2. Have not previously held full-time employment as principals, vice-principals, or in other positions for which the principal endorsement is required in New Jersey or elsewhere; and
3. Have been offered employment as principals or vice-principals in a New Jersey public school district.

(b) Each district employing a regularly-certified, inexperienced first-year principal shall enter into an agreement to provide a principal residency program pursuant to N.J.A.C. 6:11-9.5, including a pre-residency experience, except that:

The sole purpose of this assessment shall be to provide a diagnosis of strengths and weaknesses as a basis for designing continuing education and support exercises.

(c) The State Department of Education shall monitor local districts to determine compliance with this section.

6:3-2.1 Chief school administrator defined

Whenever the phrase "chief school administrator" is used throughout Title 6, it shall mean the superintendent of schools, or, if there is no superintendent, the administrative principal. The term "administrative principal" means the principal who works directly with the board of education in a district which has no position of superintendent of schools.

6. "Observation" means a visitation to an assigned work station by a certified supervisor for the purpose of formally collecting data on the performance of a teaching staff member's assigned duties and responsibilities and of a duration appropriate to same;

7. "Performance report" means a written appraisal of the teaching staff member's performance prepared by an appropriately certified supervisor;

8. "Supervisor" means any appropriately certified individual assigned with the responsibility for the direction and guidance of the work of teaching staff members; and

9. "Teaching staff member" means a member of the professional staff of any district or regional board of education, or any board of education of a county vocational school, holding office, position or employment of such character that the qualifications, for such office, position or employment, require him or her to hold a valid and effective standard, provisional or emergency certificate, appropriate to his or her office, position or employment, issued by the State Board of Examiners and includes a school nurse. The district chief school administrator, however, will not be evaluated pursuant to this section, but shall instead be evaluated pursuant to N.J.A.C. 6:3-2.2.

Case Notes

Board of education's decision to withhold principal's salary increment due to his excessive absenteeism was not related predominately to evaluation of principal's performance, and thus principal's appeal should be through arbitration, and not to Commissioner of Department of Education. *Edison Tp. Bd. of Educ., Middlesex County v. Edison Tp. Principals and Sup'rs Ass'n*, 304 N.J.Super. 459, 701 A.2d 459 (A.D. 1997).

Teacher's arrest for possession of marijuana constituted conduct unbecoming a teacher and was sufficient to warrant dismissal. In the *Matter of the Tenure Hearing McIntyre*, 96 N.J.A.R.2d (EDU) 719.

Testimony of three students was insufficient to prove corporal punishment charges against physical education teacher, given teacher's previously unblemished record. In the *Matter of the Tenure Hearing of Quinones*, 96 N.J.A.R.2d (EDU) 649.

Tenured teacher who broke up fight between students by physically placing one student in chair violated ban against corporal punishment, and thus would have increment and salary withheld. In the *Matter of the Tenure Hearing of MacDowell*, 96 N.J.A.R.2d (EDU) 644.

(a) The word "employment" for purposes of these standards shall also be held to include "office" and "position."

(b) Seniority, pursuant to N.J.S.A. 18A:29-9 et seq., shall be determined according to the number of academic or calendar years of employment, or fraction thereof, as the case may be, in the school district in specific categories as hereinafter provided. The periods of unpaid absences not exceeding 30 calendar days aggregate in one academic or calendar year, leaves of absence at full or partial pay and unpaid absences granted for study or research shall be credited toward seniority. All other unpaid absences or leaves of absence shall not receive seniority credit.

(c) In computing length of service for seniority purposes, full recognition shall be given to previous years of service within the district and the time of service in or with the military or naval forces of the United States or this State, pursuant to the provisions of N.J.S.A. 18A:28-12.

(d) Employment in the district prior to the adoption of these standards shall be counted in determining seniority.

(f) Whenever a person shall hold employment simultaneously under two or more subject area endorsements or in two or more categories, seniority shall be counted in all subject area endorsements and categories in which he or she is or has been employed. For purposes of calculating seniority entitlement, there shall be no distinction between academic years and calendar years.

(g) Where the title of any employment is not properly descriptive of the duties performed, the holder thereof shall be placed in a category in accordance with the duties performed and not by title. Whenever the title of any employment shall not be found in the certification rules or in these rules, the holder of the employment shall be classified as nearly as may be according to the duties performed, pursuant to the provisions of N.J.A.C. 6:11-3.3.

If he or she shall have insufficient seniority for employment in the same category, he or she shall revert to the category in which he or she held employment prior to his or her employment in the same category and shall be placed and remain upon the preferred eligible list of the category from which he or she reverted until a vacancy shall occur in such category to which his or her seniority entitles him or her.

(j) If he or she shall have insufficient seniority in the category to which he or she shall revert, he or she shall, in like manner, revert to the next category in which he or she held employment immediately prior to his or her employment in the category to which he or she shall have reverted, and shall be placed and remain upon the preferred eligible list of the next preceding category, and so forth, until he or she shall have been employed or placed upon all the preferred eligible lists of the categories in which he or she formerly held employment in the school district.

(k) In the event of his or her employment in some category to which he or she shall revert, he or she shall remain upon all the preferred eligible lists of the categories from which he or she shall have reverted, and shall be entitled to employment in any one or more such categories whenever a vacancy occurs to which his or her seniority entitles him or her.

