The Commission may, however, permit the enterprise to continue to provide such goods and services or conduct such business if the application is prepared and filed within a reasonable time.

(b) In determining whether an enterprise is subject to the requirements of this subsection, it shall not matter whether the casino licensee or applicant is a party to any agreement pursuant to which said goods or services are being provided. Enterprises subject to this requirement shall include manufacturers, suppliers and distributors of non-value gaming chip sorters and licensors of authorized games to casino licensees and applicants.
