the public which he receives or acquires in the course of and by reason of his official duties. No State officer or employee, special State officer or employee, or member of the Legislature shall use for the purpose of pecuniary gain, whether directly or indirectly, any information not generally available to members of the public which he receives or acquires in the course of and by reason of his official duties.
C. 52:13D-26 Inducement to violate code of ethics; penalties.

15. No person shall induce or attempt to induce any State officer or employee, special State officer or employee, or member of the Legislature to violate any provision of this act or any code of ethics promulgated thereunder. Any person who willfully violates any provision of this section is a disorderly person, and shall be subject to a fine not to exceed $500.00 or imprisonment not to exceed 6 months, or both.

16. If any section, subsection, paragraph, sentence or other part of this act is adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remainder of this act, but shall be confined in its effect to the section, subsection, paragraph, sentence or other part of this act directly involved in the controversy in which said judgment shall have been rendered.

17. This act shall be known as, and may be cited as, the “New Jersey Conflicts of Interest Law.”

18. Nothing in this act shall be deemed to alter, limit, restrict, enlarge or otherwise affect the rights or obligations of any State officer or employee, special State officer or employee, or member of the Legislature pursuant to any transaction entered into or agreement made in good faith prior to the effective date of this act.

19. Chapter 229 of the laws of 1967 is repealed as of the effective date of this act, but any rules, regulations and opinions of the Executive Commission on Ethical Standards and the Joint Legislative Committee on Ethical Standards made or issued pursuant to said act shall remain in force and effect until superseded by codes, rules, regulations or opinions made or issued pursuant to this act.

20. This act shall take effect January 11, 1972.

Approved June 2, 1971.
CHAPTER 183

AN ACT to require the public disclosure of certain information by certain persons seeking to influence legislation in this State, providing penalties for noncompliance, and repealing the "Legislative Activities Disclosure Act," approved October 16, 1964 (P. L. 1964, c. 207).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:13C-18 Declaration of intent.

1. Declaration of intent. The Legislature affirms that the preservation of responsible government requires that the fullest opportunity be afforded to the people of the State to petition their government for the redress of grievances and to express freely to individual legislators and to committees of the Legislature their opinion on legislation and current issues. The Legislature finds, however, that the preservation and maintenance of the integrity of the legislative process requires the identification in certain instances of persons and groups who seek to influence the content, introduction, passage or defeat of legislation. It is the purpose of this act to require adequate disclosure in certain instances in order to make available to the Legislature and the public information relative to the activities of persons who seek to influence the content, introduction, passage or defeat of legislation by such means.

The Attorney General shall have full discretion in prescribing the form and detail of such voluntary statements, and he may by general rules delimit classes of voluntary filings which will or will not be accepted by him in order to further the purposes of this act and the efficient administration thereof. The information contained in such voluntary statements as are accepted by the Attorney General shall be included in the periodic reports and summaries required to be made by him.

C. 52:13C-36 Attorney General's powers.
19. a. When it shall appear to the Attorney General that a person required to file any statement under this act has failed to file such required statement, or has filed a statement false, inaccurate or incomplete in any material matter, or has otherwise violated the provisions of this act; or when the Attorney General believes it to be in the public interest that an investigation should be made to ascertain whether a person has in fact violated any of the provisions of this act, he may apply to the Superior Court for an order or orders directing

(1) that any such person or persons to make available to his inspection, or to the inspection of any of his authorized deputies or
agents, such records as are required to be kept by that person pursuant to section 7 of this act; or,

(2) that any such person file a statement or report in writing under oath concerning the facts and circumstances upon which the Attorney General's belief in the necessity of an investigation is based; or,

(3) that any person submit to examination under oath by the Attorney General in connection with said circumstances, and produce any and all records, books and other documents which may be specified by order of the court; or,

(4) that the Attorney General may impound any record, book or other documents specified by order of the court.

b. Such application by the Attorney General shall set forth all the facts and circumstances upon which his belief in the necessity of an investigation is based. The court may proceed on such application in a summary manner; and if the court determines that from the evidence submitted it appears that a person required to file any statement under this act has failed to file such statement, or has filed a statement false, inaccurate or incomplete in any material respect, or has otherwise violated any of the provisions of this act, or that it is the public interest that an investigation be held to determine whether such violation has occurred, the court shall issue such order pursuant to subsection a. of this section as it may deem necessary and proper.

c. The Attorney General shall hold as confidential all statements, books, records, testimony and other information or sources of information coming into his possession or knowledge as a result of an investigation pursuant to this section; and he shall not disclose or divulge any such materials or information to anyone except the court under whose order such material or information comes into his knowledge or possession, unless the court shall order its disclosure to a grand jury of this State or other appropriate authorities for the purposes of enforcing the provisions of this act or any other law.

d. If any person shall refuse to testify or produce any book, paper or other document in any proceeding under this section as ordered by the court on the grounds that the testimony or evidence, documentary or otherwise, which is required of him may tend to incriminate him, convict him of a crime, or subject him to a penalty or forfeiture, and shall, notwithstanding, be directed to testify or to produce such book, paper or document, he shall comply with such direction. A person who is entitled by law to assert such privilege,
and does so assert, and thereafter complies with such direction, shall not thereafter be prosecuted or subjected to any penalty or forfeiture in any criminal proceeding which arises out of and relates to the subject matter of the proceeding. No person so testifying shall be exempt from prosecution or punishment for perjury on false swearing committed by him in giving such testimony.

20. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

C. 40A:11-4 Contracts and agreements required to be advertised for.
4. Contracts and agreements required to be advertised for. Every contract or agreement, for the performance of any work or the furnishing or hiring of any materials or supplies, the cost or the contract price whereof is to be paid with or out of public funds, not included within the terms of section 3 of this act, shall be made or awarded only after public advertising for bids and bidding therefor, except as is provided otherwise in this act or specifically by any other law. No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate $2,500.00, except by contract or agreement.

C. 40A:11-5 Exceptions.
5. Exceptions. Any purchase, contract or agreement of the character described in section 4 of this act may be made, negotiated or awarded without public advertising for bids and bidding therefor if
(1) The subject matter thereof consists of
   (a) Professional services,
   (b) The doing of any work by employees of the contracting unit,
(c) Election expenses, including advertising expenses incidental thereto,

(d) The printing of legal briefs, records and appendices to be used in any legal proceeding in which the contracting party may be a party,

(e) The furnishing of a tax map or maps for the contracting party,

(f) The purchase of perishable foods as a subsistence supply,

(g) The purchase of motor vehicles,

(h) The supplying of any product or the rendering of any service by a public utility, which is subject to the jurisdiction of the Board of Public Utility Commissioners, in accordance with tariffs and schedules of charges made, charged or exacted, filed with said board,

(i) The hiring of supplementary labor, or equipment, for the removal of snow or ice from roads and bridges and other public places required to be maintained by the contracting party during an emergency caused by storm, when the need for the hiring of such labor or equipment is not reasonably foreseeable,

(2) It is to be made or entered into with the United States of America, the State of New Jersey, county or municipality or any board, body, officer, agency or authority, thereof.

(3) The contracting unit has advertised for bids pursuant to section 4 on two occasions and has received no bids in response to its advertisement, and no board, body, officer, agency or authority of the United States, the State of New Jersey or any county or municipality is willing and able to perform any work or furnish or hire any materials or supplies in conformity with the specifications of the municipality. Any such contract or agreement may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of 2/3 of the full membership of the governing body of the contracting unit at a meeting thereof authorizing such a contract or agreement. No such contract or agreement may extend for a period greater than 1 year. Any amendment or modification of the terms, conditions, restrictions and specifications which were the subject of the competitive bidding pursuant to section 4 of this act shall be stated in the resolution awarding the contract.

(4) The contracting unit has advertised for bids pursuant to section 4 on two occasions and the governing body thereof has rejected such bids on each occasion because the contracting unit
has determined that they are not reasonable as to price on the basis of cost estimates prepared for the contracting unit prior to the advertising therefor or have not been independently arrived at in open competition, but no such contract or agreement may be entered into after such rejection of bids, unless:

(a) Notification of the intention to negotiate and a reasonable opportunity to negotiate shall have been given by the contracting unit to each responsible bidder,

(b) The negotiated price is lower than the lowest rejected bid price of a responsible bidder who bid thereon and is the lowest negotiated price offered by any responsible supplier and is a reasonable price for such work materials, supplies or services,

(c) Any amendment or modification of the terms, conditions, restrictions and specifications which were the subject of competitive bidding pursuant to section 4 of this act shall be stated in the resolution awarding the contract, and

(d) The negotiated price is lower than the price of the same or equivalent materials or supplies available from the State or the county in which the contracting unit is located.

Whenever a contracting unit shall determine that a bid was not arrived at independently in open competition pursuant to this subsection 4 of section 5, it shall thereupon notify the county prosecutor of the county in which the contracting unit is located and the Attorney General of the facts upon which its determination is based, and when appropriate, it may institute appropriate proceedings in any State or Federal court of competent jurisdiction for a violation of any State or Federal antitrust law or laws relating to the unlawful restraint of trade.

Any such contract or agreement may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of 2/3 of the full membership of the governing body of the contracting unit at a meeting thereof authorizing such a contract or agreement.

S. 40:25-4, amended 1962, c. 158, s. 1; 40:25-5; 40:50-1, amended 1957, c. 30; 1957, c. 209; 1963, c. 67; C. 40:50-5.1 (1943, c. 198, s. 1, amended 1956, c. 6, s. 1); C. 40:50-5.2 (1943, c. 198, s. 2); C. 40:50-5.3 (1943, c. 198, s. 3); C. 40:50-5.4 (1943, c. 198, s. 4, amended 1956, c. 6, s. 2).
C. 40A:11-6 Authorization of certain exceptions.

6. Authorization of certain exceptions. Any such purchase, contract or agreement may be made, negotiated or awarded for a contracting party without public advertising for bids and bidding therefor notwithstanding that the cost or contract price will exceed $2,500.00, when an emergency requires the immediate delivery of the articles or the performance of the service and when prior to the making of such purchase, contract or agreement or after the same, it is specifically authorized to be so made, negotiated or awarded by resolution, adoption by the affirmative vote of ¾ of the full membership of the governing body of the contract unit, for or on behalf of which the same is made, negotiated or awarded if the full membership of such governing body consists of more than four members, or of ¾ of all of the members thereof, if the full membership thereof shall be four members, or of ½ of all of the members thereof, if the full membership thereof be three members, provided such resolution describes specifically the circumstances, declares the emergency, and further prescribes the manner in which such purchase, contract or agreement shall be made, negotiated or awarded, which shall be of such character as to be effective to promote free and full competition, whenever competition is practical under the circumstances.

C. 40A:11-7 Contracts not to be divided.

7. Contracts not to be divided. No purchase, contract or agreement, which is single in character or which necessarily or by reason of the quantities required to effectuate the purpose of the purchase, contract or agreement, includes the furnishing of additional services or buying or hiring of materials or supplies or the doing of additional work, shall be subdivided, so as to bring it or any of the parts thereof under the maximum price or cost limitation of $2,500.00 thus dispensing with the requirement of public advertising and bidding therefor, and in purchasing or contracting for, or agreeing for the furnishing of, any services, the doing of any work or the supplying of any materials or the supplying or hiring of any materials or supplies, included in or incident to the performance or completion of any project, program, activity or undertaking which is single in character or inclusive of the furnishing of additional services or buying or hiring of materials or supplies or the doing of additional work, or which requires the furnishing of more than one article of equipment or buying or hiring of materials
or supplies, all of the services, materials or property requisite for the completion of such project shall be included in one purchase, contract or agreement.

C. 40A:11-8 Periodic solicitation for proposals of work or materials and supplies required.

8. Periodic solicitation for proposals of work or materials and supplies required. Every contracting agent shall, at intervals to be fixed by the governing body, solicit by public advertisement the submission of bids for the furnishing of all work, materials and supplies which are and which under section 4 of this act can be purchased or agreed or contracted to be furnished only after public advertisement for bids and bidding therefor and all purchases, or contracts or agreements for the furnishing, of such work, materials and supplies shall be made and awarded only in that manner.

C. PURCHASING AGENTS, DEPARTMENTS OR BOARDS

C. 40A:11-9 Purchasing agent, department or board; establishment; powers.

9. Purchasing agent, department or board; establishment; powers. The governing body of any local unit may, by ordinance, in the case of a municipality, and resolution, in the case of a county, provide for the appointment of a purchasing agent, or purchasing department or a purchasing board, with authority to purchase, as its contracting agent, such materials and supplies required to be purchased on behalf of the contracting unit, as said governing body shall, by said ordinance, or resolution prescribe and such purchasing agent, purchasing department or purchasing board shall have authority to purchase such materials and supplies on behalf of the contracting unit and prepare the public advertising for bids, to receive the bids and to make the awards in such cases, subject to the approval of the governing body to be given when and in such manner as said governing body shall by such ordinance or resolution prescribe.

D. JOINT PURCHASING AGREEMENTS

C. 40A:11-10 Joint agreements for purchase of work, materials, supplies; authorization.

10. Joint agreements for purchase of work, materials, supplies; authorization. The governing bodies of two or more contracting
units within the same county, or adjoining counties, may provide by joint agreement for the purchase of work, materials and supplies for use by their respective jurisdictions.

(a) Such agreement shall be entered into by similar ordinances, in the case of municipalities, or resolutions, in the case of other contracting units, adopted by each of the participating governing bodies; which shall set forth the categories of work, materials and supplies to be purchased, the manner of advertising for bids and of awarding of contracts, the method of payment by each participating contracting unit, and other matters deemed necessary to carry out the purposes of the agreement.

(b) Each contracting unit’s share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the same manner as for other expenses of the contracting unit.

(b) Require that any bidder be a resident of, or that his place of business be located in, the county or municipality in which the purchase will be made or the contract or agreement performed, unless the physical proximity of the bidder is requisite to the efficient and economical purchase or performance of the contract or agreement; or

(c) Discriminate on the basis of race, religion, sex, national origin; or
(d) Require, with regard to any purchase, contract or agreement, the furnishing of any "brand name," but may in all cases require "brand name or equivalent," except that if the materials to be supplied or purchased are patented or copyrighted, such materials or supplies may be purchased by specification in any case in which the ordinance or resolution authorizing the purchase, contract, sale or agreement so indicates, and the special need for such patented or copyrighted materials or supplies is directly related to the performance, completion or undertaking of the purpose for which the purchase, contract or agreement is made; or

(e) Fail to include any option for renewal, extension, or release which the contracting unit may intend to exercise or require; or any terms and conditions necessary for the performance of any extra work; or fail to disclose any matter necessary to the substantial performance of the contract or agreement.

C. 40A:11-16 Separate plans for various types of work; bids; contracts.
16. Separate plans for various types of work; bids; contracts. In the preparation of plans and specifications for the erection, alteration or repair of any public building by any political subdivision of this State, when the entire cost of the work will exceed $2,500.00 in amount, the architect, engineer or other person preparing the plans and specifications, may prepare separate plans and specifications for

Contracts shall be awarded to the lowest responsible bidder. In the event that a contract is advertised in accordance with (c) above said contract shall be awarded in the following manner: If the sum
total of the amounts bid by the lowest responsible bidder for each branch is less than the amount bid by the lowest responsible bidder for all the work and materials, the contracting agent shall award separate contracts for each of such branches to the lowest responsible bidder therefor, but if the sum total of the amount bid by the lowest responsible bidder for each branch is not less than the amount bid by the lowest responsible bidder for all of such work and materials, the contracting agent shall award a single overall contract to the lowest responsible bidder for all of such work and materials. In every case in which a contract is awarded under (b) above, all payments required to be made under such contract for work and materials supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

C. 40A:17 Number of working days specified.

17. Number of working days specified. All specifications for the doing of any public work for a contracting unit shall fix the date before which the work shall be completed, or the number of working days to be allowed for its completion; and every such contract shall contain a provision for a deduction, from the contract price, or any wages paid by the contracting unit to any inspector or inspectors necessarily employed by it on the work, for any number of days in excess of the number allowed in the specifications.

CHAPTER 198, LAWS OF 1971  875

G. BIDDING REQUIREMENTS

C. 40A:11-20  Certificate of bidder showing ability to perform contract.

20. Certificate of bidder showing ability to perform contract. There may be required from any bidder submitting a bid on public work to any contracting unit, duly advertised for in accordance with law, a certificate showing that he owns, leases, or controls all the necessary equipment required by the plans, specifications and advertisements under which bids are asked for and if the bidder is not the actual owner or lessee of any such equipment, his certificate shall state the source from which the equipment will be obtained, and shall be accompanied by a certificate from the owner or person in control of the equipment definitely granting to the bidder the control of the equipment required during such time as may be necessary for the completion of that portion of the contract for which it is necessary.

C. 40A:11-21  Certified check, cashier's check or bid bond to accompany bid; amount.

21. Certified check, cashier's check or bid bond to accompany bid; amount. There may be required from any person bidding on any contract or agreement, for any contracting unit, advertised in accordance with law, that the bid be accompanied by a certified check, cashier's check or bid bond, payable to the contracting unit as a guarantee that if the contract or agreement is awarded to him he will enter into a contract therefor and will furnish any performance bond or other security required as a guarantee or indemnification. The amount to be so deposited shall be 10% of the bid, but in no case in excess of $20,000.00.

C. 40A:11-22  Guarantee or surety company; certificate.

22. Guarantee or surety company; certificate. When a surety company bond is required in the advertisement or specifications for a contract or agreement, every contracting unit shall require from any bidder submitting a bid in accordance with plans, specifications and advertisements, as provided for by law, a certificate from a surety company stating that it will provide the contractor with a bond in such sum as is required in the advertisement or in the specifications.

This certificate shall be obtained for a bond—

(1) For the faithful performance of all provisions of the specifications or for all matters which may be contained in the notice
to bidders, relating to the performance of the contract or agreement, and

(2) If any be required, for a guarantee bond for the faithful performance of the contract provisions relating to the repair and maintenance of any work, project or facility and its appurtenances and keeping the same in good and serviceable condition during the term of the bond as provided for in the notice to bidders or in the specifications, or

(3) In such other form as may be provided in the notice to bidders or in the specifications.

If a bidder desires to offer the bond of an individual instead of that of a surety company, he shall submit with his bid a certificate signed by such individual similar to that required of a surety company.

The contracting unit may reject any such bid if it is not satisfied with the sufficiency of the individual surety offered.

C. 40A:11-23 Advertisements for bids; bids; general requirements.

23. Advertisements for bids; bids; general requirements. All advertisements for bids shall be published at least once, 10 days prior to the date fixed for receiving the bids, in a newspaper of general circulation published in this State and circulating within the territory included within or served by the contracting unit. The advertisement shall designate the manner of submitting and the method of receiving the bids and the time and place at which the bids will be received. If the published specifications provide for receipt of bids by mail, those bids which are mailed to the contracting unit shall be sealed and shall only be opened for examination at such time and place as all bids received are unsealed and announced. At such time and place the contracting agent of the contracting unit shall publicly receive the bids, and thereupon immediately proceed to unseal them and publicly announce the contents, which announcement shall be made in the presence of any parties bidding or their agents, who are then and there present, and shall also make proper record of the prices and terms, upon the minutes of the governing body, if the award is to be made by the governing body of the contracting unit, or in a book kept for that purpose, if the award is to be made by other than the governing body, and in such latter case it shall be reported to the governing body of the contracting unit for its action.
thereon, when such action thereon is required. No bids shall be received after the time designated in the advertisement.

II. AWARDS AND EXECUTION OF CONTRACTS

C. 40A:11-24 Time for making award; deposits returned.

24. Time for making award; deposits returned. The contracting agent shall award the contract or contracts, or reject all bids therefor within 30 days after they are received, and all checks or bonds delivered with the bids, except the check or bond of the bidder to whom the contract is awarded, shall be returned within 3 days thereafter, Sundays and holidays excepted. The check or bond of the bidder to whom the contract is awarded shall be retained until a contract is executed and any required performance bond or other security is submitted. If for any reason the contracting agent is unable to make an award within such 30-day period, it shall be lawful for such agent and each of the three lowest responsible bidders and his proposed surety, if any, to agree upon an extension, not exceeding an additional 30 days, for the making of the award, in which event the contracting agent shall make the award or reject such bids on or before the end of such extended period.

I. QUALIFICATION OF BIDDERS

(1) IN GENERAL

C. 40A:11-25 General power to provide qualification for bidders.

25. General power to provide qualification for bidders. The governing body of any contracting unit may establish reasonable regulations appropriate for controlling the qualifications of prospective bidders upon contracts to be awarded on behalf of the contracting unit, by the class or category of work to be performed or materials and supplies to be furnished or hired which may fix the qualifications required according to the financial ability and experience of the bidders and the capital and equipment available to them pertinent to and reasonably related to the class or category of work to be performed or materials and supplies to be furnished or hired in the performance of any such contract, and may require each bidder to furnish a statement thereof; and if such governing body is not satisfied with the qualifications of any bidder as founded upon such statement, it may
refuse to furnish him with any plans or specifications for any public contract or consider any bid made by him for any contract.

Prior to the adoption of any such regulations, a contracting unit shall submit them to a public hearing. Notice of the hearing and a general description of the subject matter of the regulations to be adopted shall be published in not less than two newspapers circulating in the county or municipality in which the contracting unit is located. Publication shall precede by at least 20 days the date set in the notice for the hearing. The clerk or secretary of the governing body of the contracting unit shall keep a record of the proceedings and of the testimony of any citizen or prospective bidder. Within 10 days after the completion of the hearings, the proposed regulations and a true copy of the hearings shall be forwarded to the Director of the Division of Local Finance for his approval. This approval shall be indicated by a letter from the director to the governing body of the contracting unit. If the director fails to approve or disapprove the regulations within 30 days of their receipt by him, they shall take effect without his approval. The director may disapprove such proposed regulations only if he finds that:

(a) They are written in a manner which will unnecessarily discourage full, free and open competition; or
(b) They unnecessarily restrict the participation of small businesses in the public bidding process; or
(c) They create undue preferences; or
(d) They violate any other provision of this act, or any other law.

If the director disapproves such proposed regulations within the 30-day period prescribed, they shall be of no force and effect and may not be required as a condition to the acceptance of a bid on any public contract by the contracting unit. Any appeal from a decision of the director to the Local Finance Board shall be subject to the provisions of the Local Government Supervision Act (P. L. 1947, c. 151, C. 52:27BB-1 et seq.).

No qualification rating of any bidder shall be influenced by his race, religion, sex, national origin, nationality or his place of residence or business.

Nothing contained in this act shall limit the right of any court to review a refusal to furnish any such plans or specifications or the consideration or any bid on any contract advertised.

Any such governing body may adopt a standard form of statement or questionnaire for bidders on public works and contracts, and in such case their action shall be governed as provided herein.

(2) Standard Form of Questionnaire

C. 40A:11-26 Standard questionnaire; effect of unsatisfactory answers.

26. Standard questionnaire; effect of unsatisfactory answers. The governing body of any contracting unit may adopt a standard form of statement or questionnaire for bidders on public works and contracts and may require from any person proposing to bid upon any such public work or contract a statement or answers showing his financial ability and experience in performing public work and describing the equipment available to such bidder in the performance of such work or contract, and if not satisfied with the sufficiency of this statement or answers may refuse to furnish plans and specifications to him.

C. 40A:11-27 Standard statements and questionnaires; prospective bidders; responses.

27. Standard statements and questionnaires; prospective bidders; responses. Such statements and questionnaires shall be standardized for like classes of work to be submitted to prospective bidders who may be required to respond to questions under oath. The statement or answer shall disclose fully the financial ability, adequacy of plant and equipment, organization and prior experience of the prospective bidder, and such other pertinent and material facts as may be required.

C. 40A:11-28 Classification of prospective bidders; notice.

28. Classification of prospective bidders; notice. Prospective bidders shall be classified as to the character and amount of public work or contracts as to which they shall be qualified to submit bids, and bids shall be accepted only from persons so qualified. The classification shall be made and an immediate notice thereof shall be sent to the prospective bidders by certified or registered mail within 8 days after the date of receipt of the responsive statement or answers.

Source: R. S. 40:25-17.

