

**7:27A-3.9 Civil administrative penalty for failure to provide information or test data or to maintain a permanent record of information or test data**

(a) The Department may assess a civil administrative penalty against each violator who fails to provide the Department with or who fails to maintain a permanent record of information regarding smoke, opacity, or emission data; any other stack or test data; or any other records or information required by the Department pursuant to the Act or any rule, administrative order, operating certificate, registration requirement or permit issued pursuant thereto.

(b) Each day smoke, opacity or emission data; any other stack or test data; or any other records or information required by the Department pursuant to the Act or any rule, administrative order, operating certificate, registration requirement or permit issued pursuant thereto is not provided after it is due, or is not maintained, shall constitute an additional, separate and distinct offense.

(c) Except as provided in N.J.A.C. 7:27A-3.10, the amount of the civil administrative penalty for offenses described in this section shall be as provided at (c)1 through 3 below. The grace period for these minor violations, if applicable in accordance with N.J.A.C. 7:27A-3.10(g) through (t), is 30 days.

1. For the nonsubmittal of or the failure to maintain records of any smoke, opacity or emission data:

- i. \$2,000 for the first offense;
- ii. \$4,000 for the second offense;
- iii. \$10,000 for the third offense; and

iv. \$30,000 for the fourth and each subsequent offense.

2. For the nonsubmittal of or the failure to maintain records of any stack or test data not included in (c)1 above:

- i. \$1,000 for the first offense;
- ii. \$2,000 for the second offense;
- iii. \$5,000 for the third offense; and
- iv. \$15,000 for the fourth and each subsequent offense.

3. For the nonsubmittal of or the failure to maintain any records or information not included in (c)1 or 2 above:

- i. \$500.00 for the first offense;
- ii. \$1,000 for the second offense;
- iii. \$2,500 for the third offense; and
- iv. \$7,500 for the fourth and each subsequent offense.

(d) The Department may, in its discretion, treat an offense as a first offense solely for civil administrative penalty determination purposes, if the violator has not committed the same offense in the five years immediately preceding the date of the pending offense.

Amended by R.1995 d.5, effective January 3, 1995 (operative January 27, 1995).

See: 26 N.J.R. 3566(a), 27 N.J.R. 93(a).

Amended by R.2005 d.155, effective May 16, 2005 (operative June 17, 2005).

See: 36 N.J.R. 5293(a), 37 N.J.R. 1789(a).

Rewrote (c).

**7:27A-3.10 Civil administrative penalties for violation of rules adopted pursuant to the Act**

(a) The Department may assess a civil administrative penalty of not more than \$10,000 for the first offense, not more than \$25,000 for the second offense, and not more than \$50,000 for the third and each subsequent offense for each violation of the Act or of any rule promulgated pursuant to the Act listed in (m) and (n) below.

(b) Each violation of each provision of the Act, or any rule promulgated pursuant thereto, shall constitute a separate and distinct offense.

(c) Each day during which the violation continues shall constitute an additional, separate, and distinct offense.

(d) Except as provided for in (e) and (f) below, the Department may, in its discretion, treat an offense as a first offense solely for civil administrative penalty determination purposes, if the violator has not committed the same offense in the five years immediately preceding the date of the pending offense.

(e) For violations of N.J.A.C. 7:27-8.3(e) and N.J.A.C. 7:27-22.3(c) or (e) indicated by a continuous monitoring system, the Department shall calculate penalties in accordance with (n)1 below and may, in its discretion for purposes of determining the statutory maximum penalty for an offense, treat an offense as a first offense for civil administrative penalty determination purposes, at the beginning of each calendar quarter.

(f) For violations of N.J.A.C. 7:27-8.3(e) and N.J.A.C. 7:27-22.3(d) or (e) when a continuous monitoring system operates out of control or is out of service, the Department shall calculate penalties in accordance with (n)2 below and may, in its discretion, treat an offense as a first offense for civil administrative penalty determination purposes, if the violator has not committed the same offense in the four consecutive calendar quarters immediately preceding the first day of the calendar quarter during which the pending offense was committed.

