tection of the public interests, except as otherwise provided in said law; and

WHEREAS, Said law provides that all records which are required by law to be made, maintained or kept on file by State and local governmental agencies are to be deemed to be public records, subject to inspection and examination and available for copying, pursuant to said law; and

WHEREAS, Said law provides that records which would otherwise be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. L. 1963, may be excluded therefrom by Executive Order of the Governor or by any regulation promulgated under the authority of any Executive Order of the Governor; and

WHEREAS, It is in the public interest to exercise the authority granted to the Governor under the provisions of Chapter 73, P. L. 1963;

Now, THEREFORE, I, RICHARD J. HUGHES, Governor of the State of New Jersey, by virtue of the authority vested in me by Chapter 73, P. L. 1963, do hereby order and direct:

1. (a) The following State and local officials are hereby authorized and empowered to adopt and promulgate, from time to time, regulations setting forth which records under their jurisdiction shall not be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. L. 1963:

(1) The head or principal executive of each principal department of State government with respect to the records of his department and any agencies, authorities and commissions assigned or allocated to such department;

(b) Any regulation adopted and promulgated pursuant to the provisions of this Executive Order shall be published at least once in a newspaper of general circulation in the State or in the applicable county, as the case may be, and a copy of any such regulation shall be placed on file in the Secretary of State's Office. No regulation shall be effective until it has been so published and filed.

L. 1963, which specifically are required by statute to be made, maintained or kept by any State or local governmental agency shall be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. EXECUTIVE ORDER No. 8

WHEREAS, Executive Order No. 7 authorized certain State and local governmental officials to adopt
and promulgate regulations setting forth which records under their jurisdiction were not to be deemed public records, subject to inspection and examination and available for copying pursuant to the provisions of Chapter 73, P. L. 1963; and

WHEREAS, Said Executive Order provided that, for the purpose of allowing such officials the opportunity to adopt and promulgate regulations in an orderly manner, all records specified in section 2 of such Order which would otherwise be deemed to be public records under and pursuant to Chapter 73, P. L. 1963, should not be subject to inspection and examination and available for copying pursuant to said Chapter 73 only until August 1, 1963; and

WHEREAS, Despite such extension of time, numerous officials and members of the press and the general public have expressed concern over the difficulty of establishing which records are to be public records under the provisions of Chapter 73, P. L. 1963; and

WHEREAS, Only 12 municipalities and two departments of State Government have adopted regulations pursuant to the provisions of Executive Order No. 7 as of this date; and

WHEREAS, The New Jersey Press Association, a prime leader in the effort to achieve passage of Chapter 73, P. L. 1963, among others, has requested additional time so as to be afforded an opportunity to review and object to any exceptions to the public's right to inspect, examine and copy records that might be contemplated in regulations proposed to be adopted under the authority of Executive Order No. 7; and

WHEREAS, Similar requests for additional time have been received from numerous local government officials for the purpose of giving all interested parties an opportunity to review and discuss the application of Chapter 73, and to propose appropriate
regulations which may, under the provisions of Chapter 73, be promulgated pursuant to Executive Order No. 7; and

WHEREAS, It is my opinion that an additional period of time could be beneficially utilized to carefully scrutinize exceptions to the public's right to know which may be proposed and to fully consider the need to balance the right to know of the public in a democracy against the risk of unintentional harm or injustice to individuals that might be occasioned by full and indiscriminate exposure of certain records containing data of a sensitive or personal nature without regard to the motivation of those seeking to inspect or copy; and

WHEREAS, The public's right to examine and copy public records, which presently exists under the common law and by statute, remains inviolate even without the benefit of the provisions of Chapter 73, P. L. 1963;

Now, THEREFORE, I, RICHARD J. HUGHES, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by Chapter 73, P. L. 1963, do hereby order and direct:

1. All records which would otherwise be deemed to be public records, subject to inspection and examination and available for copying under the provisions of Chapter 73, P. L. 1963, shall not be deemed to be public records pursuant to said Chapter 73 until October 1, 1963.

2. No regulation heretofore or hereafter adopted and promulgated by any State or local official pursuant to the provisions of Executive Order No. 7, or any amendment or supplement thereto, shall be of any force and effect until October 1, 1963. The application and effect of any such regulation upon public records may be limited, at any time, by an executive statement, filed by the Governor with the Secretary of State's office, setting forth the nature and
extent of the limitations imposed upon such regulations. A copy of such executive statement shall be delivered in person or sent by certified or registered mail to the appropriate State or local official.

3. This Executive Order and Executive Order No. 7 shall in no way be interpreted to replace or affect the right that the general public has, by common law, judicial decision, statute or otherwise, to examine and copy public records and shall be limited in its application to the provisions of Chapter 73, P. L. 1963.

4. Any provisions of Executive Order No. 7 which are inconsistent herewith are hereby revoked and vacated.

5. This Executive Order shall take effect immediately.

Given, under my hand and seal this [seat] 1st day of August in the year of Our Lord, one thousand, nine hundred and sixty-three, and of the Independence of the United States, the one hundred and eighty-eighth.