C. 40A:11-29 Reclassification of prospective bidders; request for; time limit.

29. Reclassification of prospective bidders; request for; time limit. If any person, after being notified of his classification, shall be dissatisfied therewith or with the classification of other bidders, he may request in writing a hearing before such governing body, and may present such further evidence with respect to the financial responsibility, organization, plant and equipment, or ex-
perience of himself or other prospective bidders as might tend to justify a different classification.

Where a request is made for the change of classification of another prospective bidder, the applicant therefor shall notify such other bidder by certified or registered mail of the time and place of hearing, as fixed by the governing body, and at the hearing shall present satisfactory evidence that the notice was served as herein required, before any matters pertaining to a change of classification of such other bidder shall be taken up. After hearing such evidence the governing body may, in its discretion, by appropriate action, change or retain the classification of any bidder.

No change in classification to be effective for any public work or contract where bidding therefor has been duly advertised, shall be made unless the written request therefor shall have been received at least 20 days before the final day for submission of bids.

All requests for change in classification and notice of any action sent by certified or registered mail to the parties directly affected thereby, shall be acted upon by the governing body concerned at least 8 days prior to the date fixed for the next opening of bids on any contract or contracts for which such persons might be qualified to bid as a result of the reclassification.

C. 40A:11-30 Board of review upon classification; membership, et cetera.

30. Board of review upon classification; membership, et cetera. There is hereby established a board of review upon classification and reclassification of prospective bidders. This board shall consist of one member of the governing body of the contracting unit concerned and two citizens of the county or municipality to be designated by such governing body. In all counties having a county supervisor, he shall be a member of the board of review instead of one of the citizens. The clerk of the contracting unit shall be the secretary of the board of review and shall keep a complete record of its proceedings and decisions. The members of the board shall serve without compensation.

C. 40A:11-31 Reconsideration by board of review; request for; time limit.

31. Reconsideration by board of review; request for; time limit. Any prospective bidder who is dissatisfied with his original classification or reclassification may upon receipt of notice thereof, request in writing a hearing of the matter before the board
of review. The request shall be filed with the contracting agent and the secretary of the board.

The board shall hold a hearing at which the prospective bidder shall be entitled to be heard and to submit additional information.

The board shall review the responsibility of all prospective bidders who have filed statements or answers, considering both the statement, answers and any additional information given at the hearing, and shall certify to the contracting unit concerned, its decision as to the original classifications or reclassifications, if any. The decisions shall be made by a majority vote.

In order for any change in classification by the board to be effective for public work or contract previously advertised, the request shall be filed not less than 5 days prior to the final day for submission of bids, and the board shall hold a hearing and act upon the request not less than 2 days prior to the date fixed for the next opening of bids on any public work or contract for which such prospective bidders might be qualified to bid as a result of the reclassification.

C. 40A:11-32 Rejection of bids after qualification of bidder; hearing.

32. Rejection of bids after qualification of bidder; hearing. Nothing herein contained shall be construed as depriving any contracting agent of the right to reject a bid at any time prior to the actual award of a public work or contract, where the circumstances of the prospective bidder have changed subsequent to the qualification and classification of the said bidder, which in the opinion of the awarding contracting unit would adversely affect the responsibility of the bidder. Before taking final action on any such bid, the contracting agent concerned shall notify the said bidder and afford him an opportunity to present any additional information which might tend to sustain the existing classification.

No person shall be qualified to bid on any public work or contract unless he shall have submitted a statement or answers as herein required within a period of 6 months preceding the date of opening of bids for the public work or contract, if the bidders thereon are required to be classified hereunder. In any case where the contracting unit shall require classification of the bidders in compliance with these sections, each bidder on any public work or contract shall be required to submit a statement listing the changes in the statement or answers herein required as part of his bid submission.

C. 40A: 11-33 Forfeiture of deposit in certain cases.

33. Forfeiture of deposit in certain cases. A deposit made by any person who makes or causes to be made a false, deceptive or fraudulent statement or answers in response to a questionnaire or in the course of a hearing hereunder may be caused to be forfeited, as liquidated damages by and to the contracting unit.

(3) Penalties

C. 40A: 11-34 Penalties for false statements.

34. Penalties for false statements. Any person who makes or causes to be made, a false, deceptive or fraudulent statement in the statement or answers in response to the questionnaire, or in the course of any hearing hereunder, shall be guilty of a misdemeanor, and upon conviction shall be punishable by a fine of not less than $100.00 nor more than $1,000.00, and shall be permanently disqualified from bidding on all public work or contracts of the contracting unit which submitted the questionnaire; or, in the case of an individual or an officer or employee charged with the duty of responding to the questionnaire for a person, firm, copartnership, association or corporation, by such fine or by imprisonment, not exceeding 6 months, or both.

J. Contracts of Special Character

35. Indemnity agreements; Federal projects for benefit of municipality. Any contracting unit may enter into an agreement indemnifying the United States of America, or any board, body, officer or agency thereof, from loss or damage to the property of others resulting from the furtherance of any project, undertaken or to be undertaken by the Federal Government for the benefit of such contracting unit where the cost or any part thereof is to be paid out of Federal funds.

K. Manner and Method of Sale

C. 40A: 11-36 Sale or other disposition of personal property.

36. Sale or other disposition of personal property. Any contracting unit by resolution of its governing body may authorize the sale of its personal property not needed for public use.
(1) If the estimated fair value of the property to be sold exceeds $2,500.00 in any one sale and it is neither livestock nor perishable goods, it shall be sold at public sale to the highest bidder.

(2) The contracting unit need not advertise for bids when it makes any such sale to the United States, the State of New Jersey, another contracting unit or to any body politic to which it contributes tax raised funds.

(3) Notice of the date, time and place of the public sale together with a description of the items to be sold and the conditions of sale shall be published in a newspaper circulating in the contracting unit. Such sale shall be held not less than 7 nor more than 14 days after the latest publication of the notice thereof.

(4) If no bids are received the property may then be sold at private sale without further publication or notice thereof, but in no event at less than the estimated fair value; or the contracting unit may if it so elect reoffer the property at public sale. As used herein, “estimated fair value” means the market value of the property between a willing seller and a willing buyer less the cost to the municipality to continue storage or maintenance of any personal property not needed for public use to be sold pursuant to this section.

(5) A contracting unit may reject all bids if it determines such rejection to be in the public interest. In any case in which the contracting unit has rejected all bids, it may readvertise such personal property for a subsequent public sale. If it elects to reject all bids at a second public sale, pursuant to this section, it may then sell such personal property without further publication or notice thereof at private sale, provided that in no event shall the negotiated price at private sale be less than the highest price of any bid rejected at the preceding two public sales and provided further that in no event shall the terms or conditions of sale be changed or amended.

Any county, by resolution, or municipality, by ordinance, may acquire real property and any estate or interest therein, including a lease with option to purchase, which the governing body shall determine will be necessary or useful for the proper exercise of any power conferred upon the county or municipality by this or any other law, notwithstanding that the county or municipality will not make use of such estate or interest for a period not exceeding 10 years if:

(a) In the case of a county or municipality, (1) the county or municipality has adopted a capital budget pursuant to New Jersey Statutes 40A:4-43 to 40A:4-45 which shall include a program or

C. 40A:12-12 Acquisition of property in other States; necessity for and manner of acquisition.

12. Acquisition of property in other States; necessity for and manner of acquisition. When a county, by resolution, or municipality, by ordinance, determines that any real property located in a foreign state is necessary to the beneficial use of property in this State owned by the county or municipality it may acquire such property located in a foreign state, either in the corporate name of the county or municipality or in the name of a trustee for the county or municipality.

Such a determination shall be made in any case in which the real property
in this State owned by the county or municipality, for whose beneficial use of which the real property located in the foreign state is purchased, shall have been sold or exchanged by the county or municipality.

SALE, LEASE OR EXCHANGE

C. 40A:12-13 Sales of real property, capital improvements or personal property; exceptions; procedure.

13. Sales of real property, capital improvements or personal property; exceptions; procedure. Any county or municipality may sell any real property, capital improvements or personal property, or interests therein, not needed for public use, as set forth in the resolution or ordinance authorizing the sale, other than county or municipal lands, real property otherwise dedicated or restricted pursuant to law, and, except as otherwise provided by law, all such sales shall be made by one of the following methods:

(a) By public sale to the highest bidder after advertisement thereof in a newspaper circulating in the municipality or municipalities in which the lands are situated by two insertions at least once a week during 2 consecutive weeks, the last publication to be not earlier than 7 days prior to such sale. In the case of public sales, the governing body may by resolution fix a minimum price, or prices, with or without the reservation of the right, to reject all bids where the highest bid is not accepted. Notice of such reservation shall be included in the advertisement of the sale and public notice thereof shall be given at the time of sale. Such resolution may provide, without fixing a minimum price, that upon the completion of the bidding, the highest bid may be accepted or all the bids may be rejected. The invitation to bid may also impose restrictions on the use to be made of such real property, capital improvement or personal property and any conditions of sale as to buildings or structures, or as to the type, size, or other specifications of buildings or structures to be constructed thereon, or as to demolition, repair, or reconstruction of buildings or structures, and the time within which such conditions shall be operative, or any other conditions of sale in like manner and to the same extent as by any other vendor. Such conditions shall be included in the advertisement, as well as the nature of the interest retained by the county or municipality. Such restrictions or conditions shall be related to a lawful public purpose and encourage and promote fair and competitive bidding of the county or municipality and shall
not, in the case of a municipality, be inconsistent with or impose a special or higher standard than any zoning ordinance or building, plumbing, electrical, or similar code or ordinance then in effect in the municipality.

In any case in which a county or municipality intends to retain an estate or interest in any real property, capital improvement or personal property, in the nature of an easement, contingent or reversionary, the invitation to bid and the advertisements required herein shall require each bidder to submit one bid under each Option A and Option B below.

(1) Option A shall be for the real property, capital improvement or personal property subject to the conditions or restrictions imposed, or interest or estate retained, which the county or municipality proposes to retain or impose.

(2) Option B shall be for the real property, capital improvement or personal property to be sold free of all such restrictions, conditions, interests or estates on the part of the county or municipality.

The county or the municipality may elect or reject either or both options and the highest bid for each. Such acceptance or rejection shall be made not later than at the second regular meeting of the governing body following the sale, and, if the governing body shall not so accept such highest bid, or reject all bids, said bids shall be deemed to have been rejected. Any such sale may be adjourned at the time advertised for not more than 1 week without readvertising.

(b) At private sale when authorized by resolution, in the case of a county, or by ordinance, in the case of a municipality, in the following cases:

(1) A sale to any political subdivision, agency, department, commission, board or body corporate and politic of the State of New Jersey or to an interstate agency or body of which the State of New Jersey is a member or to the United States of America or any department or agency thereof.

(2) A sale to a person submitting a bid pursuant to subsection (a) of this section where all bids have been rejected, provided that the terms and price agreed to shall in no event be less than the highest bid rejected and provided further that the terms and conditions of sale shall remain identical.

(3) A sale by any county or municipality when it has or shall have conveyed its right, title and interest in any real property, capital improvement or personal property not needed for
public use, and it was assumed and intended that there should be conveyed a good and sufficient title in fee simple to said real property, capital improvement or personal property, free of all encumbrances and the full consideration has been paid therefor, and it shall thereafter appear that the title conveyed was insufficient or that said county or municipality at the time of said conveyance was not the owner of some estate or interest in said real property, capital improvement or personal property or of some encumbrances thereon and the county or municipality shall thereafter acquire a good and sufficient title in fee simple, free of all encumbrances of said real property, capital improvement or personal property or shall acquire such outstanding estate or interest thereon or outstanding encumbrance thereon and said county or municipality, by resolution of the governing body and without the payment of any additional consideration, has deemed to convey or otherwise transfer to said purchaser, his heirs or assigns, such after-acquired title, or estate or interest in, or encumbrance upon, such real property, capital improvement or personal property to perfect the title or interest previously conveyed.

(4) A sale of an easement upon any real property previously conveyed by any county or municipality may be made when the governing body of any county by resolution, or any municipality, by ordinance, has elected to release the public rights in the nature of easements, in, on, over or under any real property within the county or the municipality, as the case may be, upon such terms as shall be agreed upon with the owner of such lands, if the use of such rights is no longer desirable, necessary or required for public purposes.

In the case of any sale of real property hereafter made pursuant to subsection (b) of this section, in no event shall the price agreed upon with the owner be less than the difference between the highest bid accepted for the real property subject to easements (Option A) and the highest bid rejected for the real property not subject to easements (Option B). After the adoption of the resolution or ordinance, and compliance by the owner of said real property with the terms thereof, said real property shall be free, and entirely discharged of and from such rights of the public and of the county or municipality, as the case may be, but no such release shall affect the right of lawful occupancy or use of any such real property by any
municipal or private utility to occupy or use any such real property lawfully occupied or used by it.

A list of the property so authorized to be sold, pursuant to subsection (b) of this section, together with the minimum prices respectively, as determined by the governing body, shall be included in the resolution or ordinance authorizing the sale, and said list shall be posted on the bulletin board or other conspicuous space in the building which the governing body usually holds its regular meetings, and advertisement thereof made in a newspaper circulating in the municipality or municipalities in which the real property, capital improvement or personal property is situated within 5 days following enactment of said resolution or ordinance. Offers for any or all properties so listed may thereafter be made to the governing body or its designee for a period of 20 days following the advertisement herein required, at not less than said minimum prices, by any prospective purchaser, real estate broker, or other authorized representative. In any such case, the governing body may reconsider its resolution or ordinance, not later than 30 days after its enactment, and advertise the real property, capital improvement, or personal property in question for public sale pursuant to subsection (a) of this section.

Any county or municipality selling any real property, capital improvement or personal property pursuant to subsection (b) of this section shall file with the Director of the Division of Local Finance in the Department of Community Affairs, sworn affidavits verifying the publication of advertisements as required by this subsection.

All sales either public or private may be made for cash or upon credit. A deposit not exceeding 1% of the minimum price or value of the property to be sold may be required of all bidders. When made upon credit, the county or municipality may accept a purchase-money mortgage, upon terms and conditions which shall be fixed by the resolution of the governing body; provided, however, that when such mortgage shall be fully payable within 5 years from the date of the sale and shall bear interest at a rate equal to that authorized under Title 31 of the Revised Statutes, as amended and supplemented, and the regulations issued pursuant thereto, or the rate last paid by the county or municipality upon any issue of notes pursuant to the Local Bond Law (chapter 2 of Title 40A of the New Jersey Statutes), whichever is highest. The governing body may, by resolution, fix the time for closing of title and payment of the consideration.
In all sales made pursuant to this section, the governing body of any county or municipality may provide for the payment of a commission to any real estate broker, or authorized representative other than the purchaser actually consummating such sale, but said commissions shall not exceed, in the aggregate, 5% of the sale price, and be paid, where there has been a public sale, only in the event that the sum of the commission and the highest bid price does not exceed the next highest bid price (exclusive of any realtor's commission).

C. 40A:12-14 Leasing of county or municipal real property, capital improvements or personal property.

14. Leasing of county or municipal real property, capital improvements or personal property. Any county or municipality may lease any real property, capital improvement or personal property not needed for public use as set forth in the resolution or ordinance authorizing the lease, other than county or municipal real property otherwise dedicated or restricted pursuant to law, and except as otherwise provided by law, all such leases shall be made in the manner provided by this section.

(a) In the case of a lease to any private person, said lease shall be made by public letting to the highest bidder after advertisement thereof in a newspaper circulating in the municipality or municipalities in which the leasehold is situated by two insertions at least once a week during 2 consecutive weeks; the lease publication to be not earlier than 7 days prior to the letting of the lease. The governing body may, by resolution, fix a minimum rental with the reservation of the right to reject all bids where the highest bid is not accepted. Notice of such reservation shall be included in the advertisement of the letting of the lease and public notice thereof shall be given of the time of the letting of the lease. Such resolution may provide that upon the completion of the bidding, the highest bid may be accepted or all of the bids may be rejected. It shall also set out the conditions, restrictions and limitations upon the tenancy subject to the lease. Acceptance or rejection of the bid or bids shall be made not later than at the second regular meeting of
the governing body following the opening of the bids, and, if the
governing body shall not so accept such highest bid, or reject all
bids, said bids shall be deemed to have been rejected. Any such
award may be adjourned at the time advertised for not more than
1 week without readvertising.

(b) In the case of a lease to a public body, the lease may be upon
such terms and conditions and for nominal or other consideration
as the governing body of the county or municipality shall approve
by ordinance or resolution.

(c) In the case of a lease to a nonprofit corporation for a public
purpose, the lease shall be authorized by resolution, in the case of
a county, or by ordinance, in the case of a municipality, and may
be for nominal or other consideration. Said authorization shall
include the nominal or other consideration for the lease; the name
of the corporation or corporations who shall be the lessees; the
public purpose served by the lessee; the number of persons benefit­ing
from the public purpose served by the lessees, whether within
or without the municipality in which the leasehold is located; the
term of the lease, and the officer, employee or agency responsible
for enforcement of the conditions of the lease. Said ordinance or
resolution shall also require any nonprofit corporation holding a
lease for a public purpose pursuant to this section, to annually
submit a report to the officer, employee or agency designated by
the governing body, setting out the use to which the leasehold was
put during each year, the activities of the lessee undertaken in
furtherance of the public purpose for which the leasehold was
granted; the approximate value or cost, if any, of such activities
in furtherance of such purpose; and an affirmation of the continued
tax-exempt status of the nonprofit corporation pursuant to both
State and Federal law.

16. Exchanges of certain lands; exceptions. The governing body of any county, by resolution, or any municipality, by ordinance, may exchange any lands or any rights or interests therein owned by the county or municipality, except lands used for public highways or places, for other lands desired for public use. The county or municipality may exact and receive a cash consideration in addition to such other lands when such exchange shall be authorized, and such governing body determines that the lands to be conveyed to such county or municipality or such lands and the cash consideration to be paid are at least of equal value to, and their acquisition is more advantageous to, the county or municipality for public use, than the lands to be conveyed by the county or municipality, and that it is in the public interest that such exchange of lands be consummated. Any prior dedication or determination for use for park purposes of such land or any part thereof, shall not preclude an exchange thereof under this section but where the lands to be exchanged by a municipality are lands that have been dedicated and determined for use for park purposes, the lands received in exchange therefor by the municipality shall be used for the same purposes. For purposes of this section, any land to be exchanged by the county or municipality shall be valued at not less than the amount for which it was acquired or in the case of an acquisition by gift or devise, in an amount of not less than the "full and fair value" of the land as determined by the assessor of the municipality in which it is located pursuant to section 54:4-23 of the Revised Statutes for the tax year in which the land was acquired by the county or the municipality. Any land which shall be conveyed to the county or municipality in exchange for any county or municipal land shall be valued at no more than the "full and fair value" determined for the land by the assessor of the municipality in which the land is located pursuant to section 54:4-23 of the Revised Statutes for the then current tax year. In any case in which the value of the county or municipal land to be exchanged exceeds the value of the land to be received by the county or municipality, the county or municipality shall exact additional cash consideration, as authorized herein, equal to the difference of the two values as determined pursuant to this section.

C. 40A:12-17  Application of proceeds of disposition of lands.

17. Application of proceeds of disposition of lands. When any county or municipality shall dispose of real property, capital improvements or personal property not acquired at a tax sale, having issued bonds to finance the purchase thereof, and at the time of such disposal any of said bonds are outstanding, the whole proceeds of such disposal or, so much thereof as shall be necessary shall be used for the liquidation of such bonds. 40A:9-3 Discrimination by reason of age; exceptions.

The board of chosen freeholders of any county, or the governing body of any municipality shall not make any rules or regulations designed to bar any person from holding a county or municipal position or employment or applying therefor, who is 40 years of age or more. This section shall be inapplicable to policemen or firemen or guards employed in the service of any county or municipal penal institution or to court attendants in first and second class counties whose duties require the custody and handling of prisoners.

40A:9-4 Dual office holding.

(1) It shall be lawful for a person to hold simultaneously an elective county office and an elective municipal office.

(2) It shall be lawful for a member of the Legislature of the State to hold simultaneously any elective or appointive office or position in county or municipal government.

(3) Nothing contained in this section shall be deemed to prevent the incumbent of any office from abstaining from voting in any matter in which he believes he has a conflict of duty or of interest, nor to prevent a challenge of a right to vote on that account under the principles of the common law or any statute.

(4) a. Nothing herein contained shall be deemed to repeal or supersede any statute prohibiting the dual holding of offices or positions.

b. This section shall apply to persons now holding elective offices or positions with the counties and municipalities or now serving as members of the Legislature of the State.

40A:9-6 De facto officers and employees; right to compensation.

Any person who has held or who may hereafter hold, de facto, any office or position in the public service of any county or municipality, and who has or shall have performed the duties thereof, shall be entitled to the emoluments and compensation appropriate to such office or position for the time in fact so held and may recover therefor in any court of competent jurisdiction, notwithstanding any refusal or failure of any other person or officer to approve or authorize the payment of said emoluments and compensation.

40A:9-7 Leaves of absence with pay to certain officers and employees.

The board of chosen freeholders of any county, by resolution, or the governing body of any municipality, by ordinance, may provide for granting leaves of absence with pay not exceeding one year, to any of its officers or employees who shall be injured or disabled resulting from or arising out of his employment, provided that the examining physician appointed by the county or the municipality shall certify to such injury or disability.

40A:9-8 Salaries; power of Civil Service Commission.

Any county or municipality operating under the provisions of subtitle 3 of Title 11 (Civil Service) of the Revised Statutes may request the Civil Service Commission to recommend standards of salaries to be paid to persons filling offices and positions in the classified service, and the county, by resolution, or the municipality, by ordinance, as the case may be, may adopt such recommendations.

40A:9-9 Appointments; permanent and temporary.

In addition to the officers and employees whose appointment is specifically provided for by law, the board of chosen freeholders of the county or the governing body of the municipality, as the case may be, may appoint or provide for the appointment of such other officers, agents and employees as may be required for the execution of the powers conferred upon said board or governing body or any board or officer of the county or municipality.

Whenever any officer or employee is temporarily absent, disabled or disqualified, the board of chosen freeholders of the county or the governing body of the municipality may designate some
person to act in place of any such officer or employee during his temporary absence, disability or disqualification.

40A:9-10 Compensation; exceptions.

Except as otherwise provided by law, the board of chosen freeholders of the county or the governing body of the municipality shall fix the amount of salary, wages or other compensation to be paid to county and municipal officers and employees unless they are to serve without compensation.

40A:9-10.1 Contracts for lesser salaries, wages or compensation.

The board of chosen freeholders of any county or the governing body of any municipality may enter into a contract with any officer or employee of the county or municipality, as the case may be, to perform the duties of his office, position or employment at a lesser salary, wage or compensation than otherwise fixed and when the contract shall be entered into, it shall control the amount of such salary.

40A:9-11 Vacancies in office; causes; how filled; change of residence not to cause vacancy in certain cases.

Whenever a county or municipal officer who is required to be a resident shall cease to be a bona fide resident of the county or municipality, as the case may be, or whenever the resignation of any such officer shall have been accepted by the proper authority, his office shall immediately be deemed to be vacant. The county or municipality, by the proper authority, shall thereupon proceed to fill the vacancy in the manner prescribed by law.

A nonresident of any municipality may hold office as counsel, attorney, engineer, health officer, auditor or comptroller of such municipality and no such office shall be deemed vacated by a change of residence of any such person.

Chapter 303 of the laws of 1970 (C. 40:46-14.1) is saved from repeal. [The act saved from repeal by this section provides that a nonresident of any municipality within a county of the fourth class, pursuant to the 1960 Federal Census, may hold office as building inspector of such municipality and no such office shall be deemed
vacant by reason of the removal or nonresidence of any such building inspector.]

40A:9-12 Vacancies from any cause other than expiration of term to be filled for unexpired term.

In any county or municipality, whenever a vacancy in office occurs from any cause other than expiration of the term of office, such vacancy shall be filled for the unexpired term only.

40A:9-13 Contracts for group insurance.