(g) Where the civil administrative penalty for a violation of the Act or of any rule promulgated pursuant to the Act may be determined by using more than one provision of this section, the Department may, in its discretion, assess the highest civil administrative penalty that corresponds to the violation, pursuant to the factors listed in N.J.A.C. 7:27A-3.5(e).

(h) The Department shall determine the amount of the civil administrative penalty for offenses described in this section on the basis of the provision violated and the frequency of the violation.

(i) (Reserved)

(j) The Department may, in its discretion prior to assessment of a civil administrative penalty, adjust the amount of any penalty determined under this section pursuant to the factors listed in N.J.A.C. 7:27A-3.5(e).

(k) For violations of N.J.A.C. 7:27-22.3(a) and (b), the Department shall calculate penalties in accordance with the Civil Administrative Penalty Schedule in (m) below by adding the penalty amounts for each source operation within a facility that is subject to N.J.A.C. 7:27-22. The daily penalty for such violations shall not exceed the amounts set forth in (a) above.

(l) Footnotes 3, 4, and 8 set forth in the Civil Administrative Penalty Schedule in (m) below are intended solely to put violators on notice that in addition to assessing a civil administrative penalty, the Department may also revoke the violator's Operating Permit, Certificate or variance. These footnotes are not intended to limit the Department's discretion in determining whether or not to revoke an Operating Permit, Certificate or variance, but merely to indicate the situation in which the Department would be most likely to seek revocation.

(m) The violations of N.J.A.C. 7:27 and the civil administrative penalty amounts for each violation are as set forth in the following Civil Administrative Penalty Schedule. The numbers of the following subsections correspond to the numbers of the corresponding subchapter in N.J.A.C. 7:27. The rule summaries for the requirements set forth in the Civil Administrative Penalty Schedule in this subsection are provided for informational purposes only and have no legal effect.

- 30. (Reserved)

31. The violations of N.J.A.C. 7:27-31, and the civil administrative penalty amounts for each violation, are as set forth as follows:

i. Violation of N.J.A.C. 7:27-31.3(i) shall be considered a non-minor violation, not subject to a grace period. The penalty amounts for violation of N.J.A.C. 7:27-31.3(i), which requires a minimum number of allowances to be held in a budget source's compliance account as of the allowance transfer deadline, are set forth in the following table, directly dependent on the number of tons of shortfall (each ton of excess emissions is a separate violation):

Amount of Shortfall (in tons)	Civil Administrative Penalty		
	Amounts	11-200	
1-100	(per ton)	21-500	\$ 4,000
	\$ 2,000	51-100	\$10,000
		over 1000	\$30,000
			\$50,000

ii. The base penalty amount as calculated in (m)31i above shall be limited by the statutory maximum penalty calculated as follows:

(1) For first offense levels (see N.J.A.C. 7:27A-3.5(f) for an explanation of determining offense levels), the penalty shall not exceed \$10,000 per day for each day of violation within the control period (\$10,000 per day x 153 days = \$1,530,000);

(2) For second offense levels (see N.J.A.C. 7:27A-3.5(f) for an explanation of determining offense levels), the penalty shall not exceed \$25,000 per day for each day of violation within the control period (\$25,000 per day x 153 days = \$3,825,000);

(3) For third and subsequent offense levels (see N.J.A.C. 7:27A-3.5(f) for an explanation of determining offense levels), the penalty shall not exceed \$50,000 per day for each day of violation within the control period (\$50,000 per day x 153 days = \$7,650,000); and

(4) If the authorized account representative of the budget source can prove that the number of days of violation in the control period is less than 153 days, then the maximum penalty as calculated in (m)31ii(1) through (3) above shall be adjusted accordingly.

iii. The violations of other provisions at N.J.A.C. 7:27-31, and the civil administrative penalty amounts for each violation, are set forth in the following table:

Citation	Rule Summary	Type of Violation	First Offense	Second Offense	Third Offense	Fourth and Each Subsequent Offense
N.J.A.C. 7:27-31.13(g)	Designate AAR	M	\$500	\$1,000	\$2,500	\$7,500
N.J.A.C. 7:27-31.14(b)	Submit Monitoring Plan	M	\$1,000	\$2,000	\$5,000	\$15,000
N.J.A.C. 7:27-31.14(c)	Install/Operate Monitoring System	NM	\$10,000	\$20,000	\$50,000	\$50,000
N.J.A.C. 7:27-31.14(c)	Certify Monitoring System	NM	\$1,000	\$2,000	\$5,000	\$15,000

(p) For any violation of N.J.A.C. 7:27-5.2 where the emission of air contaminants is in such quantities and duration as are, or tend to be, injurious to human health or welfare, animal or plant life or property, the Department may, in its discretion, assess the maximum civil administrative penalty set forth at N.J.S.A. 26:2C-19(b) for any release of air contaminants that causes persons exposed to the release to suffer acute health effects resulting in death or serious personal injury.