EXECUTIVE ORDER No. 9

WHEREAS, Chapter 73, P. L. 1963, finds and declares it to be the public policy of this State that
public records shall be readily accessible for examination by the citizens of this State for the protection of the public interest except as otherwise provided in said law; and

WHEREAS, Said Chapter 73 provides that all records which are required by law to be made, maintained or kept on file by State and local governmental agencies are to be deemed to be public records, subject to inspection and examination and available for copying, pursuant to said law; and

WHEREAS, Said Chapter 73 provides that records which would otherwise be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of said law, may be excluded therefrom by Executive Order of the Governor or by any regulation promulgated under the authority of any Executive Order of the Governor; and

WHEREAS, Executive Orders Nos. 7 and 8 authorize certain State and local governmental officials to adopt and promulgate regulations specifying which public records under their jurisdiction are not to be subject to inspection and examination and available for copying pursuant to said Chapter 73; and

WHEREAS, As of this date, only 65 local governmental units have adopted and promulgated regulations under the authority conferred upon them by said Executive Orders; and

WHEREAS, Review and examination of these regulations demonstrates a lack of uniformity with respect to the treatment proposed to be accorded public records; and

WHEREAS, The public interest requires that the public records which are excluded from the application of Chapter 73 be excluded on a uniform and Statewide basis with full regard for the need to balance the right, in a democracy, of the public to
know, against the risk of unintentional harm or injustice to individuals that might be occasioned by indiscriminate exposure of certain records containing data of a sensitive or personal nature without regard to the motivation or justification of those seeking to inspect or copy records; and

WHEREAS, Chapter 73 represents a right supplemental to the existing right of the public to examine and copy public records, which right has been established under the common law and by statute and remains inviolate even without the benefit of the provisions of said Chapter 73; and

WHEREAS, Some limitation upon the otherwise unqualified and unrestricted right to examine and copy records provided by Chapter 73 is essential and not detrimental to the public interest since the existing common law and statutory right to examine records remains upon the satisfaction of the requirements imposed by such laws;

Now, THEREFORE, I, RICHARD J. HUGHES, Governor of the State of New Jersey, by virtue of the authority vested in me by Chapter 73, P. L. 1963, do hereby order and direct:

1. All records, other than records set forth in section 3 hereof or records the subject of a regulation adopted and promulgated pursuant to the provisions of section 2 hereof or otherwise excluded under and pursuant to the provisions of Chapter 73, P. L. 1963, which specifically are required by statute to be made, maintained or kept by any State or local governmental agency shall be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. L. 1963. All other records of such State and local governmental agencies shall not be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. L. 1963, but such records shall remain subject to such other provisions of law and regulations as shall be applicable.
thereto and this provision shall in no way be interpreted as to preclude the appropriate State or local officials from (i) using or making available such records for any of the purposes for which such records are made, maintained or kept or (ii) permitting any person who demonstrates a legitimate reason for wishing to do so to examine such records where such official shall find it is not contrary to the public interest or an undue interference with the operation of the office to permit such an examination.

2. (a) The head or principal executive of each principal department of State government, with respect to the records of his department and any agencies, authorities and commissions assigned or allocated to such department or under the supervision or regulation of such department, is hereby authorized and empowered to adopt and promulgate, from time to time, regulations setting forth which records under his jurisdiction shall not be deemed to be public records, subject to inspection and examination and available for copying, pursuant to the provisions of Chapter 73, P. L. 1963.

(b) The text of any regulation adopted after October 1, 1963 pursuant to the provisions of this Executive Order shall be published at least 15 days prior to the proposed effective date of such regulation in at least 10 newspapers published in the State and a copy of any such regulation, with the approval of the Governor endorsed thereon, shall be placed on file in the Office of the Secretary of State. No such regulation shall be effective until it has been so published, approved and filed.

(c) Any regulation which has been heretofore adopted and promulgated by the head or principal executive of a principal department of the State Government pursuant to the provisions of Executive Orders Nos. 7 or 8 shall remain in force and effect until modified or rescinded in accordance with the provisions of this Executive Order.

(d) Any regulation which shall be adopted by the head or principal executive of a principal department of the State government on or before October
Executive Orders 1157

1, 1963 shall be fully effective, without the necessity of publication, if a copy of such regulation, with the approval of the Governor endorsed thereon, has been placed on file in the Office of the Secretary of State on or before October 1, 1963.

3. The following records shall not be deemed to be public records subject to inspection and examination and available for copying pursuant to the provisions of Chapter 73, P. L. 1963:

   (g) Personal property tax returns required to be filed under the provisions of Chapter 4 of Title 54 of the Revised Statutes; and
   (h) Records relating to petitions for executive clemency.

4. This Executive Order shall in no way be interpreted to replace or affect the right that the general public has, by common law, judicial decision, statute or otherwise, to examine and copy public records and shall be limited in its application to the provisions of Chapter 73, P. L. 1963.

5. Executive Orders Nos. 7 and 8 are hereby rescinded and any regulations adopted and promul-
gated thereunder shall be null and void except to
the extent provided in Section 2 of this Executive
Order.