Any municipality, county, school district, or agency thereof, herein referred to as employers, may enter into contracts of group life, accidental death and dismemberment, hospitalization, medical, surgical, major medical expense or health and accident insurance with any insurance company or companies authorized to do business in this State or may contract with a nonprofit hospital service or medical service corporation with respect to the benefits which they are authorized to provide respectively. Such contract or contracts shall provide any one or more of such coverages for the employees of such employer and may include their dependents. "Dependents" shall include an employee's spouse and the employee's unmarried children, including stepchildren and legally adopted children, and, at the option of the employer and the carrier, foster children, under age 19 who live with the employee in a regular parent-child relationship, and may also include, at the option of the employer and the carrier, other unmarried children of the employee under the age of 23 who are dependent upon the employee for support and maintenance. A spouse or child enlisting or inducted into military service shall not be considered a dependent during such military service. Elected officials may be considered, at the option of the employer, to be "employees" for the purposes hereof, but "employees" shall not otherwise include persons employed on a short-term, seasonal, intermittent or emergency basis, persons compensated on a fee basis, or persons whose compensation from the public employer is limited to reimbursement of necessary expenses actually incurred in the discharge of their duties. "Employees" and "dependents" shall also not include persons, active or retired, who are otherwise eligible for coverage hereunder but who, although they meet the age eligibility requirement of the Federal Medicare Program, are not covered by the complete Federal Program.
Retired employees and their dependents may continue to be covered if they were covered by a group contract or contracts or a group remittance plan of the employer as of September 20, 1967, or immediately prior to the employee's retirement. The contract shall exclude from eligibility for any coverage any class or classes of public employees who are eligible for like or similar coverage under another group contract covering such class or classes of employees and may condition the eligibility of any employee for coverage upon satisfying a waiting period stated in the contract. Nothing herein contained shall be deemed to authorize coverage of dependents of an employee under a group life insurance policy or to allow the issuance of a group life insurance policy on which the entire premium is to be derived from funds contributed by the insured employees.

The coverage of any employee, and of his dependents, if any, shall cease upon the discontinuance of his employment or upon cessation of active full-time employment in the classes eligible for coverage subject to such provision as may be made in any contract by his employer for limited continuance of coverage during disability, part-time employment, leave of absence other than leave for military service or layoff, and for continuance of coverage after retirement.

Any contract or contracts permitted hereunder shall contain limitations, exclusions or exceptions so as to avoid duplication of benefits or services otherwise available pursuant to accidental death and dismemberment, hospitalization, medical, surgical, major medical expense or health and accident coverage under any other law of this State or the coverage afforded under the laws of the United States, such as the Federal Medicare Program, and at the option of the employer and the carrier, group insurance or any other arrangement of coverage for individuals in a group, whether on an insured or uninsured basis.

40A:9-14 Insurance coverage for employees.

Any employer entering into such a contract is hereby authorized to pay part or all of the premiums or charges for such contracts and may appropriate out of its general funds any money necessary to pay such premiums or charges or portions thereof. The contribution required of any employee toward the cost of such coverage may be deducted from the pay, salary or other compensation.
of such employee upon an authorization in writing made to the appropriate disbursing officer.

The continuance of coverage after retirement of any employee may be provided at such rates and under the conditions as shall be prescribed in the contract subject, however, to the requirements hereinafter set forth in this section. The contribution required of any retired employee toward the cost of such coverage may be paid by him to his former employer or in such other manner as the employer shall direct.

Retired employees shall be required to pay for the entire cost of coverage for themselves and their dependents at rates which are deemed to be adequate to cover the benefits, as affected by Medicare, of such retired employees and their dependents on the basis of the utilization of services which may be reasonably expected of such older age classification; provided, however, that the total rate payable by such a retired employee for himself and his dependents, for coverage under the contract and for Part B of Medicare, shall not exceed by more than 25%, the total amount that would have been required to have been paid by the employee and his employer for the coverage maintained had he continued in office or active employment and he and his dependents were not eligible for Medicare benefits.

Nothing herein shall be construed as compelling an employer to pay any portion of the premiums or charges attributable to such contracts.

"Medicare" as used herein means the coverage provided under Title XVIII of the Social Security Act as amended in 1965, or its successor plan or plans.

In the event an insurance company issues a group insurance policy to an employer which includes 2 or more of the coverages authorized hereby, such insurance company shall at the end of each policy year furnish to the employer a summary of the cost of each such coverage.

The employer may reimburse the active employee for his premium charges under Part B of the Federal Medicare Program covering the employee alone.

Any contracts in effect on September 20, 1967 are hereby confirmed as good and effectual until the contract anniversary next
following the first anniversary of said date when such contracts, exclusive of group life insurance, will have to be conformed to satisfy the provisions hereof.

40A:9-15 Filing copies of contracts with State Employees Health Benefit Commission; report to Governor and Legislature.

It shall be the duty of the executive officer of any employer who hereafter enters into such a contract to file a copy thereof with the State Employees Health Benefits Commission. The commission shall prepare and file periodically and not less than every 2 years, a report to the Governor and the Legislature as to such contracts being entered into by employers and shall make such recommendations concerning said contracts and the coverage thereunder as it deems appropriate to achieve uniformity of coverage and benefits for employees throughout the State.

40A:9-16 Validation of prior contracts; amendment; modification.

Any such contract heretofore executed between an employer and an authorized insurer which would be valid hereunder is hereby validated and confirmed notwithstanding that such a contract may not have been authorized or properly entered into.

Any such contract heretofore executed between an employer and an authorized insurer which would be valid hereunder except for the provisions requiring the payment of premiums by retired employees, is hereby validated and confirmed but such contracts shall not be renewed or extended unless they are amended or modified to be in accord with the provisions hereof.

It shall not be a defense to the payment or satisfaction of any claim for benefits under any contract or policy hereby validated and confirmed that such contract or policy was ultra vires, improperly entered into or otherwise not authorized by law.

40A:9-17 Deductions for payment to credit unions.

Whenever any person holding public office, position or employment, whose compensation is paid by any county or municipality or by any board, body, agency or commission thereof, or any board of education, shall indicate in writing to the proper disbursing
of this State or of the United States, the membership of which is limited to public employees, such deductions shall be made by the proper disbursing officer, when directed so to do by resolution of the governing body of any county or municipality or by resolution of the board, body, agency or commission or board of education of which he is the disbursing officer, and shall be transmitted to the treasurer of the credit union. Any such written authorization may be withdrawn upon filing notice of such withdrawal with the proper disbursing officer.

40A:9-18 Awards program; appropriations.

The board of chosen freeholders of any county or the governing body of any municipality may, by resolution, establish an awards program or programs for county or municipal officers and employees, as the case may be, designed to promote efficiency and economy in governmental functions of the county or municipality and to reward individual officers and employees for heroism, efficiency, meritorious suggestions, professional accomplishments, performance of duty and for service. The board or governing body shall by such resolution provide for the administration of its awards program or programs by an officer or officers named therein and may provide for such advisory committee or committees to assist in the formulation and administration of such programs as they shall determine.

Awards, within available appropriations therefor, may be in the form of cash, medals, certificates, insignia, or other appropriate devices or tokens of appreciation as shall be provided for under an established awards program.

The board of chosen freeholders or governing body may appropriate funds necessary to carry out any program or programs established hereunder.

The acting sheriff or newly appointed or elected sheriff shall be entitled to the same fees for his services and be liable to all the penalties and consequences of law for neglect of duty, as if the writs and processes had been originally directed and delivered to him.

CHAPTER 201

An Act to provide for the approval of the municipal governing body prior to the expenditure of moneys for library expansion and amending R. S. 40:54-25.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 40:54-25 is amended to read as follows:

Lands and buildings; purchase and alteration; financing; title.

40:54-25. When, in the judgment of the board of trustees of the free public library in any municipality that shall establish a library under the provisions of this article or has heretofore established a free public library pursuant to law, it is advisable to purchase lands or erect buildings thereon, or both, or to enlarge or alter any building already erected thereon, for the purpose of a free public library, the board may certify to the board or body having charge of the finances of such municipality the amount of money, in addition to such moneys as it may have on hand applicable to such purposes, necessary for the purpose of making such purchase of land, the erection of buildings or other improvements thereof, and shall also certify therewith the total amount of moneys and funds available for the purchase of lands or erection of buildings, and an estimated account of the amount necessary for the maintenance of the library for the balance of the then current year.

Thereupon the board, or body having charge of the finances of the municipality may by resolution, at its discretion and with the approval of the mayor or other chief executive officer of the municipality, authorize and empower the board of trustees of the free public library to expend such sums of money, in addition to the moneys belonging to it and not needed for the expenses of maintenance for the remainder of the then fiscal year, as to such common council, or such other body or board, may seem proper for such purposes, not to exceed, however, the amount certified by the board of trustees of the free public library.

Upon the passage of such resolution the board of trustees of the free public library shall be empowered and authorized, with the consent of the mayor or other chief executive officer of such municipality, to purchase real estate, and to erect buildings and make
improvements thereon, and to expend moneys therefor to the amount of such appropriation and surplus, but no lands shall be purchased for the purpose of erecting thereon a free public library building except with the concurrence of such common council, or such other body or board, expressed by resolution of such common council, or such other body or board with the approval of the mayor or other chief executive officer of the municipality. Any veto exercised by the mayor or other chief executive officer may be overridden by a $\frac{3}{4}$ majority vote of the governing body of the municipality.

The title of any real estate so purchased shall be taken in the name of the municipality. The use and control of such real estate shall be in the board of trustees of the free public library so long as it shall be used for free public library purposes.

2. This act shall take effect immediately.

Approved June 9, 1971.

WHEREAS, Municipalities in the State of New Jersey have been and will be requested to permit the mass gathering of substantial numbers of persons for the purposes of mass musical or public entertainment of various designations such as “pop festival,” or “rock festival” or “rock music festival”; and

WHEREAS, The experience of the State of New Jersey has clearly demonstrated the need for uniform, adequate and constitutionally permissible Statewide standards regulating the promotion and conduct of such mass gatherings; and

WHEREAS, The State of New Jersey recognizes the need to assure the health, safety and welfare of the citizens of New Jersey as well as of the participants in such mass gatherings; and

WHEREAS, The State of New Jersey must require particular compliance with the drug laws of this State; and

WHEREAS, The State of New Jersey wishes to guarantee the financial and moral integrity of the promoters of mass gatherings; and

WHEREAS, The State of New Jersey recognizes that many geographical areas and physical facilities in New Jersey cannot reasonably accommodate the congregation of substantial numbers of persons for significant periods of time; now, therefore,

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 5:11-1 Declaration of policy.

1. It shall be the policy of the State of New Jersey to permit, so long as consistent with the provisions of this act and the regulations issued hereunder, the mass gathering of persons for the purposes of mass musical or public entertainment.

C. 5:11-2 Permit required for mass gathering.

2. No person, group of persons, partnership, association or corporation, governmental unit or agency of State or local government, or any combination thereof shall conduct or promote, by advertising or otherwise, a mass gathering for the purposes of
musical entertainment of various designations such as "pop festival," or "rock festival" or "rock music festival" which may reasonably be anticipated to attract 3,000 or more people and which without discontinuing or disbanding continues or is planned to continue for in excess of 18 hours until a permit for such gathering has been obtained from the Mass Gathering Review Board pursuant to the provisions of this act and the regulations issued hereunder. This act shall not apply to mass gatherings continuing or planned to continue in excess of 18 hours when hotel or motel accommodations have been arranged for the participants.

C. 5:11-3 Mass Gathering Review Board; membership, appointment, powers and duties.

3. There is hereby created in the Department of Health a Mass Gathering Review Board for the purpose of providing the necessary uniformity and expertise required to properly review permits for mass gatherings. The board members shall be the Commissioner of the Department of Health or his designee, chairman, the Attorney General of the State of New Jersey, the Commissioner of the Department of Environmental Protection, the Chancellor of Higher Education, and the chief executive officer of the New Jersey State League of Municipalities, of the New Jersey Conference of Mayors, and of the New Jersey State Association of Chosen Freeholders, or their respective designees. In addition the board's membership shall include two student representatives who shall be appointed by and serve at the pleasure of the Governor. This board is authorized to establish rules and regulations concerning the conduct of mass gatherings and it is specifically empowered to review all mass gathering permits and to issue such permits only when it is satisfied that such gatherings shall not be inconsistent with the health, safety, and welfare of the participants and the citizens in surrounding communities. All decisions of the board must have the assent of a majority of its members.

C. 5:11-4 Licensing of ticket printers.

4. The board is also authorized to issue licenses to ticket printers for the purpose of this act and to assure a designated maximum number of patrons as well as a method of guaranteed reimbursement to ticket purchasers in the event of cancellation of a mass gathering. The board is authorized to prescribe rules and regulations governing the issuance of such licenses and to prescribe the form in which such tickets must be made. An applicant receiving a permit under this act may use only tickets obtained from a printer licensed by the board.
C. 5:11-5 Application for permit; filing, fee; action by municipal governing body.

5. All applications for a permit under this act shall be made at least 15 days before the first day of advertising, and at least 30 days before the first day of the mass gathering. The amount of such filing fee shall be determined pursuant to a fee schedule adopted by the board and specifically related to the nature and extent of the investigation required by the size and duration of the proposed gathering. Fifteen days prior to submitting the completed application to the board the applicant shall submit a copy of the application to the appropriate municipal governing body in which the mass gathering is intended to be held. The governing body shall then have 15 days to prepare a statement of recommendation or to prepare a detailed summary of objections to the proposed application.

j. Examples of proposed advertising of the event, if any.

C. 5:11-7 Review of applications.

7. In reviewing applications submitted pursuant to this act and in determining whether a permit should be issued, the board shall consider all items reasonably necessary to provide it with assurances that the mass gathering shall not be inconsistent with the health, safety and welfare of the participants and the citizens in surrounding communities. In order to assure that constitutional rights are not violated and in order to properly define the standard of review to be applied by the board, the board shall primarily consider the following items:

C. 5:11-8 Authority to require plans, specifications and reports.

In exercising its responsibilities under this act the board may require such additional plans, specifications and reports as it shall deem necessary for a thorough and proper review of the application and may request and shall receive from all public officers, departments and agencies of this State such cooperation and assistance as may be necessary and proper to effectively and efficiently perform its duties under the provisions of this act.

C. 5:11-9 Issuance of permit.
9. The board shall, after reviewing the application for a permit and after investigating the proposed plans for such mass gathering, and after considering the facts and circumstances relating to the particular premises to be used, and after giving due consideration to the recommendation of the municipal governing body, issue a permit pursuant to this act if it concludes that the holding of such mass gathering shall not be inconsistent with the public health, safety and welfare of the participants and the citizens in surrounding communities.

C. 5:11-10 Imposition of reasonable terms and conditions.
10. In granting such a permit the board is specifically empowered to impose such reasonable terms and conditions upon the applicant as it deems necessary and proper to insure compliance with the provisions of the application and to insure that the public health, safety and welfare of the participants and the citizens in the surrounding communities will not be impaired. Such conditions may include, but need not be limited to:
   a. A maximum limit of time during which the mass gathering may be held without discontinuing or disbanding;
b. Requiring installation of such facilities and the providing of such services at the expense of the applicant as may be necessary;

c. Requiring, where advertising is used, appropriate notations relating to the enforcement of the drug laws of the State of New Jersey, geographical designation of parking facilities to be utilized and the ticket agencies or persons from whom money may be returned in the event of cancellation of the mass gathering.

In addition, the board shall require that all applicants provide a performance bond or other suitable financial security reasonably related in amount to the nature and extent of the undertaking involved and particularly related to: (1) insuring reimbursement to ticket purchasers in the event of termination or cancellation of the mass gathering or of the failure of the applicant to conduct the mass gathering as proposed and advertised; and (2) insuring the clean-up and restoration of the area at which such event takes place within 48 hours after the close of the event.

C. 5:11-11 Authority to inspect site and revoke permit.

Designated representatives of the board shall be permitted to inspect at any time the site of the mass gathering for the purpose of investigating an application and for the purpose of insuring compliance with the provisions of this act and the regulations issued hereunder. The board is authorized to revoke any permit for cause and specifically for the failure to comply with conditions imposed pursuant to this act.

12. This act is intended to provide the exclusive means of applying for and receiving permission to conduct a mass gathering as defined in section 2 of this act.

C. 5:11-13 Penalty.

13. Anyone who would otherwise be required to apply as indicated by section 2 of this act who fails to secure a permit, as required by the provisions of this act, or who continues to hold a mass gathering after the revocation or expiration of said permit, or who willfully fails to comply with the requirements of the board and provisions of the permit application, shall be a disorderly person. Each and every day that such violation occurs or continues to exist shall be considered a separate and specific violation.

C. 5:11-14 Injunctive relief.

14. Upon a violation of any of the provisions of this act, the board, the Attorney General, or the municipality in which such gathering is to be held, may institute a civil action in a court of
competent jurisdiction in the name of the board, the Attorney General or the municipality for injunctive relief to restrain the violation and for such other further relief as the court shall deem proper. In such an action the court may proceed in a summary manner if necessary. Neither the institution of the action, nor any of the proceedings therein, shall relieve any party to such proceedings from the penalty prescribed for a violation of this act.

15. The declaration of any portion of this law, by a court of competent jurisdiction, to be invalid shall not invalidate the entire law but only that part thereof so declared to be invalid, and the remainder of the law shall remain in full force and effect.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 44:13-1 Legislature's findings.

1. The Legislature hereby finds and declares that it is in the public interest for the State to provide financial assistance to New Jersey families with children in which both parents are present in the home and who otherwise meet the eligibility criteria set forth in this act by virtue of inadequate income for the support of the family. The Legislature further finds that such families are a unique class, distinguishable in their composition and needs from other categories of persons benefited by other programs of assistance established by law. The Legislature further finds that such families should be entitled to receive the benefits available under the "New Jersey Medical Assistance and Health Service Act," (P. L. 1968, c. 413).
CHAPTER 209, LAWS OF 1971

C. 44:13-2 Enactment and administration of assistance program.

2. There is hereby enacted by the State of New Jersey a program of assistance to be known as "Assistance to the Families of the Working Poor" which shall benefit all of the citizens of New Jersey meeting the eligibility provisions more particularly set forth in section 3 of this act. This program shall be administered by all of the county welfare boards of this State under the direction of the Commissioner of Institutions and Agencies as provided in this Title.

C. 44:13-3 Definitions.

3. As used in this act and for the purposes of determining eligibility to receive financial assistance under this act, the following words shall have the following meanings:

b. "Adjusted gross income" means the total of monthly unearned income and monthly earned income of all employed individuals in the family, except for those individuals whose income is required to be disregarded under the provisions of this subsection, less the first $60.00 earned by each person whose income is included in adjusted gross income. In computing the income of a family as defined in this act there shall be disregarded the earned income of any minor child under 16, and the income of a minor child under 18 if he or she is attending on a full time basis an accredited educational institution;

c. "Insufficient income" means that the adjusted gross income of the family is less than 66\% of the standard applicable to the size of the applicant family established by the Division of Public Welfare for the program of aid to dependent children authorized under P. C. 44:13-4 Application for assistance; limitations.

4. a. A family wishing to make application for assistance under the provisions of this act shall do so by securing from the county welfare board offices an application, the form of which shall be prescribed by the Division of Public Welfare. Said application shall be completed and signed by both parents, except that if a parent is unavailable to sign the application for reasons beyond the family's control one signature will suffice. In that event the non-signatory parent shall be required to annex his signature as promptly as he is available for such purpose. Said application shall state that the amounts of assistance received by the applicants, if they are eligible, shall constitute a debt to the State of New Jersey as required by the provisions of this act.

b. No family or member thereof for whom financial assistance is being paid under the provisions of this act shall receive, during the same period, any other financial assistance from the State or any political subdivision thereof with respect to any maintenance requirements or other items for which allowance is made in the assistance grant paid pursuant to this act.

c. No family shall be entitled to receive financial assistance under this act if the father refuses, without good cause, to accept employment, better employment or training for employment or better employment.

C. 44:13-5 Rules and regulations; Federal financial participation.

He shall endeavor to obtain the maximum possible Federal financial participation with respect to all or any portion of the program established by this act, insofar as it is feasible to do so consistently with the provisions of this act.

C. 44:13-6 Commissioner's duties.

6. The commissioner is directed to do the following:

a. Require that the program of assistance provided by this act shall be uniformly administered throughout all the counties of this State;

b. Require that all families wishing to make application for assistance under this program shall have the opportunity to do so, in the manner described in this act and that assistance shall be furnished with reasonable promptness to eligible families;

c. Require that safeguards be provided restricting the use or disclosure of information concerning applicants and recipients of aid under the provisions of this act;

d. Arrange for appropriate services and cooperation with other agencies so that maximum opportunities for employment or improved employment and training for employment will be available to recipients of assistance under this program;

e. Prescribe the conditions under which financial assistance will be denied to any family in which the father refuses, without good cause, to accept employment, better employment, or training for employment or better employment;

Provide a procedure whereby an applicant for or a recipient of assistance under the provisions of this act shall have an opportunity to appeal an action or decision of a county welfare board to the Division of Public Welfare of the Department of Institutions and Agencies. The decision of the Division of Public Welfare shall be final and binding upon the parties.

9. Any assistance received by a recipient shall constitute a debt owed to the State of New Jersey, which debt shall be recoverable by the State of New Jersey or its agents. If the State of New Jersey or its agents fails to move to recover the debt within 6 years of the last payment of assistance to the recipient, the former recipient’s obligation thereunder shall be deemed unenforceable.

C. 44:13-10 Fraud; penalty; exceptions.

10. In any instance in which a county welfare board has reasonable cause to believe that a fraud has been perpetrated by an applicant for or recipient of assistance under this act, it shall refer the matter to the county prosecutor’s office for appropriate action. Any applicant or recipient convicted of fraudulently attempting to obtain or obtaining assistance under this act may, in the discretion of the county welfare board, be barred from receiving public assistance under any program of public assistance authorized by the statutes of this State, except that
a. The period of ineligibility may not extend beyond the term of the sentence or period of probation, whichever is the case, imposed by the courts, and

b. If the conviction is appealed, those amounts of assistance, if any, which would have been received by the recipient but for his conviction, shall be held in trust by the county welfare board for the recipient, to be given to him or her by the county welfare board if the conviction is reversed and the reviewing court so orders.

C. 44:13-11 State's payments to county welfare boards.

11. The State shall pay to each county welfare board the full amount of any funds received by the State from the Federal Government as reimbursement for expenditures made by such county welfare boards for assistance rendered to those recipients benefited by the program established by this act who are covered by the provisions of Title IV of the "Federal Social Security Act," plus an additional amount equal to 75% of the balance of the county welfare board's expenditures under this act after deducting the amount of such Federal participation.

The State shall also pay to each county welfare board the full amount of any funds which may be received by the State from the Federal Government as Federal participation with respect to the administrative costs of providing assistance to those recipients benefited by the program established pursuant to this act whose circumstances are such that they are encompassed within the coverage extended by the provisions of Title IV of the "Federal Social Security Act."

The parties, or either of them, lacked capacity to marry due to want of understanding because of mental condition, or the influence of intoxicants, drugs, or similar agents; or where there was a lack of mutual assent to the marital relationship; duress; or fraud as to the essentials of marriage; and has not subsequently ratified the marriage.

e. The demand for such a judgment is by the wife or husband who was under the age of 18 years at the time of the marriage, unless such marriage be confirmed by her or him after arriving at such age.

c. Extreme cruelty, which is defined as including any physical or mental cruelty which endangers the safety or health of the plaintiff or makes it improper or unreasonable to expect the plaintiff to continue to cohabit with the defendant; provided that no complaint for divorce shall be filed until after 3 months from the date of the last act of cruelty complained of in the complaint, but this provision shall not be held to apply to any counterclaim;

2A:34-3. Divorce from bed and board may be adjudged for the same causes as divorce from the bonds of matrimony whenever both parties petition or join in requesting such relief and they or either of them present sufficient proof of such cause or causes to warrant the entry of a judgment of divorce from the bonds of matrimony,
provided further that in the case of a reconciliation thereafter the parties may apply for a revocation or suspension of the judgment, and provided further that the granting of a bed and board divorce shall in no way prejudice either party from thereafter applying to the court for a conversion of said divorce to a divorce from the bonds of matrimony, which application shall be granted as a matter of right.

4. N. J. S. 2A:34-7 is amended to read as follows:

Certain defenses abolished.

Jurisdiction stated.