(q) Each violation identified in the penalty tables at (m) and (n) above by an "M" in the Type of Violation column, for which conditions at (s) below are satisfied, is a minor violation, and is subject to a 30-day grace period.

(r) Each violation identified in the penalty tables at (m) and (n) above by an "NM" in the Type of Violation column is a non-minor violation and will not be subject to a grace period.

(s) The Department shall provide a grace period of 30 days for any violation identified as minor under this section, provided the following conditions are met:

1. The violation is not the result of the purposeful, knowing, reckless or criminally negligent conduct of the person responsible for the violation;
2. The activity or condition constituting the violation has existed for less than 12 months prior to the date of discovery by the Department or local government agency;
3. In the case of a violation that involves a permit, the person responsible for the violation has not been identified in a previous enforcement action by the Department or a local government agency as responsible for a violation of the same requirement of the same permit within the preceding 12-month period;
4. In the case of a violation that does not involve a permit, the person responsible for the violation has not been identified in a previous enforcement action by the Department or a local government agency as responsible for the same or a substantially similar violation at the same facility within the preceding 12-month period; and
5. In the case of any violation, the person responsible for the violation has not been identified by the Department or a local government agency as responsible for the same or substantially similar violations at any time that reasonably indicate a pattern of illegal conduct and not isolated incidents on the part of the person responsible.

(t) For a violation determined to be minor under (s) above, the following provisions apply:

1. The Department or local government agency shall issue a notice of violation to the person responsible for the minor violation that:
  - i. Identifies the condition or activity that constitutes the violation and the specific statutory provision or other requirement violated; and
  - ii. Specifies that a penalty may be imposed unless the minor violation is corrected and compliance is achieved within the specified grace period.
2. If the person responsible for the minor violation corrects that violation and demonstrates, in accordance with (t)3 below, that compliance has been achieved within the specified grace period, the Department or local government agency shall not impose a penalty for the violation and, in addition, shall not consider the minor violation an offense as defined in this chapter.
3. The person responsible for the minor violation shall submit to the Department or a local government agency, before the end of the specified grace period, written information, certified in accordance with N.J.A.C. 7:27-1.39, and signed by the responsible official, as defined at N.J.A.C. 7:27-1.4, detailing the corrective action taken or compliance achieved.
4. If the person responsible for the minor violation seeks additional time beyond the specified grace period to achieve compliance, the person shall request an extension of the specified grace period. The request shall be made in writing no later than one week before the expiration of the specified grace period and include the anticipated time needed to achieve compliance, the specific cause or causes of the delay, and any measures taken or to be taken to minimize the time needed to achieve compliance, and shall be certified in accordance with N.J.A.C. 7:27-1.39. The Department or local government agency may, at its discretion, approve in writing an extension which shall not exceed 90 days, to accommodate the anticipated delay in achieving compliance. In exercising its discretion to approve a request for an extension, the Department or local government agency may consider the following:
  - i. Whether the violator has taken reasonable measures to achieve compliance in a timely manner;
  - ii. Whether the delay has been caused by circumstances beyond the control of the violator;

- iii. Whether the delay will pose a risk to the public health, safety and natural resources; and
- iv. Whether the delay will materially or substantially undermine or impair the goals of the regulatory program.

5. If the person responsible for the minor violation fails to demonstrate to the Department or local government agency that the violation has been corrected and compliance achieved within the specified grace period, or within the approved extension, if any, the Department or local government agency may, in accordance with the provisions of this chapter, impose a penalty that is retroactive to the date on which the notice of violation under (t)1 above was issued.

6. The person responsible for a minor violation shall not request more than one extension of a grace period specified in a notice of violation.
