Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels:

Low Growth: Less than 35

Typical Growth: Between 35 and 65

High Growth: Greater than 65

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short [video about Student Growth Percentiles](#) that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Mathematics Assessment - Participation and Performance

This table shows information about the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Support will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:

- A new PreK playground was added.
- New 1:1 chrome books for all students in grades 3 through 5.
- Nine students placed at the 2018 County Science Fair

Mission, Vision, Theme:

The mission of the Lower Alloways Creek School is to ensure that each child will experience optimal academic, social, emotional, and physical success through a challenging and progressive learner-active educational program in a technology infused, safe, and healthy learning environment.

Awards, Recognition, Accomplishments:

Twenty-five students from Lower Alloways Creek School participated in the 29th annual Chambers Works Salem County Science Fair on Friday, March 2, 2018 at Salem County College. The twenty-five students in grades 6 through 8 put in countless hours to compete for placement. Nine of those students placed in their respective category.

Courses, Curriculum, Instruction:

Preparing students to be college and career ready is at the center of all teaching. LAC has taken new steps this school year to prepare their students for college and their careers. A rearrangement of the schedule has allowed the students to participate in a variety of Enrichment classes that include STEM, Math and Reading Enrichment, Mindfulness, Journalism, Book Clubs as well as Choir and Band.

Sports and Athletics:

Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Field Hockey (Girls), Soccer (Boys & Girls), Softball (Girls)

Although we do not have school affiliated sports' teams, the township offers sports for our students to participate in. Many of the teams use our facilities and their victories are celebrated within our school community.

Clubs and Activities:

LAC offers a variety of clubs and activities including Student Council, National Honors Society, Yearbook, Walking Club, Math Showcase, Science Fair, and Art Club. Additionally, Character Education days are scattered throughout the year as well as participation in Heart Health, Red Ribbon Week, Week of Respect, Read Across America, Career Day, Ag Day, and D.A.R.E. as well as a variety of field trips.

Before and After School Programs:

LAC offers homework center four days a week for students in grades 3-8 with a certified teacher. We also offer a morning and afternoon Latchkey program five days a week to all students.

Staff and Professional Learning:

Four teachers will be participating in a year long Literacy Consortium that brings together the expertise of a group of people, committed to literacy, who believe in the power of teacher-to-teacher sharing and knowledge building. The goal of TLC is to empower them to use new understandings to adapt instruction to fit the changing needs of students and curriculum. Additionally, MAP training was provided at the beginning of the year as well as opportunities for training in their specialty. "

Student Supports and Services:

Students are offered a variety of services like small group tutoring to designated intervention period to homework center after school. For students who need extra assistance, we refer them to our I&RS team. Intervention and Referral Services is an interdisciplinary team of professionals within the school who come together to formulate coordinated services and delivery systems to address the full range of student learning, behavior, social, and health problems in the general education program.

Student Health and Wellness:

An assortment of breakfast and lunch options are available for all students. Nutrition guidance is offered by our nurse as well as a fluoride program. Students have 2 classes of gym throughout the week as well as daily recess. For the 2018-19 school year, recess time has been extended for students in grades 3-8. Assemblies and programs on healthy eating and daily exercise are integrated throughout the year.

Parent and Community Involvement:

The LAC PTO organization welcomes parents of all students in PreK-8. The PTO organizes a variety of events such as Trunk or Treat, themed dances, Marshball Tournaments, Tricky Tray, and many more. Parents are given information through different venues including website, email, Back to School night, and text messages. Parents have access to their students' grades through the parent portal. Also, social media and newspaper articles keep our community up to date about the on-goings of our school.

Other Information:

The LAC school prides itself on being a small school that ensures safety and promotes well-being. Children are the focus of LAC; our chief goal is to help each child to develop to his or her fullest potential. Each individual is different and therefore our efforts must be directed toward identifying and satisfying individual needs. Inherent in a democracy is the recognition of the importance of the individual and of the school's responsibility for preparing each student for an effective role in our society's growth, management and preservation. Our District Technology Mission The Lower Alloways Creek School District will facilitate lifelong learning in the 21st Century. Pathways will be established toward seamless integration of technology that empowers the school community to be engaged global citizens. Our Vision LAC School envisions a learning community that uses technology: competently, fluently, and ethically in a rigorous and relevant curriculum that encourages inquire-based, hands on learning to promote individual, self-driven educational growth to support interdisciplinary and global collaboration as coaches, mentors, advocates, and facilitators of learning Guiding Principles, Values, and Beliefs We value a strong infrastructure based on a technology vision that will support our educational goals We value making purposeful and pragmatic choices when provided multiple technology options that support instructional goals We value a seamless integration of technology for students to access curriculum which will facilitate independent learning embedded across all learning environments We will value continuous, individualized and differentiated opportunities for professional development to support integration of technology into the classroom"