2A:34-8. The Superior Court shall have jurisdiction of all causes of divorce, bed and board divorce, or nullity when either party is a bona fide resident of this State. The Superior Court shall have jurisdiction of an action for alimony and maintenance when the defendant is subject to the personal jurisdiction of the court, is a resident of this State, or has tangible or intangible real or personal property within the jurisdiction of the court. The Superior Court may afford incidental relief as in other cases of an equitable nature and by rule of court may determine the venue of matrimonial actions.

6. N. J. S. 2A:34-10 is amended to read as follows:

Jurisdiction in actions for divorce; service of process; residence requirements.

2A:34-10. Jurisdiction in actions for divorce, either absolute or from bed and board, may be acquired when process is served upon the defendant as prescribed by the rules of the Supreme Court, and

1. When, at the time the cause of action arose, either party was a bona fide resident of this State, and has continued so to be down to the time of the commencement of the action; except that no action for absolute divorce shall be commenced for any cause other than adultery, unless one of the parties has been for the 1 year
next preceding the commencement of the action a bona fide resident of this State; or

2. When, since the cause of action arose, either party has become, and for at least 1 year next preceding the commencement of the action has continued to be, a bona fide resident of this State.

7. N. J. S. 2A:34-20 is amended to read as follows:

Effect of judgment.

2A:34-20. A child heretofore or hereafter born of parents who prior or subsequent to the birth of such child have entered into a civil or religious marriage, or shall have consummated a common-law marriage where such marriage is recognized as valid, in the manner authorized by the law of the place where such marriage takes place, is the legitimate child of both natural parents notwithstanding that such marriage is void or voidable or has been or shall hereafter be annulled or judicially declared void.

Nothing in this amendatory act shall be deemed to affect the construction of any will or instrument heretofore executed or any property right or interest or right of action vested or accrued or to limit the operation of any judicial determination containing an express provision or provisions with respect to the legitimacy, maintenance or custody of any child, or to affect any adoption proceeding heretofore commenced, or limit the effect of any judgment or order entered in such adoption proceedings.

8. N. J. S. 2A:34-23 is amended to read as follows:

Alimony; maintenance; custody and maintenance of children; security; failure to obey order; sequestration; receiver; modification of orders.

2A:34-23. Pending any matrimonial action brought in this State or elsewhere, or after judgment of divorce or maintenance, whether obtained in this State or elsewhere, the court may make such order as to the alimony or maintenance of the parties, and also as to the care, custody, education and maintenance of the children, or any of them, as the circumstances of the parties and the nature of the case shall render fit, reasonable and just, and require reasonable security for the due observance of such orders. Upon neglect or refusal to give such reasonable security, as shall be required, or upon default in complying with any such order, the court may award and issue process for the immediate sequestration of the personal estate, and the rents and profits of the real estate of the party so charged, and appoint a receiver thereof, and cause such personal estate and the rents and profits of such real estate, or so much thereof as shall be necessary, to be applied toward such
alimony and maintenance as to the said court shall from time to
time seem reasonable and just; or the performance of the said
orders may be enforced by other ways according to the practice of
the court. Orders so made may be revised and altered by the court
from time to time as circumstances may require.

In all actions brought for divorce, divorce from bed and board,
or nullity the court may award alimony to either party, and in so
doing shall consider the actual need and ability to pay of the
parties and the duration of the marriage. In all actions for divorce
other than those where judgment is granted solely on the ground
of separation the court may consider also the proofs made in estab­
lishing such ground in determining an amount of alimony or main­
tenance that is fit, reasonable and just. In all actions for divorce
or divorce from bed and board where judgment is granted on the
ground of institutionalization for mental illness the court may con­
sider the possible burden upon the taxpayers of the State as well
as the ability of the plaintiff to pay in determining an amount of
maintenance to be awarded.

In all actions where a judgment of divorce or divorce from bed
and board is entered the court may make such award or awards to
the parties, in addition to alimony and maintenance, to effectuate
an equitable distribution of the property, both real and personal,
which was legally and beneficially acquired by them or either of
them during the marriage.

17. Subject to the provisions of chapter 70 of the laws of 1955, the general responsibility for the proper operation of the Public Employees' Retirement System shall be vested in the board of trustees. Subject to the limitations of the law, the board shall annually establish rules and regulations for the administration and transaction of its business and for the control of the funds created by this subtitle. Such rules and regulations shall be consistent with those adopted by the other pension funds within the Division of Pensions in order to permit the most economical and uniform administration of all such retirement systems.

The membership of the board shall consist of the following:

a. Two trustees appointed by the Governor, who shall serve at the pleasure of the Governor and until their successors are appointed, who shall be private citizens of the State of New Jersey and who
are neither an officer thereof nor active or retired members of the system.

b. The State Treasurer or the Deputy State Treasurer, when designated for that purpose by the State Treasurer.

c. Three trustees elected for a term of 3 years from among and by the active members of the retirement system or by the delegates elected for this purpose by the membership, one of whom shall be elected each year for a term commencing on April 1, following such election in such manner as the board of trustees may prescribe.

Each member of the board shall, upon appointment or election, take an oath of office that, so far as it devolves upon him, he will diligently and honestly administer the board's affairs, and that he will not knowingly violate or willfully permit to be violated any provision of law applicable to this act. The oath shall be subscribed to by the member making it, certified by the officer before whom it is taken and filed immediately in the office of the Secretary of State.

Each trustee shall be entitled to one vote in the board and a majority of all the votes of the entire board shall be necessary for a decision by the board of trustees at a meeting of the board. The board shall keep a record of all its proceedings, which shall be open to public inspection.

The members of the board shall serve without compensation but shall be reimbursed for any necessary expenditures. No employee shall suffer loss of salary or wages through the serving on the board.

The terms of office of the members of the board of trustees on the effective date of this amendatory and supplementary act shall continue for the periods for which they were appointed or elected.

The State Treasurer shall designate a medical board after consultation with the director of the Division of Pensions, subject to veto by the board of trustees for valid reason. It shall be composed of three physicians who are not eligible to participate in the retirement system. The medical board shall pass upon all medical examinations required under the provisions of this act, shall investigate all essential statements and certificates by or on behalf of a member
in connection with an application for disability retirement, and shall report in writing to the retirement system its conclusions and recommendations upon all matters referred to it.

7. Section 19 of P. L. 1954, c. 84 (C. 43:15A-19) is amended to read as follows:

C. 43:15A-19 Actuarial information and investigation; rates of deduction and contribution.

19. The actuary shall recommend, and the Division of Pensions shall keep in convenient form, such data as shall be necessary for actuarial valuation of the various funds created by this act. Once in every 5-year period, the actuary shall make an actuarial investigation into the mortality, service, and compensation or salary experience of the members and beneficiaries as defined in this chapter and shall make a valuation of the assets and liabilities of the various funds created by this act. Upon the basis of such investigation and valuation, with the advice of the actuary, the board shall:

a. Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary;

b. Certify the rates of deduction from compensation computed to be necessary to pay the annuities authorized under the provisions of this act; and,

c. Certify the rates of contribution, expressed as a proportion of the compensation of members which shall be made by the State and other employers to the contingent reserve fund.

8. Section 21 of P. L. 1954, c. 84 (C. 43:15A-21) is amended to read as follows:

C. 43:15A-21 Annual report.

21. The retirement system shall publish annually a report showing a valuation of the assets and liabilities of the funds created by this act, certifying as to the accumulated cash and securities of the funds and stating other facts pertaining to the system. The board shall submit the report to the Governor and furnish a copy to every employer for use of the members and the public.

9. Section 24 of P. L. 1954, c. 84 (C. 43:15A-24) is amended to read as follows:

24. The contingent reserve fund shall be the fund in which shall be credited contributions made by the State and other employers.
a. Upon the basis of such tables recommended by the actuary as the board adopts, and regular interest, the actuary shall compute annually the amount of contribution, expressed as a proportion of the compensation paid to all members, which, if paid monthly during the entire prospective service of the members, will be sufficient to provide for the pension reserves required at the time of discontinuance of active service, to cover all pensions to which they may be entitled or which are payable on their account and to provide for the amount of the death and accidental disability benefits payable on their account, and which amount is not covered by other contributions, to be made as provided in this section and the funds in hand available for such benefits. This shall be known as the “normal contribution.”

b. Upon the basis of such tables recommended by the actuary as the board adopts, and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1971 which has accrued on the basis of service rendered prior to July 1, 1971 by all members, including the amount of the liability accrued by reason of allowance to be granted on account of services rendered by State employee veteran members as provided in section 60 of this act prior to the establishment of the retirement system, which has not already been covered by State contributions to the former “State Employees’ Retirement System,” and including the accrued liabilities established by section 12 of chapter 67 of the laws of 1966 (C. 43:15A-37.1). Using the total amount of this unfunded accrued liability, he shall compute the amount of the flat annual payment, which, if paid in each succeeding fiscal year commencing with July 1, 1972, for a period of 40 years, will provide for this liability. The annual payment so computed and certified shall remain fixed except that such liability shall be valued annually and any additional liability which has accrued by reason of allowances to be granted on account of services rendered by State employee veteran members as provided in section 60 shall be added to the amount previously certified so that the entire liability shall be paid within the 40-year period commencing July 1, 1972. This shall be known as the “accrued liability contribution.”

c. The retirement system shall certify annually the aggregate amount payable to the contingent reserve fund in the ensuing year, which amount shall be equal to the sum of the amounts described in this section. The State shall pay into the contingent reserve fund during the ensuing year the amount so determined. The death benefits, payable as a result of contribution by the State under
the provisions of this chapter upon the death of an active or retired member shall be paid from the contingent reserve fund.

d. The disbursements for benefits not covered by reserves in the system on account of veterans shall be met by direct contributions of the State and other employers.

10. Section 25 of P. L. 1954, c. 84 (C. 43:15A-25) is amended to read as follows:

25. The annuity savings fund shall be the fund in which shall be credited accumulated deductions and contributions by members or on their behalf to provide for their allowances. A single account shall be established in this fund for each person who is or shall become a member and all contributions deducted from each such member’s compensation shall be credited to his account regardless of the number of positions a member might hold or the number of employers as he might have.

Upon the basis of such tables recommended by the actuary as the board adopts, and regular interest, the actuary of the board shall determine for each member the proportion of compensation, exclusive of the rate for any additional death benefit provided under section 57 of this act which, when deducted from each payment of his prospective earnable compensation prior to service retirement and accumulated at regular interest until he retires, shall be computed to be sufficient to provide, at that time, an annuity equal to \( \frac{1}{2} \) of the retirement allowance then allowable for service as a member.

Any member who was contributing to the former “State Employees’ Retirement System” shall continue to pay the proportion of compensation applicable to the age at enrollment, which proportion shall not be increased during the continuation of membership other than as provided in section 58, and shall make any special payments either as lump sums or as installment payments required as a result of election by the member to obtain additional service credit. Members enrolling on and after January 2, 1955 shall contribute at the proportions applicable to group two members of the former “State Employees’ Retirement System” as of June 30, 1949, except that the board of trustees may from time to time adopt for employees becoming members thereafter, new proportions of compensation to be determined as provided in the preceding paragraph. No member shall be required during the continuation of his membership to increase the proportion of compensation certified
at the time of becoming a member as payable by him other than as provided in section 58.

The retirement system shall certify to each State department or subdivision thereof, and to each branch of the State service not included in a State department, and to every other employer, the proportion of each member's compensation to be deducted and to facilitate the making of deductions the retirement system may modify the deduction required by a member by such an amount as shall not exceed 1/10 of 1% of the compensation upon the basis of which the deduction is to be made.

If payment in full, representing the monthly or biweekly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 6% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such fifteenth day.

Every employee to whom this act applies shall be deemed to consent and agree to any deduction from his compensation required by this act and to all other provisions of this act. Notwithstanding any other law, rule or regulation affecting the salary, pay, compensation, other perquisites, or tenure of a person to whom this act applies, or shall apply, and notwithstanding that the minimum salary, pay, or compensation or other perquisites provided by law for him shall be reduced thereby, payment, less such deductions, shall be a full and complete discharge and acquittance of all claims and demands for service rendered by him during the period covered by such payment.

11. Section 27 of P. L. 1954, c. 84 (C. 43:15A-27) is amended to read as follows:

27. The retirement reserve fund shall be the fund from which all retirement allowances shall be paid. Upon the retirement of a member his accumulated deductions together with regular interest shall be transferred to the retirement reserve fund from the annuity savings fund. The reserve needed to produce the balance of the retirement allowance shall be transferred from the contingent reserve fund. If the retirement allowance of a member who has been retired is subsequently canceled, the appropriate reserve shall be transferred to the annuity savings fund and the contingent reserve fund.
Any surplus or deficit developing in the retirement reserve fund shall be adjusted from time to time by transfer to or from the contingent reserve fund by appropriate action of the retirement system upon the advice of the actuary.

12. Section 30 of P. L. 1954, c. 84 (C. 43:15A-30) is amended to read as follows:

30. In accordance with the rate of contribution and the extra salary deductions certified by the retirement system, each department and each branch of State service not within a department shall certify to the State Treasurer the contribution and extra deductions to be made for the retirement system. The State Treasurer shall pay each of the amounts so deducted to the retirement system, and he shall transfer to the retirement system monthly or at such interval as the system designates a detailed statement of all amounts so paid. The retirement system shall cause each of the amounts so deducted to be credited to the individual account of the member from whose compensation the deduction was made.

13. Section 31 of P. L. 1954, c. 84 (C. 43:15A-31) is amended to read as follows:

C. 43:15A-31 Records kept by State departments.

31. Each State department and branch of the State service not included in a department shall keep such records and, from time to time, furnish such information as the retirement system may require.

14. Section 34 of P. L. 1954, c. 84 (C. 43:15A-34) is amended to read as follows:

C. 43:15A-34 Loans.

34. Any member who has at least 3 years of service to his credit for which he has contributed as a member may borrow from the retirement system, an amount equal to not more than 50% of the amount of his accumulated deductions, but not less than $50.00; provided, that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from compensation, not in excess of 25% of the member's compensation, made at the same time compensation is paid to the member, but not after the attainment of age 60. The amount so borrowed, together with interest at the rate of 4% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deduction from the compensation of the member at the time the
compensation is paid or in such lump sum amount to repay the balance of the loan but such installments shall be at least equal to the member's rate of contribution to the retirement system and at least sufficient to repay the amount borrowed with interest thereon by the time the member attains age 60. Not more than two loans may be granted to any member in any calendar year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this act applies or shall apply, the additional deductions required to repay the loan shall be made. Any unpaid balance of a loan at the time any benefit may become payable, shall be deducted from the benefit otherwise payable.

Loans shall be made to a member from his accumulated deduction. The interest earned on such loans shall be treated in the same manner as interest earned from investments of the retirement system.

15. Section 37 of P. L. 1954, c. 84 (C. 43:15A-37) is amended to read as follows:

C. 43:15A-37 Obligations of State; basis of State's appropriation.

37. Regular interest charges payable, the creation and maintenance of reserves in the contingent reserve fund, the maintenance of retirement reserves as provided for in this act and the payment of all retirement allowances and other benefits granted by the board of trustees under the provisions of this act, except the amounts payable by other employers, are hereby made obligations of the State. All income, interest and dividends derived from deposits and investments authorized by this act shall be used for the payment of these obligations of the State and other employers.

Upon the basis of each actuarial determination and appraisal provided for in this act, the board of trustees shall submit to the Governor in each year an itemized statement of the amounts necessary to be appropriated by the State to provide for payment in full during the ensuing fiscal year of the obligations of the State accruing during that year. The Legislature shall make an appropriation sufficient to provide for such obligations of the State. The amounts so appropriated shall be paid into the contingent reserve fund.

16. Section 39 of P. L. 1954, c. 84 (C. 43:15A-39) is amended to read as follows:

C. 43:15A-39 Service creditable toward allowances; rules and regulations; preserving annuity credit for period of leave of absence.

39. In computing for retirement purposes the total service as a member about to be retired, the retirement system shall credit him
with the time of all service rendered by him since he last became a member, and in addition with all the service to which he is entitled and with no other service. Except as otherwise provided in this act, such service credit shall be final and conclusive for retirement purposes unless the member shall discontinue his service for more than 2 consecutive years.

For the purpose of computing service for retirement purposes, the board shall fix and determine by appropriate rules and regulations how much service in any year shall equal a year of service and a part of a year of service. Not more than 1 year shall be credited for all service in a calendar year. In computing service, time during which a member was absent on an official leave without pay shall be credited, if such absence was for a period of (1) less than 3 months or (2) up to a maximum of 2 years if the leave was due to the member's personal illness or maternity and the period of leave is allowed for retirement purposes within 1 year following his return to service after the termination of such leave, or (3) the period of leave was specifically allowed for retirement purposes by the provisions of any law of this State. The method of computation, the terms of the purchase and credit granted shall be identical to those stipulated for the purchase of previous membership service by members of the system as provided by section 8 (C. 43:15A-8). In computing the service or in computing final compensation no time during which a member was in employment, office, or position, for which the annual salary or remuneration was fixed at less than $500.00 shall be credited, except that in the case of a veteran member credit shall be given for service rendered prior to January 2, 1955, in an employment, office or position if the annual salary or remuneration therefor was fixed at not less than $300.00 and such service consisted of the performance of the full duties of such employment, office or position.

17. Section 41 of P. L. 1954, c. 84 (C. 43:15A-41) is amended to read as follows:

C. 43:15A-41 Withdrawal early retirement; death benefit.

41. a. A member who withdraws from service or ceases to be an employee for any cause other than death or retirement shall, upon the filing of an application therefor, receive all of his accumulated deductions standing to the credit of his individual account in the annuity savings fund, plus regular interest, less any outstanding loan, except that for any period after June 30, 1944, the interest payable shall be such proportion of the interest determined at the regular rate of 2% per annum bears to the regular rate of interest,
and except that no interest shall be payable in the case of a member who has less than 3 years of membership credit for which he has made contributions. He shall cease to be a member 2 years from the date he discontinued service as an eligible employee, or, if prior thereto, upon payment to him of his accumulated deductions. If any such person or member shall die before withdrawing or before endorsing the check constituting the return of his accumulated deductions, such deductions shall be paid to the member’s beneficiary. No member shall be entitled to withdraw the amounts contributed by his employer covering his military leave unless he shall have returned to the payroll and contributed to the retirement system for a period of 90 days.

b. Should a member resign after having established 25 years of credited service before reaching age 60, he may elect “early retirement,” provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in subsection a. of this section, an annuity which is the actuarial equivalent of his accumulated deductions together with regular interest, and a pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of 1/70 of his final compensation for each year of service credited as Class A service and 1/60 of his final compensation for each year of service credited as Class B service, calculated in accordance with section 48 (C. 43:15A-48) of this act, reduced by 1/4 of 1% for each month that the member lacks of being age 60; provided, however, that upon the receipt of proper proofs of the death of such a member there shall be paid to his beneficiary an amount equal to 3/16 of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of credited service.

The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

c. Upon the receipt of proper proofs of the death of a member in service on account of which no accidental death benefit is payable under section 49 there shall be paid to such member’s beneficiary:

(1) The member’s accumulated deductions at the time of death together with regular interest; and

(2) An amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based
in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 70, the amount payable shall equal 3/16 of such compensation instead of 1 1/2 times such compensation.

18. Section 44 of P. L. 1954, c. 84 (C. 43:15A-44) is amended to read as follows:

C. 43:15A-44 Annual examination of disability beneficiary; alteration of pension; refusal to be examined; restoration to service.

44. a. Once each year the retirement system may, and upon his application shall, require any disability beneficiary who is under the age of 60 years to undergo medical examination by a physician or physicians designated by the system for a period of 5 years following his retirement in order to determine whether or not the disability which existed at the time he was retired has vanished or has materially diminished. If the disability beneficiary is engaged in an occupation, then the amount of his pension shall be reduced to an amount which, when added to the amount then earned by him, shall not exceed the amount of the salary now attributable to his former position. If his earnings have changed since the date of his last adjustment, then the amount of his pension may be further altered; but the new pension shall not exceed the amount of pension originally granted.

If a disability beneficiary, while under age of 60 years, refuses to submit to at least one medical examination in any year by a physician or physicians designated by the system, his pension shall be discontinued until withdrawal of his refusal. If the report of the medical board shall show that such beneficiary is able to perform either his former duty or other comparable duty which his former employer is willing to assign to him, the beneficiary shall report for duty; such a beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service. If the beneficiary fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

If a disability beneficiary becomes employed again in a position which makes him eligible to be a member of the retirement system, his retirement allowance and the right to any death benefit as a result of his former membership, shall be canceled until he again retires.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of his prior
enrollment. Such persons shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such reenrollment.

Upon subsequent retirement of such member, he shall receive a retirement allowance based on all his service as a member computed in accordance with applicable provisions of this act, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement.

19. Section 45 of P. L. 1954, c. 84 (C. 43:15A-45) is amended to read as follows:

C. 43:15A-45 Allowance on ordinary disability retirement.

45. A member upon retirement for ordinary disability shall receive a retirement allowance, which shall consist of:

a. An annuity which shall be the actuarial equivalent of his accumulated deductions together with regular interest and

b. A pension in the amount which, when added to the member’s annuity, will provide a total retirement allowance of 1½% of final compensation multiplied by his number of years of creditable service; provided further, that in no event shall the allowance be less than 40% of final compensation, except that in no case shall the rate of allowance exceed 9/10 of the rate of the regular service retirement allowance which the member would have received had he remained in service from the date of retirement to age 60.

c. Upon the receipt of proper proofs of the death of a member who has retired on an ordinary disability retirement allowance, there shall be paid to such member’s beneficiary, an amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 60, the amount payable shall equal 3/16 of such compensation.

20. Section 46 of P. L. 1954, c. 84 (C. 43:15A-46) is amended to read as follows:
C. 43:15A-46 Allowance on accidental disability retirement.

46. A member under 65 years of age upon retirement for accidental disability shall receive a retirement allowance which shall consist of:

a. An annuity which shall be the actuarial equivalent of his accumulated deductions together with regular interest; and

b. A pension, in the amount which, when added to the member’s annuity, will provide a total retirement allowance of \( \frac{7}{8} \) of his actual annual compensation for which contributions were being made at the time of the occurrence of the accident.

c. Upon receipt of proper proofs of the death of a member who has retired on an accidental disability retirement allowance, there shall be paid to such member’s beneficiary, an amount equal to 1½ times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained age 60, the amount payable shall equal \( \frac{7}{16} \) of such compensation.

21. Section 47 of P. L. 1954, c. 84 (C. 43:15A-47) is amended to read as follows:

47. a. A member who has attained 60 years of age may retire on a service retirement allowance by filing with the retirement system a written application, duly attested, stating at which time subsequent to the execution and filing thereof he desires to be retired. The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable.

b. Any member in service who attains 70 years of age shall be retired by the board of trustees on a service retirement allowance forthwith on the first day of the next calendar month, or at such time within 1 month thereafter as it finds advisable, except that an employee attaining 70 years of age may be continued in service on an annual basis upon written notice to the retirement system by the head of the State department or employer where the employee is employed.

22. Section 48 of P. L. 1954, c. 84 (C. 43:15A-48) is amended to read as follows:

C. 43:15A-48 Allowance on service retirement.

48. A member, upon retirement for service, shall receive a retirement allowance consisting of:
a. An annuity which shall be the actuarial equivalent of his accumulated deductions together with regular interest; and

b. A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of \( \frac{1}{2} \) of his final compensation for each year of service credited as Class A service and \( \frac{2}{3} \) of his final compensation for each year of service credited as Class B service.

c. Upon the receipt of proper proofs of the death of a member who has retired on a service retirement allowance, there shall be paid to the member's beneficiary, an amount equal to \( \frac{1}{16} \) of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

23. Section 49 of P. L. 1954, c. 84 (C. 43:15A-49) is amended to read as follows:

C. 43:15A-49 Accidental death benefit.

49. a. Upon the death of a member in active service as a result of an accident met in the actual performance of duty at some definite time and place and not as the result of his willful negligence, an accidental death benefit shall be payable, if a report of the accident is filed in the office of the retirement system within 60 days next following the accident, but the board of trustees may waive such time limit, for a reasonable period, if in the judgment of the board the circumstances warrant such action.