Case Notes

School board's affirmative action plan of preferring minority teachers over nonminority teachers in layoff decisions where teachers were equally qualified violated Title VII. *Taxman v. Board of Educ. of Township of Piscataway*, C.A.3 (N.J.) 1996, 91 F.3d 1547.

School board could terminate tenured speech correction teacher and have services provided by educational services commission. *Impey v. Board of Educ. of Borough of Shrewsbury*, 273 N.J.Super. 429, 642 A.2d 419 (A.D.1994), certification granted 138 N.J. 266, 649 A.2d 1286, affirmed 142 N.J. 388, 662 A.2d 960.

Evidence supported State Board of Education determination that school district had legitimate basis for restructuring guidance department so as to eliminate position of guidance counselor, which required education services certification, and to create new position of class supervisor, which required certification in both educational services and administration. *Dennery v. Board of Educ. of Passaic County Regional High School Dist.* No. 1, Passaic County, 131 N.J. 626, 622 A.2d 858 (1993).

If newly created position is similar to tenure holder's abolished position but also requires additional or different responsibilities, newly created position is not considered substantially similar to former position for purposes of determining whether local board must extend tenure holder's tenure rights to new position. *Dennery v. Board of Educ. of Passaic County Regional High School Dist.* No. 1, Passaic County, 131 N.J. 626, 622 A.2d 858 (1993).

Local school board may not sidestep educator's tenure rights by simply renaming position or tacking on additional meaningless requirements; local board must extend teaching-staff member's tenure rights to newly created position. *Dennery v. Board of Educ. of Passaic County Regional High School Dist.* No. 1, Passaic County, 131 N.J. 626, 622 A.2d 858 (1993).

Service as guidance counselor under educational services certification did not automatically entitle tenured guidance counselor to tenure in position which fell under both educational services and administrative certificates; requirement of dual certification and service in position under particular certificate for tenure under that certificate was not unreasonable, arbitrary or capricious. *Dennery v. Board of Educ. of Passaic County Regional High School Dist.* No. 1, Passaic County, 131 N.J. 626, 622 A.2d 858 (1993).

Where newly created position of class supervisor required performance of additional duties apart from those performed by tenured guidance counselor, guidance counselor, who had acquired tenure in her position under educational services certificate, was not entitled to tenure rights to newly created position which required certification under both educational services and administration. *Dennery v. Board of Educ. of Passaic County Regional High School Dist.* No. 1, Passaic County, 131 N.J. 626, 622 A.2d 858 (1993).

Emerson Bd. of Educ.*, 225 N.J.Super. 324, 542 A.2d 489 (A.D.1988).

"Seniority" provisions of teacher tenure statute concerned only rights inter sese of tenured teachers and did not authorize dilution of teacher's tenure rights by reduction in work hours and retention of nontenured teacher full-time in secondary school position solely on basis of nontenured teacher's "seniority" in the secondary setting. *Bednar v. Westwood Bd. of Educ.*, 221 N.J.Super. 239, 534 A.2d 93 (A.D.1987), certification denied 110 N.J. 512, 541 A.2d 1371.

"Access" means the right to view, to make notes, and/or to have a reproduction of the pupil record made.

"Adult pupil" means a person who is at least 18 years of age, or is attending an institution of postsecondary education, or is an emancipated minor.

"Parent" means the natural parent(s) or legal guardian(s), foster parent(s) or parent surrogate(s) of a pupil. Where parents are separated or divorced, "parent" means the person or agency who has legal custody of the pupil, as well as the natural or adoptive parents of the pupil, provided

"Pupil record" means information related to an individual pupil gathered within or outside the school system and maintained within the school system, regardless of the physical form in which it is maintained. Essential in this definition is the idea that any information which is maintained for the purpose of second party review is considered a pupil record. Therefore, information recorded by any certified school personnel solely as a memory aid, not for the use of a second party, is excluded from this definition.

"Student information directory" means a publication of a district board of education which includes the following information relating to a pupil: the student's name, address, telephone number, grade level, date and place of birth, dates of attendance, major field of study, participation in officially recognized activities, weight and height relating to athletic team membership, degrees, awards, the most recent educational agency attended by the pupil and other similar information.

District boards of education shall make every effort to notify parents and adult pupils in their dominant language.

(e) A nonadult pupil may assert rights of access only through his or her parents. However, nothing in these rules shall be construed to prohibit certified school personnel, in their discretion, from disclosing pupil records to nonadult pupils or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the pupil or other persons.

(f) The parent or adult pupil shall either have access to or be specifically informed about only that portion of another pupil's record that contains information about his or her own child or him or herself.

(g) Each district board of education shall establish written policies and procedures for pupil records which:

7. Assure limited access to pupil records by secretarial and clerical personnel pursuant to N.J.A.C. 6:3-6.5; and

(h) All anecdotal information and assessment reports collected on a pupil shall be dated and signed by the individual who originated the data.

(i) The chief school administrator or his or her designee shall require all permitted pupil records of currently enrolled pupils to be reviewed annually by certified school personnel to determine the education relevance of the material contained therein. The reviewer shall cause data no longer descriptive of the pupil or educational situation to be deleted from the records except that prior notice must be given for classified students in accordance with N.J.A.C. 6:28. Such information shall be destroyed and not be recorded elsewhere. No record of any such deletion shall be made.

(j) No liability shall be attached to any member, officer or employee of any district board of education permitting access or furnishing pupil records in accordance with these rules.
