New Jersey Occupational Information Coordinating Committee

CN 056, Labor Bldg., Trenton 08625 (609) 292-2682

The New Jersey Occupational Information Coordinating Committee is an interagency consortium established under the mandates of the Job Training Partnership Act of 1982 and later the Carl D. Perkins Vocational Education Act of 1984. The New Jersey Occupational Information Coordinating Committee is responsible for developing, managing and overseeing a statewide comprehensive occupational labor market supply and demand system to meet the common information needs for the planning for, and the operation of, all public training and job placement programs.

New Jersey Board of Public Utilities (N.J.S.A. 48:2-1)

44 S. Clinton Avenue, CN 350, 7th floor, Trenton, NJ 08625 (609) 777-3300

Operating Divisions and Executive Office: 2 Gateway Center, 9th Floor, Newark 07102 (201) 648-2026

The former Board of Regulatory Commissioners became the Board of Public Utilities under Reorganization Plan No. 001-1994, issued by Governor Whitman, effective May 5th, 1994. The Board has jurisdiction over the rates and services of telephone, electric, gas, water and sewerage companies, and also exercises certain responsibilities regarding cable television companies. Three citizens of the State appointed by the Governor with the advice and consent of the Senate for six-year terms.

Division of Rate Payer Advocate

31 Clinton Street, 11th floor, Box 46005, Newark 07102 (201) 648-2690

As of July 1, 1994, the Division of the Ratepayer Advocate, an independent agency, of but not in the Department of Treasury was established by Governor Whitman's Reorganization Plan 001, 1994 (N.J.S.A. 13:(D)) and N.J.S.A. 52:27E-50 et seq. to represent and protect the interest of all classes of ratepayers when utilities file rate and service proposals before the Board of Public Utilities; to participate in policy making on the Advisory Counsel of Energy Planning and Conservation, the Energy Master Plan Committee, and other utility policy bodies of the BPU; and to assist, advise and cooperate with the BPU in exchanges of information and ideas in the formulation of long-term energy policy and goals affecting all New Jersey ratepayers and consumers of utility services. In the absence of satisfactory negotiation or settlement of matters before the Board of Public Utilities, the Ratepayer Advocate is authorized to litigate as necessary to protect the interests of ratepayers.