No such application shall be valid or acted upon unless it is filed in the office of the retirement system within 5 years of the date of such death.

b. Upon the receipt of proper proofs of the death of a member on account of which an accidental death benefit is payable, there shall be paid to his widow or widower a pension of 50% of the compensation, upon which contributions by the member to the annuity savings fund were based in the last year of creditable service, for the use of herself or himself and the children of the deceased member, to continue during her or his widowhood; if there is no surviving widow or widower or in case the widow or widower dies or remarries, 20% of such compensation will be payable to one surviving child, 35% of such compensation to two surviving children in equal shares and if there be three or more children, 50% of such compensation will be payable to such children in equal shares. The new nomination will be effective on the date the notice, in proper form, is received by the system, and any prior nomination shall thereupon become void.

If more than one beneficiary is nominated and in such nomination the member or retiree has failed to specify their respective interests, the beneficiaries shall share equally. If any beneficiary
predeceases the member or retirant, the interest of such beneficiary shall terminate and shall be shared equally by such of the beneficiaries as survive the member or retirant, unless the member or retirant has made written request to the contrary in his beneficiary nomination.

Any amounts due for which there is no beneficiary at the death of a member, retirant or beneficiary shall be payable to the estate of such member, retirant or beneficiary.

Except with regard to the payment of the member's accumulated deductions with regular interest and the payment, upon the death of (1) a retirant after attaining the age of 60 or receiving an allowance pursuant to section 41 (b) of chapter 84 of the laws of 1954, or (2) a member after attaining the age of 70 years, of the death benefits provided in sections 38, 41, 45, 46, 48, 49 (e) and 57 of chapter 84 of the laws of 1954, a member may elect, by making written request to the retirement system, that the whole or any part of his death benefits be made payable to his beneficiary either as a life annuity or in equal installments over a period of years specified in such election, and may alter such election from time to time during his lifetime by again making such written request. In the event of a change of beneficiary, any previous arrangement by the member or retirant under this paragraph shall be void. The election set forth in this paragraph shall not apply or be available when the beneficiary is an estate, or a corporation, partnership, association, institution, trustee, or any fiduciary.

If, at the member's or retirant's death, an amount of death benefit would be payable to the beneficiary in a single sum, any election with regard to such amount which was available to the member or retirant immediately prior to his death in accordance with the provisions of the immediately preceding paragraph shall then be available to such beneficiary for the benefit of such beneficiary.

45. Section 27 of P. L. 1966, c. 217 (C. 43:15A-57.2) is amended to read as follows:

C. 43:15A-57.2 Reenrollment of former member employed after receiving retirement allowance.

27. If a former member of the State Employees' Retirement System or the retirement system, who has been granted a retirement allowance for any cause other than disability, becomes employed again in a position which makes him eligible to be a member of the retirement system, his retirement allowance and the right
to any death benefit as a result of his former membership, shall be canceled until he again retires.

Such person shall be reenrolled in the retirement system and shall contribute thereto at a rate based on his age at the time of reenrollment. Such person shall be treated as an active member for determining disability or death benefits while in service and no benefits pursuant to an optional selection with respect to his former membership shall be paid if his death shall occur during the period of such reenrollment.

Upon subsequent retirement of such member, his former retirement allowance shall be reinstated together with any optional selection, based on his former membership. In addition, he shall receive an additional retirement allowance based on his subsequent service as a member computed in accordance with applicable provisions of chapter 84 of the laws of 1954; provided, however, that his total retirement allowance upon such subsequent retirement shall not be a greater proportion of his final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. Any death benefit to which such member shall be eligible shall be based on his latest retirement, but shall not be less than the death benefit that was applicable to his former retirement.

46. Section 28 of P. L. 1966, c. 217 (C. 43:15A-25.1) is amended to read as follows:

28. a. If any member of the retirement system receives periodic benefits payable under the Workmen’s Compensation Law during the course of his active service, in lieu of his normal compensation, his regular salary deductions shall be paid to the retirement system by his employer. Such payments shall be computed, in accordance with section 25 of chapter 84 of the laws of 1954, at the rate of contribution of the base salary subject to the retirement system, just prior to the receipt of the workmen’s compensation benefits. The moneys paid by the employer shall be credited to the member’s account in the annuity savings fund and shall be treated as employee contributions for all purposes. The employer will terminate the payment of these moneys when the periodic benefits payable under the Workmen’s Compensation Law are terminated or when the member retires.

The member for whom the employer is making such payments, will be considered as if he were in the active service and shall be
permitted to continue to make contributions to purchase the additional death benefit coverage provided by section 57 of chapter 84 of the laws of 1954.

b. An application for retirement benefits may be approved by the board of trustees while the member, applying for such benefits, is in receipt of periodic benefits under the Workmen’s Compensation Law. In this event the actuarial equivalent of such periodic benefits remaining to be paid shall be computed and will serve to reduce the pension portion of the retirement allowance payable to the retirant, subject to the provisions of section 64 of chapter 84 of the laws of 1954.

C. 43:15A-41.1 Evidence of insurability for death benefits coverage.

47. a. Any person entitled to become a member of the Public Employees’ Retirement System shall not be allowed any of the death benefits established by sections 38, 41, 45, 46, 48 and 49 e, of chapter 84 of the laws of 1954, and by this act, if on the date he files an application for membership he is 60 or more years of age or if he makes application for membership beyond the year after he first became eligible for membership, regardless of age, unless the member furnishes satisfactory evidence of insurability and on the effective date of his membership is actively at work and performing all his regular duties at his customary place of employment.

The effective date of coverage for such death benefits shall be the first day of the month which immediately follows the date when such evidence is determined to be satisfactory.

b. Such evidence of insurability will not be required of any person becoming a member of the Public Employees’ Retirement System upon transfer from another State administered retirement system, if such system provided death benefits of a similar nature and the transferring member was covered by such benefits at the time of transfer. If such transferring member was not covered by such benefits at the time of the transfer, he may be allowed the death benefits of the Public Employees’ Retirement System subject to the provisions of subsection a. of this section; provided, however, that any such member must furnish satisfactory evidence of insurability under the provisions of subsection a. of this section if he had been unable or failed to give such evidence as a member of the system from which he transferred.

c. Any person who must furnish satisfactory evidence of insurability under the provisions of this section and who ceases to be
a member of the retirement system without such evidence having been given, shall continue to be subject to the same requirement if he subsequently becomes a member.

C. 43:15A-7.1 Purchase of membership credit for period of compulsory coverage.

48. a. In the case of any person who was required to become a member of the retirement system as a condition of employment, and whose application for enrollment in the retirement system or whose application for transfer from one employer to another within the system was filed beyond the effective date for his compulsory enrollment in the system or his transfer within the system, such person shall be required to purchase membership credit for his compulsory coverage by paying into the annuity savings fund the amount required by applying, in accordance with section 25 of chapter 84 of the laws of 1954, his rate of contribution on his current base salary subject to the retirement system for each year of previous service during which he was required to have been a member.

b. If more than 1 year has elapsed from the time that contributions would have been required from such person, \( \frac{3}{2} \) of the employee's cost, established by the computation provided by subsection a. of this section, will be required of his employer and shall be included in the next budget subsequent to the certification of this special liability by the retirement system. The amount certified by the system shall be payable by the employer to the contingent reserve fund and shall be due and owing to the system even if the employee is no longer in the employ of the employer by the date such moneys are to be paid to the system.

c. The employee's obligation may be satisfied by regular installments, equal to at least \( \frac{1}{2} \) of the normal contribution to the retirement system, over a maximum period of 10 years but not more than 2 years in the case of any employee who has attained or will attain age 60 within the 2-year period.

d. In the case of any person coming under the provisions of this section, full pension credit for the period of employment for which arrears are being paid by the employee shall be given upon the payment of at least \( \frac{3}{2} \) of the total employee's arrearage obligation and the completion of 1 year of membership and the making of such arrears payments, except that in the case of retirement pursuant to sections 38, 41 (b), 48 and 61 of chapter 84 of the laws of 1954, the total membership credit for such service shall be in direct proportion as the amount paid bears to the total amount of the arrearage obligation of the employee.
C. 43:15A-68.1 Payment of employer's accrued liability contribution.

49. The accrued liability contribution of any public employer adopting the retirement system after July 1, 1971 for the purpose of providing prior service credit for the service rendered prior to July 1, 1966, shall be payable by the employer to the contingent reserve fund over a period of not less than 25 years following the initial valuation of such liability by the actuary of the retirement system.

C. 43:15A-134 Appointment of retirement system member to Judiciary; options.

50. a. As stipulated in subsections b., c. and d. of this section, eligibility of a member of the Judiciary for the retirement benefits of the retirement system shall not be terminated on account of his being appointed to the Supreme, Superior or County Courts of New Jersey until such judge shall become eligible for the benefits of the pension plan established for such members of the Judiciary, but in no event shall any judge, his dependent or his beneficiary be eligible to receive both the benefits of the retirement system established by chapter 84 of the laws of 1954 and those provided by the pension plan established for such members of the Judiciary.

b. Any such judge, shall, upon his request, receive a refund of his accumulated deductions as of the date of his appointment to the Supreme, Superior or County Courts. Such refund of contributions shall serve as a waiver of all benefits payable to the judge, his dependent or his beneficiary by the retirement system.

c. If any such judge shall be eligible for retirement benefits as of the date of his appointment to the Supreme, Superior or County Courts, he may elect to receive the annuity portion of his retirement allowance while serving as such judge, provided, however, that if any such judge shall subsequently elect to receive the benefits of the pension plan established for members of the Supreme, Superior or County Courts, all rights to retirement and death benefits of the retirement system shall thereby be waived, except as hereinafter provided by subsection d. of this section.

d. If any such judge elects to receive the benefits of the pension plan established for members of the Supreme, Superior or County Courts after having received retirement benefits from the retirement system, such judge shall be entitled to receive the value of his accumulated deductions reduced by the total amount of the benefits received from the system.

If any such judge dies in service after his appointment to the Supreme, Superior or County Courts and after having received
retirement benefits from the retirement system, his beneficiary may
elect to receive the survivor benefits available upon the death of
such retired member or the death benefits provided by the pension
plan established for members of the Supreme, Superior or County
Courts. In the event of the election of the latter, such election shall
constitute a waiver of all rights to survivor benefits payable by the
Public Employees' Retirement System and his beneficiary shall be
entitled to receive the value of the judge's accumulated deductions
reduced by the amount of the benefits received by the judge from
the system.

Repealer.
51. P. L. 1954, c. 84 s. 40 (C. 43:15A-40) and P. L. 1968, c. 146
(C. 43:15A-9.1) are hereby repealed.
52. This act shall take effect immediately.

CHAPTER 216

AN ACT to amend "An act establishing and concerning a Department of Transportation as a principal department in the Executive Branch of the State Government, establishing therein a Commuter Operating Agency, providing an appropriation therefor, repealing chapter 88 of the laws of 1964, and supplementing Title 27 of the Revised Statutes," approved December 12, 1966 (P. L. 1966, c. 301), and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 19 of P. L. 1966, c. 301 (C. 27:1A-19) is amended to read as follows:
C. 27:1A-19  Contracts with motor bus carriers to operate passenger service; payment; leasing of buses or property to carriers.

19. The agency may enter into contracts with any motor bus carrier to operate passenger service which the agency shall determine (a) to be necessary to provide or encourage adequate commuter or intercity bus service and (b) would not otherwise be provided or made available without State assistance. Payment by the agency for such passenger service shall be based on the actual cost of such service to the motor bus carrier plus a 6% return on investment.

The agency may also enter into contracts with any motor bus carrier pursuant to which the agency may acquire, purchase or rehabilitate motor buses for lease to such carrier to be operated in specified passenger service and pursuant to which the agency may acquire, purchase or rehabilitate any other real or personal property for lease to such carrier to be utilized in specified passenger service. For the purposes of this section, the term motor bus carrier shall include any individual, co-partnership, association, corporation, joint stock company, receiver, or trustee which controls any motor bus carrier.

2. Section 24 of P. L. 1966, c. 301 (C. 27:1A-24) is amended to read as follows:

C. 27:1A-24  Continuation of service and fares; petition for changes; notice; hearing.

24. Every carrier entering into a contract shall be obligated to continue during the term of the contract all existing passenger service and fares applicable thereto, determined by the agency to be essential, except that the contract shall afford the carrier the right to petition the agency or the agency to move on its own motion for changes in passenger service and applicable fares during the term of the contract. If such a petition includes an application to decrease the number of trains or buses, a substantial change in schedules or an increase in fares, the agency, prior to making any determination with respect thereto, shall hold a public hearing on notice. In acting on any such petition the agency shall give due consideration to the following factors:

(a) The availability of alternative means of public transportation.

(b) The potential cost of continuing the service sought to be curtailed or discontinued.

(c) The cost to the state of providing alternative transportation facilities either by common carriers or highway improvement.
(d) The resulting effect on state and local population trends, economic values and tax revenues.

The authority hereby given the agency with respect to the discontinuance, curtailment, abandonment or change in fares or service shall be exercised during the contract period without regard or reference to the jurisdiction vested in the Board of Public Utility Commissioners by sections 48:2-21, 48:2-24 and 48:4-3 of the Revised Statutes. At the conclusion of the contract period the Board of Public Utility Commissioners shall resume such jurisdiction but no carrier shall be required to restore any service discontinued or fare changed unless the Board of Public Utility Commissioners shall determine, after notice and hearing, that the service or fare is required by public convenience and necessity.

Notwithstanding any other provisions of this act, all vehicles used by any motor bus carrier pursuant to contracts authorized by this section shall be subject to the jurisdiction of the Board of Public Utility Commissioners with respect to insurance, maintenance, specifications and safety to the same extent such jurisdiction is conferred upon the board by Title 48, Public Utilities, as amended and supplemented.

3. There is hereby appropriated the sum of $2,500,000.00 for the purposes of section 19 of chapter 301 of the laws of 1966 (C. 27:1A-19) as amended.

4. This act shall take effect immediately.

Approved June 17, 1971.

CHAPTER 217

AN ACT to revise and correct certain statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1962, c. 152 (C. 33:1-12.31) is amended to read as follows:

C. 33:1-12.31 Acquisition of beneficial interest in more than two retail licenses prohibited.

1. On and after the effective date of this act no person, as the same is defined in R. S. 33:1-1, shall, except as hereinafter pro-
vided, acquire a beneficial interest in more than a total of two alcoholic beverage retail licenses, but nothing herein shall require any such person who has, on August 3, 1962, such an interest in more than two such licenses to surrender, dispose of, or release his interest in any such license or licenses.

2. Section 3 of P. L. 1952, c. 173 (C. 39:6-25) is amended to read as follows:

C. 39:6-25 Security to satisfy judgment; suspension of license; when not applicable; requirements as to insurance company or surety company.

3. (a) If 20 days after the receipt of a report of a motor vehicle accident within this State which has resulted in bodily injury or death, or damage to the property of any one person in excess of $200.00, the director does not have on file evidence satisfactory to him that the person who would otherwise be required to file security under subsection (b) of this section has been released from liability, or has been finally adjudicated not to be liable, or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installment with respect to all claims for injuries or damages resulting from the accident, the director shall determine the amount of security which shall be sufficient in his judgment to satisfy any judgment or judgments for damages resulting from such accident as may be recovered against each operator or owner.

(b) The director shall, within 90 days after the receipt of such report of a motor vehicle accident, suspend the license of each operator and all registrations of each owner of a motor vehicle in any manner involved in such accident, and if such operator is a nonresident the privilege of operating a motor vehicle within this State, and if such owner is a nonresident the privilege of the use within this State of any motor vehicle owned by him, unless such operator or owner or both shall deposit security in the sum so determined by the director; provided, notice of such suspension shall be sent by the director to such operator and owner not less than 10 days prior to the effective date of such suspension and shall state the amount required as security. Where erroneous information is given the director with respect to the matters set forth in subdivisions 1, 2 or 3 of subsection (c) of this section, he shall take appropriate action as hereinbefore provided, within 90 days after receipt by him of correct information with respect to said matters.

(c) This section shall not apply under the conditions stated in section 4 of this act nor:
(1) to such operator or owner, if such owner had in effect, at the time of such accident, an automobile liability policy with respect to the motor vehicle involved in such accident;

(2) to such operator, if not the owner of such motor vehicle, if there was in effect at the time of such accident an automobile liability policy or bond with respect to his operation of motor vehicles not owned by him;

(3) to such operator or owner if the liability of such operator or owner for damages resulting from such accident is, in the judgment of the director, covered by any other form of liability insurance policy or bond; nor

(4) to any person qualifying as a self-insurer under section 30 of this act, or to any person operating a motor vehicle for such self-insurer.

No such policy or bond shall be effective under this section unless issued by an insurance company or surety company authorized to do business in this State, except that if such motor vehicle was not registered in this State, or was a motor vehicle which was registered elsewhere than in this State at the effective date of the policy or bond, or the most recent renewal thereof, such policy or bond shall not be effective under this section unless the insurance company or surety company if not authorized to do business in this State shall execute a power of attorney authorizing the director to accept service on its behalf of notice or process in any action upon such policy or bond arising out of such accident; provided, however, every such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than $10,000.00 because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than $20,000.00 because of bodily injury to or death of two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, to a limit of not less than $5,000.00 because of injury to or destruction of property of others in any one accident.

3. R. S. 19:37-2 is amended to read as follows:

Question placed on ballot by county clerk.

19:37-2. If a copy of the ordinance or resolution certified by the clerk or secretary of the governing body of any such municipality or county is delivered to the county clerk not less than 60
days before any such general election, he shall cause it to be printed on each sample ballot and official ballot to be printed for or used in such municipality or county, as the case may be, at the next ensuing general election.

4. Section 10 of P. L. 1968, c. 410 (C. 52:14B-10) is amended to read as follows:

C. 52:14B-10 Evidence; judicial notice; recommended report and decision; final decision; effective date.

(a) The parties shall not be bound by rules of evidence whether statutory, common law, or adopted by the Rules of Court. All relevant evidence is admissible, except as otherwise provided herein. The presiding officer may in his discretion exclude any evidence if he finds that its probative value is substantially outweighed by the risk that its admission will either (i) necessitate undue consumption of time or (ii) create substantial danger of undue prejudice or confusion. The presiding officer shall give effect to the rules of privilege recognized by law. Every party shall have the right to present his case or defense by oral and documentary evidence, to submit rebuttal evidence and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(b) Notice may be taken of judicially noticeable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency’s specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The agency’s experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(c) When a person not empowered to render an administrative adjudication is designated by the head of the agency as the presiding officer, his recommended report and decision containing recommended findings of fact and conclusions of law shall be filed with the agency and delivered or mailed to the parties of record; and an opportunity shall be afforded each party of record to file exceptions, objections and replies thereto, and to present argument to the head of the agency or a majority thereof, either orally or in writing, as the agency may order. The head of the agency shall adopt, reject or modify the recommended report and decision. The
recommended report and decision shall be a part of the record in the case.

(d) A final decision or order adverse to a party in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each proposed finding. Parties shall be notified either personally or by mail of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith by registered or certified mail to each party and to his attorney of record.

(e) Except where otherwise provided by law, the administrative adjudication of the agency shall be effective on the date of delivery or on the date of mailing, of the final decision to the parties of record, whichever shall occur first, or shall be effective on any date after the date of delivery or mailing, as the agency may provide by general rule or by order in the case. The date of delivery or mailing shall be stamped on the face of the decision.

If the report of the medical board shall show that such beneficiary is able to perform either his former duty or any other available duty in the department which his employer is willing to assign to him, the beneficiary shall report for duty; such a beneficiary shall not suffer any loss of benefits while he awaits his restoration to active service. If the beneficiary fails to submit to any such medical examination or fails to return to duty within 10 days after being ordered so to do, or within such further time as may be allowed by the board of trustees for valid reason, as the case may be, the pension shall be discontinued during such default.

Upon subsequent retirement of such member, he shall receive a retirement allowance based on all his service as a member computed in accordance with applicable provisions of this act, but the total retirement allowance upon subsequent retirement shall not be a greater proportion of his average final compensation than the proportion to which he would have been entitled had he remained in service during the period of his prior retirement. CHAPTER 219

An Act to increase the penalties for unauthorized structures within the natural and ordinary high-water mark of any stream, and amending R. S. 58:1-26.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 58:1-26 is amended to read as follows:

Construction and maintenance of structures within streams regulated; penalties.

58:1-26. No structure within the natural and ordinary high-water mark of any stream shall be made by any public authority or private person or corporation without notice to the commission, and
in no case without complying with such conditions as the commission may prescribe for preserving the channel and providing for the flow of water therein to safeguard the public against danger from the waters impounded or affected by such structure, and this prohibition shall apply to any renewal of existing structures. No such approval by the commission shall impair or affect any property rights, otherwise existing, which might be invaded by the construction or maintenance of any such structure.

The commission may, whenever in its judgment public safety so requires, and after a hearing either on its own motion or upon complaint, make and serve an order directing any person, corporation, officer or board constructing, maintaining or using any such structure in any of the waters of this State to remove or repair it within such reasonable time and in such manner as shall be specified in the order, and every such person, corporation, officer or board shall obey, observe and comply with the order and with the conditions prescribed by the commission for preserving the channels of streams and for safeguarding the public against danger from waters impounded by structures hereinbefore referred to.

Every person, corporation, officer or board failing, omitting or neglecting so to do, or who constructs or reconstructs any such structure in any of the waters aforesaid without submitting to the commission plans therefor and obtaining its approval thereof, or who fails to remove, construct or reconstruct the same in accordance with the plans so approved shall forfeit to this State not less than $250.00 nor more than $1,000.00 for each and every offense. Every violation of any such order, direction or requirement shall be a separate and distinct offense, and, in case of a continuing violation, every day's continuance thereof shall be and be deemed to be a separate and distinct offense. If such a continuing violation shall have continued for more than 7 consecutive days, an additional penalty not exceeding $1,000.00 per day may be imposed for the eighth and each succeeding day; and if it shall have continued for more than 14 consecutive days, a further additional penalty not exceeding $1,000.00 per day may be imposed for the fifteenth and each succeeding day.

2. This act shall take effect immediately.

Approved June 17, 1971.
CHAPTER 220

An Act to authorize the borough of New Shrewsbury in the county of Monmouth to make permanent the appointment of William Brown to the police department of the borough of New Shrewsbury.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

Private act.
1. Pursuant to the provisions of chapter 199 of the laws of 1948, under which a petition for a special law has been filed with the Legislature, the borough of New Shrewsbury in the county of Monmouth is authorized to make permanent the appointment of William Brown to the police department of New Shrewsbury notwithstanding his age is greater than the maximum age limit for appointment thereto set forth in R.S. 40:47-4.
2. The board of trustees of the Police and Firemen's Retirement System of New Jersey shall accept as a member of the retirement system any policeman, otherwise eligible for membership, appointed pursuant to this act provided there is paid into the retirement system, in such manner as the board shall prescribe, the contribution deemed due and payable from the date of original appointment.
3. This act shall take effect upon due adoption of an ordinance of the borough of New Shrewsbury for the purpose of adopting same.

Approved June 17, 1971.

CHAPTER 221

An Act concerning municipalities, temporarily forbidding the award of any franchise or privilege by a municipality to any person for the purpose of operating or maintaining a community antenna television system, and supplementing Title 40 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:
C. 40:48-5.5 Definition.
1. As used in this act, "community antenna television system" means any wire or cable facility which is operated to perform the service of receiving and amplifying the signals broadcast by one or more television stations and redistributing such signals to members of the public who subscribe to such service, or distributing through its facilities any television signals whether broadcast or not.

C. 40:48-5.6 Declaration of policy.
2. The Legislature finds, determines and declares:
   a. The present profitability and the large though undefined potentialities of community antenna television have attracted a number of firms and combinations of capital into that industry.
   b. In the absence of comprehensive State or Federal regulation, there has been intense competition for franchises from municipal governments to operate community antenna television systems in the several communities of this State, and substantial numbers of such franchises have been granted.
   c. The intense competition for franchises has led to allegations of speculation in such franchises to the detriment of the public welfare, and to accusations of municipal corruption, some of which are at present under investigation by appropriate authorities.
   d. The need for appropriate regulation to secure and foster the orderly development of the community antenna television industry is generally conceded, but the exact form which such regulation should take, the degree of regulation necessary and desirable, and the level or levels of government which should undertake the regulatory function are matters of doubt and dispute among various segments of well informed opinion.
   e. The exceeding complexity of the legal, social, technological and scientific issues, questions and implications involved require that the Legislature not act hastily in resolving the many doubtful points in this matter or in adopting any system of regulation, but should proceed with thorough information, expert advice and mature deliberation.
   f. Unless there is an immediate and temporary cessation of the present impetuous pace of development of the community antenna television industry in this State, the necessary deliberations of the Legislature will be forestalled and set at naught by the rapid march of practical events, and the State will be entangled with an unregulated growth before an adequate system of regulation can be devised.
g. The Legislature has determined that the public interest requires that there be a temporary cessation, compelled by law, in the award of any further franchises or privileges by municipalities for the purpose of permitting the establishment or operation of further community antenna television systems in this State, until such time as an adequate regulatory system can be devised and established.

C. 40:48-5.7 Grant of franchise prohibited; limitation.

3. Notwithstanding any other provisions of law, for a period of 1 year from the effective date of this act no municipality may give, grant or award to any person, upon any terms or conditions whatever, any franchise or privilege for the use of any street, alley or public place for the purpose of constructing, erecting, operating or maintaining any wires, poles, cables, conduits, conductors, fixtures or other facilities for the purpose of operating or maintaining a community antenna television system.

C. 40:48-5.8 Franchises previously granted not affected.

4. The provisions of this act shall not affect the continuation or renewal of franchises or authorizations previously granted to persons by any municipality.

5. This act shall take effect immediately.
Approved June 17, 1971.

CHAPTER 222

An Act for the imposition of a tax for a limited period for transportation purposes, measured by certain income and gains derived by residents of this State from sources within another state with respect to which there is a severe transportation problem interstate and by residents of such other state from sources within this State; limiting the application of revenues derived hereunder to objects for which compensation may reasonably be exacted, providing for suspension of such tax and for certain refunds in case of any application of such revenues to other purposes, providing for the administration of the provisions of this act, and supplementing Title 54 of the Revised Statutes.

WHEREAS, Metropolitan areas in the United States, and particularly in this State and the states bordering it, have grown and become
established without regard to the boundary lines of separate states; and

WHEREAS, Such growth and establishment have brought about the creation of actual regions within which patterns of activity have developed which have given rise to and increased the degree of the practice of maintaining a place of residence in one state and a place of employment in another, also without regard to the boundary lines of separate states; and

WHEREAS, These conditions have given rise to extremely complex problems, culminating in a severe transportation crisis, particularly in the providing of necessary and appropriate facilities and services for the transportation of persons living within one state and employed within another; and

WHEREAS, Extensive studies conducted over many years have demonstrated that efforts of great magnitude are required to meet the need for appropriate facilities and services for transportation within metropolitan regions, and that such efforts will require substantial funds for their financing; and

WHEREAS, Due to the existence of great rivers at the state boundaries, which are obstacles to the movement of land vehicles, the cost of the interstate portions of transportation facilities and services for any kind of land vehicle is massively greater than the cost of connecting or feeder facilities within the boundaries of a single state; and

WHEREAS, One or another of these facts, as well as other relevant facts touching upon the transportation problem have been the subject of formal and informal findings or other recognition by legislative and other public bodies at the Federal and State level; and

WHEREAS, The nature and intensity of the problem requires that some reasonable, practicable and acceptable method for raising the funds requisite to the achievement of projects and programs to solve the same,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 54:8A-58 Short title.

1. Short Title. This act shall be known and referred to by its short title, the "Transportation Benefits Tax Act."
C. 54:8A-59 Imposition of tax; levy; collection; payment.

2. Imposition of tax; levy; collection; payment. A temporary tax is hereby imposed, and shall be levied, collected and paid annually, at the rate specified in this act,

(a) upon every resident of this State, who is not a resident of another critical area state under and pursuant to its laws, upon and with respect to the entire taxable income as defined in this act and subject to taxation under this act, for the taxable year, derived from sources within a critical area state other than New Jersey; and

(b) upon and with respect to the entire taxable income as defined in this act and subject to taxation under this act, for the taxable year, derived from sources within this State by natural persons who are not residents of this State and who are residents of another critical area state under and pursuant to the law of such state.

C. 54:8A-60 Rate of tax.

3. Rate of tax. The tax imposed by this act shall be levied and imposed annually upon each taxpayer at the rate of 3 1/2% upon his entire taxable income.

C. 54:8A-61 Definitions.

4. (a) Definitions. "Critical area state" means this State and such other state bordering thereon within which there exists part of an area, another part of which is in this State, and within which area there is, as of January 1 of any year, a severe transportation problem in respect to the transportation of persons and property interstate.

(b) The Legislature finds and declares that a severe transportation problem exists in connection with transportation interstate between this State and another state bordering thereon due to the number of daily commuters between said states as to create a severe peak-load demand requiring facilities and services, by any means or mode of transportation far in excess of those needed for normal travel outside of usual commuter hours, caused by the carrying on of activities in one of the states by persons residing in another, from which activities such persons derive income or gain from sources within the state other than that in which they reside.

The Legislature finds and declares that whenever the total number of annual crossings by persons residing in one of such states who are employed, or carry on a trade, business, occupation or profession in the other state plus the number of annual crossings
by persons residing in the other state who are employed, or carry
on a trade, business, occupation or profession in the first state
exceeds 100,000,000 but is less than 300,000,000, that fact reasonably
demonstrates that a severe transportation problem exists. If the
number of annual crossings as set forth in this section is found to
exist by the Commissioner of Transportation in accordance with
subsection (c) hereof, the provisions of this act shall take effect
and the provisions of the Emergency Transportation Tax Act,
N. J. S. A. 54:8A-1 et seq. shall not be applicable to persons subject
to tax under this act.

(c) Within 40 days after the taking effect of this act, and within
40 days after the first day of each year hereafter so long as this
act shall remain in effect, the State Transportation Commissioner
shall certify to the State Treasurer his findings with respect to the
existence of the conditions herein set forth and the identity of any
states which he determines to come within the definition in this
section. Upon receipt of such certification, the State Treasurer
shall cause public notice thereof to be given, by publication in such
newspaper or newspapers, and in such form, as he shall find will
fairly apprise all persons subject to taxation under this act, of the
making of said certification and of the significance thereof to such
persons. Any certification so made shall be effective for the entire
calendar year as of the first day of which it ascertains the facts.

C. 54:8A-62 “Derived from sources within” defined.
5. “Derived from sources within” defined. “Derived from sources
within” one state or another, as applied to entire gross income,
means such income and gain from all property owned and from
salaries, wages, or compensation for personal services of whatever
kind and in whatever form paid, and from all business, trade, pro­
fession or occupation carried on, in the particular state. No person
who is not a dealer holding property primarily for sale to customers
in the ordinary course of his trade or business, shall be deemed to

No person may be claimed as a dependent by any taxpayer if such person has filed a joint return with his or her spouse.

C. 54:8A-68 "Related to taxpayer" defined.
11. "Related to taxpayer" defined. 13. "Taxable year"; "annual accounting period" and "calendar year" defined. (a) The term "taxable year" means

15. "Gross income" defined. The term "gross income" means the total of a taxpayer's gains, losses, profits and income derived from sources within his source state. Gross income shall be computed in accordance with the provisions of section 19 or section 22 of this act. In computing gross income, the items of gain, loss, profit or income set forth in section 20 of this act shall not be included except to the extent provided therein.

For the purpose of applying the deductions permitted in sections 23 and 24 of this act, gross income computed in accordance with the provisions of section 19 of this act shall be reduced by the amount of the deduction allowed in section 21 (a) of this act.
C. 54:8A-73 "Taxable income" defined.

In any case, the term "gross income" shall include capital gains or capital losses only to the extent provided in this act.

(b) In addition, gross income will include the following items of tax preference income derived by the taxpayer from sources within his source state: (1) Excess investment interest; (2) Accelerated depreciation on real property; (3) Accelerated depreciation on personal property subject to a net lease; (4) Amortization of certified pollution control facilities; (5) Amortization of railroad rolling stock; (6) Stock options; (7) Reserves for losses on

20. Inclusions in and exclusions from income. (a) Income from intangible personal property, including annuities, dividends, interest, and gains from the disposition of intangible personal property, shall constitute income derived from sources within the taxpayer's source state only to the extent that such income is from property employed in a business, trade, profession, or occupation carried on in his source state.

(b) Compensation paid by the United States for service in the Armed Forces of the United States, performed by an individual during an induction period, shall not constitute income derived from sources within his source state.

(c) There shall be excluded from gross income all amounts received:

(1) as a pension or retirement allowance,
(2) under a life insurance contract payable by reason of death,
(3) under a workmen's compensation act for personal injuries or sickness,
(4) through accident and health insurance for personal injuries or sickness except to the extent that such amounts are paid by or are attributable to contributions by the employer,
(5) by gift, bequest, devise or inheritance,
(6) which constitute wages or payments in lieu of wages for a period during which the employee is absent from work on account of personal injuries or sickness, but this subsection shall not apply to the extent that such amounts exceed a weekly rate of $100.00. This shall not apply to amounts attributable to the first 30 calendar days in such period, if such amounts are at a rate which exceeds 75% of the regular weekly rate of wages of the employee. If amounts attributable to the first 30 calendar days in such period are at a rate which does not exceed 75% of the regular weekly rate of wages of the employee, the first part of this subsection shall not apply to the extent that such amounts exceed a weekly rate of $75.00, and shall not apply to amounts attributable to the first 7 calendar days in such period unless the employee is hospitalized on account of personal injuries or sickness for at least 1 day during such period.

(d) In the case of a taxpayer who computes his gross income in accordance with the provisions of section 22, income and other amounts excluded from gross income under the provisions of this section shall be excluded only to the extent that such income and amounts would otherwise be included in Federal adjusted gross income.

C. 54:8A-78 Computing taxable income.

21. Computing taxable income. (a) In the computation of taxable income, the taxpayer may deduct from gross income the ordinary and necessary expenditures directly connected with or pertaining to the taxpayer's trade or business; the ordinary and necessary nonbusiness or nontrade expenditures paid or incurred for the production or collection of income which, if and when realized, will be required to be included in income for the purpose of taxation under this act, or for the management, conservation or maintenance of property held for the production of such income but such deductions from gross income are allowable only if, and to the extent that, they are connected with income arising from sources within taxpayer's source state and taxable under this act.

(b) The taxpayer may also deduct from his gross income, in lieu of his standard deduction:

(1) Deductions for charitable contributions as defined in section 24 (b) (4) but limited to his source State or to any political subdivision thereof, or to any corporation, trust, community chest, fund, foundation or other entity organized or operated under the laws of his source state;

(2) Deductions for alimony or separate maintenance payments includible in the gross income of a recipient subject to tax under this act;

(3) Deductions for losses of real or tangible personal property having an actual situs in his source state, arising from fire, storm, shipwreck or other casualty, or from theft, shall be allowed only to the extent that the amount of loss to an individual arising from each casualty, or from each theft, exceeds $100.00. For purposes of the $100.00 limitation, a husband and wife making a joint return for the taxable year in which the loss is allowed as a deduction shall be treated as one individual.

(4) Deductions, with respect to real or tangible personal property having an actual situs in his source State, for losses (other
than capital losses) incurred in any transaction entered into for profit but not connected with the taxpayer's trade or business; and

(5) Deductions determined under regulations of the Division of Taxation to be connected with his gross income.

C. 34:8A-79 Alternative computing of gross income.

22. Alternative computing of gross income. (a) The Legislature hereby finds and determines that to permit taxpayers under this act to compute their gross income for tax purposes from the Federal adjusted gross income figure used in their tax returns to the Federal Government will reduce the cost and simplify the administration of this act, and will simplify the preparation of State income tax returns by taxpayers. The Legislature further finds and determines that such method of computing gross income will not materially reduce and may increase the amount of revenue derived with respect to this act; and, therefore, directs that each taxpayer be permitted, as an alternative to the method prescribed by section 19 of this act, to compute his gross income as provided in subsection (b) of this section.

(b) A taxpayer computing his gross income under the provisions of this subsection shall:

(1) determine the net amount of income, gain, loss and deduction entering into his Federal adjusted gross income for the taxable year which is derived from sources within his source state, including:

(A) his distributive share of partnership income, gain, loss and deduction derived from sources within his source state, and

(B) his share of estate and trust income, gain, loss and deduction derived from sources within his source state.

(2) add to such amount the following types of income and gain derived from the sources of income and gain listed below:

(A) interest income from the obligations of any state or political subdivision thereof except where, by the laws of such state, its own taxpayers are exempted from taxation with respect to such interest income, subject to the provisions of section 20;

(B) the sum of the following tax preference items as defined in section 57 of the Internal Revenue Code, as amended. (I) excess investment interest; (II) accelerated depreciation on real property; (III) accelerated depreciation on personal property subject to a net lease; (IV) amortization of certified pollution control facilities; (V) amortization of railroad rol-
(2) netting stock; (VI) stock options; (VII) reserves for losses on bad debts of financial institutions; (VIII) depletion; and (IX) capital gains which is required to be returned to and ascertained by the Federal Government pursuant to said code.

(3) subtract from such net amount interest income from obligations of the United States and its possessions to the extent that such interest is includible in gross income for Federal income tax purposes;

(e) A taxpayer who computes his gross income in accordance with the provisions of this section shall not be entitled to the deductions set forth by section 21 (a) but, in lieu of the standard deduction, shall be permitted the deductions in sections 21 (b) and 24 of this act.

(d) The amount of the gross income of a taxpayer computed in accordance with the provisions of this section shall be conclusively presumed by the Division of Taxation to be the same as such taxpayer's gross income would have been if computed in accordance with the provisions of section 19 except that if the amount of a taxpayer's Federal adjusted gross income or Federal items of tax preference is changed or corrected by the taxpayer or the United States Internal Revenue Service or other competent authority, or as the result of a renegotiation of a contract or subcontract with the United States, the taxpayer shall report such change or correction in Federal taxable income or Federal items of tax preference within 90 days after the final determination of such change, correction, or renegotiation, or as otherwise required by regulation, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended Federal income tax return shall also file within 90 days thereafter an amended return under this act, and shall give such information as the Division of Taxation may require. There may be provided by regulation such exceptions to the requirements of this section as may be necessary to carry out the purposes of this section.

C. 54:8A-80 Standard deduction.

23. Standard deduction. Any taxpayer may elect to deduct 13% of his gross income, or $1500.00, whichever is less, in lieu of all deductions otherwise permitted under this act; for taxable years beginning in 1972, the standard deduction shall be 14% or $2,000.00, whichever is less; and for taxable years beginning in 1973 and thereafter the standard deduction shall be 15% or $2,000.00, whichever is less. The deduction provided for by this section shall become known as the "standard deduction."
A husband and wife shall not be entitled to a standard deduction in an amount greater than one computed on their aggregate gross income, whether they file separate or joint returns. If they file separate returns, neither may elect the standard deduction unless the other also so elects. If both so elect, either may take such deduction, or they may divide it; except that for taxable years beginning in 1972 the standard deduction shall be 14% or $2,000.00, whichever is less; and for taxable years beginning in 1973 and thereafter the standard deduction shall be 15% or $2,000.00, whichever is less.

Such election may be changed for a taxable year after the filing of the return, subject to regulations issued under this act. If a taxpayer wishing to make such change has a spouse who filed a separate return, the change shall not be allowed unless (1) such spouse also makes a change consistent with the change desired by the taxpayer and (2) both consent in writing to the assessment of any additional tax resulting from such change without regard to time limits otherwise preventing such assessment.

C. 54:8A-81 Other deductions authorized.

24. Other deductions authorized. (a) In addition to the deductions authorized in section 21 (b), any taxpayer shall be allowed the deductions itemized in this section to the same extent that such deductions are allowed to New Jersey residents who are subject to the income tax laws of a critical area state other than New Jersey. To the extent that any deduction itemized in this section has been taken by a taxpayer to compute his Federal adjusted gross income, such deductions shall not be allowed to a taxpayer computing his gross income in accordance with the provisions of section 22 of this act.

(b) Subject to the limitations expressed in subsection (a) hereof and any other limitations set forth in this act, the following deductions shall be allowed:

(1) Deduction of interest paid or accrued within the taxable year on indebtedness.

(2) Deduction of taxes paid or accrued within the taxable year except—

(A) Federal import duties, excise and stamp taxes,

(B) estate, inheritance, legacy, succession and gift taxes,

(C) taxes assessed against local benefits of a kind tending to increase the value of the property assessed, and
(D) license fees payable for operation or ownership of motor vehicles; State and local license fees; taxes on cigarettes, other tobacco products and alcoholic beverages.

(3) Deduction of losses sustained during the taxable year, not compensated by insurance or otherwise, except—

(d) The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his fiduciary or other person charged with the care of his person or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

(e) Any tax under this act, and any increase, interest or penalty thereon, shall, from the time it is due and payable, be a personal debt of the person liable to pay the same, to the State of New Jersey.

(f) If the amount of taxable income or Federal items of tax preference for any year of any taxpayer as returned to the United States Treasury Department or to an appropriate State officer is changed or corrected by the taxpayer or the Commissioner of Internal Revenue or other officer of the United States or other competent authority, or where a renegotiation of a contract or subcontract with the United States results in a change in taxable income, or Federal, items of tax preference such taxpayer shall report such change or corrected taxable income, or Federal items of tax preference or the results of such renegotiation, within 90 days after the final determination of such change or correction renegotiation, or as required by regulation, and shall concede the accuracy of such determination or state wherein it is erroneous. Any taxpayer filing an amended return with such department or officer
shall also file within 90 days thereafter an amended return in this State which shall contain such information as the regulations shall require.

41. Time of filing return; extensions. With respect to each taxpayer, the tax imposed by this act shall be due and payable annually hereafter, in the manner provided in this section:

(a) Every taxpayer shall annually pay the tax imposed by this act with respect to all or any part of each of his fiscal or calendar accounting years beginning after January 1, 1971 to be computed as in this act provided, for such fiscal or calendar accounting year or part thereof, on a return which shall be filed, in the case of a taxpayer reporting on a calendar year basis, on or before April 15 following the close of such calendar year, or, in the case of a taxpayer reporting on a fiscal year basis, on or before the fifteenth day of the fourth month following the close of such fiscal year, and the full amount of the tax shall be due and payable on or before the date prescribed herein for the filing of the return.

(b) Every taxpayer shall pay a like tax with respect to all or any part of the period beginning January 1, 1971 and extending through any subsequent part of his first fiscal or calendar accounting year ending after said date, to be computed as in this act provided, for such period, on a return which shall be filed on or before April 15, 1972, and the full amount of the tax shall be due and payable on or before the date prescribed herein for the filing of the return.

(c) Each return shall carry a certificate signed by the taxpayer to the effect that all statements contained therein are true, under the same penalties as for perjury committed. Blank forms of return shall be furnished on application, but failure to secure the form shall not relieve any taxpayer of the obligation of making any return herein required. Subject to regulations under this act and in such form as may be indicated thereby, taxpayers whose taxable income taxable under this act is or may be subject to tax under a similar law of another jurisdiction may be permitted to file a simple, short form return attached to a copy of his return as filed or about to be filed by him in such other jurisdiction.

Subject to regulations under this act, reasonable extensions of time for good cause shown, may be granted for not more than 6 months unless exceptional circumstances justify a longer period, within which returns may be filed.
In addition, persons in active service with the Armed Forces of the United States, who may be prevented by distance or injury or hospitalization arising out of such service, may be allowed such extension of time for the filing of returns, without interest or penalty, as may be fixed by regulations under this act.

C. 54:8A-99 Tax due upon date fixed for filing return; effect of making or filing return.

42. Tax due upon date fixed for filing return; effect of making or filing return. (a) A person required to make and file a return under this act shall, without assessment, notice or demand, pay any tax due thereon to the Division of Taxation on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return). The Division of Taxation shall prescribe by regulation the place for filing any return, declaration, statement, or other document required pursuant to this act and for payment of any tax.

(b) Any return, declaration, statement or other document required to be made pursuant to this act shall be signed in accordance with regulations or instructions prescribed by the Division of Taxation. The fact that an individual's name is signed to a return, declaration, statement, or other document, shall be prima facie evidence for all purposes that the return, declaration, statement or other document was actually signed by him.

(c) The making or filing of any return, declaration, statement or other document or copy thereof required to be made or filed pursuant to this act, including a copy of a Federal return, shall constitute a certification by the person making or filing such return, declaration, statement or other document or copy thereof that the statements contained therein are true and that any copy filed is a true copy.

C. 54:8A-100 Taxable year; accounting method.

43. Taxable year; accounting method. (a) A taxpayer's taxable year under this act shall be the same as his taxable year for Federal income tax purposes.

(b) If a taxpayer's taxable year is changed for Federal income tax purposes, his taxable year for purposes of this act shall be similarly changed. If a taxable year of less than 12 months results from a change of taxable year, the standard deduction, the exemptions and the class credit (allowable under section 39) shall be prorated under regulations of the Division of Taxation.

(c) A taxpayer's method of accounting under this act shall be the same as his method of accounting for Federal income tax pur-
poses. Taxable income shall be computed under such method as shall be prescribed by the Division of Taxation.

(d) (1) If a taxpayer's method of accounting is changed for Federal income tax purposes, his method of accounting for purposes of this act shall be similarly changed.

(2) If a taxpayer's method of accounting is changed, other than from an accrual to an installment method, any additional tax which results from adjustments determined to be necessary solely by reason of the change shall not be greater than if such adjustments were ratably allocated and included for the taxable year of the change and the preceding taxable years, not in excess of 2, during which the taxpayer used the method of accounting from which the change is made.

(3) If a taxpayer's method of accounting is changed from an accrual to an installment method, any additional tax for the year of such change of method and for any subsequent year which is attributable to the receipt of installment payments properly accrued in a prior year, shall be reduced by the portion of tax for any prior taxable year attributable to the accrual of such installment payments, in accordance with regulations of the Division of Taxation.

C. 54:8A-101 Employer to withhold tax.

44. Employer to withhold tax. (a) General. From and after the first day of the first month following at least a full calendar month after the enactment of this act, every employer in this State of a taxpayer subject to tax in respect of wages, salaries or commissions derived from sources within this State shall deduct and withhold upon the same for each payroll period an amount computed in such manner as to result, as far as practicable, with due regard to the personal exemptions and standard deduction allowable under this act, in withholding during each calendar year a sum substantially equivalent to the amount of tax reasonably estimated to be due under this act. Methods for determining the amount to be withheld shall be prescribed by regulation, as shall procedures and requirements for the furnishing of written exemption certificates to the employer, the amending or substitution of the same, the furnishing by the employer of written statements showing the total compensation, the amount withheld and other specified information.

(b) Withholding agreements. The director may enter into agreements with the tax departments of other states (which re-
quire income tax to be withheld from the payment of wages and salaries) so as to govern the amounts to be withheld from the wages and salaries of residents of such states under provisions of this act. Such agreements may provide for recognition of anticipated tax credits in determining the amounts to be withheld and, under regulations prescribed by the director, may relieve employers in this State from withholding income tax on wages and salaries paid to nonresident employees. The agreements authorized by this subsection are subject to the condition that the tax department of such other states grant similar treatment to residents of this State.

C. 54:8A-102 Withholding returns; notice to employer.
45. Withholding returns; notice to employer. (a) Every employer required to deduct and withhold tax under this act shall, for each calendar quarter, on or before the last day of the month following the close of such calendar quarter, file a withholding return as prescribed by the Division of Taxation and pay over to the Division of Taxation the taxes so required to be deducted and withheld; but the Division of Taxation may, by regulation, provide that every such employer shall on or before the fifteenth day of each month pay over to the Division of Taxation, or a depositary designated by the Division of Taxation, the taxes so required to be deducted and withheld if such taxes aggregate $100.00 or more for the preceding calendar month. Where the aggregate amount so deducted and withheld by any employer is less than $25.00 in a calendar quarter and the aggregate for the calendar year can reasonably be expected to be less than $100.00, the Division of Taxation may by regulation permit an employer to file an annual return. The Division of Taxation may, if it believes such action necessary for the protection of the revenues, require any employer to make such return and pay to it the tax deducted and withheld at any time, or from time to time.

(b) Whenever any employer fails to collect, truthfully account for, pay over the tax, or make returns of the tax as required in this section, the Division of Taxation may serve a notice requiring such employer to collect the taxes which become collectible after service of such notice, to deposit such taxes in a bank approved by the Division of Taxation in a separate account, in trust for and payable to the Division of Taxation and to keep the amount of such tax in such account until payment over to the Division of Taxation. Such notice shall remain in effect until a notice of cancellation is served by the Division of Taxation.
C. 54:8A-103 Employer's liability.

46. Employer's liability. Every employer required to deduct and withhold tax under this act is hereby made liable for such tax. For such purposes any amount required to be withheld and paid over to the Division of Taxation shall be considered the tax of the employer. Any amount of tax actually deducted and withheld under this act shall be held to be a special fund in trust for the Division of Taxation. No employee shall have any right of action against his employer in respect to any moneys deducted and withheld from his wages and paid over to the Division of Taxation in compliance or in intended compliance with this act.

C. 54:8A-104 Tax not to be collected from employer on payment; liability for penalties; interest; failure to pay tax withheld.

47. Tax not to be collected from employer on payment; liability for penalties; interest; failure to pay tax withheld. (a) If an employer fails to deduct and withhold tax as required, and thereafter the tax against which such tax may be credited is paid, the tax so required to be deducted and withheld shall not be collected from the employer, but the employer shall not be relieved from liability for any penalties, interest, or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(b) If any employer shall fail to make a return and pay a tax withheld by him at the time required by or under the provisions of this act, such employer shall be liable for such tax and shall pay the same together with all penalties and interest charges thereon as provided in the case of any taxpayer under section 48 of this act, and such additional amount of penalties and interest shall in no case be charged to or collected from the taxpayer by said employer. The Division of Taxation shall have the same rights and powers for the collection of such tax, penalties and interest against such employer as are now prescribed by this act for the collection of a tax against a taxpayer.

C. 54:8A-105 Penalties; interest; abatement or remission.

48. Penalties; interest; abatement or remission. Any taxpayer who shall fail to file his return when due shall be liable to a penalty of $2.00 for each day of delinquency, which penalty shall be payable to, and recoverable by, the Division of Taxation as a part of the tax herein imposed. If any tax be not paid when the same becomes due, as herein provided, there shall be added to the amount of the tax a sum equivalent to 5% thereof, as a penalty, and, in addition thereto, interest at the rate of 1% per month or fraction thereof from the date the tax became due until the same be paid. If the Division of
Taxation determines that the failure to comply with any provision of this act was excusable under the circumstances, it may abate or remit such part or all of the penalty as shall be appropriate under such circumstances.

C. 54:8A-106 Transportation benefit fund; use of fund.

49. Transportation benefit fund; use of fund. (a) All moneys which shall be received by way of tax or by way of moneys deducted and withheld under this act, shall be kept in a special fund, to be known as the Transportation Benefit Fund, separate and apart from all other funds, and the moneys in such fund at any time shall be used only for one or more of the following purposes, within the limits of available appropriations made by law from time to time:

1. to meet the expenses of administering the provisions of this act and of the regulations made hereunder and the expenses of any proceedings or actions involving the same;

2. to defray the cost of, or to provide financing by way of advances, loans or otherwise for, projects and programs to meet transportation problems, whether such transportation be by motor vehicle, by rail or rapid transit, or by any other mode or vehicle of transportation whatever, when such project or program includes the transportation of persons or property interstate, between the State of New Jersey and the source state, from which states taxpayers derive income or gain subject to tax under this act, and for the furnishing of such other facilities, services or other benefits for which the class of taxpayers covered by this act will be the major eligible recipient and for which the tax imposed by this act may reasonably be exacted, as may be authorized by law from time to time;

3. to make payment of refunds to taxpayers entitled to receive the same.

(b) Funds in the Transportation Benefit Fund may not be used for any purpose except upon:

1. presentation to the Attorney General of an itemization of the purposes for which funds are proposed to be used, stating the amount of each such proposed expenditure, which presentation shall be made by:

   (A) The Director of the Division of Taxation, in the case of any purpose other than those described in subsection (a)(2) hereof, or

   (B) The State Transportation Commissioner in the case of any purpose described in said subsection (a)(2), and upon
transmittal of such itemization by the Attorney General to
the State Treasurer, with a certification by the Attorney General
endorsed thereon that the purposes for which funds are therein
proposed to be used are within the terms and intent of the act and
are otherwise in compliance with law.

C. 54:8A-107 Balances accumulated as an endowment fund; use.

50. Balances accumulated as an endowment fund; use. So much
of the moneys as may be in the Transportation Benefit Fund at any
time and as may be in excess of the amounts needed to meet antici-
pated uses thereof pursuant to this act during any fiscal year, shall
be held and accumulated as an endowment fund, and may be invested
and reinvested from time to time, in the same manner as any State
funds may be invested, and the income thereof, as well as so much
of the principal as may be necessary from time to time, shall be
applied to the purposes authorized for the said Transportation
Benefit Fund, within the limits of available appropriations.

C. 54:8A-108 Refund to taxpayer upon unauthorized use of fund; formula for
computing amount.

51. Refund to taxpayer upon unauthorized use of fund; formula
for computing amount. In the event that any part of the moneys
in the Transportation Benefit Fund shall, at any time, be applied
to a purpose or purposes other than one set forth in this act, every
taxpayer who shall have been subject to the tax imposed by this act
and who shall have paid the same, shall thereupon be entitled to a
refund, or to a credit against taxes subsequently accruing, equal to
his pro rata share of the amount so applied, disregarding any
amounts less than $1.00. Upon application made within 1 year after
it shall be determined that any such moneys have been so applied, in
such form and by such procedure as may be provided by regulation,
the division shall determine the pro rata share of each taxpayer
according to the following formula: (a) multiply the total amount
of taxes paid by the taxpayer for all taxable years from the enact-
ment hereof to July 1 of the year in which the right to refund arises
under this section, by the dollar amount of the moneys determined
to have been applied to a purpose other than one set forth in this
act; then (b) divide the product by the total amount paid by all
taxpayers during the same period; then (c) from the quotient strike
off any amount less than $1.00 to obtain the sum to be refunded or
credited. If the amount so applied to another purpose shall have
been determined by a court of competent jurisdiction, the amount so
determined shall be used in the computation, otherwise, the division
shall make determination of the amount.
52. General requirements concerning returns, notices, records, and statements. The director may prescribe regulations as to the keeping of records, the content and form of returns and statements and the filing of copies of Federal income returns and determinations. The director may require any person, by regulation or notice served on such person, to make such returns, render such statements, or keep such records, as the director may deem sufficient to show whether or not such person is liable under this act for tax or for the collection of tax.

53. Information returns. The director may prescribe regulations and instructions requiring returns of information to be made and filed on or before February 28 of each year by any person making payment or crediting in any calendar year the amounts of $600.00 or more to any person who may be subject to the tax imposed under this act. Such returns may be required of any person, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of this State, or of any municipal corporation or political subdivision of this State, having the control, receipt, custody, disposal or payment of dividends, interest, rents, salaries, wages, premiums, annuities, compensations, remunerations, emoluments or other fixed or determinable gains, profits, or income, except interest coupons payable to bearer. A duplicate of the statement as to tax withheld on wages, required to be furnished by an employer to an employee, shall constitute the return of information required to be made under this section with respect to such wages.

54. Review of director's decision. (a) Appeal to Division of Tax Appeals. Any aggrieved taxpayer may, within 4 months after any decision, order, finding, assessment or action of the Director of Taxation made pursuant to the provisions of this act, appeal therefrom to the Division of Tax Appeals, by filing a petition of appeal with said Division of Tax Appeals in the manner and form prescribed by the said Division of Tax Appeals and on giving security, approved by the Director of Taxation, conditioned to pay the tax heretofore levied, if the same remains unpaid, with interest and costs.

(b) Appeal exclusive remedy of taxpayer. The appeal provided by this section shall be the exclusive remedy available to any tax-
payer for review of a decision of the director in respect of the determination of the liability of the taxpayer for the taxes imposed by this act.

C. 54:8A-112 General powers of the director.

55. General powers of the director. (a) General. The director shall administer and enforce the tax imposed by this act and is authorized to make such rules and regulations, and to require such facts and information to be reported as he may deem necessary to enforce the provisions of this act.

(b) Delegation of powers. The director may delegate to any officer or employee of his division such of his powers as he may deem necessary to carry out efficiently the provisions of this act, and the person or persons to whom such power has been delegated shall possess and may exercise all of the power and perform all of the duties herein conferred and imposed upon the director.

(c) Examination of books and witnesses. The director for the purpose of ascertaining the correctness of any return, or for the purpose of making an estimate of taxable income of any person, shall have power to examine or to cause to have examined, by any agent or representative designated by him for that purpose, any books, papers, records or memoranda bearing upon the matters required to be included in the return, and may require the attendance of the person rendering the return or any officer or employee of such person, or the attendance of any other person having knowledge in the premises, and may take testimony and require proof material for his information, with power to administer oaths to such person or persons.

C. 54:8A-113 Order to compel compliance.

56. Order to compel compliance. (a) Failure to file tax return. If any person willfully refuses to file a tax return required by this act, the director may apply to a judge of the superior court for an order directing such person to file the required return. If a person fails or refuses to obey such order, he shall be guilty of contempt of court.

(b) Failure to furnish records or testimony. If any person willfully refuses to make available any books, papers, records or memoranda for examination by the director or his representative or willfully refuses to attend and testify, pursuant to the powers conferred on the director under this act, the director may apply to a judge in the superior court in the county where such person resides, for an order directing that person to comply with the di-
rector’s request for books, papers, records or memoranda or for his attendance and testimony. If the books, papers, records or memoranda required by the director are in the custody of a corporation, the order of the court may be directed to any principal officer of such corporation. If a person fails or refuses to obey such order, he shall be guilty of contempt of court.

C. 54:8A-114 Controlling statute; exception.

57. Controlling statute; exception. The taxes imposed by this act shall be governed in all respects by the provisions of the State tax uniform procedure law (subtitle 9 of Title 54 of the Revised Statutes) except only to the extent that a specific provision of this act may be in conflict therewith.

C. 54:8A-115 Relief requirements on residents.

58. Relief requirements on residents. If it shall appear to the satisfaction of the division, based upon an opinion of the Attorney General of this State, that any residents of this State, or class of residents of this State, who are subject to the tax imposed by this act, are liable for tax upon the same income under the law imposed for the taxable year by another critical area State and are thereby entitled to the credit allowed by section 37 of this act against the tax otherwise due under this act and that said credit is substantially sufficient to offset the taxes imposed hereunder, the division may by regulation relieve such residents or class of residents from being required to make any return under this act.

59. Administration of act. (a) The Division of Taxation in the Department of the Treasury shall administer the provisions of this act, adopt regulations necessary or desirable to effectuate its purposes or to make explicit the treatment of various items, authorize appropriate systems of accounting and computation, provide for the allocation of income, itemized deductions, gains and losses in cases where the source or connection thereof may be partly within and partly without the source state of the taxpayer, and prepare instructions for the guidance and information of taxpayers. Wherever possible, consistent with reasonable application of the provisions of this act, the division shall so prepare its regulations, forms, instructions and other acts to reduce the burden of making computations and returns under this act differently from similar computations and returns required of the same taxpayer with respect to the same income and gain to some other jurisdiction. The division shall also make procedural regulations for its review and
correction of returns of taxpayers, the making of refunds or additional assessments of tax on such review or correction, and the assessment of the tax where no return is filed, as well as the method and time of giving due notice thereof and providing suitable methods for appropriate protest or hearing.

In addition to objects mentioned elsewhere in this act, such regulations may describe the treatment to be accorded to items of exchange of property and the recognition or nonrecognition thereof, the deferment of gains from the sale of a personal residence, war losses, employee stock options, inclusions, exclusions and exemptions from gross income, pensions, common trust funds, and may provide for the determination and assessment of interest or penalties, extensions of time for performing any act or making any payment, suspension of penalty or interest or both for limited periods, waiver or reduction of additional taxes, gathering of information and filing of reports for information, and all other matters reasonably required for the fair, impartial and practical administration of this act.

(b) Except as otherwise provided, the amount of tax due on any return shall be determined by the division within 3½ years after the return was made. When the return omits an amount greater than 25% of the gross income or capital gain reported, and which should have been included, such determination shall be made within 6½ years after the return was made. When no return is made, or when a return is made willfully false or fraudulent with intent to evade the tax, or if taxpayer fails to report a change or correction made by another taxing jurisdiction or fails to file an amended return when required to by this act, the amount of the tax may be determined at any time. Where, for 1 taxable year, a deduction disallowed appears to have been allowable in some other taxable year not more than 5 years prior thereto, the return for such earlier year may be revised and the tax for said year resettled, and if the same shall result in a lower tax for said earlier year, the overpayment may be allowed as a credit against, but not in excess of, any assessment resulting from the disallowance for the later year.

C. 54:8A-117 Severability clause.

60. Severability clause. If any provision of this act, or any application of any provision, is held invalid, the invalidity shall not affect other applications of the provision, or other provisions of the act, which reasonably can be given effect despite the invalidity.

61. Appropriation. There is hereby appropriated to the Division of Taxation in the Department of the Treasury the sum of
$500,000.00 or so much thereof as may be required to carry out the provisions of this act from the operative date hereof through June 30, 1972.

C. 54:8A-118 Act operative.
62. Act operative. This act shall take effect immediately, but the tax imposed hereby, and the obligation to pay the same as well as the obligation to deduct and withhold shall be suspended and inoperative in the event that any of the moneys in the Transportation Benefit Fund shall be applied to a purpose or purposes other than one set forth in this act, from the date when such application is made until the amounts to be refunded to taxpayers as a result thereof have been allowed and paid; and the tax hereby imposed shall cease to be imposed, assessed and collected after the assessment thereof for any taxable year ending December 31, 1980, and for any part of a taxable year beginning during the year 1980 and ending December 31, 1980.
Approved June 17, 1971.

CHAPTER 223

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P. L. 1967, c. 265 (C. 46:8-19) is amended to read as follows:

C. 46:8-19 Deposits to secure performance of leases.
1. Whenever money or other form of security shall be deposited or advanced on a contract, lease or license agreement for the use or rental of real property as security for performance of the contract, lease or agreement or to be applied to payments upon such contract, lease or agreement when due, such money or other form of security, until repaid or so applied including the tenant's portion of the interest earned thereon as hereinafter provided, shall continue to be the property of the person making such deposit or ad-
vance and shall be held in trust by the person with whom such
deposit or advance shall be made for the use in accordance with
the terms of the contract, lease or agreement and shall not be min­
gled with the personal property or become an asset of the person
receiving the same. The person receiving money so deposited or
advanced shall deposit such money in a banking institution or sav­
ings and loan association in this State insured by an agency of the
Federal Government in an account bearing interest at the rate cur­
rently paid by such institutions and associations on time or sav­
ings deposits and shall thereupon notify in writing each of the
persons making such security deposit or advance, giving the name
and address of the banking institution in which the deposit of
security money is made, and the amount of such deposit.

All of the money so deposited or advanced may be deposited by
the person receiving the same in one interest-bearing account as
long as he complies with all the other requirements of this act.

The person receiving money so deposited or so advanced shall
be entitled to receive as administration expenses, a sum equivalent
to 1% per annum thereon which shall be in lieu of all other admin­
stative and custodial expenses. The balance of the interest paid
thereon by such banking institution or savings and loan association,
hereinafter referred to as tenant's portion, shall belong to the per­
son making the deposit or advance and shall be credited toward the
payment of rent due on the renewal or anniversary of said tenant's
lease.

2. Section 2 of P. L. 1967, c. 265 (C. 46:8-20) is amended to read
as follows:

C. 46:8-20 Conveyance; assignment or foreclosure; disposition of security deposit.

2. Any person, whether the owner or lessee of the property
leased, who or which has or hereafter shall have received from a
tenant or licensee a sum of money as a deposit or advance of rental
as security for the full performance by such tenant or licensee of
the terms of his contract, lease or license agreement, or who or
which has or shall have received the same from a former owner or
lessee, shall, upon conveying such property or assigning his or its
lease to another, or upon the conveyance of such property to another
person by a court in an action to foreclose a mortgage thereon, at
the time of the delivery of the deed or instrument or assignment,
or within 5 days thereafter, or in the event of the insolvency or
bankruptcy of the person receiving said deposit, within 5 days
after the making and entry of an order of the court discharging
the receiver or trustee, deal with the security deposit in one of the three following ways:

(a) Turn over to his or its grantee or assignee, or to the purchaser at the foreclosure sale the sum so deposited, plus the tenant's portion of the interest earned thereon, and notify the tenant or licensee by registered or certified mail of such turning over and the name and address of such grantee, assignee or purchaser.

(b) Return the sum so deposited, plus the tenant's portion of the interest earned thereon, to such tenant or licensee, less any charges expended in accordance with the terms of a contract, lease, or agreement or to his appointee or designee duly authorized in writing by such tenant to receive the same.

(c) Retain the sum so deposited, plus the tenant's portion of the interest earned thereon, and notify the tenant or licensee by registered or certified mail of such conveyance or assignment and the name and address of the grantee, assignee, or purchaser at the foreclosure sale, as the case may be, and of the fact that he or it, as such former landlord, has retained the sum so deposited, plus the tenant's portion of the interest earned thereon.

C. 46:8-21.1 Return of deposit to tenant.

3. Within 30 days after the expiration of the term of the tenant's lease or licensee's agreement, the owner or lessee shall return by personal delivery, registered or certified mail the sum so deposited plus the tenant's portion of the interest earned thereon, less any charges expended in accordance with the terms of a contract, lease, or agreement. Any such deductions shall be itemized and the tenant or licensee notified thereof by registered or certified mail. In any action by a tenant or licensee for the return of moneys due under this section, the court upon finding for the tenant or licensee shall award recovery of double the amount of said moneys, together with full costs of any action.

C. 46:8-21.2 Amount of security.

4. An owner or lessee may not require more than a sum equal to 1½ times 1 month's rental according to the terms of contract, lease, or agreement as a security for the use or rental of real property used for dwelling purposes.

5. Section 3 of P. L. 1967, c. 265 (C. 46:8-21) is amended to read as follows:

C. 46:8-21 Release of former owner or lessee from liability.

3. Any owner or lessee turning over to his or its grantee, assignee, or to a purchaser of the leased premises at a foreclosure
sale the amount of such security deposit, plus the tenant’s portion of the interest earned thereon, is hereby relieved of and from liability to the tenant or licensee for the repayment thereof; and the transferee of such security deposit, plus the tenant’s portion of the interest earned thereon, is hereby made responsible for the return thereof to the tenant or licensee, in accordance with the terms of the contract, lease, or agreement unless he or it shall thereafter and before the expiration of the term of the tenant’s lease or licensee’s agreement, transfer such security deposit to another, pursuant to section 2 hereof and give the requisite notice in connection therewith as provided thereby.

C. 46:8-21.3 Time limit for compliance with provisions of act.

6. Security deposits made prior to the effective date of this act shall comply with the provisions of this act within 90 days of the effective date thereof.

7. Section 8 of P. L. 1967, c. 265 (C. 46:8-26) is amended to read as follows:

C. 46:8-26 Application of act.

8. The provisions of this act shall apply to all rental premises or units used for dwelling purposes except owner-occupied premises with not more than two rental units.

8. This act shall take effect immediately.

CHAPTER 224

An Act promoting safe and sanitary housing for tenants of substandard dwellings and supplementing chapter 42 of Title 2A of the New Jersey Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 2A:42-85 Legislature’s findings.

1. The Legislature finds:

a. Many citizens of the State of New Jersey are required to reside in dwelling units which fail to meet minimum standards of safety and sanitation;
b. It is essential to the health, safety and general welfare of the people of the State that owners of substandard dwelling units be encouraged to provide safe and sanitary housing accommodations for the public to whom such accommodations are offered;

c. It is necessary, in order to insure the improvement of substandard dwelling units, to authorize the tenants dwelling therein to deposit their rents with a court appointed administrator until such dwelling units satisfy minimum standards of safety and sanitation.

3. A proceeding by a public officer, tenant, or tenants of a dwelling for a judgment directing the deposit of rents into court and their use for the purpose of remedying conditions in substantial violation of the standards of fitness for human habitation established under the State or local housing codes or regulations may be maintained in a court of competent jurisdiction. The place of trial of the proceeding shall be within the county in which the real property or a portion thereof from which the rents issue is situated.

4. The public officer or any tenant occupying a dwelling may maintain a proceeding as provided in this act, upon the ground that there exists in such dwellings or in housing space thereof a lack of heat or of running water or of light or of electricity or of adequate sewage disposal facilities, or any other condition or conditions in substantial violation of the standards of fitness for human habitation established under the State or local housing or health codes or regulations or any other condition dangerous to life, health or safety.

5. a. A proceeding prescribed by this act shall be commenced by the service of a petition and notice of a petition. A notice of petition may be issued only by a judge or a clerk of the court.

b. Notice of the proceeding shall be given to the nonpetitioning tenant occupying the dwelling by affixing a copy of the petition upon a conspicuous part of the subject dwelling.

6. The petition shall:

a. Set forth material facts showing that there exists in such dwelling or any housing space thereof one or more of the following: a lack of heat or of running water or of light or electricity or of adequate sewage disposal facilities, or any other condition or conditions in substantial violation of the standards of fitness for human habitation established under the State or local housing or health codes or regulations or any other condition dangerous to life, health or safety.
b. Set forth that the facts shown in subsection a. of this section have been brought to the attention of the owner or any individual designated by him as the manager of said dwelling and that he has failed to take any action thereon within a reasonable period.

c. Set forth that the petitioner is a tenant of the subject dwelling or is the public officer of the municipality in which the subject dwelling is located.

d. Set forth a brief description of the nature of the work required to remove or remedy the condition and an estimate as to the cost thereof.

e. Set forth the amount of rent due from each petitioning tenant, if any, monthly.

f. State the relief sought.

C. 2A:42-91 Defense to the proceeding.

7. It shall be a sufficient defense to the proceeding, if the owner or any mortgagee or lienor of record establishes that:

a. The condition or conditions alleged in the petition did not in fact exist or that such condition or conditions have been removed or remedied; or

b. Such condition or conditions have been caused maliciously or by abnormal or unusual use by a petitioning tenant or tenants or members of the family or families of such petitioner or petitioners.

c. Any tenant or resident of the dwelling has refused entry to the owner or his agent to a portion of the premises for the purpose of correcting such condition or conditions.

8. The court shall proceed in a summary manner and shall render a judgment either:

a. Dismissing the petition for failure to affirmatively establish the allegations thereof or because of the affirmative establishment by the owner or a mortgagee or lienor of record of a defense or defenses specified in this act; or

b. Directing that (1) the rents due on the date of the entry of such judgment from the petitioning tenant, if any, and the rents due on the dates of service of the judgment on all other tenants occupying such dwelling, from such other tenants, shall be deposited with the clerk of the court; (2) any rents to become due in the future from such petitioner and from all other tenants occupying such dwelling shall be deposited with such clerk as they fall due; (3) such deposited rents shall be used, subject to the court's direction, to the extent necessary to remedy the
condition or conditions alleged in the petition and (4) upon the completion of such work in accordance with such judgment, any remaining surplus shall be turned over to the owner, together with a complete accounting of the rents deposited and the costs incurred; and granting such other and further relief as to the court may seem just and proper. A certified copy of such judgment shall be served personally upon each nonpetitioning tenant occupying such dwelling. If personal service on any such nonpetitioning tenant cannot be made with due diligence, service on such tenant shall be made by affixing a certified copy of such judgment on the entrance door of such tenant’s apartment and, in addition, within 1 day after such affixing, by sending a certified copy thereof by registered mail, return receipt requested, to such tenant. Any right of the owner or parties in interest of such dwelling to collect such rent moneys from any petitioning tenant of such dwelling on or after the date of entry of such judgment, and from any nonpetitioning tenant of such dwelling on or after the date of service of such judgment on such nonpetitioning tenant as herein provided, shall be void and unenforceable to the extent that such petitioning or nonpetitioning tenant, as the case may be, has deposited such moneys with the clerk of the court in accordance with the terms of such judgment, regardless of whether such right of the owner arises from a lease, contract, agreement or understanding heretofore or hereafter made or entered into or arises as a matter of law from the relationship of the parties or otherwise. Any such rent moneys received by the owner or parties in interest shall be deposited immediately with the clerk of the court by such owner of parties in interest. It shall be a valid defense in any action or proceeding against any such tenant to recover possession of real property for the non-payment of rent or for use or occupation to prove that the rent alleged to be unpaid was deposited with the clerk of the court in accordance with the terms of a judgment entered under this section.

C. 2A:42-93 Issuance of court order in lieu of judgment; hearing; appointment of administrator.

9. a. If, after a trial, the court shall determine that the facts alleged in the petition have been affirmatively established by the petitioner, that no defense thereto specified in this act has been affirmatively established by the owner or a mortgagee or lienor of record, and that the facts alleged in the petition warrant the granting of the relief sought, and if the owner or any mortgagee or lienor of record or parties in interest in the property,
shall apply to the court to be permitted to remove or remedy the conditions specified in such petition and shall (1) demonstrate the ability promptly to undertake the work required; and (2) post security for the performance thereof within the time, and in the amount and manner deemed necessary by the court, then the court, in lieu of rendering judgment as provided in this act, may issue an order permitting such person to perform the work within a time fixed by the court.

b. If, after the issuance of an order pursuant to subdivision a. of this section, but before the time fixed in such order for the completion of the work prescribed therein, it shall appear to the petitioner that the person permitted to do the same is not proceeding with due diligence, the petitioners may apply to the court on notice to those persons who have appeared in the proceeding for a hearing to determine whether judgment should be rendered immediately as provided in subdivision c. of this section.

c. If, upon a hearing authorized in subdivision b. hereof, the court shall determine that such owner, mortgagee, lienor or parties in interest is not proceeding with due diligence, or upon the failure of such owner, mortgagee, lienor or parties in interest to complete the work in accordance with the provisions of said order, the court shall render a final judgment appointing an administrator as authorized in this act. Such judgment shall direct the administrator to apply the security posted by such person to the removing or remedying of the condition or conditions specified in the petition. In the event that the amount of such security should be insufficient for such purpose, such judgment shall direct the deposit of rents with the clerk, as authorized by this act, to the extent of such deficiency. In the event that such security should exceed the amount required to remove or remedy such condition or conditions, such judgment shall direct the administrator to file with the court, upon completion of the work prescribed therein, a full accounting of the amount of such security and the expenditures made pursuant to such judgment, and to turn over such surplus to the person who posted such security, together with a copy of such accounting.

d. The court is authorized and empowered, in implementing a judgment rendered pursuant to this act, to appoint an administrator who may be a public officer of the municipality wherein the subject dwelling is situated, an incorporated or unincorporated association, or other responsible person or persons, except that no owner, mortgagee or lienor of the subject dwelling shall be appointed an administrator of said dwelling.
The administrator is authorized and empowered, subject to the court’s direction, to receive from the clerk such amounts of rent moneys or security deposited with said clerk as may be necessary to remove or remedy the condition or conditions specified in the judgment.

C. 2A:42-94 Maintenance of written accounts.
10. The court shall require the keeping of written accounts itemizing the receipts and expenditures under an order issued pursuant to this act, which shall be open to inspection by the owner, any mortgagee or lienor or parties in interest in such receipts or expenditures. Upon motion of the court or the administrator or of the owner, any mortgagee or lienor of record or of parties in interest, the court may require a presentation or settlement of the accounts with respect thereto. Notice of a motion for presentation or settlement of such accounts shall be served on the owner, any mortgagee or other lienor of record who appeared in the proceeding and any parties in interest in such receipts or expenditures.

C. 2A:42-95 Allowance for services of administrator; bond.
11. The court may allow from the rent moneys or security on deposit a reasonable amount for the services of an administrator appointed under the provisions of this act. The administrator so appointed shall furnish a bond, the amount and form of which shall be approved by the court. The cost of such bond shall be paid from the moneys so deposited.

C. 2A:42-96 Waiver of provisions of act prohibited.
12. Any provision of a lease or other agreement whereby any provision of this act for the benefit of a tenant, resident or occupant of a dwelling is waived, shall be deemed against public policy and shall be void.

C. 2A:42-97 Form for registration of owners.
13. Owners of dwelling units subject to the provisions of this act shall register with the clerk of the municipality upon forms prescribed by and furnished by the Director, Division of Local Finance. Every registration form shall include the name and address of the owner and the name and address of an agent in charge of the premises residing in the municipality in which said premises are located. Said form shall be distributed by the Director, Division of Local Finance, within 60 days after the effective date of this act.
14. This act shall take effect immediately.
CHAPTER 225

An Act to amend "An act concerning banking and banking institutions (Revision of 1948)," approved April 29, 1948 (P. L. 1948, c. 67).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 65 of P. L. 1948, chapter 67 (C. 17:9A-65) is amended to read as follows:

C. 17:9A-65 Real property mortgages.

65. Real property mortgages.

A. No bank shall make a mortgage loan secured by a mortgage upon real property unless:

(1) the mortgaged property is located within this State, or, if outside this State, the mortgaged property is located within 50 miles of the border of this State; or if the mortgaged property is located outside this State and is more than 50 miles from the border of this State, the payment of the mortgage loan is insured or guaranteed, or is the subject of an unconditional commitment for such insurance or guarantee, to the extent provided for in subsection A of section 68, by the Federal Housing Commissioner or by the United States, or by this State;

(2) the mortgaged property shall consist of improved real property, including farm lands, or unimproved real property if the proceeds of such loan shall be used for the purpose of erecting improvements thereon;

(3) the mortgage securing such loan shall constitute a first lien on a fee; a mortgage shall be deemed a first lien notwithstanding the existence of a prior mortgage or mortgages held by the bank, or liens of taxes which are not delinquent, building restrictions or other restrictive covenants or conditions, leases or tenancies whereby rents or profits are reserved to the owner, joint driveways, sewer rights, rights in walls, rights-of-way or other easements, or encroachments, which the persons signing the certificate provided for in section 67 report in their opinion do not materially affect the security for the mortgage loan. Every mortgage shall be certified to be such a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be such a first
lien by a corporation authorized to guarantee titles to land in such State:

(4) no such loan shall be made for a period longer than 40 years from its date, and no such loan shall exceed 80% of the appraised value of the mortgaged property; provided, that there shall be included in the appraised value of the mortgaged property, for the purpose of this paragraph (4), the value of the improvements to be erected upon the mortgaged property wholly or partly with the proceeds of such loan; and

(5) the instrument evidencing the loan shall require payment to be made during each year on account of the principal amount of the loan at a rate not less than 1% per annum of the original amount of the loan, if the original amount of the loan does not exceed 50% of the appraised value of the mortgaged property; or 2% per annum of the original amount of the loan, if the loan exceeds 50% but does not exceed 66%2/3 of such appraised value; or 4% per annum of the original amount of the loan, if the loan exceeds 66%2/3 of such appraised value; provided, that, in lieu of such principal payments, the instrument evidencing any mortgage loan may require equal monthly payments, each applicable to principal and interest, in an amount sufficient to pay current interest and to repay the amount of the loan in not more than 40 years from its date; and provided further, that when the proceeds of any such loan are to be used to pay, in whole or in part, the cost of constructing a building or buildings on the mortgaged property, and such proceeds are paid by the bank from time to time, final payment being made at or after completion, the instrument evidencing such loan need not require that any payment be made on account of the principal amount of the loan during the period from the date of such loan to a date not more than 18 months from the date of such loan; and such date marking the end of the period during which no payments are required to be made on account of the principal amount of the loan, shall be deemed to be the date of such loan for the purpose of reckoning the 40 year period limited for the payment of such loan by this paragraph (5), and by paragraph (4) of this section.

B. The commissioner may, from time to time, with the concurrence of the banking advisory board, make, alter and rescind regulations:

(1) authorizing banks to make mortgage loans, or specified types or classes of mortgage loans, (a) which exceed 80% of the appraised value of the mortgaged property; (b) which mature in more than 25 years from their date; (c) which require smaller
annual payments on account of the principal amounts thereof than those specified in paragraph (5) of subsection A of this section; and
(d) which provide for equal monthly payments, each applicable to principal and interest, in amounts sufficient to pay current interest on and to repay the amount of the loan in such number of years, more than 40 but not more than 45, as the regulation may specify;
(2) defining “improved real property” for the purposes of paragraph (2) of subsection A of this section;
(3) increasing the percentage of the time deposits or the aggregate of the unimpaired capital stock and surplus of banks which banks may invest in mortgage loans beyond the limitation expressed in subsection A of section 69;
(4) increasing the percentage of the principal balances owing on mortgage loans of the kind referred to in section 68 which shall not be included in the total of all principal balances owing on mortgage loans for the purposes of subsection A of section 69, or eliminating entirely the principal balances owing on such mortgage loans from such total of all principal balances.
C. In making, altering and rescinding regulations pursuant to subsection B of this section, the commissioner and the banking advisory board shall consider the statutes and regulations applicable to national banks in the making or acquiring of loans secured by interest in real property and the practices followed by national banks in the making or acquiring of such loans. The regulations so made shall, so far as the commissioner and the banking advisory board deem to be warranted by the state of the economy and to be consistent with sound banking practices, be directed toward the creation and maintenance of a substantial parity between banks and national banks in all matters relating to the making and acquiring of loans secured by interests in real property. The power to regulate as provided in subsection B of this section may be exercised by the commissioner and the banking advisory board within the standards established by this subsection, notwithstanding that the subject of such regulation is not expressly set forth in subsection B of this section.
2. Section 181 of P. L. 1948, chapter 67 (C. 17:9A-181) is amended to read as follows:

C. 17:9A-181 Mortgage loans.

181. Mortgage loans.
A-1. A savings bank may make or invest in mortgage loans in the manner and subject to the limitations prescribed by this section. For the purposes of this section, “mortgage loan” shall include
every indebtedness secured by mortgage on real property, or on a lease of the fee of real property (in any case in which such lease is lawful security for such mortgage loan), except as otherwise provided by subsection Q of this section, and a savings bank shall be deemed to have made a mortgage loan when

(a) it lends or participates in lending money to a borrower upon the security of real property; or

(b) it acquires, by purchase or otherwise, a mortgage loan or any share or part of or interest in a mortgage loan which is not subordinate to any share or part thereof or interest therein held by any other person.

A savings bank may sell, assign or otherwise dispose of a share or part of or interest in a mortgage loan held by it to any other person.

A-2. For all purposes of compliance with the applicable provisions and restrictions of subsections D, E, F and G of this section as to the percentage of the mortgage loan to the appraised value of the mortgaged property, and the term of and rate of amortization of such loan, the date of the acquisition by a savings bank of a mortgage loan or a share or part thereof or interest therein shall, as respects such savings bank, be deemed to be the date as of which the mortgage loan was made and the unpaid amount of the principal then due shall be deemed to be the amount of such mortgage loan.

B. No savings bank shall make a mortgage loan at any time when the total cost of acquisition by the savings bank of all real property owned by it, other than real property held for the purposes specified in subparagraph (a) of paragraph (5) of section 24, and the total of all principal balances owing to the savings bank on mortgage loans, less all write-offs and reserves with respect to such real property and mortgage loans, together exceeds, or by the making of such loan will exceed, 80% of its deposits. For the purposes of this subsection, principal balances owing on mortgage loans made pursuant to subsection Q(1) of this section shall, only to the extent of the unguaranteed portion of such balances, and loans made pursuant to subsection Q(2) of this section shall, only to the extent of 50% of such balances, be included in the total of all principal balances owing to the savings bank on mortgage loans.

C. Every mortgage loan shall be evidenced by a note or bond, and shall be secured by a mortgage on the fee of real property
located within this State, or, if outside this State, upon the fee of real property located within 50 miles of the border of this State. Every mortgage shall be certified to be a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be a first lien by a corporation authorized to guarantee titles to land in such State. For the purposes of this section, a mortgage shall be deemed to be a first lien, notwithstanding the existence of a prior mortgage or mortgages held by the savings bank, or a lien for current taxes or assessments not due or payable at the time the loan is made, and notwithstanding the existence of leases, building restrictions, easements, encroachments, or covenants which, in the opinion of an officer of the savings bank designated for that purpose by the board of managers, do not materially lessen the value of the real property to be mortgaged.

D. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is one or more one-family dwellings including appropriate garages or other outbuildings, if any, or upon which such dwelling or dwellings, garages or outbuildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed (a) 75% of the appraised value of the real property, or 2% of the deposits of the savings bank, whichever is lesser; or (b) 80% of the appraised value of the real property, or $35,000.00, whichever is lesser; or (c) 90% of the appraised value of the real property, or $25,000.00 whichever is lesser, provided that the dwelling or dwellings are not more than 10 years old.

E. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is one or more 2-, 3-, 4-family dwellings including appropriate garages or other outbuildings, if any, or upon which such dwelling or dwellings and appropriate garages or other outbuildings are in the course of construction or are to be constructed, the amount of the mortgage loan shall not exceed 80% of the first $30,000.00 of the appraised value of the real property, plus 50% of the excess, if any, of such appraised value over $30,000.00.

F. The instrument evidencing a mortgage loan made pursuant to either subsection D or subsection E of this section shall require that

(1) interest shall be paid on such loan monthly, and that equal monthly payments be made in reduction of such loan of an annual rate equal to at least 3 1/4% of the original amount of such loan; or
(2) that a constant sum be paid monthly in an amount sufficient for current interest and for the payment of the loan in full in not more than 40 years and 1 month from the making of such loan.

G. When the real property offered as security for a mortgage loan consists of a lot of land upon which there is a building or buildings other than dwellings of the nature described in subsections D and E of this section, or upon which such other buildings are in the course of construction or are to be constructed, or when such land is paved for parking lot purposes, the amount of the mortgage loan shall not exceed 75% of appraised value of such real property. The instrument evidencing a mortgage loan made pursuant to this subsection shall require that the loan be repaid in full in not more than 10 years and 1 month from the date it is made, except that in the case of dwellings consisting of 5 or more dwelling units, the instrument shall require that the loan be repaid in full in not more than 25 years and 1 month from the date it is made; and (a) if the amount of such loan, when made, exceeds 50% of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least 1% of the original amount of such loan; or (b) if the amount of such loan, when made, does not exceed 50% of the appraised value of the real property, that payments shall be made in reduction thereof at least semiannually, at an annual rate equal to at least ½% of the original amount of such loan. When, however, the amount of such loan does not, when made, exceed 50% of the appraised value of such real property, and the instrument evidencing such loan requires that it be paid in full in not more than 5 years and 1 month from the date it is made, the instrument need not require that any payment be made in reduction of such loan prior to its maturity date. Notwithstanding the limitations prescribed by subsections D and E and herein in this section, a savings bank may make a mortgage loan secured by a lot of land or 2 or more lots of land, contiguous or not, upon each of which there is a building or buildings, or upon each of which a building or buildings are in the course of construction or are to be constructed. The limitations of this section governing the term of the loan, rate of amortization, and the percentage of the mortgage loan to the appraised value of each type of building, including land, shall apply. No loans shall be made under subsections D, E, F or G hereof to any one person or on any one property if the loan shall exceed 15% of the surplus and reserves of the savings bank, or $50,000.00, whichever is greater.
H. When the real property offered as security for a mortgage loan is of the nature described in subsection D or E of this section, and the amount of the loan does not exceed 66\%\% of the appraised value of such real property, the instrument evidencing such loan shall be sufficient if it conforms to the requirements of either subsection F or subsection G of this section.

I. A mortgage loan may be made for the purpose of enabling a borrower to construct a building or buildings upon real property owned by him, and, in such a case, the appraised value of the real property shall include the value of the building or buildings to be constructed, but at no time shall a greater sum be advanced on account of such loan than, in the opinion of (1) the appraisers hereinafter provided for, or (2) one of such appraisers and an officer of the savings bank designated for that purpose by the board of managers, is warranted by the state of completion of the buildings in process of construction. For the purposes of compliance with the applicable requirements of subsection F or G of this section as to the term of and the rate of amortization of a loan made pursuant to this section, such loan shall be deemed to have been made when the final advance shall be made to the borrower on such loan, or 18 months from the date of the mortgage securing such loan, whichever is earlier.

J. When the real property offered as security for a mortgage loan consists of unimproved land, and the proceeds of such loan are not to be used to construct a building on such land, the amount of such loan shall not exceed 40\% of the appraised value of such real property. The instrument evidencing a loan made pursuant to this subsection shall require that such loan be paid in full in not more than 10 years and 1 month from the date it is made. No loan made pursuant to this subsection shall exceed $10,000.00, or $\frac{1}{10}$ of 1% of the deposits of the savings bank, whichever is greater; nor shall any loan be made at any time when the total of all such loans exceeds, or if the making of such loan would cause such total to exceed 1% of the deposits of the savings bank.

K. No mortgage loan shall be made except upon a written certification signed by at least 2 persons, each of whom shall be either a manager of the bank or an appraiser appointed by its board of managers. In the case of a mortgage loan secured by a mortgage upon real property, such certification shall state the opinion of such persons as to the value of the land and the improvements thereon or to be erected thereon and the character of such improvements. In the case of a mortgage loan secured by a mortgage
upon a lease of the fee of real property, such certification shall state the opinion of such person as to the value of the leasehold interest to be subject to the mortgage, including the leasehold interest in the improvements erected or to be erected upon the leased property and the character of such improvements. Such certification shall be filed with the records of the bank, and shall be preserved until the savings bank has no interest, as mortgagee or otherwise, in the real property.

L. Purchase money mortgage loans made by a savings bank on the sale of real property owned by it shall not be subject to the preceding subsections or to subsection P of this section, except that such loans shall be included in determining whether the total amount of mortgage loans held by a savings bank exceeds 80% of its deposits.

M. No savings bank shall make a mortgage loan secured by a mortgage upon a lease of the fee of real property unless

1. the leased property is located within this State or, if outside this State, the leased property is located within 50 miles of the border of this State;

2. the leased property shall consist of improved real property, including farm lands, or unimproved real property if the proceeds of such loan shall be used for the purpose of erecting improvements thereon;

3. the mortgage securing such loan shall constitute a first lien on a lease of the fee of real property, which fee is not subject to any prior lien; the fee shall be deemed not subject to any prior lien notwithstanding the existence of liens of taxes which are not delinquent, building restrictions or other restrictive covenants or conditions, joint driveways, sewer rights, rights in walls, rights-of-way or other easements, or encroachments, which the persons signing the certificate provided for in subsection K of this section report in their opinion do not materially affect the security for the mortgage loan. Every mortgage shall be certified to be such a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be such a first lien by a corporation authorized to guarantee titles to land in such State;

4. such loan shall not exceed 66⅔% of the appraised value of the leasehold interest subject to the mortgage, including the leasehold interest in the improvements erected upon the mortgaged property, or to be erected thereon wholly or partly with the proceeds of the mortgage loan; and
(5) the instrument evidencing the loan shall require that payment be made on account of the principal amount of such loan at an annual rate sufficient to repay such loan not later than 1 year prior to the expiration of the lease.

N. The instrument evidencing a mortgage loan may be in such form, and may contain such provisions, not inconsistent with law, as the savings bank may choose to insert for the protection of its lien and the preservation of its interest in the real property mortgaged to it.

O. Notwithstanding the limitations prescribed by the preceding subsections or by subsection P of this section, a savings bank may

1. for the purposes of preventing or mitigating loss, or of preserving the lien of its mortgage, or of conserving the value of the real property affected by its mortgage, (a) extend the time for the payment of principal or interest, (b) modify or waive any of the terms or conditions of the instrument evidencing a mortgage loan, (c) settle or compromise all or part of the amount due or to grow due on a mortgage loan, (d) sell or assign the mortgage loan, or a share or part thereof or interest therein, for such consideration as it shall deem proper, and (e) advance funds for the payment of any tax, lien, charge or claim whatsoever; and

2. make a loan in addition to an existing mortgage loan or loans held by it, upon the security of the same real property and secured by the existing mortgage or mortgages, in an amount not to exceed the difference between the balance due on the existing mortgage or mortgages and the original amount thereof, or the sum of $10,000.00, whichever is less; provided, however, that no such additional loan shall be made which shall increase the total amount due upon such mortgages over the amount which could be loaned upon the security of such real property. Such additional loan shall be repaid in equal monthly installments, beginning within 1 year from the date of such loan, with the payments adjusted so that the additional loan shall be repaid in full either before or at the maturity of the existing mortgage. If the unexpired term of such mortgage or mortgages shall have been reduced to 10 years or less, such term may be extended for an additional period of not more than 10 years. Adjustment of payments and extension of mortgage terms pursuant to this section shall comply with the provisions of subsection F, G or H of this section. If so provided in the original mortgage or a supplement or amendment thereto, persons who acquire any rights in or liens upon the mortgaged real property subsequent to the recording of the original mortgage
or such supplement or amendment, as the case may be, shall hold such rights and liens subject to the prior lien of the original mortgage and such supplement or amendment, if any, as security for such additional loan; and in such case, no title certificate or insurance under subsection C of this section shall be required with respect to such additional loan.

P. Except as otherwise provided by this section, no savings bank shall make a mortgage loan if the making of such loan would cause the total of all unpaid balances of such loans held by the savings bank upon the security of the same real property or leasehold, to exceed the limitations imposed by this section upon the amount of a mortgage loan which may be made upon the security of such real property or such leasehold.

Q. A savings bank may invest in

(1) (a) veterans' loans, wherever located, made pursuant to Title III of the Act of Congress of June 22, 1944, known as the "Servicemen's Readjustment Act of 1944," as amended, supplemented, revised, or recodified from time to time, which the Administrator of Veterans' Affairs or other officer or agency which succeeds to his powers and functions under said act has insured or guaranteed or has made a commitment to insure or guarantee, to the extent and in the manner provided in said act or the regulations made thereunder; and

(b) veterans' loans, wherever located, made and insured or guaranteed in part as provided in paragraph (1) (a) of this subsection of this section, and, as to the balance thereof, insured or guaranteed by an insurer or guarantor named or described in paragraph (2) of this subsection of this section.

(c) the provisions and restrictions contained in this section, except those relating to the percentage of the mortgage loan to the appraised value of the real property, the location of the real property, the term of the loan and the rate of amortization, shall apply to investments made pursuant to paragraph (1) of this subsection of this section, provided however that said loans and investments shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be taken upon such loans or investments.

(2) (a) mortgages or deeds of trust or other securities of the character of mortgages which are first liens on the fee of real property or a lease of the fee of real property, wherever located,
which (i) the United States, or (ii) the Federal Housing Commissioner under the Act of Congress of June 27, 1934, known as the "National Housing Act," as amended, supplemented, revised or recodified from time to time, or other officer or agency which succeeds to his powers and functions, or (iii) the State of New Jersey or an officer or agency thereof, or (iv) any other officer or agency of the United States or of this State which the commissioner shall have approved for the purposes of this section as an insurer or guarantor, has fully insured or guaranteed or made a commitment to fully insure or guarantee.

(b) mortgages or deeds of trust or other securities made pursuant to paragraph 2(a) of this subsection of this section shall not be subject to the provisions and restrictions of this section, except that they shall be included in determining whether total mortgage investments are within the limitation prescribed by subsection B of this section, provided however that said mortgages or deeds of trust or other securities shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be taken upon such loans or investments.

R. The commissioner may, from time to time, with the concurrence of the banking advisory board, make, alter and rescind regulations:

(1) authorizing savings banks to make mortgage loans or specified types or classes of mortgage loans (a) which exceed the specified percentages of the appraised value of the mortgaged property; (b) which mature later than the specified periods from their date; (c) which require smaller annual payments on account of the principal amounts thereof than those specified in this section; and (d) which provide for equal monthly payments each applicable to principal and interest in amounts sufficient to pay current interest on and to repay the amount of the loan in such number of years more than 40, but not more than 45, as the regulation may specify;

(2) increasing the percentage of deposits of savings banks which savings banks may invest in mortgage loans;

(3) increasing the percentage of principal balances owing on mortgage loans referred to in subsection Q, which shall not be included in the total of all principal balances owing on mortgage loans for the purpose of subsection B, or eliminating entirely the principal balances owing on such mortgage loans from such total of all principal balances.
